JENESIS.

1 **I**N the begining God created the hev'n and the ert. (2) And the ert woz widst form and vord; and dārenes [woz] upōn the fas ov the dep. And the Spirit ov God muv'd upōn the fas ov the woterz.

3 And God sed, Let dar be ljt; and dar woz 4 ljt. And God so the ljt, dat [it woz] gad; and God divid'd the ljt from the dārenes. 5 And God cold the ljt Da, and the dārenes he cold Njt. And the evnig and the mornig wer de ferst da.

6 And God sed, Let dar be a fermament in the midst ov the woterz, and let it divld the 7 woterz from the woterz. And God mad the fermament, and divid'd the woterz hwig [wer] under the fermament from the woterz 8 hwig [wer] abūv the fermament: and it woz so. And God cold the fermament Hev'n. And the evnig and the mornig wer de secund da.

9 And God sed, Let the woterz under the hev'n be gad'rd tugēder untu wun plas, and let 10 the dri [land] apēr; and it woz so. And God cold the dri [land] Ert; and the gad'ring tugēder ov the woterz cold he Sez: and God 11 so dat [it woz] gad. And God sed, Let the ert brin fort grqs, de herb yeldig sed, [and] the frut tre yeldig frut after hiz ejnd, huiz sed [iz] in itsēlf, upōn the ert: and it woz so.

12 And the ert brot fort grqs, [and] herb yeldig sed after hiz ejnd, and the tre yeldig frut, huiz sed [woz] in itsēlf, after hiz ejnd: and 13 God so dat [it woz] gad. And the evnig and the mornig wer de terd da.

14 And God sed, Let dar be ljts in the fermament ov the hev'n tu divld the da from the njt; and let dem be for sjnz, and for sez'nz, 15 and for daz, and yertz: and let dem be for ljts in the fermament ov the hev'n tu giv ljt 16 upōn the ert: and it woz so. And God mad tu grat ljts; the grater ljt tu rul de da, and the lesser ljt tu rul de njt: [he mad] the 17 stqrz also. And God set dem in the fermament ov the hev'n tu giv ljt upōn the ert, 18 and tu rul over the da and over the njt, and tu divld the ljt from the dārenes: and God 19 so dat [it woz] gad. And the evnig and the mornig wer de fort da.

20 And God sed, Let the woterz brin fort abundantli the muvig cretur dat hat lijf, and fsl [dat] ma lij abūv the ert in the op'n 21 fermament ov hev'n. And God created grat hwalz, and everi livig cretur dat muvet, hwig the woterz brot fort abundantli, after 22 dar ejnd, and everi wip'd fsl after hiz ejnd: and God so dat [it woz] gad. And God 23 blest dem, saig, Be fruitful, and multipli, and fil de woterz in the sez, and let fsl multipli in the ert. And the evnig and the mornig wer de fift da.

24 And God sed, Let the ert brin fort the livig cretur after hiz ejnd, cat'l, and crespig 25 tip, and best ov the ert after hiz ejnd: and it woz so. And God mad the best ov the ert after hiz ejnd, and cat'l after dar ejnd, and everi tip dat crespit upōn the ert after hiz ejnd: and God so dat [it woz] gad.

26 And God sed, Let us mac man in sr imej, after sr ljenes: and let dem hav dominyun over the fjl ov the se, and over the fsl ov the ar, and over the cat'l, and over el the ert, and over everi crespig tip dat crespit upōn 27 the ert. So God created man in hiz [on] imej, in the imej ov God created he him; 28 mal and femal created he dem. And God blest dem, and God sed untu dem, Be fruitful, and multipli, and replēnif the ert, and subdū it: and hav dominyun over the fjl ov the se, and over the fsl ov the ar, and over everi livig tip dat muvet upōn the ert.

29 And God sed, Behōld, j hav giv'n ū everi herb barij sed, hwig [iz] upōn the fas ov el the ert, and everi tre, in the hwig [iz] the frut ov a tre yeldig sed; tu ū it fjd be 30 for met. And tu everi best ov the ert, and tu everi fsl ov the ar, and tu everi tip dat crespit upōn the ert, hwarin [dar iz] lijf, [j hav giv'n] everi gren herb for met: and 31 it woz so. And God so everi tip dat he had mad, and, behōld, [it woz] veri gad. And the evnig and the mornig wer de siest da.

2 **I**US de hev'nz and the ert wer finifd, and el the host ov dem. (2) And on the sev'nt da God ended hiz wure hwig he had mad; and he rested on the sev'nt da from el hiz wure hwig 3 he had mad. And **24** Abraham sed, I wil swar. And Abraham repruðv Abimelec becöz ov a wel ov woter, hwiç Abimelec servants had vjolentli tac'n awá. And Abimelec sed, I wot not húa hat dun dis tin : neder didst ðs tel me, neder yet herd i [ov it], but tuðá. And Abraham tue sep and ocs'n, and gav ðem untu Abimelec; and bot ov ðem mad a cuvenant. **25** And Abraham set sev'n ú lamz ov de floe bi ðemselvz. And Abimelec sed untu Abraham, I Hwot [men] dez sev'n ú lamz hwiç ðs hast set bi ðemselvz. And he sed, For [dez] sev'n ú lamz falt ðs tac ov m̄j hand, dat ða ma be a witnes untu me, dat i hav digd dis wel. Hwarfor he cold dát plas Beerseba; becöz ðar ða swar bot ov ðem. **26** Hus ða mad a cuvenant ut Beerseba : ðen Abimelec roz up, and Ejeol de gef capten ov hiz host, and ða retúrnð intui de land ov de Filistinz. **27** And [Abraham] plantet a grov in Beerseba, and cold ðar on de nam ov de LORD, de everlastig God. And Abraham sujurnð in de Filistinz land meni daz.

And Abraham streçt fort hiz hand, and tue ðe nijf tu sla hiz sun. And de anjel ov de LORD cold untu him st ov hev'n, and sed, Abraham, Abraham : and he sed, Her [am] i. And he sed, La not ðin hand upón de lad, neder ðu ðs eni tin

And Abraham lifted up hiz iz, and læt, and behóld behjnd [him] a ram cot in a ticut bi hiz hornz : and Abraham went and tue de ram, and oferð him up for a burnt oferij in ðe sted ov hiz sun. And Abraham cold de nam ov dát plas Jehova-jira : az it iz sed [tu] ðis ða, In de m̄nt ov de LORD it sal be sen. And ðe anjel ov de LORD cold untu Abraham st ov hev'n de secund tin, and sed, Bi miself hav i sworn, set de LORD, fər becöz ðs hast dun dis tin, and hast not wiðhóld ði sun, ðin [onli] sun : dat in blesig i wil bles dé, and in multiplij i wil multipl̄ ði sed az ðe stqz ov de hev'n, and az ðe sand hwiç [iz] upón ðe se fər : and ði sal pozēs ðe gat ov hiz enemiz; and in ði sed sal ol de nafunz ov de ert be bles; becöz ðs hast obáð m̄j vos. 21 And de fíj dat [woz] in de river dj; and de river stage, and de Ejsipanz cad not drije ov de woter ov de river; and dar woz 22 blud truíst ol de land ov Ejsipt. And de majifanz ov Ejsipt did so wid dar enqntments: and Faroz hqt woz hqr'nd, neder did he hqr'n untu dem; az de LORD had 23 sed. And Faro turnd and went intu hiz hss, neder did he set hiz hqt tu dis also;

5 And de LORD spae untu Mozez, Sa untu Arun, Streg fort djn hand wid dj rod over de stremz, over de riverz, and over de pondz, and eoz frogz tu cum up upón de land ov 6 Ejsipt. And Arun streg st hiz hand over de woterz ov Ejsipt; and de frogz cam up, 7 and cuverd de land ov Ejsipt. And de majifanz did so wid dar enqntments, and brot up frogz upón de land ov Ejsipt.

8 Den Faro cold for Mozez and Arun, and sed, Intrét de LORD, dat he ma tae awá de frogz from me, and from mj pep'l; and i wil let de pep'l go, dat da ma duu sacrifiz 9 untu de LORD. 13 And de LORD did acordij tu de wurd ov Mozez; and de frogz did st ov de hszez, 14 st ov de vólejez, and st ov de feldz. And da gaderd dem tugóder upón heps: and 15 de land stage. But hwen Faro so dat dar woz respit, he hqr'nd hiz hqt, and hqr'n'd not untu dem, az de LORD had sed.

16 And de LORD sed untu Mozez, Sa untu Arun, Streg st dj rod, and smít de dust ov de land, dat it ma becum ljs truíst ol de 17 land ov Ejsipt. And da did so; for Arun streg st hiz hand wid hiz rod, and smot de dust ov de ert, and it becum ljs in man, and in best; ol de dust ov de land becum ljs 18 truíst ol de land ov Ejsipt. And de majifanz did so wid dar enqntments tu brij fort ljs, but da cad not: so dar wer ljs upón 19 man, and upón best. Den de majifanz sed untu Faro, Dis [iz] de finger ov God: and Faroz hqt woz hqr'nd, and he hqr'nd not untu dem; az de LORD had sed.

16⁹ And Mozez spae untu Arun, Sa untu ol de congregafun ov de gildren ov 'Israel, Cum mer befór de LÖRD; for he hat herd up murmurijz.

18 De prests de Levġts, [and] ol de trijb ov

3 And dis sal be de prests dġ from de pep'l,

12 Fer ol dat du dez tĩnz [qr] an abominafun untu de LÖRD: and becöz ov dez abominafunz de LÖRD dũt God dũt driv dem st

19 And i fal eum tuu pqs, [dāt] husoēver wil not hqre'n untu mĩ wurdz hwig he fal spec in mĩ nam, i wil recwĩr [it] ov him.

20 Bat de profet, hwig fal prezũtu tuu spec a wurd in mĩ nam, hwig i hav not comānded him tuu spec, or dat fal spec in de nam

19 Hwen de LÖRD dũt God hat cut of de nafunz, huz land de LÖRD dũt God givet dē, and ds susedest dem, and dwest in

4 And dīs [iz] de cas ov de slaer, hwig fal fle dider, dat he ma liv: Huso cileet hiz nabur ĩgnorantli, hum he hated not in

20 Hwen ds goest st tuu bat'l agēnst dĩn enemiz, and seest hersez, and gariats, [and] a pep'l mor dan ds, be not afrād ov

5 And de ofiserz fal spec untu de pep'l, saĩg, I hwot man [iz dar] dat hat bĩlt a nũ hss, and hat not dēdicat it; let him go and

And it sal be, hwen de ofiserz hav mad an end ov spreij untu de pep'l, dat da sal mac captenz ov de qrmiz tu led de pep'l.

10 Hwen ds eumest nj untu a siti tu fit 11 agénst it, den proclám pes untu it. And it sal be, if it mae dé qnser ov pes, and op'n untu dé, den it sal be, [dat] ol de pep'l [dat iz] fsnd darin sal be tributeriz 12 untu dé, and da sal serv dé. And if it wil mac no pes wid dé, but wil mac wor agénst 13 dé, den ds falt besj it: and hwen de LORD dj God hat delivred it intu dñ handz, ds falt snjt everi mal daróf wid de ej ov de 14 sord: but de wimen, and de lit'l wunz, and de eat'l, and ol dat iz in de siti, [ev'n] ol de spol daróf, falt ds tae untu dñself; and ds falt et de spol ov dñ enemiz, hwig 15 de LORD dj God hat giv'n dé. But ov de sitiz ov dez pep'l, hwig de LORD dj God dat giv dé [for] an inheritans, ds falt sav aljz nufij dat bredet: 17 but ds falt uterli destró dem; [namli,] de Hitijs, and de Amorjts, de Cánaanijts, and de Perizjts, de Hvjts, and de Jebuzjts; az 18 de LORD dj God hat comended dé: dat da teg u not tu dui qfter ol dar abominafunz, hwig da hav dun untu dar godz; so jud ye sin agénst de LORD yr God.

19 Hwen ds falt besj a siti a loj tñ, in machin wor agénst it tu tae it, ds falt not destró de trez daróf bj fersij an aes agénst dem: for ds maest et ov dem, and ds falt not eut dem dsn (for de tre ov de feld [iz] manz [lij]) tu empló [dem] in de sej: 20 onli de trez hwig ds neest dat da [be] not trez for met, ds falt destró and eut dem dsn; and ds falt bild bulwures agénst de siti dat maect wer wid dé, until it be subdyd.

21 If [wun] be fsnd slan in de land hwig de LORD dj God givet dé tu pozés it, lij in de feld, [and] it be not non húa hat slan 2 him: den dj elderz and dj juwez sal eun fort, and da sal mezur untu de sitiz hwig 3 [qr] rsnd abót him dat [iz] slan: and it sal be, [dat] de siti [hwig iz] neest untu de slan man, ev'n de elderz ov dát siti sal tae an hefer, hwig hat not ben rot wid, 4 [and] hwig hat not dron in de yoe: and de elderz ov dát siti sal brij dsn de hefer untu a ruf vali, hwig iz needer erd nor son, and sal strie of de heferz nec dar in de vali: 5 and de prests de sunz ov Levi sal eun ner; (for dem de LORD dj God hat goz'n tu minister untu him, and tu bles de nam ov de LORD; and bj dar wurd fal everi cón- 6 troversi and everi stroe be [trjd]:) and ol de elderz ov dát siti, [dat qr] neest untu de slan [man], sal wof dar handz over de

So falt ds put awá de [gilt ov] inosent blud from amún y, hwen ds falt dui [dat hwig iz] rijt in de sijt ov de LORD.

10 Hwen ds goest fort tu wor agénst dñ enemiz, [and de LORD dj God hat delivred dem intu dñ handz, and ds hast tae'n 11 dem captiv, and ds seest amún de captivz a butifal wuman, and hast a deejr untu 12 her, dat ds wudst hav her tu dj wij; den ds falt brij her hom tu dñ hss; and se 13 sal fav her hed, and par her nalz; and se sal put de rament ov her captiviti from of her, and sal remán in dñ hss, and bewál her fader and her muder a ful munt: and qfter dát ds falt go in untu her, and be 14 her huzbund, and se sal be dj wij. 15 If a man hav tú wjvz, wun belúved, and anáder hated, and da hav born himildren, [bot] de belúved and de hated; and [if] de 16 fersiborn sun be herz dat woz hated: den it sal be, hwen he maect hiz sunz tu inherit [dat] hwig he hat, [dat] he ma not mae de sun ov de belúved fersiborn, befór de sun ov 17 de hated, [hwig iz indéd] de fersiborn: but he sal aenólej de sun ov da hated [for] de fersiborn, bj givij him a dub'l porfun ov ol dat he hat: for he [iz] de beginij ov hiz streng; de rijt ov de fersiborn [iz] hiz.

18 If a man hav a stubborn and rebelyus sun, hwig wil not obá de vos ov hiz fader, or de vos ov hiz muder, and [dat], hwen da hav gas'nd him, wil not hqre'n untu 19 dem: den sal hiz fader and hiz muder la hold on him, and brij him st untu de elderz ov hiz siti, and untu de gat ov hiz 20 plas; and da sal sa untu de elderz ov hiz siti, 'Dis sr sun [iz] stubborn and rebelyus, he wil not obá sr vos; [he iz] a glut'n, 21 and a drunceerd. And ol de men ov hiz siti sal ston him wid stonz, dat he dj: so falt ds put ev'l awá from amún y; and ol 'Izrael fal her, and fer.

22 And if a man hav comited a sin wurdí ov det, and he be tu be put tu det, and ds 23 haj him on a tre: his bodi fal not remán ol njt upón de tre, but ds falt in eni wij beri him dát da; (for hé dat iz hajd [iz] acúrst ov God); dat dj land be not defjld, hwig de LORD dj God givet dé [for] an inheritans.

22 ds falt not se dj bruderz ocs or hiz sep go astrá, and hid dñself from dem: ds falt in eni eas brij dem agén untu dj 2 bruder. And if dj bruder [be] not nj untu dé, or if ds no him not, den ds falt brij it untu dñ on hss, and it sal be wid dé until

22 di bruder sec qfter it, and ðs falt restór it tu him agén. (3) In lje maner falt ðs du wid hiz qs; and so falt ðs du wid hiz rament; and wid ol lest tīg ov di bruderz, hwiġ he hat lost, and ðs hast fənd, falt ðs du hjewiz: ðs maest not hīd dīself. ðs falt not se di bruderz qv er hiz oes fol dsn bī ðe wa, and hīd dīself from dem; ðs falt furli help him tu līt [dem] up agén.

5 ðe wuman fal not war dāt hwiġ pertanet untu a man, neder fal a man put on a wumanz ġrment: for ol dāt du so [qʀ] abominafun untu ðe LōRD dī God.

8 Hwen ðs bildest a nū hss, ðen ðs falt mac a hat'ment for dī ruaf, dāt ðs brīn not blud upón dīn hss, if enī man fol from ðens.

9 ðs falt not so dī vinyerd wid diverz sedz: lest ðe fruit ov dī sed hwiġ ðs hast sən, and ðe fruit ov dī vinyerd, be ðefīld. ðs falt not ply wid an oes and an qs tuġēder.

11 ðs falt not war a ġrment ov dīverz sorts, [az] ov wulen and linen tuġēder.

12 ðs falt mac dē frīnjez upón ðe for ewertēz ov dī vestqʀ, hwarwīt ðs cuverest [dīself].

13 If enī man tae a wīf, and go in untu

23 dāt fe dī: becóz fe hat ret foli in 'Israel, tu pla ðe hor in her fəderz hss: so falt ðs put ev'l awá from amūġ q.

24 If a man be fənd līj wid a wuman marid tu an huzbund, ðen ða fal bot ov ðem dī, [bot] ðe man dāt la wid ðe wuman,

9 And Moez rot ðis lo, and delivred it untu de prests de sunz ov Levj, hwig bar de qre ov de euvenant ov de LORD, and untu el de elderz ov 'Izrael. And Moez comþnded ðem, saig, At de end ov [everi] sev'n yerz, in de solemniti ov de yer ov **11** relés, in de fest ov de tábernae'lz, hwen ol 'Izrael iz cum tu apér befór de LORD ðj God in de plas hwig he fal guz, ðs falt red **12** ðis lo befór el 'Izrael in ðar herin. 15 And de LORD apérd in de tábernae'l in a pilér ov a elsd: and de pilér ov de elsd **16** stud over de dor ov de tábernae'l. And de LORD sed untu Moez, Behóld, ðs falt slep wid ðj fqderz; and ðis pep'l wil riz up, and go a hórin qfter de godz ov de stranjerz ov de land, hwider ða go [tu be] amún ðem, and wil forsác me, and brae mý

Fer hwen i fal hav brot ðem intu de land hwig i swar untu ðar fqderz, dat floet wid mile and humi; and ða fal hav et'n and fild ðemsélvz, and wacs'n fat; ðen wil ða turn untu uder godz, and serv ðem, and provóe me, and brae mý eu- **21** enant. Moez ðarfór rot ðis sog de sam da, and tot it de gildren **23** ov 'Izrael. And he gav Josfa de sum ov Nun a qqrj, and sed, Be stron and ov a gud eurcj: for ðs falt brin de gildren ov 'Izrael intu de land hwig i swar untu ðem: and i wil be wid ðé.

24 And it cam tu pqs, hwen Moez had

31 mad an end ov rīṭiṅ de wurdz ov dis lē in a buac, untīl ḏa wer finīst, (25) dat Mozez comānded de Levīts, hwīc bar de qre ov de 26 cūvenant ov de LORD, saīn, 'Tha dis buac ov de lē, and put it in de sīd ov de qre ov de cūvenant ov de LORD ṽr God, dat it ma be 27 dar for a wītnes agēnst dē. Fēr i nō dī rebelyun, and dī stīf nec: behōld, hwīl i am yet alſy wīd ṽ dis da, ȳe hav ben rebelyus agēnst de LORD; and h̄s m̄ḡm̄or 28 (after mī det!) 4 [Hē iz] de Roe, hīz wure [iz] perfect: for ol hīz waz [qr] jujment: a God ov trut and wīd̄st inewiti, just and rīṭ [iz] he.

5 ḏa hav corūpted demselvz, ḏar spot [iz] not [de spot] ov hīz gildren: [ḏa qr] a pervers and craced jenerasun.

6 ¶ Dui ȳe ḏus recwīt de LORD, o fuulīḡ pep'l and unwīz.

7 Remēber de daz ov old, consider de ȳerz ov menī jenerasunz: qse dī fader—and he wil jō dē; dī elderz—and ḏa wil tel dē.

8 Hwen de Most Hī divided tu de nasunz dar inheritans, hwen he sēperated de sunz ov Adam, he set de b̄ndz ov de pep'l acordin tu de number ov de gildren ov 'Izrael.

9 Fēr de LORDz p̄r̄sun [iz] hīz pep'l; Jacob [iz] de lot ov hīz inheritans.

10 He f̄snd him in a dezert land, and in de wast h̄slīḡ wildernes; he led him ab̄st, he instrūcted him, he cept him az de ap'l ov hīz i.

11 Az an eg'l steret up her nest, fluteret over her yun, spredet abrōd her winz, taet dem, baret dem on her winz:

12 [so] de LORD alōn did led him, and [ḏar woz] nō stranj god wīd him.

13 He mad him rīd on de hī plasez ov de ert, dat he mīṡ et de ineres ov de feldz; and he mad him tu suc huni st ov de roe, and ol st ov de flinti roe;

15 But Jesūrun waest fat, and ciet: d̄s qrt waes'n fat, d̄s qrt gr̄on tic, d̄s qrt cuverd [wīd fatnes]; den he forsūc God [hwīc] mad him, and lītli estēmd de Roe ov hīz salvasun.

16 ḏa provōct him tu jelusi wīd stranj [godz], wīd abominasunz provōct ḏa him tu aḡger.

19 And hwen de LORD so [it], he abhōrd [dem], becōz ov de provōcīḡ ov hīz sunz, and ov hīz dōterz.

20 And he sed, I wil hīd mī fas from dem, i wil se hwot dar end [ḡal be]: for da [qr] a veri frowerd jenerasun, gildren in hum [iz] nō fat.

21 ḏa hav muvd me tu jelusi wīd [ḡat hwīc iz] not God; ḏa hav provōct me tu aḡger wīd dar vanitiz: and i wil muv dem tu jelusi wīd [ḡoz hwīc qr] not a pep'l; i wil provōc dem tu aḡger wīd a fuulīḡ nasun.

22 For a fir iz eind'ld in mīn aḡger, and šal burn untu de loest hel, and šal consūm de ert wīd her ineres, and set on fir de f̄sndasunz ov de m̄s̄tenz.

23 I wil hep mīsc̄s upōn dem; i wil spend mīn aroz upōn dem.

24 [ḏa šal be] burnt wīd hunger, and dev'rd wīd burnīḡ het, and wīd biter destructun: i wil olso send de tet ov bests upōn dem, wīd de p̄z'n ov serpents ov de dust.

25 He sord wīd̄st, and terur wīdīn, šal destrō bot de yun man and de verjin, de suchīḡ [olso] wīd de man ov gra harz.

26 I sed, I wad seater dem intu cornerz, i wad mac de rem̄brans ov dem tu ses from amīḡ men:

19 And Josfa sed untu Acan, Mj sun, giv, i pra ðe, glöri tu ðe LÖRD God ov 'Izrael, and mac confesun untu him; and tel me ns hwot ðs hast dun; hid [it] not from me. And Acan qnsed Josfa, and sed, Indöd i hav sind agénst ðe LÖRD God ov 'Izrael, and ðus and ðus hav i dun: hwen i so amún ðe spolz a gudli Babilonij qrmnt, and tü hundred fecelz ov silver, and a wej ov gold ov fifti fecelz wat, ðen i cüveted ðem, and tue ðem; and, behöld, ða [qr] hid in ðe ert in ðe midst ov mj tent, and ðe silver under it. So Josfa sent mesenjerz, and ða ran untu ðe tent; and, behöld, [it woz] hid in hiz tent, and ðe silver under it. And ða tue ðem st ov ðe midst ov ðe tent, and brot ðem untu Josfa, and untu el ðe gildren ov 'Izrael, and lad ðem st beför ðe LÖRD.

24 And Josfa, and el 'Izrael wið him, tue Acan ðe sun ov Zera, and ðe silver, and ðe qrmnt, and ðe wej ov gold, and hiz sunz, and hiz deterz, and hiz oes'n, and hiz qsez, and hiz sep, and hiz tent, and el ðat he had: and ða brot ðem untu ðe vali ov Acor. And Josfa sed, i Hwi hast ðs trub'ld us: ðe LÖRD fal trub'ld ðe ðis ða. And el 'Izrael stönd him wið stonz, and burnt ðem wið fir, qfter ða had stönd ðem wið stonz. And ða razd over him a grat hep ov stonz untu ðis ða. So ðe LÖRD turnd from ðe fersnes ov hiz anger. Hwarfor ðe nam ov ðát plas woz celd, ðe vali ov Acor, untu ðis ða.

8 AND ðe LÖRD sed untu Josfa, Fer not, neder be ðs dismád: tac ol ðe pep'l ov wer wið ðe, and ariz, go up tu Aij: se, i hav giv'n intu ðj hand ðe eig ov Aij, and hiz pep'l, and hiz siti, and hiz land: and ðs falt du tu Aij and her eig az ðs didst untu Jerico and her eig: onli ðe spol ðaróf, and ðe cat'l ðaróf, fal ye tac fer a pra untu urrelve: la ðe an ambuſ fer ðe siti behínd it.

3 So Josfa aróz, and el ðe pep'l ov wor, tu go up agénst Aij: and Josfa goz st terti tszend mji men ov valur, and sent ðem awá bi njt. And he comqnded ðem, sain, Behöld, ye fal li in wat agénst ðe siti, [ev'n] behínd ðe siti: go not veri far from ðe siti, but be ye el redi: and i, and el ðe pep'l ðat [qr] wið me, wil apróc untu ðe siti: and it fal cum tu qqs, hwen ða cum

7 we wil fle beför ðem. ðen ye fal riz up from ðe ambuſ, and srz^{up} in ðe siti: for ðe LÖRD Ƴr God wil deliver it intu Ƴr hand. And it fal be, hwen ye hav tac'n ðe siti, [dat] ye fal set ðe siti on fir: acördin tu ðe comqndment ov ðe LÖRD fal ye du. 9 Se, i hav comqnded Ƴ. Josfa ðarfor sent ðem fort: and ða went tu li in ambuſ, and aböd betwén Betel and Aij, on ðe west sid ov Aij: but Josfa lojd ðát njt amún ðe pep'l.

10 And Josfa roz^{up} erli in ðe mornin, and numberd ðe pep'l, and went up, he and ðe elderez ov 'Izrael, beför ðe pep'l tu Aij.

11 And el ðe pep'l, [ev'n ðe pep'l] ov wer ðat [wer] wið him, went up, and dru nj, and cam beför ðe siti, and pigt on ðe nört sid ov Aij: ns [ðar woz] a vali betwén ðem and Aij.

12 And he tue abót fiv tszend men, and set ðem tu li in ambuſ betwén Betel and Aij,

13 on ðe west sid ov ðe siti. And hwen ða had set ðe pep'l, [ev'n] el ðe höst ðat [woz] on ðe nört ov ðe siti, and ðar lierz in wat on ðe west ov ðe siti, Josfa went ðát njt

14 intu ðe midst ov ðe vali. And it cam tu pqs, hwen ðe eig ov Aij so [it], ðat ða hasted and roz up erli, and ðe [men ov ðe siti] went st agénst 'Izrael tu bat'l, he and el hiz pep'l, at a tñ apönted, beför ðe plan: but he wist not ðat [ar wer] lierz in ambuſ

15 agénst him behínd ðe siti. And Josfa and el 'Izrael mad az if ða wer bet'n beför ðem,

16 and fled bi ðe wa ov ðe wildernes. And el ðe pep'l ðat [wer] in Aij wer celd tuigóder tu pursú qfter ðem: and ða pursú qfter

17 Josfa, and wer dren awá from ðe siti. And ðar woz not a man left in Aij, or Betel, ðat went not st qfter 'Izrael: and ða left ðe siti op'n, and pursú qfter 'Izrael.

18 And ðe LÖRD sed untu Josfa, Streç st ðe sper ðat [iz] in ðj hand tord Aij; for i wil giv it intu ðjn hand. And Josfa streç st ðe sper ðat [he had] in hiz hand

19 tord ðe siti. And ðe ambuſ aróz ewieli st ov ðar plas, and ða ran az sun az he had streç st hiz hand: and ða enterd intu ðe siti, and tue it, and hasted and set ðe siti

20 on fir. And hwen ðe men ov Aij hact behínd ðem, ða so, and, behöld, ðe smoe ov ðe siti asénded up tu hev'n, and ða had no pser tu fle ðis wa or ðát wa: and ðe pep'l ðat fled tu ðe wildernes turnd bac upón ðe

21 pursúerz. And hwen Josfa and el 'Izrael so ðat ðe ambuſ had tac'n ðe siti, and ðat ðe smoe ov ðe siti asénded, ðen ða turnd

22 agén, and slu ðe men ov Aij. And ðe uder ijud st ov ðe siti agénst ðem; so ða wer in ðe midst ov 'Izrael, sum on ðis sid, and sum on ðát sid: and ða smot ðem, so ðat

23 ða left nun ov ðem remán or escáp. And ðe eig ov Aij ða tue aljv, and brot him tu Josfa.

24 And it cam tu pqs, hwen 'Izrael had mád an end ov slaij el ðe inhabitants ov

 30 DEN Jofſa bilt an olter untu de LóRD

9 7 And de men ov 'Israel sed untu de Hĵjts, Peradvéntur ye dwel amúĵ us; and ġhs

 11 Hwarfor sr elderz and ol de inhabitants ov sr cuntri spae tu us, saip, Tac vit'lz wid u for de jurni, and go tu met dem, and sa untu dem, We [qr] ur servants: darfor
 12 ns mac ye a leg wid us. Dis sr bred we tue hot [for] sr provizun st ov sr hszez on de da we cam fort tu go untu u; but
 13 ns, behóld, it iz dri, and it iz moldi: and dez bot'lz ov win, hwíg we fild, [wer] nu; and, behóld, da be rent: and dez sr garments and sr fuz qr becún old, bĵ rez'n

 16 And it cam tu pqs at de end ov tre daz qfter da had mad a leg wid dem, dat da herd dat da [wer] dar naburz, and [dat]
 17 da dwelt amúĵ dem. And de gildren ov 'Israel jurnid, and cam untu dar sitiz on de ferd da. Ns dar sitiz [wer] Gibiun, and Críſa, and Berot, and Cerjat-jearim.
 18 And de gildren ov 'Israel smot dem not, becóz de prinsez ov de congregafun had sworn untu dem bĵ de LóRD God ov 'Israel. And ol de congregafun murmurd agénst de prinsez.
 19 But ol de prinsez sed untu ol de congregafun, We hav sworn untu dem bĵ de LóRD God ov 'Israel: ns darfor we ma not

 22 And Jofſa cold for dem, and he spae untu dem, saip, ġ Hwarfor hav ye begíld us, saip, We [qr] veri fqr from u; hwen ye

And da qnsred Jofſa, and sed, Becóz it woz sertenli told dĵ servants, hs dat de LóRD dĵ God comqded híz servant Mózez tu giv u ol de land, and tu destró ol de inhabitants ov de land from befór u, darfor we wer sor afrád ov sr lĵz becóz ov u, and hav dun dis tĵp.
 25 And ns, behóld, we [qr] in dĵn hand; az it smet gud and rjt untu de tu du untu

10 N8 it cam tuu pqs, hwen Adónj-zédec cijn ov Jeruzaſem had herd h's Jofya had tac'n Aij, and had uterli deſtróid it; az he had dun tuu Jerico and her cijn, so he had dun tuu Aij and her cijn; and h's de inhabitants ov Gibiun had mad pes wid 2 'Israel, and wer amún dem; dat da ferd gratli, becóz Gibiun [woz] a grat ſiti, az wun ov de réal ſitiz, and becóz it [woz] grater dan Aij, and el de men daróf [wer] 3 mti. Hwarfor Adónj-zédec cijn ov Jeruzaſem ſent untu Hóham cijn ov Hebron, and untu Pjram cijn ov Jarmut, and untu Jafja cijn ov Laciſ, and untu Deber cijn ov 4 Eglon, ſaig, Cum up untu me, and help me, dat we ma smít Gibiun: fer it hat mad pes wid Jofya and wid de gildren ov 'Israel. 5 Daróf de fiv cijn ov de Amorijs, de cijn ov Jeruzaſem, de cijn ov Hebron, de cijn ov Jarmut, de cijn ov Laciſ, de cijn ov Eglon, gúderd demsélvz tugéder, and went up, da and el dar hoſts, and encáupt befór Gibiun, and mad wer agénst it.

6 And de men ov Gibiun ſent untu Jofya tuu de camp tuu Gilgal, ſaig, Slac not dī hand from dī ſervants; cum up tuu us ewicli, and ſav us, and help us: fer el de cijn ov de Amorijs dat dwel in de msntenz 7 q' gúderd tugéder agénst us. So Jofya aſcénded from Gilgal, he, and el de pep'l ov wer wid him, and el de mti men ov valur. 8 And de LÖRD ſed untu Jofya, Fer dem not: fer j hav deliverd dem intu dīn hand; dar ſul not a man ov dem ſtand befór dē. 9 Jofya daróf cam untu dem suddenli, [and] 10 went up from Gilgal el nīt. And de LÖRD diſcúmfited dem befór 'Israel, and shu dem wid a grat ſloter at Gibiun, and caſt dem alón de wa dat goet up tuu Bet-horon, and smót dem tuu Azeca, and untu Maceda. 11 And it cam tuu pqs, az da fled from befór 'Israel, [and] wer in de goiñ dsn tuu Bet-horon, dat de LÖRD eqst dsn grat ſtonz from hev'n upón dem untu Azeca, and da dīd: [dá wer] mor hwig dīd wid halſtonz dan [dá] hum de gildren ov 'Israel shu wid de ſord.

12 Den ſpac Jofya tuu de LÖRD in de da hwen de LÖRD deliverd up de Amorijs befór de gildren ov 'Israel, and he ſed in de ſjt ov 'Israel, Sun, ſtand d's ſtīl upón Gibiun: 13 and d's, Mun, in de vali ov Ajalon! And de ſun ſtad ſtīl, and de mun ſtad, untīl de pep'l had avénjd demsélvz upón dar enemiz. 14 [Iz] not dis rit'n in de buc ov Jaſer. So de ſun ſtad ſtīl in de midst ov hev'n, and 15 haſted not tuu go dsn abót a hol da. And dar woz no da lje dát befór it er qfter it, dat de LÖRD hq'rend untu de vös ov a 16 man: fer de LÖRD fet fer 'Israel. And Jofya returnd, and el 'Israel wid him, untu de camp tuu Gilgal.

10 16 But dez fiv cijn fled, and hid demsélvz in a cav at Maceda. (17) And it woz told Jofya, ſaig, De fiv cijn q' fənd hid in a 18 cav at Maceda. And Jofya ſed, Ról grat ſtonz upón de mst ov de cav, and ſet men 19 bī it fer tuu cep dem: and ſta ye not, [but] purſú qfter q'r enemiz, and smít de līnd-most ov dem; ſuſer dem not tuu enter intu dar ſitiz: fer de LÖRD q'r God hat deliverd 20 dem intu q'r hand. And it cam tuu pqs, hwen Jofya and de gildren ov 'Israel had mad an end ov ſlaig dem wid a veri grat ſloter, til da wer conſumd, dat de reſt [hwig] remánd ov dem enterd intu fenſt ſitiz. 21 And el de pep'l returnd tuu de camp tuu Jofya at Maceda in pes: nun muv'd hiz tuu agénst em ov de gildren ov 'Israel. 22 Den ſed Jofya, Op'n de mst ov de cav, and brig st doz fiv cijn untu me st ov de 23 cav. And da did so, and brot fort doz fiv cijn untu him st ov de cav, de cijn ov Jeruzaſem, de cijn ov Hebron, de cijn ov Jarmut, de cijn ov Laciſ, [and] de cijn ov 24 Eglon. And it cam tuu pqs, hwen da brot st doz cijn untu Jofya, dat Jofya celd fer el de men ov 'Israel, and ſed untu de cap-tenz ov de men ov wer hwig went wid him, Cum ner, put q'r fet upón de nees ov dez 25 cijn. And da cam ner, and put dar fet upón de nees ov dem. And Jofya ſed untu dem, Fer not, ner be diſmád, be ſtroy and ov gud curej; fer dus ſul de LÖRD duu 26 tuu ol q'r enemiz agénst hum ye ſjt. And qfterwerd Jofya smót dem, and shu dem, and hand dem on fiv trez: and da wer 27 hañj upón de trez untīl de evniñ. And it cam tuu pqs at de tijn ov de goiñ dsn ov de ſun, [dat] Jofya comáded, and da tue dem dsn el de trez, and eqst dem intu de cav hwarin da had ben hid, and lad grat ſtonz in de cavz mst, [hwig remán] untīl dis veri da.

28 And dát da Jofya tue Maceda, and smót it wid de ej ov de ſord, and de cijn daróf he uterli deſtróid, dem, and el de ſolz dat [wer] darin; he let nun remán: and he did tuu de cijn ov Maceda az he did untu de cijn ov Jerico.

29 Den Jofya pqt from Maceda, and el 'Israel wid him, untu Libna, and fot agénst 30 Libna: and de LÖRD deliverd it elso, and de cijn daróf, intu de hand ov 'Israel; and he smót it wid de ej ov de ſord, and el de ſolz dat [wer] darin; he let nun remán in it; but did untu de cijn daróf az he did untu de cijn ov Jerico.

31 And Jofya pqt from Libna, and el 'Israel wid him, untu Laciſ, and encáupt 32 agénst it, and fot agénst it: and de LÖRD deliverd Laciſ intu de hand ov 'Israel, hwig tue it on de ſecond da, and smót it wid de ej ov de ſord, and el de ſolz dat [wer] darin, acerdij tuu ol dat he had dun tuu Libna.

33 Den Horam cijn ov Gezer cam up tuu help Laciſ; and Jofya smót him and hiz pep'l, untīl he had lelt him nun remaniñ.

34 And from Laciſ Jofya pqt untu Eglon,

10 and el 'Israel wid him: and da encámppt agénst it, and fot agénst it: (35) and da tue it on dát da, and smot it wid de ej ov de sord, and el de solz dat [wer] darin he uterli destród dát da, acording tuu el dat he had dun tuu Lacif.

36 And Jofua went up from Eglon, and ol 'Israel wid him, untuu Hebron; and da fot **37** agénst it: and da tue it, and smot it wid de ej ov de sord, and de einj daróf, and el de sitiz daróf, and ol de solz dat [wer] darin; he left nun remaniy, acording tuu el dat he had dun tuu Eglon; but destród it uterli, and ol de solz dat [wer] darin.

38 And Jofua retúrnd, and ol 'Israel wid **39** him, tuu Deber; and fot agénst it: and he tue it, and de einj daróf, and ol de sitiz daróf; and da smot dem wid de ej ov de sord, and uterli destród ol de solz dat [wer] darin; he left nun remaniy: az he had dun tuu Hebron, so he did tuu Deber, and tuu de einj daróf; az he had dun also tuu Libna, and tuu her einj.

40 So Jofua smot ol de cuntri ov de hiltz, and ov de sst, and ov de val, and ov de sprinz, and ol dar einjz: he left nun remaniy, but uterli destród ol dat bredd, az de LORD

41 God ov 'Israel comqnded. And Jofua smot dem from Cadej-barnia ev'n untuu Gaza, and ol de cuntri ov Gofen, ev'n untuu

42 Gibiun. And ol dez einjz and dar land did Jofua tue at wun tijn, becoz de LORD God

43 ov 'Israel fot for 'Israel. And Jofua retúrnd, and ol 'Israel wid him, untuu de camp tuu Gilgal.

11 AND it cam tuu pqs, hwen Jabin einj ov Hazer had herd [doz liyz], dat he sent tuu Jobab einj ov Madon, and tuu de einj ov

2 Sinron, and tuu de einj ov Acraf, and tuu de einjz dat [wer] on de nord ov de msntenz, and ov de planz sst ov Cinerot, and in de vali, and in de bórderz ov Der on de west,

3 .[and tuu] de Cánacmit on de est and on de west, and [tuu] de Amorjit, and de Hitjt, and de Perizjt, and de Jebuzjt in de msntenz, and [tuu] de Hvjyt under Hermon in **4** de land ov Mizpa. And da went st, da and el dar hosts wid dem, muç pep'l, ev'n az de sand dat [iz] upón de se for in multítud, wid horsez and çariuts, veri meni.

5 .And hwen ol dez einjz wer met tugeéder, da cam and pigt tugeéder at dr woterz ov Merom, tuu fjt agénst 'Israel.

6 And de LORD sed untuu Jofua, Be not afrúd becoz ov dem: for turnóro abst dis tijn wil i deliver dem up ol slan befor 'Israel: ds falt hoe dar horsez, and burn dar

7 çariuts wid fir. So Jofua cam, and ol de pep'l ov wor wid him, agénst dem bj de woterz ov Merom sudenli; and da fel upón

8 dem. And de LORD deliverd dem intuu de hand ov 'Israel, hu smot dem, and çast dem untuu grat Zjdun, and untuu Mizrefot-main, and untuu de vali ov Mizpa estwerd; and da smot dem, untill da left dem nun

9 remaniy. And Jofua did untuu dem az de LORD bad him: he hoet dar horsez, and burnt dar çariuts wid fir.

11 ¹⁰ And Jofua at dát tijn turnd bac, and tue Hazer, and smot de einj daróf wid de sord: for Hazer brfortijn woz de hed ov

11 ol doz einjdumz. And da smot ol de solz dat [wer] darin wid de ej ov de sord, uterli destróij [dem]: dar woz not eni left tuu

12 bréd: and he burnt Hazer wid fir. And el de sitiz ov doz einjz, and ol de einjz ov dem, did Jofua tue, and smot dem wid de ej ov de sord, [and] he uterli destród dem, az Moeze de servant ov de LORD comqnded.

13 .But [az for] de sitiz dat stúd stíl in dar strejt, 'Israel burnt nun ov dem, sav Hazer

14 onli; [dát] did Jofua burn. And el de spol ov dez sitiz, and de cat'l, de gildren ov 'Israel tue for a pra untuu demsélvz; but everi man da smot wid de ej ov de sord, untill da had destród dem, nezer left da eni

15 tuu bréd. Az de LORD comqnded Moeze hiz servant, so did Moeze comqnd Jofua, and so did Jofua; he left nutin undún ov ol dat de LORD comqnded Moeze.

16 So Jofua tue ol dát land, de hiltz, and el de sst cuntri, and ol de land ov Gofen, and de vali, and de plan, and de msnten ov

17 'Israel, and de vali ov de sam; [ev'n] from de msnt Halac, dat goet up tuu Seer, ev'n untuu Baal-gad in de vali ov Lebanum under msnt Hermon: and ol dar einjz he

18 tue, and smot dem, and slui dem. Jofua mad wor a loy tijn wid ol doz einjz.

19 .Ar woz not a siti dat mad pes wid de gildren ov 'Israel, sav de Hvjts de inhabitants ov Gibiun: ol [uder] da tue in bat'l.

20 .For it woz ov de LORD tuu hqrd'n dar hqrts, dat da jud eum agénst 'Israel in bat'l, dat he mjt destród dem uterli, [and] dat da mjt hav no favur, but dat he mjt destród dem, az de LORD comqnded Moeze.

21 And at dát tijn cam Jofua, and cut of de Anacimz from de msntenz, from Hebron, from Deber, from Anab, and from ol de msntenz ov Jyda, and from ol de msntenz ov 'Israel: Jofua destród dem uterli wid

22 dar sitiz. .Ar woz nun ov de Anacimz left in de land ov de gildren ov 'Israel: onli in Gaza, in Gat, and in Asdod, dar remánd.

23 So Jofua tue de hol land, acording tuu el dat de LORD sed untuu Moeze; and Jofua gav it for an inheritans untuu 'Israel acording tuu dar divizunz bj dar trijbz. And de land rested from wor.

12 NS dez [qr] de einj ov de land, hwiç de gildren ov 'Israel smot, and pozést dar land on de uder sjd Jordan tord de rizin ov de sun, from de river Arnon untuu msnt Hermon, and ol de plan on de est:

And i hav giv'n u, a land fer hwiç ye did not labur, and sitiz hwiç ye bilt not, and ye dwel in dem; ov de vinyerdz and oliv-yardz hwiç ye plantod not duu ye et.

14 N's darfor fer de LÖRD, and serv him in sinseriti and in trut: and put awá de godz hwiç ur fqderz servd on de uder sjd ov de flud, and in Ejipt; and serv ye de LÖRD.

16 And de pep'l qnsrd and sed, God forbíd dat we súd fersác de LÖRD, tuu serv uder godz; fer de LÖRD sr God, hé [it iz] dat brót us up and sr fqderz st ov de land ov Ejipt, from de hss ov bondej, and hwiç did döz grat sinz in sr sjt, and prezérvd us in ol de wa hwarin we went, and amúy ol de pep'l tru hum we pqst: and de LÖRD drav st from befór us ol de pep'l, ev'n de Amorjts hwiç dwelt in de land: [darfor] wil we also serv de LÖRD; fer he [iz] sr God.

And da fsnd Adónj-bézece in Bezec: and da fet agénst him, and da slui de 6 Cánaanjts and de Perizjts. But Adónj-bézece fled; and da pursjd qfter him, and cet him, and cut of hiz tumz and hiz grat toz. 7 And Adónj-bézece sed, Trescor and ten einz, havin dar tumz and dar grat toz cut of,

14 And ðe anger ov de LORD woz hot agénst 'Izrael, and he deliverd dem intui de handz ov spolerz dat spold ðem, and he sold dem intui de handz ov ðar enemiz rsnd abst, so dat ða ead not eni longer stand befór ðar

4 And ða wer tu pruv 'Izrael bj ðem, tu no hweder ða wud hqre'n untui de comqndments ov de LORD, hwig he comqnded ðar fqderz bj de hand ov Mózez.

5 AND ðe gildren ov 'Izrael dwelt amúnj de Cánaanjts, Hitjts, and Amorjts, and

6 Perizjts, and Hivjts, and Jebuzjts: and ða tue ðar deterz tu be ðar wjvz, and gav ðar deterz tu ðar sunz, and servd ðar godz.

7 And ðe gildren ov 'Izrael did ev'l in de sijt ov de LORD, and fergát de LORD ðar God, and servd Baalim and de grovz. ðarfor ðe anger ov de LORD woz hot agénst 'Izrael, and he sold ðem intui de hand ov Cufan-

9 And hwen ðe gildren ov 'Izrael erjd untui de LORD, de LORD razd up a deliverer tu de gildren ov 'Izrael, hu deliverd ðem, [ev'n] Otniel de sun ov Cenaz, Calebz

10 yugger bruder. And ðe spirit ov de LORD cam upón him, and he jujd 'Izrael, and went st tui wer: and de LORD deliverd Cufan-rifataim einj ov Mesopotamia intui

11 hiz hand; and hiz hand preváld agénst Cufan-rifataim. And ðe land had rest fêrti yerz. And Otniel de sun ov Cenaz djd.

12 AND ðe gildren ov 'Izrael did ev'l agén in de sijt ov de LORD: and de LORD strejt'nd Eglon ðe einj ov Moab agénst 'Izrael, beeo'z

13 ða had dun ev'l in de sijt ov de LORD. And he gaderd untui him de gildren ov Amun and Amalec, and went and smot 'Izrael,

15 But hwen ðe gildren ov 'Izrael erjd untui de LORD, de LORD razd ðem up a deliverer, Ehud de sun ov Gera, a Benjamjt, a man left-handed: and bj him ðe gildren ov 'Izrael sent a prezent untui Eglon ðe einj ov Moab.

16 But Ehud mad him a dager hwig had tú ejez, ov a cubit legt; and he did gerd it

O mj Lord, if de LORD be wid us, Hwi

Surli i wil be wíd dé, and ds salt smít de
17 Midianjts az wun man. And he sed untu

he sed, I wil tari until ds cum agén.

19 And Gidiun went in, and mad redi a eid,
and unlé'nd caes ov an efa ov flsr: de fles
he put in a bqscet, and he put de bret in a
pot, and brot [it] st untu him under de
20 oc, and prezénted [it]. And de anjel ov
God sed untu him, Tac de fles and de
unlé'nd caes, and la [dem] upón dis roc,
21 and por st de bret. And he did so. Den
de anjel ov de Lörd put fort de end ov de
stqf dat [woz] in hiz hand, and toqt de fles
and de unlé'nd caes; and dar roz up fir
st ov de roc, and consúmd de fles and de
unlé'nd caes. Den de anjel ov de Lörd

22 And hwen Gidiun persévd dat he [woz]

Lörd God! for becóz i hav sen an anjel ov
23 de Lörd fas tu fas. And de Lörd sed
untu him, Pes [be] untu dé; fer not: ds

24 Den Gidiun bilt an olter dar untu de
Lörd, and cold it Jehova-falom: untu dis
da it [iz] yet in Ofra ov de Abj-ezjts.
25 And it cam tu pqz de sam njt, dat de Lörd

ev'n de secúnd buluc ov sev'n yerz old, and
tro dsn de olter ov Baal dat di fqder hat,
26 and eut dsn de gröv dat [iz] bi it: and
bild an olter untu de Lörd di God upón de
top ov dis roc, in de orderd plas, and tae de
secúnd buluc, and ofer a burnt sacrificz wíd
de wud ov de gröv hwig ds falt untu dsn.
27 Den Gidiun tue ten men ov hiz servants,
and did az de Lörd had sed untu him:
and [so] it woz, becóz he ferd hiz fqderz

not du [it] bi da, dat he did [it] bi njt.

28 And hwen de men ov de siti aróz erli in

[woz] bi it, and de secúnd buluc woz oferd
29 upón de olter [dat woz] bilt. And da sed
wun tu anáder, i Huí hat dun dis tijn.
And hwen da inewjrd and qset, da sed,
Gidiun de sun ov Joaf hat dun dis tijn.
30 Den de men ov de siti sed untu Joaf, Brin
st di sun, dat he ma di: becóz he hat eqst
dsn de olter ov Baal, and becóz he hat eut
31 dsn de gröv dat [woz] bi it. And Joaf
sed untu ol dat stud agénst him, i Wil ye
pled for Baal; i wil ye sav him: hé dat wil
pled for him, let him be put tu det hwjlst
[it iz yet] mornij: if he [be] a god, let
him pled for himsélf, becóz [wun] hat eqst
32 dsn hiz olter. Darfor on dát da he cold

him, becóz he hat fron dsn hiz olter.

33 Den ol de Midianjts and de 'Amalecjts
and de gíldren ov de est wer gaderd tu-
géder, and went over, and piqt in de vali
34 ov Jezriel. But de Spirit ov de Lörd cam
upón Gidiun, and he blu a trumpet; and
35 Abj-ezer woz gaderd qfter him. And he
sent mesenjerz trušt ol Manása; hu elso
woz gaderd qfter him: and he sent mesen-
jerz untu Afer, and untu Zebylun, and
untu Naftal; and da cam up tu met dem.

36 And Gidiun sed untu God, If ds wilt sav
37 'Izrael bi min hand, az ds hast sed, behóld,
i wil put a fles ov wul in de flör; [and] if
de dñ be on de fles onli, and [it be] dri
upón ol de crt [besjd], den fal i no dat ds
wilt sav 'Izrael bi min hand, az ds hast
38 sed. And it woz so: fer he roz up erli on
de moro, and trust de fles tuagéder, and
rijd de dñ st ov de fles, a bol ful ov weter.
39 And Gidiun sed untu God, Let not dñ
onger be hot agénst me, and i wil spee but
dis wuns: let me pruv, i pra dé, but dis
wuns wíd de fles; let it ns be dri onli upón
de fles, and upón ol de grnd let dar be dñ.
40 And God did so dát njt: for it woz dri
upón de fles onli, and dar woz dñ on ol
de grnd.

7 Den Jerubbaal, hu [iz] Gidiun, and ol
de pep'l dat [wer] wíd him, roz up erli, and
piqt besjd de wel ov Harod: so dat de host
ov de Midianjts wer on de nort sjd ov dem,
2 bi de hil ov Mora, in de vali. And de Lörd
sed untu Gidiun, Te pep'l dat [qr] wíd dé
[qr] tú meni fer me tu giv de Midianjts
intu dar handz, lest 'Izrael vent demsélvz
agénst me, saip, Min on hand hat savd me.
3 Ns darfor go tu, proclam in de erz ov de
pep'l, saip, Husoéver [iz] ferful and afrád,
let him retúrn and depqrt erli from mént
Giliad. And dar retúrn ov de pep'l twenti
and tú tszend; and dar remánd ten tszend.
4 And de Lörd sed untu Gidiun, Te pep'l
[qr] yet [tú] meni; brin dem dsn untu
de weter, and i wil tri dem for dé dar: and
it fal be, [dat] ov hum i sa untu dé, Dis
fal go wíd dé, de sam fal go wíd dé; and
ov humsoéver i sa untu dé, Dis fal not go
5 wíd dé, de sam fal not go. So he bret dsn
de pep'l untu de weter: and de Lörd sed
untu Gidiun, Everi wun dat lapet ov de
weter wíd hiz tun, az a dog lapet, him falt
ds set bi himsélf; liqwjz everi wun dat
6 bset dsn upón hiz nez tu drije. And de
number ov dem dat lapt, [putij] dar hand
tu dar mst, wer tre hundred men: but ol
de rest ov de pep'l bsd dsn upón dar nez
7 tu drije weter. And de Lörd sed untu
Gidiun, Bi de tre hundred men dat lapt
wil i sav u, and deliver de Midianjts intu
dñ hand: and let ol de [uđer] pep'l go
8 everi man untu hiz plas. So de pep'l tue
vit'lz in dar hand, and dar trumpets: and
he sent ol [de rest ov] 'Izrael everi man
untu hiz tent, and retánd doz tre hundred
men: and de host ov Midian woz benét him
in de vali.

9 And it cam tu pqz de sam njt, dat de
Lörd sed untu him, Ariz, get dé dsn untu

7 de host; fer i hav deliverd it intui dñn hand.
 (10) But if ds fer tu go dsn, go ds wid Fura
 11 dij servant dsn tu de host; and ds falt her
 hwot da sa; and qfterwerd sal dñn handz
 be strejt'nd tu go dsn untu de host.
 ðen went he dsn wid Fura hiz servant
 untu de stsjd ov de qmnd men dat [wer]

 'Amalecjs and ol de gildren ov de est la
 alóp in de vali ljc grqs-hoperz fer multítud;
 and ðar camelz [wer] widst number, az de
 13 sand bj de se sjd fer multítud. And hwen
 Gidiun woz cum, behóld, [ðar woz] a man
 dat told a drem untu hiz felo, and sed,
 Behóld, i dreint a drem, and, lo, a eac ov
 barli bred tumb'ld intui de host ov Midian,
 and cam untu a tent, and smot it dat it
 fel, and óvertúrnd it, dat de tent la alóp.
 14 And hiz felo qnserd and sed, ðis [iz] nutij
 els sav de sord ov Gidiun de sun ov Joaf, a
 man ov 'Israel: [fer] intui hiz hand hat
 God deliverd Midian, and ol de host.
 15 And it woz [so], hwen Gidiun herd de
 telij ov de drem, and de interpretafun
 daróf, dat he wurfijt, and retúrnd intui de
 host ov 'Israel, and sed, Arjz; fer de LóRD
 hat deliverd intui ur hand de host ov
 16 Midian. And he divided de tre hundred
 men [intui] tre cumpaniz, and he put a
 trumpet in everi manz hand, wid emti
 17 pigerz, and lamps widin de pigerz. And
 he sed untu ðem, Luc on me, and du ljc-

 ov de camp, it sal be [dat], az i du, so sal
 18 ye du. Hwen i blo wid a trumpet, i and
 ol dat [qr] wid me, ðen blo ye de trumpets
 elso on everi sjd ov ol de camp, and sa,

 19 So Gidiun, and de hundred men dat

 camp in de begínij ov de mid'l wog; and
 ða had but nuli set de wog: and ða blu de
 trumpets, and brac de pigerz dat [wer] in

 21 And ða stad everi man in hiz plas rsnd

 agénst hiz felo, ev'n trúst ol de host: and
 de host fled tu Bet-íta in Zerurat, [and]

 23 And de men ov 'Israel gaderd ðemselvz

 hwen ðs wentest tu sjt wid de Midianjts.
 2 And ða did qjd wid him farpli. And he

 4 And Gidiun cam tu Jordan, [and] pqt

 9 Sucot had qnserd [him]. And he spae elso
 untu de men ov Penúel, saij, Hwen i cum

 10 Ns Zeba and Zalmúna [wer] in Cqreer,

 12 And hwen Zeba and Zalmúna fled,
 he pursjd qfter ðem, and tue de tú ciyz ov

 13 And Gidiun de sun ov Joaf retúrnd from

30 And hwen Zebul de ruler ov de siti herd de wurdz ov Gaal de sun ov Ebed, hiz anger woz cind'ld. And Gaal de sun ov Ebed went st, and stud in de enterij ov de gat ov de siti: and Abimelec roz up, and de pep'l dat [wer] wid him, from ljj in wat. And hwen Gaal so de pep'l, he sed tu Zebul, Behóld, dar cum pep'l dsn from de top ov de msntenz. And Zebul sed untuu him, *¿s seest de jado ov de msntenz az [if da wer] men. 5 And it woz so, dat hwen de gildren ov Amun mad wor agénst 'Israel, de elderz ov Giliad went tuu feç Jefta st ov de land ov

12 And Jefta sent mesenjerz untu de eij ov de gildren ov Amun, sain, ¿ Hwot hast ds tuu duu wid me, dat ds qrt cum agénst me

28 Hsbeit de eij ov de gildren ov Amun hqre'nd not untu de wurdz ov Jefta hwiç

39 verjiniti upón de msntenz. And it cam tuu pqs at de end ov tú munts, dat se returnd untuu her fqder, huu did wid her [acording] tuu hiz vs hwig he had vsd: and [se nu] no

40 man. And it woz a custum in 'Israel, [dat] de deterz ov 'Israel went yerli tuu lamént de deter ov Jefta de Giliadjt for daz in a yer.

12 And de men ov 'Efrain goader dem-selvz tугéder, and went nortwerd, and sed untuu Jefta, i Hwarfor pqsedst ds over tuu fjt agénst de gildren ov Amun, and didst not cel us tuu go wid dé: we wil burn djn

4 Den Jefta gaeder tугéder ol de men ov Giliad, and fet wid 'Efrain: and de men ov Giliad smot 'Efrain, becóz da sed, Ye Giliadjts [qr] fujitivz ov 'Efrain amún de

12 go over; dat de men ov Giliad sed untuu him, i [Art] ds an 'Efraimjt: (6) if he sed, Na; den sed da untuu him, Sa ns Sibolet: and he sed Sibolet: fer he cud not fram tuu pronšns [it] rjt. Den da tue him, and slui him at de pasejez ov Jordan: and dar fel at dát tijn ov de 'Efraimjts forti and túu tszend.

7 And Jefta jujd 'Israel sics yerz. Den did Jefta de Giliadjt, and woz berid in [wun ov] de sitiz ov Giliad.

8 AND qfter him Ibazan ov Bétlehem jujd 'Israel. And he had terci sunz, and terci dotez, [hum] he sent abród, and tue in terci dotez from abród for hiz sunz. And

10 he jujd 'Israel sev'n yerz. Den did Ibazan, and woz berid at Bétlehem.

11 AND qfter him, Elon, a Zébulunjt, jujd 'Israel; and he jujd 'Israel ten yerz. And Elon de Zébulunjt did, and woz berid in Ajalon in de cuntri ov Zebulun.

13 AND qfter him Abdon de sun ov Hilel, a Piratonjt, jujd 'Israel. And he had forti sunz and terci nevqz, dat rod on trescor and ten qs colts: and he jujd 'Israel at

15 yerz. And Abdon de sun ov Hilel de Piratonjt did, and woz berid in Piraton in de land ov 'Efrain, in de msnt ov de 'Amalecjtis.

13 And de gildren ov 'Israel did ev'l agén in de sjt ov de LÖRD; and de LÖRD deliverd dem intuu de hand ov de Filistinz ferti yerz.

2 And dar woz a serten man ov Zora, ov de famili ov de Danjts, huuz nam [woz] Manoa; and hiz wif [woz] baren, and bar

5 and et not eni unclén [tig]: fer, lo, ds falt consév, and bar a sun; and nō razur fal cum on hiz hed: fer de gild fal be a Nazerjt untuu God from de wum: and he fal bgin tuu deliver 'Israel st ov de hand ov de Filistinz.

6 Den de wuman cam and told her huzbund, saip, A man ov God cam untuu me, and hiz csntenans [woz] lje de csntenans ov an anjel ov God, veri terib'l: but i qset him not hwens he [woz], neder told he me

8 Den Manoa intreted de LÖRD, and sed, O mj Lörd, let de man ov God hwig ds didst sed cum agén untuu us, and teg us hwot we fal duu untuu de gild dat fal be

10 And de wuman mad hast, and ran, and fod her huzbund, and sed untuu him, Behöld, de man hat apérd untuu me, dat cam

For it eam tu pqs, hwen de flam went up tord hev'n from of de olter, dat de anjel ov de LORD asénded in de flam ov de olter. And Manoa and hiz wif luét on **21** [it], and fel on dar fasez tu de grýnd. But de anjel ov de LORD did no mor apér tu Manoa and tu hiz wif. Den Manoa nu **22** dat he [voz] an anjel ov de LORD. And Manoa sed untu hiz wif, We fal suerli dj, **23** becóz we hav sen God. But hiz wif sed untu him, If de LORD wer plezd tu cil us, he wud not hav resévd a burnt oferij and a met oferij at sr handz, neder wud he hav sód us ol dez [tijz], ner wud az at dis tijm hav told us [suq tijz] az dez. **24** And de wuman bar a sun, and eold hiz nam Samsun: and de gild grui, and de LORD **25** blest him. And de Spirit ov de LORD begán tu muv him at tijnz in de camp ov Dan betwén Zora and 'Eftaal.

14 AND Samsun went dsn tu Timnat, and so a wuman in Timnat ov de doterz ov de Filistinz. And he eam up, and told hiz fqder and hiz muder, and sed, § hav sen a wuman in Timnat ov de doterz ov de Filistinz: ns darfor get her for me tu wif. **3** Den hiz fqder and hiz muder sed untu him, § [Iz dar] never a wuman amý de doterz ov dj bredren, or amý ol mj pep'l, dat ds goest tu tae a wif ov de unsecremsjz Filistinz. But hiz fqder and hiz muder nu not dat it [voz] ov de LORD, dat he sot an ocazun agénst de Filistinz: for at dat tijm de Filistin had dominyun over 'Israel. **5** Den went Samsun dsn, and hiz fqder and hiz muder, tu Timnat, and eam tu de vin-yerdz ov Timnat: and, behóld, a yun ljun

22 [Ns] az da wer maein dar hqrts meri, behóld, de men ov de siti, serten sunz ov Belial, besét de hss rsnd abót, [and] het at de dor, and spae tu de mqster ov de hss, de old man, saij, Brij fort de man dat cam intui dñn hss, dat we ma no him.

23 And de man, de mqster ov de hss, went st untu dem, and sed untu dem, Na, mi bredren, [na,] i pra u, du not [so] wicedli; seij dat dis man iz cum intui mju hss, du

24 not dis foli. Behóld, [her iz] mi doter a mad'n, and hiz coeubijn; dém i wil brij st ns, and umb'l ye dem, and du wid dem hwot semet gud untu u: but untu dis

26 Den cam de wuman in de donij ov de da, and fel dsn at de dor ov de manz hss

29 And hwen he woz eum intui hiz hss, he tue a nif, and lad hold on hiz coeubijn, and divided her, [tugéder] wid her bonz, intui twelv pesez, and sent her intui ol de

20 Den el de gildren ov 'Izrael went st, and de congregafun woz gaderd tugéder az wun man, from Dan ev'n tu Beérseba, wid de land ov Giliad, untu de Lord in

2 Mizpa. And de qef ov ol de pep'l, [ev'n] ov ol de trijb ov 'Izrael, prezénted demselvz in de asémbli ov de pep'l ov God,

for hundred tszend fatmen dat dru sord.

3. (Ns de gildren ov Benjamin herd dat de gildren ov 'Izrael wer gen up tu Mizpa.)

Den sed de gildren ov 'Izrael, Tel [us],

4 i hss woz dis wicednes. And de Levit, de huzbund ov de wuman dat woz slan, qnserd and sed, I cam intui Gibia dat [belóget] tu Benjamin, i and mi coeubijn, tu loj.

5 And de men ov Gibia roz agénst me, and besét de hss rsnd abót upón me bj njt, [and] tet tu hav slan me: and mi coe-

6 ubijn hav da forst, dat se iz ded. And i tue mi coeubijn, and cut her in pesez, and sent her trust ol de cuntri ov de inheritans

ov 'Izrael: for da hav comited ludnes and

7 foli in 'Izrael. Behóld, ye [qr] ol gildren ov 'Izrael; giv her ur advjs and esnsel.

8 And ol de pep'l aróz az wun man, saij, We wil not eni [ov us] go tu hiz tent,

nedr wil we eni [ov us] turn intui hiz hss.

9 But ns dis [jal be] de tij hwig we wil du tu Gibia; [we wil go up] bj lot agénst it;

11 So ol de men ov 'Izrael wer gaderd agénst

12 de siti, nit tugéder az wun man. And de trijb ov 'Izrael sent men tru ol de trijb ov Benjamin, saij, i Ilwot wicednes [iz] dis

13 dat iz dun amún u. Ns darfor deliver [us] de men, de gildren ov Belial, hwig [qr] in Gibia, dat we ma put dem tu det, and put awá ev'l from 'Izrael. But de gildren ov Benjamin wud not hqre'n tu de vos ov dar

14 bredren de gildren ov 'Izrael: but de gildren ov Benjamin gaderd demselvz tugéder st ov de sitiz untu Gibia, tu go st tu bat'l

15 agénst de gildren ov 'Izrael. And de gildren ov Benjamin wer numberd at dát tij st ov

de sitiz twenti and sies tszend men dat

20 dru sord, besjd de inhabitants ov Gibia, hwig wer numberd sev'n hundred goz'n

18 And de gildren ov 'Israel aróz, and went up tuu de hss ov God, and qset exsnel ov God, and sed, § Ilwíg ov us fal go up ferst tuu de bat'l agénst de gildren ov Benjamin. And de Lörd sed, Jyda [fal go up] ferst.

19 And de gildren ov 'Israel roz up in de mornig, and encámpt agénst Gibia. And de men ov Israel went st tuu bat'l agénst Benjamin; and de men ov 'Israel put demsélvz in ará tuu fjt agénst dem at Gibia.

21 And de gildren ov Benjamin cam fort st ov Gibia, and destród dsn tuu de grnd ov de 'Israeljts dát da twenti and tú tszend men.

22 And de pep'l de men ov 'Israel encérejð demsélvz, and set dar bat'l agén in ará in de plas hwar da put demsélvz in ará de

23 ferst da. (And de gildren ov 'Israel went up and wept befór de Lörd until ev'n, and qset exsnel ov de Lörd, saig, § Xal i go up agén tuu bat'l agénst de gildren ov Benjamin mi bruder. And de Lörd sed, Gó

24 up agénst him.) And de gildren ov 'Israel cam ner agénst de gildren ov Benjamin de

25 secund da. And Benjamin went fort agénst dem st ov Gibia de secund da, and destród dsn tuu de grnd ov de gildren ov 'Israel agén aten tszend men; ol dez dru de sord.

26 Den ol de gildren ov 'Israel, and ol de pep'l went up, and cam untu de hss ov God, and wept, and sat dar befór de Lörd, and fasted dát da until ev'n, and oferð burnt oferinz and pes oferinz befór de

27 Lörd. And de gildren ov 'Israel inewjrd ov de Lörd, (fer de qre ov de cuvenant ov

28 God [woz] dar in ðoz daz, and Finias, de sun ov Elhazer, de sun ov Arun, stud befór it in ðoz daz), saig, § Xal i yet agén go st tuu bat'l agénst de gildren ov Benjamin mi bruder, or fal i ses. And de Lörd sed, Gó up; fer tumóro i wil deliver dem intu dñ hand.

29 And 'Israel set ljerz in wat rsnd abst Gibia. And de gildren ov 'Israel went up agénst de gildren ov Benjamin on de terd da, and put demsélvz in ará agénst Gibia,

31 az at uder tjnz. And de gildren ov Benjamin went st agénst de pep'l, [and] wer dron awá from de siti; and da begán tuu smjt ov de pep'l, [and] cil, az at uder tjnz, in de hj waz, ov hwíg wun goet up tuu de hss ov God, and de uder tuu Gibia in de feld,

32 abst terci men ov 'Israel. And de gildren ov Benjamin sed, Ha [qr] smit'n dsn befór us, az at de ferst. But de gildren ov Israel sed, Let us fle, and dro dem from de siti

33 untu de hj waz. And ol de men ov 'Israel roz up st ov dar plas, and put demsélvz in ará at Baal-tanqr: and de ljerz in wat ov 'Israel cam fort st ov dar plasez, [ev'n]

34 st ov de medoz ov Gibia. And dar cam

20 agénst Gibia ten tszend goz'n men st ov ol 'Israel, and de bat'l woz sor: but
35 da nu not dat ev'l [woz] ner dem. And de Lörd smot Benjamin befór 'Israel: and de gildren ov 'Israel destród ov de Benjamjts dát da twenti and fiv tszend and an hundred men: ol dez dru de sord.

36 So de gildren ov Benjamin so dat da wer smit'n: for de men ov 'Israel gav plas tuu de Benjamjts, becóz da trusted untu de ljerz in wat hwíg da had set besjd Gibia.

37 And de ljerz in wat hasted, and ruft upón Gibia; and de ljerz in wat dru [demsélvz] alóg, and smot ol de siti wid de ej ov de

39 ov de siti. And hwen de men ov 'Israel retrjd in de bat'l, Benjamin begán tuu smjt [and] cil ov de men ov 'Israel abst terci persunz: for da sed, Xurli da qr smit'n

40 dsn befór us, az [in] de ferst bat'l. But hwen de flam begán tuu rjz up st ov de siti wid a piler ov smoc, de Benjamjts luat behjnd dem, and, behóld, de flam ov de siti

41 ascénde up tuu hev'n. And hwen de men ov 'Israel turnd agén, de men ov Benjamin wer amázd: for da so dat ev'l woz cum

42 upón dem. Darfor da turnd [dar baes] befór de men ov 'Israel untu de wa ov de wildernes; but de bat'l overtúe dem; and dém hwíg [cam] st ov de sitiz da destród

43 in de midst ov dem. [Hus] da inclózd de Benjamjts rsnd abst, [and] gast dem, [and] trod dem dsn wid ez over agénst

44 Gibia tord de sun-rjzjz. And dar fel ov Benjamin aten tszend men; ol dez [wer]

45 men ov valur. And da turnd and fled tord de wildernes untu de roc ov Rimon: and da glend ov dem in de hj waz fiv tszend men; and pursjð hqrd qfter dem untu Gjdom, and slui tú tszend men ov

46 dem. So dat ol hwíg fel dát da ov Benjamin wer twenti and fiv tszend men dat dru de

48 And de men ov 'Israel turnd agén upón de gildren ov Benjamin, and smot dem wid de ej ov de sord, az wel de men ov [everi] siti, az de best, and ol dat cam tuu hand: also da set on fir ol de sitiz dat da cam tuu.

21 Ns de men ov 'Israel had sworn in Mizpa, saig, Dar fal not eni ov us giv hiz

2 deter untu Benjamin tuu wj. And de pep'l cam tuu de hss ov God, and abód dar til ev'n befór God, and lifted up dar vosez,

3 and wept sor; and sed, O Lörd God ov 'Israel, § hwíg iz dis cum tuu pqs in 'Israel, dat dar jud be tudá wun trijb laeig in

4 'Israel. And it cam tuu pqs on de moro, dat de pep'l roz erli, and bilt dar an elter, and oferð burnt oferinz and pes oferinz.

5 And de gildren ov 'Israel sed, § Hú [iz] amúy ol de trijb ov 'Israel dat cam not up wid de congregafun untu de Lörd. Fer da had mad a grat ot consérnj him

21 dat eam not up tu de LÖRD tu Mizpa, saig, He sal surli be put tu det. (6) And de gildren ov 'Israel repented dem for Benjamin dar bruder, and sed, [dar iz wun trijb
7 cut of from 'Israel dis da. § Hs sal we du for wijv for dem dat remán, seig we hav sworn bi de LÖRD dat we wil not giv dem
8 ov sr doterz tu wijv. And da sed, § Hwot wun [iz dar] ov de trijbz ov 'Israel dat cam not up tu Mizpa tu de LORD.

And, behöld, dar cam nun tu de camp
9 from Jabef-giliad tu de asémbli. For de pep'l wer numberd, and, behöld, [dar wer] nun ov de inhabitants ov Jabef-giliad dar.
10 And de congregafun sent dider twelv tizend men ov de valyantest, and comanded dem, saig, Go and smit de inhabitants ov Jabef-giliad wid de ej ov de sord, wid de wimen
11 and de gildren. And dis [iz] de tij dat ye sal du, Ye sal uterli destró everi mal, and
12 everi wuman dat hat lan bi man. And da fsnd amúy de inhabitants ov Jabef-giliad for hundred yuy verjinz, dat had non no man bi hijn wid eni mal: and da brot dem untu de camp tu Sijlo, hwiç [iz] in de land ov Cánaan.

13 And de hol congregafun sent [sum] tu spee tu de gildren ov Benjamin dat [wer] in de roc Rimón, and tu eol pesabli untu
14 dem. And Benjamin cam agén at dát tijn; and da gav dem wijv hwiç da had savd alij ov de wimen ov Jabef-giliad: and yet
15 so da suffizd dem not. And de pep'l repented dem for Benjamin, becóz dat de LÖRD had mad a breg in de trijbz ov 'Israel.
16 Den de elderz ov de congregafun sed,

21 § Hs sal we du for wijv for dem dat remán, seig de wimen qv destród st ov Benjamin.
17 And da sed, [dar must be] an inheritans for dem dat be escápt ov Benjamin, dat a trijb be not destród st ov 'Israel. Hsbeit we ma not giv dem wijv ov sr doterz: for de gildren ov 'Israel hav sworn, saig, Cursed [be] hé dat givet a wif tu Benjamin.
19 Den da sed, Behöld, [dar iz] a fest ov de LÖRD in Sijlo yerli [in a plas] hwiç [iz] on de nort sid ov Betel, on de est sid ov de hji wa dat goet up from Betel tu Xecem, and
20 on de sst ov Lebona. Darfor da comanded de gildren ov Benjamin, saig, Go and li in wat in de vinyerdz; and se, and, behöld, if de doterz ov Sijlo cum st tu dqnz in dqnsez, den cum ye st ov de vinyerdz, and eaq u everi man hiz wif ov de doterz ov Sijlo, and go tu de land ov Benjamin.
22 And it sal be, hwen dar fqderz or dar bredren cum untu us tu complán, dat we wil sa untu dem, Be fávural untu dem for sr saes: becóz we rezérvd not tu eq man hiz wif in de wor: for ye did not giv untu dem at dis tijn, [dat] ye sad be gilty.
23 And de gildren ov Benjamin did so, and tue [dem] wijv, acórdij tu dar number, ov dem dat dqst, haun da eot: and da went and retúrnd untu dar inheritans, and re-
24 párd de sitiz, and dwelt in dem. And de gildren ov 'Israel departed dens at dát tijn, everi man tu hiz trijb and tu hiz famili, and da went st from dens everi man tu hiz
25 inheritans. In doz daz [dar woz] no cijn in 'Israel: everi man did [dát hwiç woz] rijt in hiz en jz.

DE BUC OV RUT.

1 N S it cam tu pqs in de daz hwen de jujez riuld, dat dar woz a famin in de land. And a serten man ov Bétlehem-juda went tu sujurn in de cuntri ov Moab, hé, and
2 hiz wif, and hiz tú sunz. And de nama ov de man [woz] Elimelec, and de nam ov hiz wif Naomi, and de nam ov hiz tú sunz Mqlon and Cilíon, Efratjts ov Bétlehem-juda. And da cam intuu de cuntri ov Moab, and continyd dar.
3 And Elimelec Naomjz huzbund djd; and
4 se woz left, and her tú sunz. And da tue dem wijv ov de wimen ov Moab; de nam ov de wun [woz] Orpa, and de nam ov de uder Rut: and da dwelt dar abót ten yez.
5 And Mqlon and Cilíon djd also bot ov dem; and de wuman woz left ov her tú sunz and her huzbund.

1 Den se aróz wid her doterz-in-lo, dat se mjt retúrñ from de cuntri ov Moab: for se had herd in de cuntri ov Moab hs dat de LÖRD had vizited hiz pep'l in givij dem
7 bred. Hwarfor se went fort st ov de plas hwar se woz, and her tú doterz-in-lo wid her; and da went on de wa tu retúrñ untu
8 de land ov Juda. And Naomi sed untu her tú doterz-in-lo, Go, retúrñ eq tu her muđerz hss: de LÖRD del ejndli wid u, az
9 ye hav delt wid de ded, and wid me. De LÖRD grant u dat ye ma fjnd rest, eq [ov u] in de hss ov her huzbund. Den se cist dem; and da lifted up dar vos, and wept.
10 And da sed untu her, Surli we wil retúrñ wid dé untu di pep'l.
11 And Naomi sed, Turn agén, mji doterz: § hwiç wil ye go wid me: § [qv] dar yet

1 [eni mör] sunz in mj wuum, dat ða ma be

 If i súd sa, I hav hóp, [if] i súd hav an
 huzbund also tumjt, and súd also bar sunz;
 13. I wud ye tari fer ðem til ða wer grón;
 I wud ye sta fer ðem from haviñ huzbundz:
 na, mj deterz; fer it grevet me muç fer yr

 14 agénst me. And ða lifted up ðar vös, and
 wept agén: and Orpa cist her muder-in-le;
 but Ruit clav untu her.
 15 And se sed, Behóld, ði sister-in-le iz gon
 bac untu her pep'l, and untu her godz:
 16 retúrn ðs qfter ði sister-in-le. And Ruit
 sed, Intrét me not tú lev dé, [er] tú retúrn
 from fólaiñ qfter dé: fer hwider ðs goest,
 i wil go; and hwar ðs lojest, i wil loj: ði
 pep'l [jal be] mj pep'l, and ði God mj God:
 17 hwar ðs djest, wil i ði, and ðar wil i be
 berid: ðe LÖRD ðu so tú me, and mör
 18 also, [if et] but ðet part dé and me. Ifwen
 se so ðat se woz stedfastli mjnded tú go

 19 So ða tú went untíl ða cam tú Bétlehem.
 And it cam tú pqs, hwen ða wer cum tú
 Bétlehem, dat ol ðe siti woz muv'd abót
 20 ðem, and ða sed, I [iz] ðis Naomj. And se
 sed untu ðem, Cöl me not Naomj, cöl me
 Mara: for ðe Olmjti hat delt veri bitterli
 21 wid me. I went st ful, and ðe LÖRD hat
 brot me hom agén emti: I hwi [ðen] cöl
 ye me Naomj, seiñ ðe LÖRD hat testifid
 agénst me, and ðe Olmjti hat affliet me.
 22 So Naomj retúrn'd, and Ruit ðe Móabjtes,
 her deter-in-le, wid her, hwiç retúrn'd st ov
 ðe euntri ov Móab: and ða cam tú Bét-

 2 AND Naomj had a einzman ov her

 Ruit ðe Móabjtes sed untu Naomj, Let

 3 se sed untu her, Go, mj deter. And se

 4 And, behóld, Boaz cam from Bétlehem,
 and sed untu ðe reperz, ðe LÖRD [be] wid

 5 ðen sed Boaz untu hiz servant dat woz

 6 And ðe servant dat woz set over ðe reperz
 qnsérð and sed, It [iz] ðe Móabjtis damzel

 (10) ðen se fel on her fas, and bsd herself tú

 11 seiñ i [am] a stranger. And Boaz qnsérð
 and sed untu her, It hat fuli ben fód me,
 ol dat ðs hast dun untu ði muder-in-le
 sins ðe det ov ðin huzbund: and [hs] ðs
 hast left ði fader and ði muder, and ðe land

 12 hwiç ðs nqest not hertuifór. ðe LÖRD
 recompens ði wure, and a fal rewórd be
 giv'n dé ov ðe LÖRD God ov 'Izrael, under
 13 huiz wiñz ðs qrt cum tú trust. ðen se sed,
 Let me fñd favur in ði sit, mj lörð; fer
 dat ðs hast cumfúrte me, and fer dat ðs
 hast spo'e'n frendli untu ðin handmad, ðo
 i be not lij untu wun ov ðin handmad'nz.
 14 And Boaz sed untu her, At meltiñ cum
 ðs hider, and et ov ðe bred, and dip ði
 morsel in ðe vineger. And se sat besjd ðe
 reperz: and he regt her parçt [cern], and
 15 se did et, and woz sufizd, and left.
 And hwen se woz riz'n up tú glen, Boaz com-

 18 And se tuc [it] up, and went intu ðe

 19 And her muder-in-le sed untu her, I Hwar

 blessed be hé dat did tac nolej ov dé. And
 se fód her muder-in-le wid húm se had rot,
 and sed, ðe manz nam wid hum i rot tudá
 20 [iz] Boaz. And Naomj sed untu her

 He sed untu me also, ðs salt cep fást bj

 3 ðen Naomj her muder-in-le sed untu

6 And se went dsn untu de flör, and did aerdin tu el dat her muder-in-lo bad her.

7 And hwen Boaz had et'n and drupe, and hiz hqrt woz meri, he went tu li dsn at de end ov de hep ov corn: and se cam soflh,

12 And ns it iz tru dat i [am dñ] ner einzman: hsbeit dar iz a einzman nerer dan i.

13 Turi dis njt, and it sal be in de mornin, [dat] if he wil perfóm untu dé de pqt ov a einzman, wel; let him du de einzmanz pqt: but if he wil not du de pqt ov a einzman tu dé, den wil i du de pqt ov a einzman tu dé, [az] de LORD livet: li dsn until de mornin.

14 And se la at hiz fet until de mornin: and se roz up befór wun ead no anúder. And he sed, Let it not be non dat a wuman cam

15 intu de flör. Also he sed, Briñ de val dat [ds hast] upón dé, and hold it. And hwen se held it, he mezurd sies [mezurz] ov bqrl, and lad [it] on her: and se went intu de siti.

16 And hwen se cam tu her muder-in-lo, se sed, i Huü [qrt] ds, mj doter. And se told

17 her ol dat de man had dun tu her. And se sed, Héz sies [mezurz] ov bqrl gav he me; for he sed tu me, Ge not emti untu

18 dñ muder-in-lo. Den sed se, Sit stil, mj doter, until ds no hs de mater wil fel: for de man wil not be in rest, until he hav finist de tñ ds da.

4 Den went Boaz up tu de gat, and sat him dsn dar: and, behöld, de einzman ov hum Boaz spae cam bi; untu hum he

sed, Ho, suq a wun! turn asjd, sit dsn her. 2 And he turnd asjd, and sat dsn. And he

tue ten men ov de elderz ov de siti, and sed, 3 Sit ye dsn her. And da sat dsn. And he

sed untu de einzman, Naomj, dat iz cum agén st ov de cuntri ov Moab, selet a pqrsl ov land, hwiq [woz] sr bruder Elimelces:

4 and i lot tu advertiz dé, sañ, Bj [it] befór de inhabitants, and befór de elderz ov mj pep'l. If ds wilt redém [it], redém [it]: but

4 if ds wilt not redém [it, den] tel me, dat i ma no: for [dar iz] nun tu redém [it] besjd dé; and i [am] qfter dé. And he sed,

5 i wil redém [it]. Den sed Boaz, Hwot da ds bjest de feld ov de hand ov Naomj, ds

must bi [it] also ov Rut de Móabites, de wj ov de ded, tu raz up de nam ov de ded

6 upón hiz inheritans. And de einzman sed, i camot redém [it] fer misêlf, lest i mqr mjñ on inheritans: redém ds mj rjt tu djsêlf; for i

7 camot redém [it]. Ns dis [woz de maner] in fermer tñ in 'Israel consérñj redemjñ and consérñj canjñ, fer tu confém ol tñz: a

man pluet of hiz su, and gav [it] tu hiz nabur: and dis [woz] a téstimuni in 'Israel.

8 Darfor de einzman sed untu Boaz, Bj [it] for dé. So he dru of hiz su.

9 And Boaz sed untu de elderz, and [untu] ol de pep'l, Ye [qr] witnessz dis da, dat i

hav bet ol dat [woz] Elimelces, and ol dat [woz] Cilionz and Mqlonz, ov de hand ov

10 Naomj. Moreover Rut de Móabites, de wj ov Mqlon, hav i purgest tu be mj wj, tu raz up de nam ov de ded upón hiz inher-

itans, dat de nam ov de ded be not cut of from amúñ hiz bredren, and from de gat ov

11 hiz plas: ye [qr] witnessz dis da. And ol de pep'l dat [wer] in de gat, and de elderz,

sed, [We qr] witnessz. De LORD mac de wuman dat iz cum intu dñ hss lje Ragel

and lje Lea, hwiq tu did bild de hss ov 'Israel: and du ds wurdili in Efrata, and

12 be famus in Bétlehem: and let dñ hss be lje de hss ov Farez, hum Tamq bar untu

Jyda, ov de sed hwiq de LORD sal giv dé ov dis yuñ wuman.

13 So Boaz tue Rut, and se woz hiz wj: and hwen he went in untu her, de LORD

14 gav her concepjun, and se bar a sun. And de wimen sed untu Naomj, Blesed [be] de LORD, hwiq hat not leif dé dis da widst a einzman, dat hiz nam ma be famus in

15 'Israel. And he sal be untu dé a restorer ov [dñ] lij, and a núrifer ov dñj old aj: for dñ doter-in-lo, hwiq luvet dé, hwiq iz beter

16 tu dé dan sev'n sunz, hat born him. And Naomj tue de ejld, and lad it in her bazum,

17 and becám nurs untu it. And de wimen her naburz gav it a nam, sañ, Dar iz a sun born tu Naomj; and da cold hiz nam

Obed: he [iz] de fqdér ov Jese, de fqdér ov David.

18 Ns dez [qr] de jenerasunz ov Farez: 19 Farez begát Hezron, and Hezron begát

20 Ram, and Ram begát Aminadab, and Aminadab begát Najon, and Najon begát

21 Salmon, and Salmon begát Boaz, and 22 Boaz begát Obed, and Obed begát Jese, and Jese begát David.

DE FERST BUC OV SAMUEL,

UAEERWIZ COLD,

DE FERST BUC OV DE CIJZ.

1 **N**s dar woz a scerten man ov Ramataim-zosim, ov msnt 'Efraim, and hiz nam [woz] Eleana, de sun ov Jéroham, de sun ov Eljhu, de sun ov Tohu, de sun ov Zaf, 2 an Efratit: and he had tú wjvz; de nam ov de wun [woz] Hana, and de nam ov de nder Penina: and Penina had gildren, but Hana had no gildren.

3 And dis man went up st ov hiz siti yerli tu wurfip and tusacrifz untu de LORD ov hosts in Sijlo. And de tú sunz ov Eli, Hofni and Finias, de prests ov de LORD, 4 [wer] dar. And hwen de tijn woz dat Eleana oferd, he gav tu Penina hiz wjv, and tu el her sunz and her dotez, porfunz: 5 but untu Hana he gav a wurdí porfun; for he luyd Hana: but de LORD had sut 6 up her wum. And her ádverseri also provóet her sor, fer tu mac her fret, becóz 7 de LORD had sut up her wum. And [az] he did so yer bi yer, hwen se went up tu de hss ov de LORD, so se provóet her; 8 darfor se wept, and did not et. Áen sed Eleana her huzbund tu her, Hana, ¿hwj wepest ds; and ¿hwj etest ds not; and ¿hwj iz di hqrt grevd; ¿[am] not i beter tu dé dan ten sunz.

9 So Hana roz up qfter da had et'n in Sijlo, and qfter da had drupe. Ns Eli de prest sat upón a set bi a post ov de 10 temp'l ov de LORD. And se [woz] in biterness ov sol, and prad untu de LORD, and 11 wept sor. And se vsd a vs, and sed, O LORD ov hosts, if ds wilt indéd lue on de állefju ov dñ handmad, and remémber me, and not forgét dñ handmad, but wilt giv untu dñ handmad a mon gíld, den i wil giv him untu de LORD el de daz ov hiz líf, and dar sal no razur eum upón hiz hed.

12 And it cam tu pqs, az se continyd praj befór de LORD, dat Eli mqret her mst. 13 Ns Hana, se spae in her hqrt; onli her lips muv'd, but her vós woz not herd: dar- 14 for Eli tót se had ben drupe'n. And Eli sed untu her, ¿Hs loy wilt ds be drupe'n; 15 put awá di wjn from dé. And Hana qns- 16 erd and sed, No, mj lerd, i [am] a wuman ov a sórofal spirit: i hav drupe neder wjn ner strong drupe, but hav pord st mj sol 17 befór de LORD. Csnt not dñ handmad fer a doter ov Belial: fer st ov de abúndans ov mj complánt and gref hav i spoe'n 18 hidertu. Áen Eli qnsrd and sed, Go in pes: and de God ov 'Israel grant [dé] di petisun dat ds hast qset ov him. And se sed, Let dñ handmad fínd gras in di sjt. So de wuman went her wa, and did et, and her csntenans woz no mor [sad].

1 And da roz up in de mornij erli, and wurfip befór de LORD, and retúrnd, and cam tu dar hss tu Rama: and Eleana nu Hana hiz wjv; and de LORD remémberd 20 her. Ifwarfor it cam tu pqs hwen de tijn woz eum abst qfter Hana had consérv, dat se bar a sun, and cold hiz nam Samúel, [saij,] Becóz i hav qset him ov de LORD.

21 And de man Eleana, and el hiz hss, went up tu ofer untu de LORD de yerli sacrifz, 22 and hiz vs. But Hana went not up; for se sed untu her huzbund, [I wil not go up] until de gíld be wend, and [den] i wil brinj him, dat he ma apér befór de LORD, and 23 dar abjd fer ever. And Eleana her huzbund sed untu her, Duu hwot semet dé gud; tari until ds hav wend him; onli de LORD estáblis hiz wurd. So de wuman abód, and gav her sun sue until se wend him.

24 And hwen se had wend him, se tuec him up wid her, wid tre balucs, and wun efa ov flsr, and a bot'l ov wjn, and brét him untu de hss ov de LORD in Sijlo: and de 25 gíld [woz] yun. And da slu a baluc, and 26 brót de gíld tu Eli. And se sed, O mj lerd, [az] di sol livet, mj lerd, i [am] de wuman dat stud bi dé her, praj untu de LORD. 27 For dis gíld i prad; and de LORD hat giv'n 28 me mj petisun hwig i qset ov him: darfor also i hav lent him tu de LORD; az loy az he livet he sal be lent tu de LORD. And he wurfip de LORD dar.

2 And Hana prad, and sed,

Mj hqrt rejóset in de LORD,
mj horn iz egzelted in de LORD;
mj mst iz enlérjd over mj enemiz;
becóz i rejós in dñ salvafun.

2 [Dar iz] nun holi az de LORD:

7 de LORD maect pur, and maect ríq:
he bríget lo, and lifset up.

8 He razet up de pur st ov de dust,
[and] lifset up de beger from de dughil,

- 22 Ns Eli woz veri old, and herd ol dat hiz

19 And Samuël gruu, and ðe LÖRD woz wid him, and did let nun ov hiz wurdz fel tuu ðe grsnd. And ol 'Izrael from Dan ev'n tuu Beerseba nu ðat Samuël [woz] estáblift

Ns 'Izrael went st agénst ðe Filistinz tuu bat'l, and piġt besjd Ebenezer: and ðe

Let us feġ ðe qre ov ðe cüenant ov ðe LÖRD st ov Sġlo untuu us, ðat, hwen it cumet amúy us, it ma sav us st ov ðe hand ov sr enemiz. So ðe pep'l sent tuu Sġlo, ðat ða mġt brig from ðens ðe qre ov ðe cüenant ov ðe LÖRD ov hoests, hwiġ dwelet [betwén] ðe qerybin: and ðe túu sunz ov Elj, Hofnj and Finias, [wer] ðar

14 And hwen Elj herd ðe noz ov ðe erġin, he sed, i Hwot [menet] ðe noz ov ðis tumult. And ðe man cam in hastili, and told Elj.

15 Ns Elj woz njnti and at yez old; and hiz

 11 ov sr enemiz, and we wil serv dē. And ðe LōRD sent Jerubbaal, and Bedan, and Jefta, and Samuēl, and deliverd ū st ov ðe hand ov ūr enemiz on everi sȝd, and ye dwelt saf.
 12 And hwen ye sō ðat Nahaf ðe ciȝ ov ðe gildren ov Amun cam agēst ū, ye sed untū me, Na; but a ciȝ fal ran over us:
 13 hwen ðe LōRD ūr God [woz] ūr ciȝ. Ns ðarfor behōld ðe ciȝ hum ye hav goz'n, [and] hum ye hav deȝrd! and, behōld, ðe LōRD

 16 Ns ðarfor stand and se ðis grat tiȝ, hwiȝ
 17 ðe LōRD wil ðu befōr ūr iz. ? [Iz it] not hwet harvest tūdā. ? wil col untū ðe LōRD, and he fal send tunder and ran; ðat ye ma persēv and se ðat ūr wicednes [iz] grat, hwiȝ ye hav ðun in ðe sȝt ov ðe LōRD, in qseȝ ū a ciȝ.
 18 Sō Samuēl celd untū ðe LōRD; and ðe LōRD sent tunder and ran ðāt ða: and ol ðe pep'l gratli ferd ðe LōRD and Samuēl.
 19 And ol ðe pep'l sed untū Samuēl, Pra for ði servants untū ðe LōRD ði God, ðat we ði not: for we hav aded untū ol sr sinz
 20 [dis] ev'l, tuȝ qse ū a ciȝ. And Samuēl sed untū ðe pep'l, Fer not: ye hav ðun ol ðis wicednes: yet turn not asȝd from fōloȝ ðe LōRD, but serv ðe LōRD wid ol ūr hāt;
 21 and turn ye not asȝd: fer [ðen] sȝd ye go, after van [tiȝ], hwiȝ canot profit nor de-

13 SOL rand wun yer: and hwen he had rand tūȝ yerz over 'Izrael, (2) Sol goz him tre tszēd [men] ov 'Izrael; [hwarōf] tūȝ tszēd wer wid Sol in Miēmaf and in msnt Betel, and a tszēd wer wid Jonatan in Gibia ov Benjamin: and ðe rest ov ðe pep'l he sent everi man tuȝ hiz tent.

3 And Jonatan smot ðe garison ov ðe Filistinz ðat [woz] in Geba, and ðe Filistinz herd [ov it]. And Sol blu ðe trumpet truwst ol ðe

13 land, saȝ, Let ðe Hebruz her. (4) And ol 'Izrael herd sa [ðat] Sol had smit'n a garison ov ðe Filistinz, and [ðat] 'Izrael also woz had in abominaȝun wid ðe Filistinz. And ðe pep'l wer celd tuȝēder after Sol tuȝ Gilgal. And ðe Filistinz gaȝerd ðem-sēlvz tuȝēder tuȝ fiȝt wid 'Izrael, terti tszēd gariȝts, and sies tszēd hersmen, and pep'l az ðe sand hwiȝ [iz] on ðe se for in multitud: and ða cam up, and piȝt in Miēmaf, estwerd from Bet-aven.

6 Hwen ðe men ov 'Izrael sō ðat ða wer in a strat, (for ðe pep'l wer distrēt,) ðen ðe pep'l did hiȝ ðem-sēlvz in cavz, and in tiēts, and in rocs, and in hiȝ plaseȝ, and in
 7 pits. And [sum ov] ðe Hebruz went over Jordan tuȝ ðe land ov Gad and Giliad. Az fer Sol, he [woz] yet in Gilgal, and ol
 8 ðe pep'l folod him trembliȝ. And he tarid sev'n daz, acērdȝ tuȝ ðe set tiȝ ðat Samuēl [had aponted]: but Samuēl cam not tuȝ Gilgal; and ðe pep'l wer scatērd from
 9 him. And Sol sed, Briȝ hider a burnt oferȝ tuȝ me, and pes oferȝȝ. And he oferd ðe burnt oferȝ.
 10 And it cam tuȝ pqs, ðat az sum az he had mad an end ov oferȝ ðe burnt oferȝ, behōld, Samuēl cam; and Sol went st tuȝ
 11 met him, ðat he miȝ salūt him. And Samuēl sed, ? Hwot hast ðs ðun. And Sol sed, Becōz i sō ðat ðe pep'l wer scatērd from me, and [ðat] ðs camest not widin ðe daz aponted, and [ðat] ðe Filistinz gaȝerd ðem-
 12 sēlvz tuȝēder at Miēmaf; ðarfor sed i, ðe Filistinz wil cum ðsn ns upōn me tuȝ Gilgal, and i hav not mad suplicaȝun untū ðe LōRD: i forst misēlf ðarfor, and oferd a
 13 burnt oferȝ. And Samuēl sed tuȝ Sol, ðs hast ðun fuiliȝ: ðs hast not cept ðe comāndment ov ðe LōRD ði God, hwiȝ he comānded ðe: for ns wud ðe LōRD hav estāb-
 14 liȝt ði ciȝdum upōn 'Izrael for ever. But ns ði ciȝdum fal not continȝ: ðe LōRD hāt sot him a man after hiz on hāt, and ðe LōRD hāt comānded him [tuȝ be] capten over hiz pep'l, becōz ðs hast not cept [ðat] hwiȝ ðe LōRD comānded ðe.

15 And Samuēl arōz, and gat him up from Gilgal untū Gibia ov Benjamin. And Sol numberd ðe pep'l [ðat wer] prezent wid him, abst sies hundred men. And Sol, and Jonatan hiz sun, and ðe pep'l [ðat wer] prezent wid ðem, abōd in Gibia ov Benjamin:
 17 But ðe Filistinz encāpt in Miēmaf. And ðe spelerz cam st ov ðe camp ov ðe Filistinz in tre cumpaniz: wun cumpani turnd untū ðe wa [ðat ledet tuȝ] Ofra, untū ðe
 18 land ov Sual: and anūder cumpani turnd ðe wa [tuȝ] Bet-horon: and anūder cumpani turnd [tuȝ] ðe wa ov ðe berder ðat luēc tuȝ ðe vali ov Zeboim tord ðe wildernes.
 19 Ns ðar woz no smit frēnd truwst ol ðe land ov 'Izrael: for ðe Filistinz sed, Lest
 20 ðe Hebruz mae [ðem] sordz or spērȝ: but ol ðe 'Izraeliȝts went ðsn tuȝ ðe Filistinz, tuȝ sȝr'p'n everi man hiz far, and hiz colter, and hiz acs, and hiz matoc. Yet ða had a fiȝl fer ðe matoc, and fer ðe colterȝ, and

13 fêr de feres, and fêr de acsez, and tu farp'n de godz. (22) So it cam tu pq's in de da ov bat'l, dat dar woz neder sord ner sper fsnd in de hand ov eni ov de pep'l dat [wer] wid Sêl and Jonatan: but wid Sêl and wid Jonatan hiz sun woz dar fsnd.

23 And de garisun ov de Filistinz went st
14 tu de pasej ov Micmaf. N's it cam tu pq's upôn a da, dat Jonatan de sun ov Sêl sed untu de yun man dat bar hiz qrmur, Cum, and let us go over tu de Filistinz garisun, dat [iz] on de uder sjd. But
2 he told not hiz fader. And Sêl tarid in de utermot part ov Gibia under a pumgranet tre hwig [iz] in Migron: and de pep'l dat [wer] wid him [wer] abst sies hundred
3 men; and Ahja, da sun ov Ahitub, Ieahodz bruder, de sun ov Finias, de sun ov Eli, de Lërdz prest in Sijlo, warij an efod. And de pep'l ny not dat Jonatan woz gen.
4 And betwén de pasejez, bj hwig Jonatan set tu go over untu de Filistinz garisun, [dar woz] a farp roc on de wun sjd, and a farp roc on de uder sjd: and de nam ov de wun [woz] Bozez, and de nam ov de uder
5 Sena. De fôrfrunt ov de wun [woz] sitqat nortwerd over agénst Micmaf, and de uder
6 estwerd over agénst Gibia. And Jonatan sed tu de yun man dat bar hiz qrmur, Cum, and let us go over untu de garisun ov dez unsecremsjz: it ma be dat de Lërd wil wure fêr us: fêr [dar iz] no restránt
7 tu de Lërd tu sav bj meni or bj fu. And hiz qrmurbarer sed untu him, Du o! dat [iz] in dñj hqrt: turn dé; behóld, i [am]
8 wid dé acerdij tu dñj hqrt. Æen sed Jonatan, Behóld, we wil pq's over untu [dez] men, and we wil discúver xrsélvz untu
9 dem. If da sa dus untu us, Tari untíl we cum tu q; den we wil stand stíl in x'r plas,
10 and wil not go up untu dem. But if da sa dus, Cum up untu us; den we wil go up: fêr de Lërd hat deliverd dem intu x'r hand; and dis [jal be] a sijn untu us.

11 And bot ov dem discúverd demsélvz untu de garisun ov de Filistinz: and de Filistinz sed, Behóld, de Hebruz cum fort st
12 ov de holz hwar da had hid demsélvz. And de men ov de garisun qnserd Jonatan and hiz qrmurbarer, and sed, Cum up tu us, and we wil so q a tij. And Jonatan sed untu hiz qrmurbarer, Cum up after me: fêr de Lërd hat deliverd dem intu de
13 hand ov 'Israel. And Jonatan cljnd up upôn hiz handz and upôn hiz fet, and hiz qrmurbarer after him: and da fel befór Jonatan; and hiz qrmurbarer slu after
14 him. And dát fêrst sloter, hwig Jonatan and hiz qrmurbarer mad, woz abst twenti men, widin az it wer an haf acer ov land, [hwig] a yoc [ov oes'n mjt pls].

15 And dar woz tremblj in de host, in de feld, and amúj el de pep'l: de garisun, and de spelerz, dá elso tremb'ld, and de ert ewact: so it woz a veri grat tremblj.

16 And de wognen ov Sêl in Gibia ov Benjamin laet; and, behóld, de multityd melted awá, and da went on betj dsn [wun anúder].

14 (17) Æen sed Sêl untu de pep'l dat [wer] wid him, Number ns, and se húi iz gon from us. And hwen da had numberd, behóld, Jonatan and hiz qrmurbarer [wer]
18 not [dar]. And Sêl sed untu Ahja, Brjg hider de qre ov God. Fêr de qre ov God woz at dát tij wid de gildren ov 'Israel.
19 And it cam tu pq's, hwíl Sêl tœt untu de prest, dat de nœz dat [woz] in de host ov de Filistinz went on and incrést: and Sêl
20 sed untu de prest, Widdró dñj hand. And Sêl and el de pep'l dat [wer] wid him asémb'ld demsélvz, and da cam tu de bat'l: and, behóld, everi manz sord woz agénst hiz fêlo, [and dar woz] a veri grat discum-
21 fitqr. Mœrover de Hebruz [dat] wer wid de Filistinz befór dát tij, hwig went up wid dem intu de camp [from de euntri] rsnd abst, ev'n dá elso [turnd] tu be wiá de 'Israeljts dat [wer] wid Sêl and Jonatan.
22 Ljewjz el de men ov 'Israel hwig had hid demsélvz in msnt 'Cfrain, [hwen] da herd dat de Filistinz fled, ev'n dá elso
23 folod hqrd after dem in de bat'l. So de Lërd savd 'Israel dát da: and de bat'l pqt over untu Bet-aven.

24 And de men ov 'Israel wer distrést dát da: fêr Sêl had qjrd de pep'l, saij, Cursed [be] de man dat etet [eni] wid untíl evenij, dat i ma be avénjd on mñj enemiz. So nun ov de pep'l tasted [eni]
25 fud. And el [da ov] de land cam tu a wud; and dar woz huni upôn de grsnd.
26 And when de pep'l wer cum intu de wud, behóld, de huni dropt; but no man put hiz hand tu hiz mxt: fêr de pep'l ferd de
27 ot. But Jonatan herd not hwen hiz fader qarjd de pep'l wid de ot: hwarfor he put fort de end ov de rod dat [woz] in hiz hand, and dipt it in an hunicom, and put hiz hand tu hiz mxt; and hiz iz wer enlj'tnd.
28 Æen qnserd wun ov de pep'l, and sed, Dñj fader stratli qarjd de pep'l wid an ot, saij, Cursed [be] de man dat etet [eni]
29 fud dis da. And de pep'l wer fant. Æen sed Jonatan, Mj fader hat trub'ld de land: se, i pra y, h's mñj iz hav ben enlj'tnd, becóz i tasted a lit'l ov dis huni. 'H's muq mor, if hapli de pep'l had et'n freli tudá ov de spol ov dar enemiz hwig da fsnd; fêr 'had dar not ben ns a muq grater sloter amúj de Filistinz.

31 And da smot de Filistinz dát da from Micmaf tu Ajalon: and de pep'l wer veri
32 fant. And de pep'l flu upôn de spol, and tue sep, and oes'n, and eqvz, and slu [dem] on de grsnd: and de pep'l did et [dem] wid de blud. Æen da told Sêl, saij, Behóld, de pep'l sin agénst de Lërd, in dat da et wid de blud. And he sed, Ye hav transgrést: rol a grat ston untu me dis
34 da. And Sêl sed, Dispérs xrsélvz amúj de pep'l, and sa untu dem, Brjg me hider everi man hiz oes, and everi man hiz sep, and sla [dem] her, and et; and sin not agénst de Lërd in etj wid de blud. And el de pep'l brot everi man hiz oes wid him
35 dát njt, and slu [dem] dar. And Sêl bilt

14 an elter untu de LORD : de sam woz de ferst elter dat he bilt untu de LORD.

36 And Sol sed, Let us go dsn qfter de Filistinz bi njt, and spol dem until de mornig lit, and let us not lev a man ov dem. And da sed, Du hwotsoever semet gad untu de. Den sed de prest, Let us dro ner hider untu God. And Sol qset cnsel ov God, 37 9 Sal i go dsn qfter de Filistinz; 9 wilt ds deliver dem intui de hand ov 'Izrael. But he qnserd him not dat da.

38 And Sol sed, Dro ye ner hider ol de gef ov de pep'l: and no and se hwarin dis sin hat ben dis da. For, [az] de LORD livet, hwig savet 'Izrael, do it be in Jonatan mi sun, he sal furli di. But [dar woz] not a man amun ol de pep'l [dat] qnserd him. 40 Den sed he untu ol 'Izrael, Be ye on wun sjd, and i and Jonatan mi sun wil be on de uder sjd. And de pep'l sed untu Sol, Du

41 hwot semet gad untu de. Darfor Sol sed untu de LORD God ov 'Izrael, Giv a perfect [lot]. And Sol and Jonatan wer taen: 42 but de pep'l esapt. And Sol sed, Cqst [lots] betwen me and Jonatan mi sun.

43 And Jonatan woz taen. Den Sol sed tu Jonatan, Tel me hwot ds hast dun. And Jonatan told him, and sed, I did but tast a lit'l huni wid de end ov de rod dat [woz] 44 in min hand, [and] lo, i must di. And Sol qnserd, God dun so and mor also:

45 for ds falt furli di, Jonatan. And de pep'l sed untu Sol, 9 Sal Jonatan di, hu hat rot dis grat salvafun in 'Izrael: God forbid: [az] de LORD livet, dar sal not wun har ov hiz hed fel tu de grsnd; for he hat rot wid God dis da. So de pep'l rescud Jonatan, dat he did not. Den Sol went up from foloij de Filistinz: and de Filistinz went tu dar on plas.

47 SO Sol tue de eijndum over 'Izrael, and fot agens ol hiz enemiz on everi sjd, agens Moab, and agens de gildren ov Amun, and agens Edum, and agens de eijz ov Zoba, and agens de Filistinz: and hwidersoever he turnd himself, he veest 48 [dem]. And he gaderd an host, and smot de 'Amalecits, and deliverd 'Izrael st ov de handz ov dem dat spold dem.

49 Ns de sunz ov Sol wer Jonatan, and Ijui, and Melci-juua: and de nanz ov hiz tu doterz [wer dez]; de nam ov de ferst-born Merab, and de nam ov de yunger 50 Mjeal: and de nam ov Solz wijf [woz] Ahinoam, de doter ov Ahinaaz: and de nam ov de capten ov hiz host [woz] Abner, de 51 sun ov Ner, Solz upe'l. And Cij [woz] de fqder ov Sol; and Ner de fqder ov Abner [woz] de sun ov Abiel.

52 And dar woz sor wor agens de Filistinz ol de daz ov Sol: and hwen Sol so eni stroy man, or eni valyant man, he tue him untu

15 him. Samucl also sed untu Sol, De LORD sent me tui anonit de [tui be] eij over hiz pep'l, over 'Izrael: ns darfor hqren ds untu de vos ov de wurdz ov de 2 LORD. Dus set de LORD ov hosts, I remem-ber [dat] hwig Amalec did tu 'Izrael,

15 hs he lad [wat] for him in de wa, hwen he cam up from Ejipt. (3) Ns go and smit Amalec, and uterli destró ol dat da hav, and spar dem not; but sla bot man and waman, infant and suclig, ocs and fep, camel and qs.

4 And Sol gaderd de pep'l tugeđer, and numberd dem in Telaim, tu hundred tszend ftiatnen, and ten tszend men ov Juda.

5 And Sol cam tu a siti ov Amalec, and lad 6 wat in de vali. And Sol sed untu de Cenjts, Go, depart, get u dsn from amun de 'Amalecits, lest i destró u wid dem: for ye fod ejndes tu ol de gildren ov 'Izrael, hwen da cam up st ov Ejipt. So de Cenjts de-

7 parted from amun de 'Amalecits. And Sol smot de 'Amalecits from Havila [until] ds eumest tu Sur, dat [iz] over agens Ejipt.

8 And he tue Agag de eij ov de 'Amalecits oljv, and uterli destród ol de pep'l wid de 9 ej ov de sord. But Sol and de pep'l spard Agag, and de best ov de fep, and de lamz, and ol de fatlijz, and de ovz, and ol [dat woz] gad, and wud not uterli destró dem: but everi tij [dat woz] vil and refus, dat da destród uterli.

10 Den cam de wurd ov de LORD untu Samucl, 11 ucl, saij, It repéntet me dat i hav set up Sol [tui be] eij: for he iz turnd bac from foloij me, and hat not perfórmd mi com-qndments. And it grevd Samucl; and he

12 erjd untu de LORD ol njt. And hwen Samucl roz erli tu met Sol in de mornig, it woz told Samucl, saij, Sol cam tu Cq-mel, and, behóld, he set him up a plas,

and iz gon abt, and pqt on, and gon dsn tu Gilgal.

13 And Samucl cam tu Sol: and Sol sed untu him, Blesd [be] ds ov de LORD: i hav perfórmd de comqndment ov de LORD.

14 And Samucl sed, 9 Hwot [menet] den dis bletij ov de fep in min erz, and de loij 15 ov de ocs'n hwig i her. And Sol sed, Da hav brot dem from de 'Amalecits: for de pep'l spard de best ov de fep and ov de ocs'n, tu sacrifiz untu de LORD di God;

16 and de rest we hav uterli destród. Den Samucl sed untu Sol, Sta, and i wil tel de hwot de LORD hat sed tu me dis njt. And he sed untu him, Sa on.

17 And Samucl sed, Hwen ds [wost] lit'l in din on sjt, 9 [wost] ds not [mad] de hed ov de trijb ov 'Izrael, and de LORD anoned

18 de eij over 'Izrael. And de LORD sent de on a jurni, and sed, Go and uterli destró de sinerz de 'Amalecits, and sijt agens dem

19 until da be consúmd. 9 Hwarfor den didst ds not obá de vos ov de LORD, but didst flj upón de spol, and didst ev'l in de sjt ov

20 de LORD. And Sol sed untu Samucl, Ya, i hav obád de vos ov de LORD, and hav gon de wa hwig de LORD sent me, and hav brot Agag de eij ov Amalec, and hav

21 uterli destród de 'Amalecits. But de pep'l tue ov de spol, fep and ocs'n, de gef ov de tijz hwig jud hav ben uterli destród, tu sacrifiz untu de LORD di God in Gilgal.

22 And Samucl sed, 9 Hat de LORD [az grat] deljt in burnt oferijz and sacrifizez, az in

15 obain de vos ov de LÖRD. Behöld, tu obá [iz] beter dan sacrificz, [and] tu 23 hær'n dan de fat ov ranz. Fær rebelyun [iz az] de sin ov wigerqft, and stubbornnes [iz az] inicwiti and idolatri. Becöz d's hast rejected de wurd ov de LÖRD, he hat also 24 rejected dé from [bein] cij. And Sol sed untu Samuël, f' hav sind: f'er i hav transgrést de comqndment ov de LÖRD, and d'j wurdz: becöz i ferd da pep'l, and obád f'ar 25 vos. N's d'arfor, i pra d'é, pqr'd'n m'j sin, and turn agén wid me, dat i ma wurfip de 26 LÖRD. And Samuël sed untu Sol, f' wil not retúr'n wid dé: f'er d's hast rejected de wurd ov de LÖRD, and de LÖRD hat re- 27 jected dé from bein cij over 'Israel. And az Samuël turnd abst' tu go awá, he lad hold upón de seert ov hiz mant'l, and it 28 rent. And Samuël sed untu him, f' de LÖRD hat rent de cingdum ov 'Israel from d'is da, and hat giv'n it tu a nabur ov d'jn, 29 [dat iz] beter dan d's. And also de Streyt ov 'Israel wil not i'j ner repént: f'er he [iz] 30 not a man, dat he fud repént. f'en he sed, f' hav sind: [yet] onur me n's, i pra d'é, befór de elderz ov m'j pep'l, and befór 'Israel, and turn agén wid me, dat i ma wur- 31 fip de LÖRD d'j God. So Samuël turnd agén qfter Sol; and Sol wurfip de LÖRD. 32 f'en sed Samuël, Brin ye hider tu me Agag de cij ov de 'Amalecits. And Agag cam untu him d'elictli. And Agag sed, 33 Surli de biternes ov det iz p'qt. And Samuël sed, Az d'j sord hat mad wimen g'ldles, so fal d'j muder be g'ldles amún wimen. And Samuël hüd Agag in pesez befór de LÖRD in Gilgal. 34 f'en Samuël went tu Rama; and Sol 35 went up tu hiz h'ss tu Gibia ov Sol. And Samuël cam n'o mör tu se Sol until de da ov hiz det: neverdelés Samuël mörnd for Sol: And de LÖRD repénted dat he had mad 16 Sol cij over 'Israel. And de LÖRD sed untu Samuël, f' H's log wilt d's mörn for Sol, seig i hav rejected him from ranig over 'Israel; fil d'jn horn wid ol, and go, i wil send dé tu Jese de Bétlehemijt: f'er i hav 2 provided me a cij amún hiz sunz. And Samuël sed, f' H's can i go; if Sol her [it], he wil cil me. And de LÖRD sed, Tac an hefer wid dé, and sa, f'am cum tu sacrificz tu 3 de LÖRD. And cöl Jese tu de sacrificz, and i wil f'o dé hwot d's falt du; and d's falt anónt untu me [him] huun i nam untu dé. 4 And Samuël did dát hwig de LÖRD spae, and cam tu Bétlehem. And de elderz ov de tsn trembl'd at hiz cumig, and sed, 5 f' Cumest d's pesabli. And he sed, Pesabli: i am cum tu sacrificz untu de LÖRD: sanctifij ursélvz, and cum wid me tu de sacrificz. And he sanctifid Jese and hiz sunz, and 6 cöld dem tu de sacrificz. And it cam tu p'qs, hwen da wer cum, dat he laet on Eliab, and sed, Surli de LÖRDz anónted 7 [iz] befór him. But de LÖRD sed untu Samuël, Luc not on hiz c'sntenans, or on de h'jt ov hiz statúr; becöz i hav refúzd him: f'er [de LÖRD seet] not az man seet;

16 for man læcet on de stwerd aperans, but de LÖRD læcet on de h'art. (8) f'en Jese cöld Abinadab, and mad him p'qs befór Samuël. And he sed, Neder hat de LÖRD goz'n 9 dis. f'en Jese mad Sama tu p'qs bj. And he 10 sed, Neder hat de LÖRD goz'n dis. Agén, Jese mad sev'n ov hiz sunz tu p'qs befór Samuël. And Samuël sed untu Jese, f' de 11 LÖRD hat not goz'n dez. And Samuël sed untu Jese, f' Ar her ol [d'j] gildren. And he sed, f'ar remanet yet de yungest, and, behöld, he c'pet de f'ep. And Samuël sed untu Jese, Send and feg him: f'er we wil 12 not sit d'sn til he cum hider. And he sent, and brot him in. N's he [woz] rudi, [and] widól ov a butifal c'sntenans, and gadli tu læc tu. And de LÖRD sed, Ariz, anónt 13 him: f'er dis [iz] he. f'en Samuël tac de horn ov ol, and anónted him in de midst ov hiz bredren: and de Spirit ov de LÖRD cam upón David from dát da forward. So Samuël röz up, and went tu Rama. 14 But de Spirit ov de LÖRD departed from Sol, and an ev'l spirit from de LÖRD trub'ld 15 him. And Solz servants sed untu him, Behöld n's, an ev'l spirit from God trublet d'. 16 Let sr lörd n's comqnd d'j servants, [hwig qr] befór dé, tu sec st a man, [huu iz] a cunig plaer on an h'qrp; and it fal cum tu p'qs, hwen de ev'l spirit from God iz upón dé, dat he fal pla wid hiz hand, and 17 d's falt be wel. And Sol sed untu hiz servants, Provjd me n's a man dat can pla 18 wel, and brin [him] tu me. f'en qnsrd wun ov de servants, and sed, Behöld, i hav sen a sun ov Jese de Bétlehemijt, [dat iz] cunig in plain, and a m'jt valyant man, and a man ov wer, and prudent in materz, and a cunli persun, and de LÖRD [iz] wid 19 him. Hwarfor Sol sent m'esenjerz untu Jese, and sed, Send me David d'j sun, hwig 20 [iz] wid de f'ep. And Jese tac an qs [lad'n] wid bred, and a bot'l ov wjn, and a cid, and sent [dem] bj David hiz sun untu Sol. 21 And David cam tu Sol, and stud befór him: and he luvd him gratli; and he be- 22 cám hiz q'murbarer. And Sol sent tu Jese, saig, Let David, i pra d'é, stand befór me; 23 f'er he hat fsnd favur in m'j s'jt. And it cam tu p'qs, hwen de [ev'l] spirit from God woz upón Sol, dat David tac an h'qrp, and plad wid hiz hand: so Sol woz refréft, and woz wel, and de ev'l spirit departed from him. 17 N's de Filistinz gaderd tugéder dar qrmiz tu bat'l, and wer gaderd tugéder at Socco, hwig [belóget] tu Jyda, and piqt betwén Socco and Azeca, in Efez-damin. 2 And Sol and de men ov 'Israel wer gaderd tugéder, and piqt bj de vali ov Ela, and 3 set de bat'l in ará agénst de Filistinz. And de Filistinz stud on a m'nten on de wun s'jd, and 'Israel stud on a m'nten on de nder s'jd: and [dar woz] a vali betwén dem. 4 And dar went st a campijn st ov de camp ov de Filistinz, namd Goliat, ov Gat, huuz 5 h'jt [woz] siecs cubits and a span. And [he had] an heluæt ov brqs upón hiz hed, and he [woz] qrmad wid a cot ov mal; and de

17 wat ov de eot [woz] fiv tszend seeclz ov brqs. (6) And [he had] grevz ov brqs upón hiz legz, and a target ov brqs betwén hiz 7 folderz. And de stqf ov hiz sper [woz] lie a weverz bein; and hiz sperz hed [wad] sies hundred seeclz ov jurn; and wun bariñ 8 a feld went befór him. And he stud and erjd untui de qrmiz ov 'Izrael, and sed untui dem, § Hwí qr ye cum st tu set [qr] bat'l in ará. § [Am] not i a Filistin, and ye servants tuu Sol. Cuz u a man for u, and 9 let him cum dsn tu me. If he be ab'l tu fjt wid me, and tu cil me, den wil we be qr servants: but if i prevál agénst him, and cil him, den sal ye be sr servants, and serv 10 us. And de Filistin sed, † defj de qrmiz ov 'Izrael dis da; giv me a man, dat we ma 11 fjt tugéder. Hwen Sol and el 'Izrael herd doz wurdz ov de Filistin, da wer dismád, and gratli afrád.

12 Ns David [woz] de sun ov dát Efratjt ov Bétlehem-júda, huuz nam [woz] Jese; and he had at sunz: and de man went amún men [for] an old man in de daz ov 13 Sol. And de tre eldest sunz ov Jese went [and] folod Sol tu de bat'l: and de namz ov hiz tre sunz dat went tu de bat'l [wer] Eljab de fersborn, and neest untui him 14 Abinadab, and de terd Sama. And David [woz] de yungest: and de tre eldest folod 15 Sol. But David went and retúrd from Sol tu fed hiz fqderz sep at Bétlehem. 16 And de Filistin dru ner mornij and evnij, and prezénted himsélft forti daz.

17 And Jese sed untui David hiz sun, Tac ns fer dj bredren an efa ov dis pqret [corn], and dez ten lovz, and run tu de 18 camp tu dj bredren; and curi dez ten gegez untui de capten ov [dar] tszend, and lue hs dj bredren far, and tac dar plej. 19 Ns Sol, and da, and el de men ov 'Izrael, [wer] in de vali ov Ela, fjtij wid de Filistin. And David róz up erli in de mornij, and left de sep wid a ceper, and tue, and went, az Jese had comanded him; and he cam tu de treng, az de host woz goinj fort 21 tu de fjt, and fsted for de bat'l. For 'Izrael and de Filistin had put de bat'l 22 in ará, qrmí agénst qrmí. And David left hiz carij in de hand ov de ceper ov de carij, and ran intui de qrmí, and cam and salúted 23 hiz bredren. And az he toet wid dem, behóld, dar cam up de campium, de Filistin ov Gat, Goljat bj nam, st ov de qrmiz ov de Filistin, and spae acording tu de sam 24 wurdz: and David herd [dem]. And el de men ov 'Izrael, hwen da se de man, fled 25 from him, and wer sör afrád. And de men ov 'Izrael sed, § Hav ye sen dis man dat iz cum up; furli tu defj 'Izrael iz he cum up: and it sal be, [dat] de man hui cilet him, de eij wil enrig him wid grat ricez, and wil giv him hiz deter, and mae hiz 26 fqderz hss fre in 'Izrael. And David spae tu de men dat stud bj him, saij, § Hwot sal be dun tu de man dat cilet dis Filistin, and tacet awá de repróg from 'Izrael; for § huú [iz] dis unsecremsjz Filistin, dat he

17 suad defj de qrmiz ov de livij God. (27) And de pepl qnsrd him qfter dis maner, saij, So sal it be dun tu de man dat cilet him.

28 And Eljab hiz eldest bruder herd hwen he spae untui de men; and Eljabz anger woz eind'ld agénst David, and he sed, § Hwí camest ds dsn hider; and § wid huú hast ds left doz tu fep in de wildernes. F no dj prjd, and de netines ov djn hqrt; for ds qrt cum dsn dat ds mjtst se de bat'l.

29 And David sed, § Hwot hav i ns dun. § [Iz 30 dar] not a coz. And he turnd from him tord anúder, and spae qfter de sam maner: and de pepl qnsrd him agén qfter de 31 former muner. And hwen de wurdz wer herd hwiq David spae, da rehérst [dem] befór Sol: and he sent for him.

32 And David sed tuu Sol, Let no manz hqrt fal becóz ov him; dj servant wil go 33 and fjt wid dis Filistin. And Sol sed tu David, ds qrt not ab'l tu go agénst dis Filistin tu fjt wid him: fer ds [qrt but] a qt, and he a man ov wer from hiz qt.

34 And David sed untui Sol, §i servant cept hiz fqderz sep, and dar cam a ljun, and a 35 bar, and tue a lam st ov de floe: and i went st qfter him, and smot him, and deliverd [it] st ov hiz mst: and hwen he aróz agénst me, i eot [him] bj hiz berd, 36 and smot him, and slui him. §i servant slui bot de ljun and de bar: and dis unsecremsjz Filistin sal be az wun ov dem, seij he bat defj de qrmiz ov de livij God.

37 David sed moreover, de Lörd dat deliverd me st ov de po ov de ljun, and st ov de po ov de bar, he wil deliver me st ov de hand ov dis Filistin. And Sol sed untui David, Go, and de Lörd be wid de.

38 And Sol qrmid David wid hiz qrmur, and he put an helmet ov brqs upón hiz hed; 39 also he qrmid him wid a eot ov mal. And David gert hiz sord upón hiz qrmur, and he asád tu go; for he had not pruvd [it]. And David sed untui Sol, F canot go wid dez; for i hav not pruvd [dem]. And 40 David put dem of him. And he tue hiz stqf in hiz hand, and goz him fiv smud stonz st ov de bruc, and put dem in a seperdz bag hwiq he had, ev'n in a scrip; and hiz slj [woz] in hiz hand: and he 41 dru ner tu de Filistin. And de Filistin cam on and dru ner untui David; and de man dat bar de feld [went] befór him.

42 And hwen de Filistin luet abót, and se David, he disdánd him: for he woz [but] a 43 qt, and rudi, and ov a far esntenans. And de Filistin sed untui David, § [Am] i a dog, dat ds cumest tu me wid stavz. And de 44 Filistin curst David bj hiz godz. And de Filistin sed tu David, Cum tu me, and i wil giv dj flef untui de fslz ov de ar, and 45 tu de bests ov de feld. Den sed David tu de Filistin, ds cumest tu me wid a sord, and wid a sper, and wid a feld: but i cum tu de in de nam ov de Lörd ov hosts, de God ov de qrmiz ov 'Izrael, huú ds host 46 defjd. Dis da wil de Lörd deliver dé intui min hand; and i wil smjt dé, and tac djn

17 hed from dé; and i wil giv de ecreasez ov de host ov de Filistinz dis da untu de fs lz ov de ar, and tu de wild bests ov de ert; dat el de ert ma nō dat dar iz a God in 'Israel. And el dis asēmbli fal nō dat de LōRD savet not wid sord and sper: for de bat'l [iz] de LōRDz, and he wil giv ŋ intui sr handz.

48 And it cam tu pqs, hwen de Filistin arōz, and cam and dru nī tu met David, dat David hastēd, and ran tord de qrmī

49 tu met de Filistin. And David put hiz hand in hiz bag, and tue dens a stōn, and sloq [it], and smot de Filistin in hiz forēd, dat de stōn supe intui hiz forēd; and he

50 fel upōn hiz las tu de ert. So David prevāld over de Filistin wid a slīg and wid a stōn, and smot de Filistin, and slu him; but [dar woz] nō sord in de hand ov David.

51 Harfor David ran, and stad upōn de Filistin, and tue hiz sord, and dru it st ov de set darōf, and slu him, and cut of hiz hed darwīt. And hwen de Filistinz sō dar

52 gampūn woz ded, da fled. And de men ov 'Israel and ov Jyda arōz, and fsted, and pursqd de Filistinz, until ds cum tu de vali, and tu de gats ov Ecron. And de wūded ov de Filistinz fel dsn bī de wa tu Saaraim, ev'n untu Gat, and untu

53 Ecron. And de gildren ov 'Israel retūrnnd from gasīg qfter de Filistin, and da spold

54 dar tents. And David tue de hed ov de Filistin, and bret it tu Jeruzalem; but he put hiz qrmur in hiz tent.

55 And hwen Sēl sō David gō fort agēst de Filistin, he sed untu Abner, de capten ov de host, Abner, s hūz sun [iz] dis yt. And Abner sed, [Az] dī sōl livet, o eīp, i

56 canot tel. And de eīp sed, Inewīz ds hūz

57 sun de stripliŋ [iz]. And az David retūrnnd from de sletor ov de Filistin, Abner tue him, and bret him befōr Sēl wid de hed

58 ov de Filistin in hiz hand. And Sēl sed tu him, s Hūz sun [qrt] ds, [ds] yuy man. And David qnsēd, [t am] de sun ov dī

18 servant Jese de Bētlehemīt. And it cam tu pqs, hwen he had mad an end ov speeīg untu Sēl, dat de sōl ov Jonatan woz nit wid de sōl ov David, and Jonatan

2 luvd him az hiz on sōl. And Sēl tue him dat da, and wad let hūm gō nō mor hom

3 tu hiz fqderz hys. Den Jonatan and David mad a cūvenant, becōz he luvd him az hiz on

4 sōl. And Jonatan stript himself ov de rob dat [woz] upōn him, and gav it tu David, and hiz garmēts, ev'n tu hiz sord, and tu hiz bō, and tu hiz gerd'l.

5 And David went st hwidersoēter Sēl sent him, [and] behāvd himself wīzli: and Sēl set him over de men ov wōr, and he woz acēpted in de sīt ov ol de pep'l, and also in de sīt ov Sēlz servants.

6 And it cam tu pqs az da cam, hwen David woz retūrnnd from de sletor ov de Filistin, dat de wimen cam st ov ol sitiz ov 'Israel, siyīg and dānsīg, tu met eīp Sēl, wid tabrets, wid jō, and wid instruments

7 ov mūzic. And de wimen qnsēd [wun anāder] az da plad, and sed,

18 Sēl hat slan hiz tszendz, and David hiz ten tszendz.

8 And Sēl woz veri rot, and de saīg displēzd him; and he sed, Da hav asērbd untu David ten tszendz, and tu me da hav asērbd [but] tszendz: and s [hwot] cam

9 he hav mōr but de eīgdūn. And Sēl jd David from dat da and forwerd.

10 And it cam tu pqs on de mōro, dat de ev'l spirit from God cam upōn Sēl, and he profesjd in de midst ov de hys: and David plad wid hiz hand, az at uder tīpiz: and

11 [dar woz] a javlin in Sēlz hand. And Sēl cōst de javlin; for he sed, t wil smīt David ev'n tu de wol [wid it]. And David avōded st ov hiz prezens twīz.

12 And Sēl woz afrād ov David, becōz de LōRD woz wid him, and woz depqrted from

13 Sēl. Harfor Sēl renūvd him from him, and mad him hiz capten over a tszend; and he went st and cam in befōr de pep'l.

14 And David behāvd himself wīzli in ol hiz

15 waz; and de LōRD [woz] wid him. Harfor hwen Sēl sō dat he behāvd himself

16 veri wīzli, he woz afrād ov him. But ol 'Israel and Jyda luvd David, becōz he went st and cam in befōr dem.

17 And Sēl sed tu David, Behōld mī elder dōter Merab, her wil i giv dé tu wīf: onli be ds valyant for me, and fīt de Lōrnz bat'lz. For Sēl sed, Let not mīn hand be upōn him, but let de hand ov de Filistinz

18 be upōn him. And David sed untu Sēl, s Hūz [am] i; and s hwot [iz] mī līf, [or] mī fqderz famili in 'Israel, dat i jad be

19 sun-in-lō tu de eīp. But it cam tu pqs at de tīp hwen Merab Sēlz dōter jad hav ben

20 giv'n tu David, dat fe woz giv'n untu Adriel de Mehokulīt tu wīf.

21 And Mīeal Sēlz dōter luvd David: and

22 da tōld Sēl, and de tīp plezd him. And Sēl sed, t wil giv him her, dat fe ma be a snar tu him, and dat de hand ov de Filistinz ma be agēst him. Hwarfor Sēl sed tu David, ds falt dis da be mī sun-in-lō in

23 [de wun ov] de twan. And Sēl comānded hiz servants, [saīg,] Comūn wid David seeretli, and sa, Behōld, de eīp hat delīt in dé, and ol hiz servants luv dé: nō darfor

24 be de eīp sun-in-lō. And Sēlz servants spae doz wurdz in de erz ov David. And David sed, s Semet it tu ŋ [a] līt [tīg] tu be a eīp sun-in-lō, seīg dat i [am] a pur

25 man, and lītli estēmd. And de servants ov Sēl tōld him, saīg, On dis maner spae David.

26 And Sēl sed, dus sal ye sa tu David, de eīp dezpēt not enī dsri, but an hundred forseīnz ov de Filistinz, tu be avēnjd ov de eīp enemiz. But Sēl tet tu mae David

27 fel bī de hand ov de Filistinz. And hwen hiz servants tōld David dez wurdz, it plezd David wel tu be de eīp sun-in-lō: and de daz wer not eespīrd. Hwarfor David arōz and went, hē and hiz men, and slu ov de Filistinz tū hundred men; and David bret dar forseīnz, and da gav dem in fial tal tu de eīp, dat he mīt be de eīp sun-in-lō. And

18 Sol gav him Mjcal hiz doter tu wif.
 (28) And Sol se and nu dat de Lörd

 29 doter luvd hinn. And Sol woz yet de mor
 afrád ov David; and Sol becam Davidz
 30 enemi continuall. Den de prinsez ov de
 Filistinz went fort; and it cam tu pqs,
 qfter da went fort, [dat] David behávd
 himself mor wizli dan el de servants ov
 Sol; so dat hiz nam woz muget bi.

19 And Sol spae tu Jonatan hiz sun, and
 tu el hiz servants, dat da fud eil David.

2 But Jonatan Solz sun deljted muget in Da-
 vid: and Jonatan told David, saij, Sol mi
 fader seet tu eil dé: ns darfor, i pra dé,
 tae hed tu djsel until de mornig, and abjd
 3 in a secret [plas], and hjd djsel: and i wil
 go st and stand besjd mi fader in de feld
 hwar ds [qrt], and i wil eomyn wid mi
 fader ov dé; and hwot i se, dat i wil tel dé.
 4 And Jonatan spae guad ov David untui Sol
 hiz fader, and sed untui him, Let not de
 cij sin agénst hiz servant, agénst David;
 becóz he hat not sind agénst dé, and becóz
 hiz wures [hav ben] tu dé-werd veri guad:
 5 for he did put hiz lij in hiz hand, and slui
 de Filistin, and de Lörd ret a grat salvafun
 for ol 'Israel: ds soest [it], and didst rejós:
 6 hwarfor den wilt ds sin agénst inosent
 blud, tu sla David widst a coz. And Sol
 hqre'nd untui de ves ov Jonatan: and Sol
 swar, [Az] de Lörd livet, he sal not be slan.
 7 And Jonatan eold David, and Jonatan sod
 him el doz tinz. And Jonatan brot David
 tu Sol, and he woz in hiz prezens, az in
 tinz pqt.

8 And dar woz wor agén: and David went
 st, and fet wid de Filistin, and slui dem
 wid a grat sloter; and da fled from him.
 9 And de ev'l spirit from de Lörd woz upón
 Sol, az he sat in hiz hss wid hiz javlin
 in hiz hand: and David plad wid [hiz] hand.
 10 And Sol sot tu smjt David ev'n tu de wel
 wid de javlin; but he slipt awá st ov Solz
 prezens, and he smot de javlin intui de
 wol: and David fled, and escápt dat nit.
 11 Sol elso sent mesenjerz untui Davidz hss,
 tu woq him, and tu sla hinn in de mornig;
 and Mjcal Davidz wif told him, saij, If ds
 sav not dj lij tuinj, tumóro ds salt be
 12 slan. So Mjcal let David dsn tru a windo:
 13 and he went, and fled, and escápt. And
 Mjcal tue an imej, and lad [it] in de bed,
 and put a pilo ov gots [har] for hiz bol-
 14 ster, and euvred [it] wid a clot. And hwen
 Sol sent mesenjerz tu tae David, se sed,
 15 He [iz] sic. And Sol sent de mesenjerz
 [agén] tu se David, saij, Brij hinn up tu
 16 me in de bed, dat i ma sla him. And hwen
 de mesenjerz wer cum in, behóld, [dar woz]
 an imej in de bed, wid a pilo ov gots [har]
 17 for hiz bolster. And Sol sed untui Mjcal,
 18 Hwi hast ds desévd me so, and sent awá
 mjn enemi, dat he iz escápt. And Mjcal
 qnsrd Sol, He sed untui me, Let me go;
 19 hwi fud i eil dé.

So David fled, and escápt, and cam tu
 Samuél tu Rama, and told him el dat Sol

19 had dun tu him. And he and Samuél
 went and dwelt in Nayot. (19) And it woz
 told Sol, saij, Behóld, David [iz] at Nayot
 20 in Rama. And Sol sent mesenjerz tu tae
 David: and hwen da se de cumpani ov de
 profets prófesij, and Samuél standij [az]
 apónted over dem, de Spirit ov God woz
 upón de mesenjerz ov Sol, and dá elso
 21 profesjd. And hwen it woz told Sol, he
 sent uder mesenjerz, and dá profesjd lje-
 wiz. And Sol sent mesenjerz agén de terd
 22 tijn, and dá profesjd elso. Den went he
 elso tu Rama, and cam tu a grat wel dat
 [iz] in Secu: and he qset and sed, i Hwar
 [qr] Samuél and David. And [wun] sed,
 23 Behóld, [da be] at Nayot in Rama. And
 he went dider tu Nayot in Rama: and de
 Spirit ov God woz upón hinn elso, and he
 went on, and profesjd, until he cam tu
 24 Nayot in Rama. And he stript of hiz
 clodz elso, and profesjd befór Samuél in
 lje maner, and la dsn naced el dat da and
 el dat nit. Hwarfor da sa, i [Iz] Sol elso
 amúg de profets.

20 And David fled from Nayot in Rama,
 and cam and sed befór Jonatan, i Hwot
 hav i dun, i hwot [iz] mjn inewiti, and
 i hwot [iz] mjn sin befór dj fader, dat he
 2 seet mi lij. And he sed untui him, God
 forbid; ds salt not dj: behóld, mi fader
 wil duu nutij eder grat or smol, but dat he
 wil so it me: and i hwi fud mi fader hjd
 3 dis tin from me; it [iz] not [so]. And
 David swar moróver, and sed, dj fader
 sertenli noet dat i hav fsnd gras in din iz;
 and he set, Let not Jonatan no ds, lest he
 be grevd: but truli [az] de Lörd livet,
 and [az] dj sol livet, [dar iz] but a step
 4 betwén me and det. Den sed Jonatan
 untui David, Hwotsoéver dj sol dezjret, i
 wil ev'n duu [it] for dé.
 5 And David sed untui Jonatan, Behóld,
 tumóro [iz] de nu mun, and i fud not fal
 tu sit wid de cij at met: but let me go,
 dat i ma hjd miself in de feld untui de terd
 6 [da] at ev'n. If dj fader at el mis me, den
 sa, David earnestli qset [lev] ov me dat he
 mjt run tu Bétlehem hiz siti: for [dar iz]
 7 a yerli saerifjz dar for el de famili. If he
 sa dus, [It iz] wel; dj servant sal hav pes:
 but if he be veri rot, [den] be sur dat ev'l
 8 iz determind bi him. Darfor ds salt del
 cjndli wid dj servant; for ds hast brot dj
 servant intui a cuvenant ov de Lörd wid
 dé: notwistándij, if dar be in me inewiti,
 sla me djsjd; for i hwi fudst ds brij me
 tu dj fader.

9 And Jonatan sed, Fqr be it from dé: for
 if i nj sertenli dat ev'l wer determind bi
 mi fader tu cum upón dé, den i wud not i
 tel it dé.

10 Den sed David tu Jonatan, i Hwi sal tel
 me; or i hwot [if] dj fader qnsrd dé ruffi.
 11 And Jonatan sed untui David, Cum, and
 let us go st intui de feld. And da went st
 12 bot ov dem intui de feld. And Jonatan
 sed untui David, O Lörd God ov 'Israel,
 hwen i hav ssnded mi fader abst tumóro

20 eni tij, [ør] de terd [da], and, behóld, [if
 13 dar be] gúð tord David, and i ðen send
 and muq mor tu Jonatan: but if it plez
 mī fqder [tu dui] ðé ev'l, ðen i wil so it
 14 ðé, and send ðé awá, ðat ðs maest go in

 15 wið mī fqder. And ðs falt not onli hwil
 yet i liv so me ðe ejndnes ov ðe LÖRD, ðat
 16 i ði not: but [ølsø] ðs falt not cut of ði

 hwen ðe LÖRD hat cut of ðe enemiz ov
 17 David everi wun from ðe fas ov ðe ert. So
 Jonatan mad [a cuvenant] wið ðe hss ov
 David, [sain,] Let ðe LÖRD ev'n reewjr [it]
 18 at ðe hand ov Davidz enemiz. And Jon-
 atan cezd David tu swar agén, becöz he
 19 luvd him: for he luvd him az he luvd hiz

 20 ðen Jonatan sed tu David, Tumóro

 21 ði set wil be emti. And [hwen] ðs hast
 stad tre daz, [ðen] ðs falt go dsn cweli,
 and eum tu ðe plas hwar ðs didst hjd ði-
 22 sèlf hwen ðe biznes woz [in hand], and falt
 23 remán bi ðe ston Ezel. And i wil fut

 and me for ever.
 28 So David hid himsèlf in ðe feld: and
 hwen ðe nū mun woz eum, ðe eij sat him
 29 dsn tu et met. And ðe eij sat upón hiz
 set, az at uðer tijmz, [ev'n] upón a set bi

 bi Selz sjd, and Davidz plas woz emti.
 30 Neverdeles Sol spac not eni tij ðat ða:
 for he töt, Sumtij hat besol'n him, he [iz]
 31 not clen; furli he [iz] not elen. And it
 cam tu pqs on ðe moro, [hwig woz] ðe

 Jonatan qnsrd Sol, David Ernestli qset
 33 [lev] ov me [tu go] tu Bétlehem: and he

 pèrvørs rebelyus [waman], i ðu not i no
 36 ðat ðs hast goz'n ðe sun ov Jese tu ðin

 Jese livet upón ðe grnd, ðs falt not be

20 and fec him untu me, for he sal furli ði.
 (32) And Jonatan qnsrd Sol hiz fqder,

 becöz hiz fqder had dun him jam.
 35 And it cam tu pqs in ðe mornig, ðat

 aponted wið David, and a lit'l lad wið him.
 36 And he sed untu hiz lad, Run, find st ns

 38 And Jonatan crið qfter ðe lad, Mac sped,
 hast, sta not. And Jonatanz lad gaderd
 39 up ðe aroz, and cam tu hiz mqster. But
 ðe lad nū not eni tij: onli Jonatan and
 40 David nū ðe mater. And Jonatan gav hiz
 qrtilleri untu hiz lad, and sed untu him,
 Go, cari [ðem] tu ðe siti.
 41 [And] az sun az ðe lad woz gen, David

 And David sed untu Ahimelec ðe prest, ðe eij

 befór ðe LÖRD, tu put hot bred in ðe ða
 7 hwen it woz tac'n awá. (Ns a serten man

5 ðat David woz in ðe hold. And ðe profet
Gad sed untu David, Abjēl not in ðe hold;
depqrt, and get dé intui ðe land ov Jyda.
ðen David depqrted, and cam intui ðe

6 Hwen Sol herd ðat David woz discúverd,

But ðe servants ov ðe einz wad not put

sed, Arīz, go dsn tu Cīla; for i wil deliver
5 ðe Filistinz intui ðin hand. So David and
hiz men went tu Cīla, and fet wid ðe Filis-

23 7 And it woz told Sol dat David woz cum tu Cjla. And Sol sed, God hat delivred him intui mjn hand; fer he iz jut in, bi enterij intui a tsn dat hat gats and bqrz. And Sol celd ol de pep'l tugéder tuu wor, tuu go dsn tuu Cjla, tuu beséj David and hiz men. And David nu dat Sol secretli practist miscef agénst him; and he sed tuu Abjater de prest, Briñ hider de efod. Æen sed David, O LÖRD God ov 'Izrael, dj servant hat sertenli herd dat Sol seet tuu cum tuu Cjla, tuu deströ de siti fer mj sac. 'Wil de men ov Cjla deliver me up intui hiz hand; 'wil Sol cum dsn, az dj servant hat herd. O LÖRD God ov 'Izrael, j beség dé, tel dj servant. And de LÖRD sed, He wil cum dsn. Æen sed David, 'Wil de men ov Cjla deliver me and mj men intui de hand ov Sol. And de LÖRD sed, 'Ja wil deliver [dé] up. Æen David and hiz men, [hwig wer] abst sics hundred, aröz and departed st ov Cjla, and went hwidsoöver da cud go. And it woz told Sol dat David woz escapt from Cjla; and he ferbár tuu go fort. And David aböd in de wildernes in stroy holdz, and remánd in a msnten in de wildernes ov Zif. And Sol set him everi da, but God delivred him not intui hiz hand. And David so dat Sol woz cum st tuu sec hiz lif: and David [woz] in de wildernes ov Zif in a wud.

16 And Jonatan Solz sun aröz, and went tuu David intui de wud, and stroytnd hiz hand in God. And he sed untui him, Fer not; fer de hand ov Sol mj fqder fal not find dé; and ds falt be eij över 'Izrael, and j fal be neest untui dé; and dát elso Sol mj fqder noet. And da túi mad a cuvenant beför de LÖRD: and David aböd in de wud, and Jonatan went tuu hiz hss.

19 Æen cam up de Ziifts tuu Sol tuu Gibia, saij, 'Dut not David hjd himsélf wid us in stroy holdz in de wud, in de hil ov Hacila, hwig [iz] on de sst ov Jefimon.

20 N's darfor, o eij, cum dsn acordij tuu el de dezfj ov dj sol tuu cum dsn; and sr part [fal be] tuu deliver him intui de eijz hand. And Sol sed, Blesed [be] ye ov de LÖRD; fer ye hav compafun on me. Se darfor, and tac nolej ov ol de lurchij plasez hwar he hjdet himsélf, and cum ye agén tuu me wid de sertenti, and j wil go wid u: and it fal cum tuu pqs, if he be in de land, dat j wil serg him st

24 truést ol de tszendz ov Jyda. And da aröz, and went tuu Zif beför Sol: but David and hiz men [wer] in de wildernes ov Maon, in de plan on de sst ov Jefimon.

25 Sol elso and hiz men went tuu sec [him]. And da told David: hwarfor he cam dsn intui a roc, and aböd in de wildernes ov Maon. And hwen Sol herd [dat], he pursjd qfter David in de wildernes ov Maon.

26 And Sol went on dis sjd ov de msnten, and David and hiz men on dát sjd ov

de msnten, and David mad hast tuu get awá fer fer ov Sol; fer Sol and hiz men eumpast David and hiz men rsnd abst tuu tac dem. But dar cam a mesenjer untui Sol, saij, Hast dé, and cum; fer de Filistinz hav invaded de land. Hwarfor Sol retúrnd from pursjij qfter David, and went agénst de Filistinz: darfor da celd dát plas Sela-hamaleecot.

29 And David went up from dens, and dwelt in stroy holdz at Engedi. And it cam tuu pqs, hwen Sol woz retúrnd from fóloij de Filistinz, dat it woz told him, saij, Behöld, David [iz] in de wildernes ov Engedi. Æen Sol tue tre tszend goz'n men st ov ol 'Izrael, and went tuu see David and hiz men upón de rocs ov de wjd gots. And he cam tuu de sepcots bi de wa, hwar [woz] a cav; and Sol went in tuu cuver hiz fet: and David and hiz men remánd in de sjdz ov de cav. And de men ov David sed untui him, Behöld de da ov hwig de LÖRD sed untui dé, Behöld, j wil deliver djn enemi intui djn hand, dat ds maest duu tuu him az it fal sem gad untui dé. Æen David aröz, and cut of de seert ov Solz rob privili. And it cam tuu pqs qfterwerd, dat Davidz hart smot him, becöz he had cut of Solz seert. And he sed untui hiz men, De LÖRD ferbid dat j sud duu dis tijj untui mj mqster, de LÖRDZ anoned, tuu streg fort mjn hand agénst him, seij he [iz] de anoned ov de LÖRD. So David stad hiz servants wid dez wurdz, and suferd dem not tuu rjz agénst Sol. But Sol röz up st ov de cav, and went on [hiz] wa.

8 David elso aröz qfterwerd, and went st ov de cav, and erjd qfter Sol, saij, Mj LÖRD de eij. And hwen Sol haet behjnd him, David stuip wid hiz fas tuu de ert, and bsd himsélf. And David sed tuu Sol, 'Hwarfor herest ds menz wurdz, saij, Behöld, David seet dj hurt. Behöld, dis da djn jz hav sen hs dat de LÖRD had delivred dé tuuá intui mjn hand in de cav; and [sum] bad [me] eil dé: but [mijn j] spard dé; and j sed, I wil not put fort mjn hand agénst mj lerd; fer he [iz] de LÖRDZ anoned. Moreover, mj fqder, se, ya, se de seert ov dj rob in mj hand; fer in dat j cut of de seert ov dj rob, and eild dé not, no ds and se dat [dar iz] neder ev'l ner transgrefun in mjn hand, and j hav not sind agénst dé; yet ds hunttest mj sol tuu tac it. De LÖRD juj betwén me and dé, and de LÖRD avénj me ov dé; but mjn hand fal not be upón dé. Az set de proverb ov de anjents, Wiccdnes prosedet from de wiced: but mjn hand fal not be upón dé.

14 'After húa iz de eij ov 'Izrael cum st; 'qfter húa dut he pursj: qfter a ded dog, qfter a fle. De LÖRD darfor be juj, and juj betwén me and dé, and se, and pled mj eez, and deliver me st ov djn hand.

16 And it cam tuu pqs, hwen David had mad an end ov specij dez wurdz untui Sol, dat Sol sed, 'Iz] dis dj ves, mj sun David.

24 And Sol lifted up hiz vös, and wept.
 (17) And he sed tu David, ðs [qr̥t] mor r̥t̥yus ðan i: fer ðs hast rewörded me gād, hwarás i hav rewörded ðs ev'l. And ðs hast fōd ðis da h̥s ðat ðs hast delt wel wid mē: ferazmāc, az hwen ðe LōRD had deliverd mē intū ðin hand, ðs ciledst me not. Fōr if a man fīnd hiz eneni, i wil he let him go wel awā; hwarfōr ðe LōRD rewōrd ðē gād fōr ðāt ðs hast dun untu me ðis da. And n̥s, behōld, i nō wel ðat ðs falt furli be eiñ, and ðat ðe cindum ov

25 And Samuēl d̥j̄d; and ēl ðe 'Izraelīts wer gaderd tugēder, and lūmēnted him, and berid him in hiz h̥ss at Rama.
2 AND David arōz, and went d̥sn tu ðe wildernes ov Paran. And [ðar woz] a man in Maon, h̥m̥z pozezun̄ [wer] in C̥q̄mel; and ðe man [woz] veri grat, and he had tre tszēnd sep, and a tszēnd gots: and he woz fer̥j̄n hiz sep in C̥q̄mel. N̥s ðe nam ov ðe man [woz] Nabal; and ðe nam ov hiz wif Abigel: and [f̥e woz] a wuman ov gād understāndiñ, and ov a bytufal ex̄tenans: but ðe man [woz] gurlīf and ev'l in hiz d̥wip̄z; and he [woz] ov ðe h̥ss ov
4 Caleb. And David herd in ðe wildernes
5 ðat Nabal did fer hiz sep. And David sent st̄ ten yūn men, and David sed untu ðe yūn men, Get ū up tu C̥q̄mel, and go tu
6 Nabal, and gret him in m̥j nam: and ðus šal ye sa tu him ðat livet [in prosperiti], Pes [b̥e] bōt tu d̥ē, and pes [b̥e] tu ðin h̥ss, and pes [b̥e] untu ol ðat ðs hast.
7 And n̥s i hav herd ðat ðs hast fererz: n̥s ði seperdz h̥wig wer wid us, we hurt dem not, neder woz ðar et̄ mis̄iñ untu dem, ol ðe h̥w̄l da wer in C̥q̄mel. Ase ði yūn men, and da wil fō d̥ē. Hwarfōr let ðe yūn men fīnd fav̄r in ðin iz: fōr we cum in a gād da: giv, i pra d̥ē, h̥w̄tsoēver cumet tu ðin hand untu ði servants, and

10 And Nabal q̄ns̄erd Davidz servants, and sed, i Hū [iz] David, and i hū [iz] ðe sun ov Jese; ðar be meni servants n̄s̄adaz ðat brac awā everi man from hiz m̄qster.
11 i Šal i ðen tac m̥j bred, and m̥j woter, and m̥j flef̄ ðat i hav cild fōr m̥j fererz, and giv [it] untu men, hum̄ i nō not h̥wens da

20 Nabal. And it woz [so, az] se rōd on ðe qs, ðat se cam d̥sn b̥j ðe cuvert ov ðe hil, and, behōld, David and hiz men cam d̥sn
21 agēnst her; and se met ðem. N̄s David had sed, Šurli in van hav i cept ol ðat ðis [felō] hat in ðe wildernes, so ðat nut̄iñ woz mist ov ol ðat [p̄t̄r̄nd] untu him:
22 and he hat rec̄w̄it̄ed mē ev'l fōr gād. So and mor also ðu God untu ðe enemiz ov David, if i lev ov ol ðat [p̄t̄r̄n] tu him b̥j ðe morn̄iñ l̄it eni ðat pis̄et agēnst ðe wōl.
23 And hwen Abigel so David, se hasted, and l̄it̄ed of ðe qs, and fel befōr David on her fas, and b̄sd hers̄elf tu ðe gr̄nd,
24 and fel at hiz fet, and sed, Upōn mē, m̄j lōrd, [upōn] mē [let ðis] in̄ic̄w̄it̄ [b̥e]: and let ðin handmad, i pra d̥ē, spec in ðin odiens, and her ðe wurdz ov ðin handmad.
25 Let not m̄j lōrd, i pra d̥ē, reḡrd̄ ðis man ov Belial, [ev'n] Nabal: fer az hiz nam [iz], so [iz] [he]; Nabal [iz] hiz nam, and foli [iz] wid him: but i ðin handmad so not ðe yūn men ov m̄j lōrd, hum̄ ðs didst send.
26 N̄s ðarfōr, m̄j lōrd, [az] ðe LōRD livet, and [az] ði sōl livet, seiñ ðe LōRD hat withold'n ðe from cum̄iñ tu [f̄ed] blud, and from avēñiñ ðis̄elf wid ðin on hand, n̄s let ðin enemiz, and dā ðat sec ev'l tu
27 m̄j lōrd, be az Nabal. And n̄s ðis bles̄iñ h̥wig ðin handmad hat br̄et untu m̄j lōrd, let it ev'n be giv'n untu ðe yūn men ðat
28 folō m̄j lōrd. I pra d̥ē, f̄orgiv ðe trespass ov ðin handmad: fōr ðe LōRD wil sertenli mac m̄j lōrd a f̄ur h̥ss; becōz m̄j lōrd f̄it̄et ðe bat̄lz ov ðe LōRD, and ev'l hat not ben
29 f̄s̄nd in d̄ē [ol] ði daz. Yet a man iz riz'n tu purs̄q̄ d̄ē, and tu sec ði sōl: but ðe sōl ov m̄j lōrd šal be b̄s̄nd in ðe bund'l ov lif wid ðe LōRD ði God; and ðe solz ov ðin enemiz, ðēm šal he sliñ st̄, [az st̄] ov ðe
30 mid'l ov a sliñ. And it šal cum tu p̄qs, hwen ðe LōRD šal hav dun tu m̄j lōrd acord̄iñ tu ol ðe gād ðat he hat sp̄oē'n cons̄ern̄iñ d̄ē, and šal hav apōnted ðē ruler
31 ov̄ 'Izrael; ðat ðis šal be nō gref untu d̄ē, nor of̄s̄ns ov h̄q̄rt untu m̄j lōrd, eðer ðat ðs hast fed blud cōzles, er ðat m̄j lōrd hat avēñid him̄self: but hwen ðe LōRD šal

25 hav delt wel wið mi lœrd, ðen remémber ðin handmad.

32 And David sed tu Abigel, Blesed [be] ðe LœRD God ov 'Izrael, hwiç sent ðe ðis da
33 tu met me: and blesed [be] ði advjs, and blesed [be] ðs, hwiç hast cept me ðis da from cumiñ tu [fed] blud, and from avénjñ
34 miself wið min on hand. For in veri ded, [az] ðe LœRD God ov 'Izrael livet, hwiç hat cept me bac from hurtin ðe, ecsépt ðs hadst hasted and cum tu met me, furli dar had not ben left untu Nabal bi ðe mornin ljt eni ðat piset agénst ðe wel.
35 So David resévd ov her hand [ðát] hwiç se had brét him, and sed untu her, Go up in pes tu ðin hys; se, i hav hqœnd tu ði vœs, and hav acsépted ði persun.

36 And Abigel cam tu Nabal; and, behóld, he held a fest in hiz hys, ljc ðe fest ov a cñ; and Nabalz hqœt [woz] meri wiðin him, for he [woz] veri druœn: hwarfor se told him nutñ, les er mœr, untñ ðe mœrnin
37 ljt. But it cam tu pqs in ðe mœrnin, hwen ðe wñ woz gon st ov Nabal, and hiz wjf had told him ðez tinz, ðat hiz hqœt djd
38 wiðin him, and he becám [az] a stœn. And it cam tu pqs abót ten daz [qfter], ðat ðe
39 LœRD smot Nabal, ðat he djd. And hwen David herd ðat Nabal woz ded, he sed, Blesed [be] ðe LœRD, ðat hat plæd ðe eoz ov mi reprœg from ðe hand ov Nabal, and hat cept hiz servant from ev'l: for ðe LœRD hat retrúnd ðe wicednes ov Nabal upón hiz œn hed.

And David sent and comúnd wið Abigel,
40 tu tac her tu him tu wjf. And hwen ðe servants ov David wer cum tu Abigel tu Cœrmel, ða spac untu her, saiñ, David sent
41 us untu ðe, tu tac ðe tu him tu wjf. And se aróz, and bœd herself on [her] fas tu ðe ert, and sed, Behóld, [let] ðin handmad [be] a servant tu wof ðe fet ov ðe servants
42 ov mi lœrd. And Abigel hasted, and aróz, and rœd upón an qs, wið tñv damzelz ov herz ðat went qfter her; and se went qfter ðe mesenjerz ov David, and becám hiz wjf.
43 David also tuc Ahinoam ov Jezriel; and
44 ða wer also bœt ov ðem hiz wjvz. But Sol had giv'n Mjœal hiz dœter, Davidz wjf, tu Faltj ðe sun ov Laiñ, hwiç [woz] ov Galim.

26 AND ðe Ziñts cam untu Sol tu Gibia, saiñ, i Dut not David hjd himself in ðe
2 hil ov Hacila, [hwiçiz] befœr Jefsimon. ðen Sol aróz, and went ðsn tu ðe wildernes ov Zif, haviñ tre tsœnd goz'n men ov 'Izrael wið him, tu sec David in ðe wil-
3 dernes ov Zif. And Sol piçt in ðe hil ov Hacila, hwiç [iz] befœr Jefsimon, bi ðe wa. But David abóð in ðe wildernes, and he se ðat Sol cam qfter him intu ðe wildernes.
4 David ðarfor sent st spjz, and understúð ðat Sol woz cum in veri ded.

5 And David aróz, and cam tu ðe plas hwar Sol had piçt: and David behéld ðe plas hwar Sol la, and Abner ðe sun ov Ner, ðe capten ov hiz host: and Sol la in ðe treng, and ðe pep'l piçt rœnd abót him.
6 ðen qnsœd David and sed tu Ahimelec ðe

26 Hitjt, and tu Abisai ðe sun ov Zeruja, bruder tu Joab, saiñ, i Hú wil go ðsn wið me tu Sol tu ðe camp. And Abisai
7 sed, i wil go ðsn wið ðe. So David and Abisai cam tu ðe pep'l bi njt: and, behóld, Sol la slepiñ wiðin ðe treng, and hiz sper stuc in ðe grœnd at hiz bœlster: but Abner
8 and ðe pep'l la rœnd abót him. ðen sed Abisai tu David, God hat delivœd ðin enemi intu ðin hand ðis da: ns ðarfor let me smjt him, i pra ðe, wið ðe sper ev'n tu ðe ert at wuns, and i wil not [smjt]
9 him ðe secúnd tñm. And David sed tu Abisai, Destrœ him not: for i húa can streg fort hiz hand agénst ðe LœRDz anœnted,
10 and he gilltes. David sed furdœrmœr, [Az] ðe LœRD livet, ðe LœRD sal smjt him; or hiz da sal cum tu ði; er he sal desénd
11 intu bat'l, and perif. ðe LœRD ferbið ðat i fœd streg fort min hand agénst ðe LœRDz anœnted: but, i pra ðe, tac ðs ns ðe sper ðat [iz] at hiz bœlster, and ðe erus ov weter,
12 and let us go. So David tuc ðe sper and ðe erus ov weter from Solz bœlster; and ða gat ðem awá, and no man se [it], nœr nu [it], neder awáct: for ða [wer] œl aslœp; becœz a dep slep from ðe LœRD woz fœl'u upón ðem.

13 ðen David went over tu ðe uder sjd, and stud on ðe top ov an hil afœr of; a
14 grat spas [bein] betwén ðem: and David erjd tu ðe pep'l, and tu Abner ðe sun ov Ner, saiñ, i Anserœst ðs not, Abner. ðen Abner qnsœd and sed, i Hú [qœt] ðs [ðat]
15 erjœst tu ðe cñ. And David sed tu Abner, i [Art] not ðs a [valyant] man; and i húa [iz] ljc tu ðe in 'Izrael: i hwarfor ðen hast ðs not cept ði lœrd ðe cñ; for ðar cam wun
16 ov ðe pep'l in tu destrœ ðe cñ ði lœrd. ðis tin [iz] not gad ðat ðs hast dun. [Az] ðe LœRD livet, ye [qr] wurdj tu ði, becœz ye hav not cept ur mœster, ðe LœRDz anœnted. And ns se hwar ðe cñz sper [iz] and ðe erus ov weter ðat [woz] at
17 hiz bœlster. And Sol nu Davidz vœs, and sed, i [Iz] ðis ði vœs, mi sun David. And David sed, [It iz] mi vœs, mi lœrd, œ cñ.
18 And he sed, i Hwarfor ðut mi lœrd ðus pursjt qfter hiz servant; for i hwot hav i
19 dun, er i hwot ev'l [iz] in min hand. Ns ðarfor, i pra ðe, let mi lœrd ðe cñ her ðe wurdz ov hiz servant. If ðe LœRD hav stœrd ðe up agénst me, let him acsépt an oferin; but if [ða be] ðe çildren ov men, cursœd [be] ða befœr ðe LœRD; for ða hav driv'n me st ðis da from abjñ in ðe inheritans ov ðe LœRD, saiñ, Go, serv uder
20 godz. Ns ðarfor, let not mi blud fœl tu ðe ert befœr ðe fas ov ðe LœRD: for ðe cñ ov 'Izrael iz cum st tu sec a fle, az hwen wun ðat hunt a pœtrñ in ðe msntenz.

21 ðen sed Sol, i hav sind: retrúñ, mi sun David: for i wil no mœr ðu ðe hœrm, becœz mi sol woz prefus in ðin iz ðis da: behóld, i hav plad ðe ful, and hav erd
22 ecsœdñli. And David qnsœd and sed, Behóld ðe cñz sper! and let wun ov ðe yng
25 men cum over and fœg it. ðe LœRD render

26 tu everi man hiz rjtyusnes and hiz fat-
fulnes: for de LORD deliverd dé intui
[mí] hand tuada, but í wil not streg fort mjn
24 hand agénst de LORDZ anonted. And, be-
hóld, az dī líf woz muç set bj dīs da in mjn
jz, so let mī líf be muç set bj in de jz ov de
LORD, and let him deliver me st ov ol trib-
25 ulafun. Æen Sol sed tu David, Blesed [be]
dīs, mī sun David: dīs falt bot duí grat
[tigz], and also falt stil prevál. So David
went on hiz wa, and Sol retúrnd tu hiz plas.

27 AND David sed in hiz hqrt, F sal n's
perif wun da bj de hand ov Sol; [dar iz]
nutij beter for me dun dat í sud spedili
escáp intui de land ov de Filistinz; and
Sol ful despár ov me, tu see me eni mor
in eni cost ov 'Izrael: so sal í escáp st ov
2 hiz hand. And David aróz, and he pqt
över wid de sics hundred men dat [wer]

3 ov Gat. And David dwelt wid Aciš at
4 Gat, hé and hiz men, everi man wid hiz
hshóld, [ev'n] David wid hiz tú wjvz,
Alinoam de Jézrieljtes, and Abigel de Cár-
4 meljtes, Nabalz wíf. And it woz told Sol
dat David woz fled tu Gat: and he set no
mor agén for him.

5 And David sed untui Aciš, If í hav n's
fsnd gras in dīn jz, let dem giv me a plas
in sum tsn in de cuntri, dat í ma dwel dar:
for ¿hwj sud dī servant dwel in de roal
6 siti wid dé. Æen Aciš gav him Zielag dát
da: hwarfor Zielag pertanet untui de ciy
7 ov Jyda untui dīs da. And de tīn dat
David dwelt in de cuntri ov de Filistinz woz
a ful yer and for munts.

8 And David and hiz men went up, and
invaded de Gefurjts, and de Gezrjts, and
de 'Amalecjts: for dóz [nafunz wer] ov
old de inhabitants ov de land, az dīs goest
9 tu Sur, ev'n untui de land ov Ejipt. And
David smót de land, and left neder man
nor wuman aljv, and tue awá de sep, and
de oes'n, and de qsez, and de camelz, and
de apárel, and retúrnd, and cam tu Aciš.

10 And Aciš sed, ¿Hwider hav ye mad a rod
tuad. And David sed, Agénst de sst ov
Jyda, and agénst de sst ov de Jerúmeljts,
11 and agénst de sst ov de Cenjts. And David
savl neder man nor wuman aljv, tu brin
[tīdijz] tu Gat, saip, Lest da [jad tel on
us, saip, So did David, and so [wil be] hiz
maner ol de hwjl he dwelet in de cuntri ov
12 de Filistinz. And Aciš belévd David, saip,
He hat mad hiz pep'l 'Izrael uterli tu abhór
him; darfor he ful be mī servant for ever.

28 And it cam tu pqs in dóz daz, dat de
Filistinz gaderd dar qrmiz tugéder for
worfar, tu fjt wid 'Izrael. And Aciš sed
untui David, No dīs afuredli, dat dīs falt
go st wid me tu bat'l, dīs and dī men.
2 And David sed tu Aciš, Surli dīs falt no
hwot dī servant can duí. And Aciš sed tu
David, Darfor wil í mac dé ceper ov mjn

3 N'S Samuél woz ded, and ol 'Izrael had
laménted him, and berid him in Rama,
ev'n in hiz on siti. And Sol had put awá

28 dóz dat had familyer spirits, and de wiz-
erdz, st ov de land. (4) And de Filistinz
gaderd demselvz tugéder, and cam and piçt
in Sumem: and Sol gaderd ol 'Izrael tu-
5 géder, and da piçt in Gilboa. And hwen
Sol so de host ov de Filistinz, he woz afrád,
6 and hiz hqrt gratli tremb'ld. And hwen
Sol incwírd ov de LORD, de LORD qnserd
him not, neder bj dremz, nor bj Urim, nor

See me a wuman dat hat a familyer
spirit, dat í ma go tuí her, and incwírd ov
her. And hiz servants sed tu him, Be-
hóld, [dar iz] a wuman dat hat a familyer
spirit at Ender.

8 And Sol disgízd himsélv, and put on uder
rament, and he went, and tú men wid him,
and da cam tuí de wuman bj njt: and he
sed, F pra dé, divín untui me bj de familyer

him, Behóld, dīs noest hwot Sol hat dun,
h's he hat euf of dóz dat hav familyer
spirits, and de wizerdz, st ov de land:
¿hwarfor den laest dīs a snar for mī líf,

bj de LORD, saip, [Az] de LORD livet, dar
ful no punisment hap'n tuí dé for dīs tīn.
11 Æen sed de wuman, ¿Híum sal í brig up
untui dé. And he sed, Brig me up Samuél.

12 And hwen de wuman so Samuél, se erid
wid a lsd vos: and de wuman spac tuí Sol,
saip, ¿Hwj hast dīs desévd me; for dīs [qrt]

13 Sol. And de ciy sed untui her, Be not

Sol persévd dat it [woz] Samuél, and he
stupt wid [hiz] fas tuí de grnd, and bsd

15 himsélv. And Samuél sed tuí Sol, ¿Hwj
hast dīs disewjeted me, tuí brig me up.
And Sol qnserd, F am sor distrést; for de
Filistinz mac wer agénst me, and God iz
departed from me, and qnseret me no mor,
neder bj profets, nor bj dremz: darfor í
hav cold dé, dat dīs maest mac non un-

16 tuí me hwot í sal duí. Æen sed Samuél,
¿Hwarfor ðen dust dīs qse ov me, seip de
LORD iz departed from dé, and iz becúm dīn

17 enemi. And de LORD hat dun tuí him, az
he spac bj me: for de LORD hat rent de
ciydm st ov dīn hand, and giv'n í tuí dī

18 nabur, [ev'n] tuí David: becóz dīs obaedst
not de vos ov de LORD, nor éscapetdest hiz
fers rot upón Amalec, darfor hat de LORD

19 dun dīs tīn untui dé dīs da. Moróver de
LORD wil also deliver 'Izrael wid dé intui
de hand ov de Filistinz: and tumóro [falt]
dīs and dī sunz [be] wid me: de LORD also
ful deliver de host ov 'Izrael intui de hand
ov de Filistinz.

20 Æen Sol fel stratwa ol alóy on de ert,
and woz sor afrád, becóz ov de wurdz ov
Samuél: and dar woz no strengt in him;

for he had et'n no bred ol de da, nor ol de
21 njt. And de wuman cam untui Sol, and

28 so dat he woz sor trub'ld, and sed untu him, Behöld, dīn handmad hat obád dī vos, and i hav put mī līf in mī hand, and hav hqre'nd untu dī wurdz hwiġ d's spaecst
22 untu me. N's darfor, i pra dé, hqre'n d's elso untu de vos ov dīn handmad, and let me set a mersel ov bred befór dé; and et, dat d's maest hav strengt, hwen d's goest
23 on dī wa. But he refúzd, and sed, I wil not et. But hiz servants, tugóder wid de wuman, compéld him; and he hqre'nd untu dar vos. So he aróz from de ert, and sat
24 upón de bed. And de wuman had a fat eqf in de hss; and se hastet, and cild it, and tue flsr, and neded [it], and did bæ
25 unlév'nd bred daróf: and se brot [it] befór Sel, and befór hiz servants; and da did et. Den da roz up, and went awá dāt nīt.

29 N's de Filistinz gaderd tugóder ol dar qrmiz tu Afec: and de 'Izraeljts piġt bī
2 a fnten hwiġ [iz] in Jezriel. And de lordz ov de Filistinz pōst on bī hundredz, and bī tszendz: but David and hiz men pōst
3 on in de rerwerd wid Aef. Den sed de prinsez ov de Filistinz, i Hwot [du] dez Hebruz [her]. And Aef sed untu de prinsez ov de Filistinz, i [Iz] not dīs David, de servant ov Sel de cīp ov 'Izrael, hwiġ hat ben wīd me dez daz, or dez yerz, and i hav fsnd nō felt in him sins he fel [untu me] untu dīs da. And de prinsez ov de Filistinz wer rōt wīd him; and de prinsez ov de Filistinz sed untu him, Mae dīs felo retúrñ, dat he ma go agén tu hiz plas hwiġ hat ben apōnted him, and let him not go dsn wīd us tu bat'l, lest in de bat'l he be an dñverseri tu us: for i hwarwīt jud he reconsil himselv untu hiz mqster; i [jud it] not [be] wīd de hedz ov dez men. [Iz] not dīs David, ov hum da saġ wun tu an-úder in dqñsez, saġ, Sel slui hiz tszendz, and David hiz ten tszendz.

6 Den Aef cōld David, and sed untu him, Zurli, [az] de Lōrd livet, d's hast ben uprjġ, and dī goiġ st and dī cumiġ in wīd me in de host [iz] gud in mī sjt: for i hav not fsnd ev'l in dē sins de da ov dī cumiġ untu me untu dīs da: neverdelés de lordz
7 favur dé not. Hwarfor n's retúrñ, and go in pes, dat d's displéz not de lordz ov de
8 Filistinz. And David sed untu Aef, But i hwot hav i dun, and i hwot hast d's fsnd in dī servant so loġ az i hav ben wīd dé untu dīs da, dat i ma not go fjt agénst de
9 enemiz ov mī lerd de eip. And Aef qñserd and sed tu David, I nō dat d's [qrt] gud in mī sjt, az an anġel ov God: notwīd-standīng de prinsez ov de Filistinz hav sed,
10 He sal not go up wīd us tu de bat'l. Hwarfor n's rjz up erli in de mōrniġ wīd dī mqsterz servants dat qñ cum wīd dé: and az sun az ye be up erli in de mōrniġ, and hav ljt, depárt.

11 So David and hiz men roz up erli tu depárt in de mōrniġ, tu retúrñ intu de land ov de Filistinz. And de Filistinz went up tu Jezriel.

30 And it cam tu mī pqs, hwen David and hiz men wer cum tu Zielag on de terd da, dat de 'Amalecjs had invaded de sst, and Zielag, and smit'n Zielag, and burnt
2 it wīd fir; and had tac'n de wimen captivz, dat [wer] darin: da slui not eni, eder grat or smol, but carid [dem] awá, and went
3 on dar wa. So David and hiz men cam tu de siti, and, behöld, [it woz] burnt wīd fir; and dar wjvz, and dar sunz, and dar
4 dōterz, wer tac'n captivz. Den David and de pep'l dat [wer] wīd him lifted up dar vos and wept, untíl da had nō mōr pser
5 tu wep. And Davidz tú wjvz wer tac'n captivz, Ahinoam de Jézrieljtes, and Abi-
6 gel de wif ov Nabal de Carmeljt. And David woz gratli distrést; for de pep'l spac ov stoniġ him, becóz de sol ov ol de pep'l woz grevd, everi man fōr hiz sunz and fōr hiz dōterz: but David encúrcjd himselv in de Lōrd hiz God.

7 And David sed tu Abjater de prest, Ahimeeles sun, I pra dé, briġ me hider de efod. And Abjater brot diđer de efod tu
8 David. And David incwřd at de Lōrd, saġ, i Sal i pursj qfter dīs trup; i sal i overtáe dem. And he qñserd him, Pursj: for d's salt surli overtáe [dem], and wīdšt
9 fal recúver [ol]. So David went, he and de sies hundred men dat [wer] wīd him, and cam tu de brue Besor, hwar dōz dat wer
10 left behīnd stad. But David pursjql, he and fōr hundred men: fōr tú hundred abód behīnd, hwiġ wer so fant dat da cud not go over de brue Besor.

11 And da fsnd an Eġipjan in de feld, and brot him tu David, and gav him bred, and he did et; and da mad him driġe weter;
12 and da gav him a pes ov a cae ov figz, and tú elusterz ov raz'n; and hwen he had et'n, hiz spirit cam agén tu him: fōr he had et'n nō bred, nōr drupe [eni] weter,
13 tre daz and tre njts. And David sed untu him, i Tu huām [belópest] d's, and i hwens [qrt] d's. And he sed, I [am] a yug man ov Eġipt, servant tu an 'Amalecjt; and mī mqster left me, becóz tre daz agén i fel sie.
14 We mad an invazun [upón] de sst ov de Ceretjts, and upón [de cost] hwiġ [belópet] tu Jyda, and upón de sst ov Caleb; and
15 we burnt Zielag wīd fir. And David sed tu him, i Canst d's briġ me dsn tu dīs cumpani. And he sed, Swar untu me bī God, dat d's wilt neder eil me, nōr deliver me intu de handz ov mī mqster, and i wil briġ dé dsn tu dīs cumpani.

16 And hwen he had brot him dsn, behöld, [da wer] spred abróđ upón ol de ert, stīġ and driġeġ, and dqñsiġ, becóz ov ol de grat spōl dat da had tac'n st ov de land ov de Filistinz, and st ov de land ov Jyda.
17 And David smot dem from de twljt ev'n untu de evniġ ov de neest da: and dar escápt not a man ov dem, sav fōr hundred yug men, hwiġ rōd upón camelz, and
18 fled. And David recúverd ol dat de 'Amalecjs had carid awá: and David rescyd
19 hiz tú wjvz. And dar woz nutiġ laeġ

19 And Abner elso spæc in ðe erz ov Benjamin: and Abner went elso tu spee in ðe erz ov David in Hebron ol ðat send gud tu 'Israel, and ðat send gud tu ðe hól hss ov Benjamin. So Abner cam tu David tu Hebron, and twenti men wid him. And David mad Abner and de men ðat [wer] wid him a fest. And Abner sed untu David, F wil ariz and go, and wil gaðer el 'Israel untu mî lord ðe eij, ðat ða ma mac a leg wid ðe, and ðat ðs maest ran over el ðat ðín hqrt ðezíret. And David sent Abner awá; and he went in pes.

37 For ol ðe pep'l and ol 'Israel understúð ðát ða ðat it woz not ov ðe eij tu sla

38 Abner ðe sun ov Ner. And ðe eij sed untu hiz servants, F No ye not ðat ðar iz a prins

4 And hwen Solz sun herd ðat Abner woz ded in Hebron, hiz handz wer feb'l, and ol ðe 'Israelíts wer trub'l'd. And Solz sun had tú men [ðat wer] captenz ov bandz: ðe nam ov ðe wun [woz] Baana, and ðe nam ov ðe nder Recab, ðe sunz ov Rímon a Béerotít, ov ðe gíldren ov Benjamin: (fer

4 And Jonatan, Solz sun, had a sun [ðat woz] lam ov [hiz] fet. He woz fíj yerz old hwen ðe tídjnz cam ov Sol and Jonatan st ov Jezriel, and hiz nurs tue him up, and fled: and it eam tu pqs, az fe mad hast tu fle, ðat he fel, and becam lam. And hiz nam woz Mefíbofet.

5 And ðe sunz ov Rímon ðe Béerotít, Recab and Baana, went, and eam abst ðe het ov ðe ða tu ðe hss ov 'Ífbofet, hu la on a bed

8 And ða brot ðe hed ov 'Ífbofet untu David tu Hebron, and sed tu ðe eij, Behóld ðe hed ov 'Ífbofet ðe sun ov Sol ðín enemi, hwiç set ðí líf; and ðe LÖRD hat avénjd mî lord ðe eij ðis ða ov Sol, and ov hiz sed.

9 And David qnsred Recab and Baana hiz bruder, ðe sunz ov Rímon ðe Béerotít, and sed untu ðem, [Az] ðe LÖRD lívet, hu hat

10 redémd mî sol st ov ol adversítí, hwen wun told me, saig, Behóld, Sol iz ded, tígeij tu hav brot gud tídjnz, i tue hold ov him,

5 HEN cam ol de tribz ov 'Izrael tu David untu Hebron, and spae, sayn, Behöld, we 2 [qr] di bon and di fief. Olso in tijn pøst, hwen Sol woz ein over us, ds wost hē dat ledest st and brotest in 'Izrael; and de LÖRD sed tu dē, 'ds salt fed mj pep'l 'Izrael, and ds salt be a capten over 'Izrael. 3 So ol de elderz ov 'Izrael cam tu de ein tu Hebron; and ein David mad a leg wid dem in Hebron beför de LÖRD; and da 4 anonted David ein over 'Izrael. David [woz] terti yerz old hwen he begán tu 5 ran, [and] he rand forti yerz. In Hebron he rand over Jüda sev'n yerz and sies munts; and in Jeruzalem he rand terti and tre yerz over ol 'Izrael and Jüda.

6 And de ein and hiz men went tu Jeruzalem untu de Jebuzits, de inhabitants ov de land: hwiç spae untu David, sayn, Ec-sept ds tac awá de blind and de lam, ds salt not cum in hider: tijein, David camot 7 cum in hider. Neverdelés David tue de stroy hold ov Zijun: de sam [iz] de siti ov 8 David. So David dwelt in de fort, and cold it de siti ov David. And David bilt rsnd abst from Milø and 10 inwerd. And David went on, and grui grat, and de LÖRD God ov hosts [woz] wid him.

11 And Hiram ein ov Tjr sent mesenjerz tu David, and seder trez, and carpenterz, and 12 mas'nz: and da bilt David an hss. And David persévd dat de LÖRD had establist him ein over 'Izrael, and dat he had eg-zolted hiz eiðdum for hiz pep'l 'Izraelz sac. 13 And David tue [him] mor cøpeubinz and wijvz st ov Jeruzalem, qfter he woz cum from Hebron: and dar wer yet sunz and 14 doterz born tu David. And dez [be] de namz ov doz dat wer born untu him in Jeruzalem; Samüa, and Nøbab, and Natan, 15 and Solomon, 'Ibhqr also, and Elifqa, and 16 Nefeg, and Jafsa, and Elifama, and Eli-ada, and Elifaleet.

17 BUT hwen de Filistinz herd dat da had anonted David ein over 'Izrael, ol de Filis-tinz cam up tu sec David; and David herd 18 [ov it], and went dsn tu de hold. De Filistinz also cam and spred demselvz in de 19 vali ov Réfaim. And David incwjd ov de LÖRD, sayn, 'Sal i go up tu de Filistinz; 'wilt ds deliver dem intu mjn hand. And de LÖRD sed untu David, Go up: for i wil dstles deliver de Filistinz intu dñ hand. 20 And David cam tu Baal-perazim, and David smot dem dar, and sed, de LÖRD hat brøc'n fort upón mjn enemiz beför me, az de brag ov woterz. Harfor he cold de nam 21 ov dát plas Baal-perazim. And dar da left dar imejz, and David and hiz men burnt

5 dem. (22) And de Filistinz cam up yet agén, and spred demselvz in de vali ov Réfaim. 23 And hwen David incwjd ov de LÖRD, he sed, 'ds salt not go up; but [fec] a cumpas behind dem, and cum upón dem over agénst 24 de mulberi trez. And let it be, hwen ds herest de ssnd ov a goin in de tops ov de mulberi trez, dat den ds salt bestér djsélf: for den sal de LÖRD go st beför dē, tu 25 smjt de host ov de Filistinz. And David did so, az de LÖRD had comqnded him; and smot de Filistinz from Geba untill ds cum tu Gazer.

6 AGEN, David gaderd tugéder ol [de] gozn [men] ov 'Izrael, tertitszend. (2) And David aröz, and went wid ol de pep'l dat [wer] wid him from Baale ov Jüda, tu briç up from dens de qre ov God, huiz nam iz cold bj de nam ov de LÖRD ov hosts dat dwelet [betwén] de cerubim.

3 And da set de qre ov God upón a ny cørt, and brot it st ov de hss ov Abinadab dat [woz] in Gibia; and Uza and Ahjo, de 4 sunz ov Abinadab, drav de ny cørt. And da brot it st ov de hss ov Abinadab hwiç [woz] at Gibia, acømpañin de qre ov God: 5 and Ahjo went beför de qre. And David and ol de hss ov 'Izrael plad beför de LÖRD on ol maner ov [instruments mad ov] fer wud, ev'n on harps, and on solteriz, and on timbrelz, and on cornets, and on simbalz.

6 And hwen da cam tu Naconz trefinfor, Uza put fort [hiz hand] tu de qre ov God, and tue hold ov it; for de ocs'n fac [it]. 7 And de anger ov de LÖRD woz cind'ld agénst Uza; and God smot him dar for [hiz] erur; and dar he djd bj de qre ov 8 God. And David woz displézd, becöz de LÖRD had mad a brag upón Uza: and he cold de nam ov de plas Perez-uza tu dis 9 da. And David woz afrád ov de LÖRD dát da, and sed, 'Hs sal de qre ov de LÖRD 10 cum tu me. So David wud not remüv de qre ov de LÖRD untu him intu de siti ov David: but David carid it asjd intu de hss 11 ov Obed-edum de Gitit. And de qre ov de LÖRD continjd in de hss ov Obed-edum de Gitit tre munts: and de LÖRD blest Obed-edum, and ol hiz hsshöld.

12 And it woz told ein David, sayn, de LÖRD hat blest de hss ov Obed-edum, and ol dat [pertanet] untu him, becöz ov de qre ov God. Hwen Joab so dat de frunt ov de bat'l woz agénst him befór and behjnd, he goz ov ol de gos [nen] ov 'Israel, and put 10 [dem] in ará agénst de Sirianz: and de rest ov de pep'l he deliverd intu de hand ov Abisaj hiz bruder, dat he mjt put [dem]

(11) And he sed, If ðe Sirianz be tú stroy for me, den ðs falt help me: but if ðe gildren ov Amun be tú stroy fer ðé, den i wil cum and help dé. Be ov gud curej, and let us pla ðe men fer sr pep'l, and for ðe sitiz ov sr God: and ðe LÖRD duu dát hwiç semet him gud.

13 And Joab drui nj, and ðe pep'l dát [wer] wið him, untu ðe bat'l agénst ðe Sirianz:

14 and ða fled befór him. And hwen ðe gildren ov Amun se ðat ðe Sirianz wer fled, ðen fled ða elso befór Abisaj, and enterd intui ðe siti. So Joab retúrnð from ðe gildren ov Amun, and cam tu Jeruzalem.

15 And hwen ðe Sirianz se ðat ða wer smit'n befór 'Israel, ða guderð ðemselvz tugéðer.

16 And Hadarezer sent, and brot st ðe Sirianz dát [wer] beyónð ðe river: and ða cam tu Helam; and Sobac ðe capten ov ðe host

10 And hwen ða had told David, sai, Uria went not dsn untu hiz hss, David sed un-tu Uria, i Camest ðs not from [ðj] jurni;

27

11 i hwiç [den] didst ðs not go dsn untu dñj hss. (11) And Uria sed untu David, ðe qre, and 'Israel, and Juda, abjd in tents; and mç lerd Joab, and ðe servants

12 And David sed tu Uria, Tari her tuidá elso, and tumóro i wil let ðé depçrt. So Uria abód in Jeruzalem dát ða, and ðe

14 And it cam tu pqs in ðe mornij, ðat David rot a leter tu Joab, and sent [it]

16 And it cam tu pqs, hwen Joab obzérvd ðe siti, ðat he asjnd Uria untu a plas hwar

17 he nq ðat valyant men [wer]. And ðe men ov ðe siti went st, and fot wið Joab: and ðar fel [sum] ov ðe pep'l ov ðe servants

18 ðen Joab sent and told David el ðe tñjç 19 consérnj ðe wer; and qarjd ðe mesenjer, sai, Hwen ðs hast mad an end ov telij ðe

22 So ðe mesenjer went, and cam and fod

26 And hwen ðe wif ov Uria herd ðat Uria her huzbund woz ded, se mörnd fer her

7 And Natan sed tu David, Is [qrt] de man. Hus set de LORD God ov 'Israel, F anonted de eig ovér 'Israel, and i deliverd de st ov de hand ov Sol; and i gav de dj mqsterz hss, and dj mqsterz wjvz intu dj buzum, and gav de de hss ov 'Israel and ov Juda; and if [dat had ben] tú lit'l, i wud morover hav giv'n untu de suc and sug tijz. Hwarfor hast ds despjzd de comndment ov de LORD, tu du ev'l in hiz sijt: ds hast cild Krja de Htitj wid de sord, and hast tac'n hiz wif [tu be] dj wif, and hast slan him wid de sord ov de children ov Amun. Ns darfor de sord fal never depórt from djn hss; becóz ds hast despjzd me, and hast tac'n de wif ov Krja de Htitj tu be dj wif. Hus set de LORD, Behóld, i wil raz up ev'l agénst de st ov djn on hss, and i wil tac dj wjvz befór djn jz, and giv [dem] untu dj nabor, and he fal lj wid dj wjvz in de sijt ov dis sun. For ds didst [it] secretli: but i wil du dis tij befór ol 'Israel, and befór de sun. And David sed untu Natan, F hav sind agénst de LORD. And Natan sed untu David, De LORD also hat put awá dj sin; ds falt not dj. Hsbeit, becóz bj dis ded ds hast giv'n grat oegan tu de enemiz ov de LORD tu blasfém, de gild also [dat iz] bern untu de fal furli dj.

15 And Natan departed untu hiz hss. And de LORD strue de gild dat Krjaz wif bar untu David, and it woz veri sie. David darfor besót God for de gild; and David fsted, and went in, and la ol njt upón de ert. And de elderz ov hiz hss aróz, [and went] tu him, tu raz him up from de ert: but he wud not, neder did he et bred wid dem. And it cam tu pqs on de sev'nt da, dat de gild djd. And de servants ov David ferd tu tel him dat de gild woz ded: for da sed, Behóld, hwjl de gild woz yet aljv, we spae untu him, and he wud not hqre'n untu sr vos: F hs wil be den vees himsélf, if we tel him dat de gild iz ded. But hwen David so dat hiz servants whisped, David persévd dat de gild woz ded: darfor David sed untu hiz servants, F iz de gild ded. And da sed, He iz ded.

20 Ten David aróz from de ert, and woft, and anonted [himsélf], and ganjd hiz apórel, and cam intu de hss ov de LORD,

12 and wurfjpt: den he cam tu hiz on hss; and hwen he reewjrd, da set bred befór him, and he did et. Den sed hiz servants untu him, F Hwot tij [iz] dis dat ds hast dun; ds didst fsted and wep for de gild, [hwjl it woz] aljv; but hwen de gild woz ded, ds didst riz and et bred. And he sed, Hwjl de gild woz yet aljv, i fsted and wept: for i sed, F Hwú can tel [hweder] God wil be grafus tu me, dat de gild ma liv. But ns he iz ded F hwarfor sud i fsted; F can i brinj him bac agén: i fal go tu him, but he fal not retúrn tu me.

24 And David cunfured Batseba hiz wif, and went in untu her, and la wid her: and se bar a sun, and he celd hiz nam Solomon: and de LORD luvd him. And he sent bj de hand ov Natan de profet; and he celd hiz nam Jedidja, becóz ov de LORD.

26 AND Joab fet agénst Raba ov de children ov Amun, and tue de real siti. And Joab sent mesenjerz tu David, and sed, F hav fet agénst Raba, and hav tac'n de siti ov woterz.

28 Ns darfor gader de rest ov de pep'l tugéder, and encámp agénst de siti, and tac it: lest i tac de siti, and it be celd qfter mj nam.

29 And David gaderd ol de pep'l tugéder, and went tu Raba, and fet agénst it, and tue it. And he tue dar eigz ersn from of hiz hed, de wat hwaróf [woz] a talent ov gold wid de presus stonz: and it woz [set] on Davidz hed. And he brot fort de spol ov de siti in grat abúndans. And he brot fort de pep'l dat [wer] darín, and put [dem] under soz, and under haroz ov jurn, and under aesez ov jurn, and mad dem pqs truu de brie-cil: and dus did he untu ol de sitiz ov de children ov Amun. So David and ol de pep'l retúrnd untu Jeruzalem.

13 AND it cam tu pqs qfter dis, dat Absolum de sun ov David had a far sister, huiz nam [woz] Tamqr; and Amnon de sun ov David luvd her. And Amnon woz so veest, dat he fel sie for hiz sister Tamqr; for se [woz] a verjin; and Amnon tet it hqrd for him tu du eni tij tu her.

3 But Amnon had a friend, huiz nam [woz] Jonadab, de sun ov Zimja Davidz bruder: and Jonabab [woz] a veri sut'l man. And he sed untu him, F Hwjl [qrt] ds, [beinj] de eigz sun, len from da tu da; F wilt ds not tel me. And Amnon sed untu him, F luv 5 Tamqr, mj bruder Absolumz sister. And Jonadab sed untu him, La de dsn on dj bed, and mac djsélf sie: and hwen dj fqder cumet tu se de, sa untu him, F pra de, let mj sister Tamqr cum, and giv me met, and dres de met in mj sjt, dat i ma se [it], and et [it] at her hand. So Amnon la dsn, and mad himsélf sie: and hwen de eig woz cum tu se him, Amnon sed untu de eig, F pra de, let Tamqr mj sister cum, and mac me a cup'l ov cacs in mj sjt, dat i ma et at her hand.

7 Den David sent hom tu Tamqr, sajn, Go ns tu dj bruder Ammonz hss, and dres him met. So Tamqr went tu her bruder Ammonz hss; and he woz lad dsn. And

13 **Je** tue flør, and neded [it], and mad cacs in hiz sjt, and did bæc ðe cacs. (9) And **je** tue a pan, and pord [dem] st befór him; but he refjz'd tu et. And Amnon sed, Hav st ol men from me. And ða went st everi man from him. And Amnon sed untu Tamqr, Briġ ðe met intui ðe gambet, ðat i ma et ov ðin hand. And Tamqr tue ðe cacs hwiġ **je** had mad, and brot [dem] intui ðe gambet tu Amnon her bruder. And hwen **je** had brot [dem] untu him tu et, he tue hold ov her, and sed untu her, 12 Cum lġ wið me, mġ sister. And **je** qnsrd him, Na, mġ bruder, du not fors me; fer no suġ tġj ot tu be dun in 'Izrael: du not ðs ðis foli. And i, hwiðer fal i cöz mġ sam tu ġo; and az fer ðé, ðs falt be az wun ov ðe fulz in 'Izrael. Ns ðarför, i pra ðé, spec untu ðe cġ; fer he wil not 14 wiðhóld me from ðé. Hsbeit he wud not hqre'n untu her vos: but, beġj stronger ðan **je**, forst her, and la wið her. 15 ðen Amnon hated her ecsedġli; so ðat ðe hatred hwarwġt he hated her [woz] grater ðan ðe luv hwarwġt he had luvd her. And Amnon sed untu her, Arġz, be 16 ġen. And **je** sed untu him, [ðar iz] no cöz: ðis ev'l in sendġ me awá [iz] grater ðan ðe uðer ðat ðs ðidst untu me. But 17 he wud not hqre'n untu her. ðen he cold hiz servant ðat ministrd untu him, and sed, Put ns ðis [waman] st from me, and 18 bólt ðe dor qfter her. And [je had] a ġrment ov ðġverz eulurz upón her: fer wið suġ robz wer ðe cġz deterz [ðat wer] verġinz apárel'd. ðen hiz servant brot her st, and bólt ðe dor qfter her. 19 And Tamqr put aföz on her hed, and rent her ġrment ov ðġverz eulurz ðat [woz] on her, and lad her hand on her 20 hed, and went on crġġj. And Absalum her bruder sed untu her, **ġ** Hat Amnon ðġ bruder ben wið ðé; but hold ns ðġ pes, mġ sister: he [iz] ðġ bruder; regárd not ðis tġj. So Tamqr remánd dsolet in her bruder Absalumz hss. 21 But hwen cġj David herd ov el ðez tġjz, 22 he woz veri reť. And Absalum spac untu hiz bruder Amnon neder ġuð nor bæc: fer Absalum hated Amnon, becöz he had forst 23 hiz sister Tamqr. And it cam tu pqs qfter tú ful yerz, ðat Absalum had [fepfererz in Baal-hazer, hwiġ [iz] besġd 'Efrain: 24 and Absalum invġt el ðe cġjz sunz. And Absalum cam tu ðe cġj, and sed, Behóld ns, ðġ servant hat fepfererz; let ðe cġj, i beség ðé, and hiz servants ġo wið ðġ ser- 25 vant. And ðe cġj sed tu Absalum, Na, mġ sun, let us not el ns ġo, lest we be ġrġab'l untu ðé. And he prest him: hsbeit he 26 wud not ġo, but blest him. ðen sed Absalum, If not, i pra ðé, let mġ bruder Amnon ġo wið us. And ðe cġj sed untu 27 him, **ġ** Hwiġ fud he ġo wið ðé. But Absalum prest him, ðat he let Amnon and ol ðe cġjz sunz ġo wið him. 28 Ns Absalum had comqnded hiz servants, saġj, Mqre ye ns hwen Amnonz hqrt iz

13 **meri** wið wġn, and hwen i sa untu **u**, Smġt Amnon; ðen cil him, fer not: **ġ** hav not i comqnded **u**: be curajus, and be valġant. 29 And ðe servants ov Absalum did untu Amnon az Absalum had comqnded. ðen ol ðe cġjz sunz aróz, and everi man gat him up upón hiz mġl, and fled. 30 And it cam tu pqs, hwiġ ða wer in ðe wa, ðat tġdġjz cam tu David, saġj, Absalum hat slan ol ðe cġjz sunz, and ðar iz not 31 wun ov ðem left. ðen ðe cġj aróz, and tar hiz ġrments, and la on ðe crt; and ol hiz servants stud bġ wið ðar clodz rent. 32 And Jonadab, ðe sun ov Sġmia Davidz bruder, qnsrd and sed, Let not mġ lerd supóz [ðat] ða hav slan ol ðe yuġ men ðe cġjz sunz; fer Amnon onli iz ded: fer bġ ðe apontment ov Absalum ðis hat ben determind from ðe ða ðat he forst hiz sister 33 Tamqr. Ns ðarför let not mġ lerd ðe cġj tac ðe tġj tu hiz hqrt, tu tġge ðat ol ðe cġjz 34 sunz qr ðed: fer Amnon onli iz ded. But Absalum fled. And ðe yuġ man ðat cept ðe woġ lifted up hiz ġz, and luet, and, behóld, ðar cam muġ pep'l bġ ðe wa ov ðe hġl sġd behġnd 35 him. And Jonadab sed untu ðe cġj, Behóld, ðe cġjz sunz cum: az ðġ servant 36 sed, so it iz. And it cam tu pqs, az sun az he had mad an end ov specġj, ðat, behóld, ðe cġjz sunz cam, and lifted up ðar vos and wept: and ðe cġj olso and ol hiz servants wept veri sör. 37 BUT Absalum fled, and went tu Tálmaj, ðe sun ov Amġhad, cġj ov Gefur. And 38 [David] mornd for hiz sun everi ða. So Absalum fled, and went tu Gefur, and 39 woz dar tre yerz. And [ðe sol ov] cġj David loyð tu ġo fort untu Absalum: fer he woz cumfurdet consérnġ Amnon, seġj he woz ded. 14 Ns Joab ðe sun ov Zerġja persévd ðat ðe cġjz hqrt [woz] tord Absalum. 2 And Joab sent tu Tecoa, and fegt dens a wġz waman, and sed untu her, **ġ** pra ðé, fan ðġsélġ tu be a mörner, and put on ns mörnġ apárel, and anónt not ðġsélġ wið ol, but be az a waman ðat had a loġ tġj 3 mörnd for ðe ded: and cum tu ðe cġj, and spec on ðis maner untu him. So Joab put ðe wurdz in her mst. 4 And hwen ðe waman ov Tecoa spac tu ðe cġj, **je** sel on her fas tu ðe ġrñd, and 5 did obasans, and sed, Help, o cġj. And ðe cġj sed untu her, **ġ** Hwot alet ðé. And **je** qnsrd, If [am] indéd a wido waman, and 6 mġn huzbund iz ded. And ðġ handnad had tú sunz, and ða tú strov tugeðer in ðe feld, and [ðar woz] nun tu pąrt ðem, but ðe wun smot ðe uðer, and slu him. 7 And, behóld, ðe hol famili iz riz'n agénst ðġj handnad, and ða sed, Deliver him ðat smot hiz bruder, ðat we ma cil him, fer ðe lġj ov hiz bruder hum he slu; and we wil destró ðe ar olso: and so ða fal cweng mġ col hwiġ iz left, and fal not lev tu mġ huzbund [neder] nam nor remander upón 8 ðe crt. And ðe cġj sed untu ðe waman,

14 Gō tu dīn hss, and i wil giv qarj consérnig dē. (9) And de wuman ov Tecoa sed untu de cīp, Mī lord, o cīp, deīnēwiti [be] on mē, and on mī fqdērz hss: and de cīp and hīz
10 trōn [be] gīltles. And de cīp sed, Hūso-
éver set [ot] untu dē, brīg hīm tu mē,
11 and he fūl not tūg dē enī mōr. Āen sed
se, F pra dē, let de cīp remēber de Lōrd
dī God, dat dīs wadst not sufer de revējērz
ov blud tui destrō enī mōr, lest da destrō
mī sun. And he sed, [Az] de Lōrd livet,
dar fūl not wun har ov dī sun fōl tu
de ert.

12 Āen de wuman sed, Let dīn handmad,
i pra dē, spee [wun] wurd untu mī lord de
13 cīp. And he sed, Sa on. And de wuman
sed, I Hwarfor den host dīs hōt sug a tīj
agēnst de pep'l ov God; for de cīp dat spee
dis tīj az wun hwīg iz folti, in dat de cīp
14 dat not fēg hom agēn hīz banīst. For we
must nedz dī, and [qr] az wōter spilt on
de grsūd, hwīg canot be gadered up agēn;
neder dūt God respēct [enī] persun: yet
dat he devīz menz, dat hīz banīst be not
15 cespōld from hīm. Ns darfor dat i am
cūm tu spee ov dīs tīj untu mī lord de
cīp, [it iz] becōz de pep'l hav mad me
afraid: and dī handmad sed, F wil ns spee
untu de cīp; it ma be dat de cīp wil per-
16 fōrm de recwēst ov hīz handmad. For de
cīp hīl her, tui deliver hīz handmad st ov de
hand ov de man [dat wud] destrō me and
mī sun twigēder st ov de inheritans ov God.
17 Āen dīn handmad sed, Āe wurd ov mī
lord de cīp fūl ns be cūmfurtab'l: for az
an anjel ov God, so [iz] mī lord de cīp tui
dizēm gud and bad: darfor de Lōrd dī
God wil be wīd dē.

18 Āen de cīp quserd and sed untu de
wuman, Hīd not from me, i pra dē, de tīj
dat i fūl qsc dē. And de wuman sed, Let
19 mī lord de cīp ns spee. And de cīp sed,
I [iz] not de hand ov Joab wīd dē in ol
dīs. And de wuman qnsērd and sed, [Az]
dī sol livet, mī lord de cīp, nun cam turn
tui de rīt hand ov tui de left from ot dat
mī lord de cīp hat spoc'n: for dī servant
Joab, he bad mē, and he put ol dēz wurdz
20 in de mōt ov dīn handmad: tui fēg abōt
dīs form ov spee hat dī servant Joab dun
dīs tīj: and mī lord [iz] wīz, acōrdīg tui
de wīzdum ov an anjel ov God, tui nō ol
[tījz] dat [qr] in de ert.

21 And de cīp sed untu Joab, Behōld ns,
i hav dun dīs tīj: gō darfor, brīg de yūg
22 man Absalum agēn. And Joab fel tui de
grsūd on hīz fas, and bsd hīmsēlf, and
tūjet de cīp: and Joab sed, Tudā dī ser-
vant noet dat i hav fynd gras in dī sīt, mī
lord, o cīp, in dat de cīp hat fullfild de
23 recwēst ov hīz servant. So Joab arōz and
went tui Gefur, and brot Absalum tui
24 Jeruzalem. And de cīp sed, Let hīm turn
tui hīz on hss, and let hīm not se mī fas.
So Absalum retūrnd tui hīz on hss, and so
not de cīpz fas.

25 But in ol 'Izrael dar woz nun tui be so
muc prazd az Absalum fer hīz bytī: from

14 de sol ov hīz fat ev'n tui de ersn ov hīz
hed dar woz nō blemīf in hīm. (26) And
hwen he pold hīz hed, (for it woz at everī yērz
end dat he pold [it]: becōz [de har] woz
hevi on hīm, darfor he pold it:) he wad
de har ov hīz hed at tū hundred fēclz
27 qfter de cīpz wat. And untu Absalum
dar wer born tre sunz, and wun dēter,
hūz nam [woz] Tamqr: se woz a wuman
ov a far cōntēnōns.

28 So Absalum dwelt tū fūl yērz in Jer-
29 uzalem, and so not de cīpz fas. Darfor
Absalum sent for Joab, tui hav sent hīm
tui de cīp; but he wud not cum tui hīm:
and hwen he sent agēn de secūd tīj, he
30 wud not cum. Darfor he sed untu hīz
servants, Se, Joabz feld iz ner mīn, and
he hat bqrli dar; gō and set it on fir.
And Absalum servants set de feld on fir.
31 Āen Joab arōz, and cam tui Absalum
untu [hīz] hss, and sed untu hīm,
I Hwarfor hav dī servants set mī feld on
32 fir. And Absalum qnsērd Joab, Behōld,
i sent untu dē, saīg, Cum hīder, dat i ma
send dē tui de cīp, tui sa, I Hwarfor am i
cum from Gefur; [it had ben] gud fer me
[tui bav ben] dar stīl: ns darfor let me
se de cīpz fas; and if dar be [enī] īncēwiti
33 in me, let hīm cīl mē. So Joab cam tui de
cīp, and told hīm: and hwen he had celd
for Absalum, he cam tui de cīp, and bsd
hīmsēlf on hīz fas tui de grsūd befōr de cīp:
and de cīp cīst Absalum.

15 AND it cam tui pqs qfter dīs, dat Ab-
salum preparēd hīm qarīuts and hersez,
2 and fifti men tui run befōr hīm. And
Absalum roz up erh, and stad besīd de wa-
ov de gat: and it woz [so], dat hwen enī
man dat had a cōntroversi cam tui de cīp
fer jūjment, den Absalum celd untu hīm,
and sed, I Ov hwot sītī [qr] dīs. And he
sed, Dī servant [iz] ov wun ov de trībz ov
3 'Izrael. And Absalum sed untu hīm, Se,
dī materz [qr] gud and rīt; but [dar iz]
nō man [depūted] ov de cīp tui her dē
4 Absalum sed morover, O dat i wer mad
juj in de land, dat everī man hwīg hat
enī syt or coz mīt cum untu me, and:
5 wud dui hīm justis! And it woz [so], dat
hwen enī man cam nj [tui hīm] tui du
hīm obasans, he put fort hīz hand, and
6 tūc hīm, and cīst hīm. And on dīs maner
did Absalum tui ol 'Izrael dat cam tui de
cīp fer jūjment: so Absalum stol de hqrts
ov de men ov 'Izrael.

7 And it cam tui pqs qfter fērti yērz, dat
Absalum sed untu de cīp, F pra dē, let
me gō and pa mī vs, hwīg i hav vsd un-
8 tui de Lōrd, in Hebron. For dī servant
vsd a vs hwīl i abōd at Gefur in Sīria
saīg, If de Lōrd fūl brīg me agēn īndēc
tui Jeruzalem, den i wil serv de Lōrd
9 And de cīp sed untu hīm, Gō in pes. Se
he arōz, and went tui Hebron.

10 But Absalum sent spīz trauēst ol de trīb:
ov 'Izrael, saīg, Az sun az ye her de smē
ov de trumpet, den ye fāl sa, Absalum
11 ranet in Hebron. And wīd Absalum wen

15 tú hundred men st ov Jeruzaalem, [dat wer] celd; and da went in dar simplisiti, 12 and da nu not eni tinj. And Absalum sent for Ahitofel de Gilonit, Davidz cnseler, from hiz siti, [ev'n] from Gilo, hwil he oferd sácrifjzez. And de conspiresi woz stroy; for de pep'l inderést continuáli wid Absalum.

13 And dar cam a mesenjer tu David, saij, 14 He harts ov de men ov 'Izrael qr after Absalum. And David sed untu ol hiz servants dat [wer] wid him at Jeruzaalem, Arjz, and let us fle; for we sal not [els] escáp from Absalum: mac sped tu depárt. lest he overtáe us sudenli, and briy ev'l upón us, and smjt de siti wid de ej ov de 15 sord. And de einz servants sed untu de einj, Behóld, dj servants [qr redi tu du] hwotsoéver mj lord de einj sal apónt.

16 And de einj went fort, and ol hiz hshhold after him. And de einj left ten wimen, 17 [hwig wer] concubinz, tu eep de hss. And de einj went fort, and ol de pep'l after him, and tarid in a plas dat woz fqr ef. And ol hiz servants pást on besjd him; and ol de Ceretjts, and ol de Peletjts, and ol de Gitjts, sies hundred men hwig cam after 18 him from Gat, pást on besfór de einj. Den sed de einj tu 'Itaj de Gitjt, 'Hwarfor goest ds also wid us; retúrn tu dj plas, and abjd wid de einj: for ds [qrt] a stranjer,

20 and also an cesil. Hwarás ds earnest [but] yesterda, 'fud j dis da mac dé go up and dsn wid us; seij j go hwider j ma, retúrn ds, and tac bac dj bredren: mersi and 21 trut [be] wid dé. And 'Itaj qnsrd de einj, and sed, [Az] de Lörd livet, and [az] mj lord de einj livet, furli in hwot plas mj lord de einj sal be, hweder in det or lij, ev'n 22 dar also wil dj servant be. And David sed tu 'Itaj, Go and pqs over. And 'Itaj de Gitjt pást over, and ol hiz men, and ol de 23 lit'l wunz dat [wer] wid him. And ol de cuntri wept wid a lsd vos, and ol de pep'l pást over: de einj also himself pást over de brue Cidron, and ol de pep'l pást over, tord de wa ov de wilderness.

24 And lo Zadoc also, and ol de Levjts [wer] wid him, barij de qre ov de cuvenant ov God: and da set dsn de qre ov God; and Abjater went up, untíl ol de 25 pep'l had dun pqsij st ov de siti. And de einj sed untu Zadoc, Cari bac de qre ov God intue de siti: if j sal find favur in de 26 iz ov de Lörd, he wil briy me agén, and so me [bot] it, and hiz habitafun; but if he dus sa, 'f hav no deljt in dé; behóld, [her an] j, let him du tu me az semet 27 gud untu him. He einj sed also untu Zadoc de prest, 'f [Art not] ds a seer; retúrn intue de siti in pes, and qr tú sunz wid u, Ahímaaz dj sun, and Jonatan de 28 sun ov Abjater. Se, j wil tari in de plan ov de wilderness, untíl dar eum wurd from 29 u tu sertifi me. Zadoc darfor and Abjater carid de qre ov God agén tu Jeruzaalem: and da tarid dar.

30 And David went up bj de asént ov [msnt]

15 Olivet, and wept az he went up, and had hiz hed cuverd, and he went barfut: and ol de pep'l dat [woz] wid him cuverd everi man hiz hed, and da went up, wepij az

31 da went up. And [wun] told David, saij, Ahitofel [iz] amún de conspiraturz wid Absalum. And David sed, O Lörd, j pra dé, turn de cnsel ov Ahitofel intu fudlfnes.

32 And it cam tu pqs, dat [hwen] David woz eum tu de top [ov de msnt], hwar he wurfjpt God, behóld, Háfaj de Arejt cam tu met him wid hiz eot rent, and ert

33 upón hiz hed: untu hum David sed, If ds pqsset on wid me, den ds salt be a burden

34 untu me: but if ds retúrn tu de siti, and sa untu Absalum, 'f wil be dj servant, o einj; [az] j [hav ben] dj faderz servant hidertu, so [wil] j ns also [be] dj servant: den maest ds for me defét de cnsel ov

35 Ahitofel. And 'f [hast ds] not dar wid dé Zadoc and Abjater de prests; darfor it sal be, [dat] hwot tinj soéver ds salt her st ov de einz hss, ds salt tel [it] tu Zadoc and

36 Abjater de prests. Behóld, [da hav] dar wid dem dar tú sunz, Ahímaaz Zadocs [sun], and Jonatan Abjaterz [sun]; and bj dem ye sal send untu me everi tinj dat ye can 37 her. So Háfaj Davidz frend cam intue de siti, and Absalum cam intu Jeruzaalem.

16 And hwen David woz a lit'l pást de top [ov de hil], behóld, Zjba de servant ov Mefiboset met him, wid a cup'l ov qsez sad'ld, and upón dem tú hundred [lovz] ov bred, and an hundred bungez ov raz'nz, and an hundred ov sumer fruits, and a

2 bot'l ov wjn. And de einj sed untu Zjba, 'f Hwot menest ds bj dez. And Zjba sed, He qsez [be] for de einz hshhold tu rid on; and de bred and sumer fruit for de yug men tu et; and de wjn, dat sug az be fant

3 in de wilderness ma drige. And de einj sed, 'f And hwar [iz] dj mqsterz sun. And Zjba sed untu de einj, Behóld, he abidet at Jeruzaalem: for he sed, Tudá sal de hss ov 'Izrael restór me de einjum ov mj fader.

And David sed tu Abisai, and tu ol hiz servants, Behôld, mi sun, hwiç cam fort ov mi bselz, seet mi lif: ⁹ hs mug mor ns [na dis] Benjamit [du it]; let him alôn, and let him curs; ¹² for de LORD hat bid'n him. It ma be dat de LORD wil huc on miñ aslicfun, and dat de LORD wil reewt me gud for hiz cursin ¹³ dis dn. And az David and hiz men went bi de wa, ¹¹ miñ went alôg on de hilz sjd over agénst him, and cursd az he went, ¹⁴ and tru stonz at him, and eqst dust. And de cin, and ol de pep'l dat [wer] wid him, cam wri, and refrejt demselvz dar. ¹⁵ And Absalum, and ol de pep'l de men ov 'Israel, cam tu Jeruzalem, and Ahitofel ¹⁶ wid him. And it cam tu pqs, hwen Húfai de Arcjt, Davidz frend, woz cum untu Absalum, dat Húfai sed untu Absalum, God ¹⁷ sav de cin, God sav de cin. And Absalum sed tu Húfai, ⁹ [iz] dis di ejndes tu di frend; ⁹ hwiç wentest ds not wid di frend. ¹⁸ And Húfai sed untu Absalum, Na; but hûm de LORD, and dis pep'l, and ol de men ov 'Israel, guz, hiz wil i be, and wid ¹⁹ hûm wil i abjd. ²⁰ Den sed Absalum tu Ahitofel, Giv cnsel ²¹ amúy u hwot we fal du. And Ahitofel sed untu Absalum, Go in untu di faderz cojeubjnz, hwiç he hat left tu cep de hss; and ol 'Israel fal her dat ds qrt abhórd ov di fader: den fal de handz ov ol dat [qr] ²² wid dé be strog. Fer de LORD had aponted tu defét de gud cnsel ov Ahitofel, tu de intét dat de LORD mjt brig ev'l upón Absalum.

¹⁵ Den sed Húfai untu Zadoc and tu Abiater de prests, Hus and dus did Ahitofel cnsel Absalum and de elderz ov 'Israel; ¹⁶ and dus and dus hav i cnseld. Ns darfor send ewich, and tel David, sajn, Loj not ðis njt in de planz ov de wildernes, but spedili pqs over; lest de cin be swolod up, and ol ¹⁷ de pep'l dat [qr] wid him. Ns Jonatan and Ahimaaz stad bi En-rogel; for da mjt not be sen tu cum intu de siti: and a weng went and told dem; and da went and told ¹⁸ cin David. Neverdelés a lad so dem, and told Absalum: but da went bot ov dem awá ewich, and cam tu a manz hss in Bahqrim, hwiç had a wel in hiz cort; ¹⁹ hwider da went dsn. And de wuman tue and spred a caverij over de welz mst, and spred grsnd eorn darón; and de tij woz ²⁰ not non. And hwen Absalumz servants cam tu de waman tu de hss, da sed, ⁹ Hwar [iz] Ahimaaz and Jonatan. And de waman sed untu dem, Ha be gon over de bruc ov weter. And hwen da had set and ead not find [dem], da retúrnd tu Jeruz- ²¹ alem. And it cam tu pqs, qfter da wer departed, dat da cam up st ov de wel, and went and told cin David, and sed untu David, Arjz, and pqs ewich over de weter: ²² for dus hat Ahitofel cnseld agénst u. Den David aróz, and ol de pep'l dat [wer] wid him, and da pqt over Jordan: bi de mornin ljt dar laet not wun ov dem dat woz not gon over Jordan.

²³ And hwen Ahitofel so dat hiz cnsel woz not folod, he sad'ld [hiz] qs, and aróz, and gut him hom tu hiz hss, tu hiz siti, and put hiz hsshold in order, and hagd himself, and djd, and woz berid in de sepulcer ov hiz fader.

17 24 Den David cam tu Mahanaim. And Absalum pøst over Jordan, he and ol 25 de men ov 'Izrael wið him. And Absalum mad Amasa capten ov de host instél ov Joab: hwiç Amasa [woz] a manz sun, huuz nam [woz] Ira an 'Izraelit, dat went in tu Abigel de doter ov Nahaj, sister tu 26 Zeruja Joabz muder. So 'Izrael and Absalum piçt in de land ov Giliad.

27 And it cam tu pqs, hwen David woz cum tu Mahanaim, dat Doab de sun ov Nahaj ov Raba ov de gildren ov Amun, and Maer de sun ov Amiel ov Lo-debar, and Barzilaj 28 de Giliadit ov Rogelin, brot bedz, and bas'nz, and erten veselz, and hwet, and bqrlí, and flsr, and pøret [corn], and benz, and 29 lentilz, and pøret [puls], and huni, and buter, and sep, and gez ov ein, for David, and for de pep'l dat [wer] wið him, tu et: for da sed, De pep'l [iz] hungri, and weri, and tersti, in de wilderness.

18 And David numbod de pep'l dat [wer] wið him, and set captenz ov tszendz and 2 captenz ov hundredz over dem. And David sent fort a terd pørt ov de pep'l under de hand ov Joab, and a terd pørt under de hand ov Abisaj de sun ov Zeruja, Joabz bruder, and a terd pørt under de hand ov 'Itaj de Giti. And de ein sed untu de pep'l, I wil iurli go fort wið u miself also. 3 But de pep'l qnsrd, Is salt not go fort: for if we fle awá, da wil not ear for us; neder if hqf ov us di, wil da ear for us: but ns [ds qrt] wurf ten tszend ov us: darfor ns [it iz] beter dat ds sueur us st 4 ov de siti. And de ein sed untu dem, Hwot smet u best i wil duu. And de ein stud bi de gat sjd, and ol de pep'l cam st bi hundredz and bi tszendz.

5 And de ein commanded Joab and Abisaj and 'Itaj, saij, [Del] jentli for mi sac wið de yuñ man, [ev'n] wið Absalum. And ol de pep'l herd hwen de ein gav ol de captenz qarj consérnin Absalum.

6 So de pep'l went st intui de feld agénst 'Izrael: and de bat'l woz in de wud ov 7 'Efrain; hwar de pep'l ov 'Izrael wer slan befór de servants ov David, and dar woz dar a grat sloter dát da ov twenti tszend 8 [men]. For de bat'l woz dar scatterd over de fas ov ol de cuntri: and de wud devérd 9 mor pep'l dát da dan de sord devérd. And Absalum met de servants ov David. 10 And a serten man so [it], and told Joab, and sed, Behóld, i so Absalum hayd in an 11 oc. And Joab sed untu de man dat told him, And, behóld, ds seest [him], and i hwi didst ds not smjt him dar tu de grsnd; and i wud hav giv'n de ten [secelz] ov sil- 12 ver, and a gerd'l. And de man sed untu Joab, Ho i sud resév a tszend [secelz] ov silver in min hand, [yet] wud i not piat fort min hand agénst de einz sun: for in

18 sr herij de ein qarjd dé and Abisaj and 'Itaj, saij, Bewár dat nun [tuç] de yuñ 13 man Absalum. Uderwij i sud hav rot folshud agénst min on lif: for dar iz no mater hid from de ein, and ds diself wudst 14 hav set diself agénst [me]. Den sed Joab, I ma not tari dus wið de. And he tue tre dqrts in hiz hand, and trust dem tru de hqrt ov Absalum, hwil he [woz] yet aljv in 15 de midst ov de oc. And ten yuñ men dat bar Joabz qmnr cumpast abst and smot Absalum, and slw him.

16 And Joab blui de trumpet, and de pep'l retúrnd from pursijq after 'Izrael: for 17 Joab held bac de pep'l. And da tue Absalum, and eçst him intui a grat pit in de wud, and lad a veri grat hep ov stonz upón him: and ol 'Izrael fled everi wun 18 tu hiz tent. Ns Absalum in hiz listjñ had tac'n and rerd up for himself a piler, hwiç [iz] in de einz dal: for he sed, I hav no sun tu cep mi nam in remémbrans: and he cold de piler after hiz on nam: and it iz cold untu dis da, Absalumz plas.

19 Den sed Ahimaz de sun ov Zadoc, Let me ns run, and bar de ein tjdijz, bs dat de Lørd hat avénjd him ov hiz enemiz. 20 And Joab sed untu him, Is salt not bar tjdijz dis da, but ds salt bar tjdijz anúder da: but dis da ds salt bar no tjdijz, becóz 21 de einz sun iz ded. Den sed Joab tu 22 Cufi, Go tel de ein hwot ds hast sen. And Cufi bsd himself untu Joab, and ran. Den sed Ahimaz de sun ov Zadoc yet agén tu Joab, But hssóever, let me, i pra dé, also run after Cufi. And Joab sed, i Hwar wilt ds run, mi sun, seij dat ds hast no tjdijz redi. But hssóever, [sed he,] let 23 me run. And he sed untu him, Run. Den Ahimaz ran bi de wa ov de plan, and overrán Cufi.

24 And David sat betwén de tú gats: and de woñman went up tu de ruf over de gat untu de wel, and lifted up hiz iz, and 25 laet, and behóld a man runij alón. And de woñman erjd, and told de ein. And de ein sed, If he [be] alón, [dar iz] tjdijz in hiz mst. And he cam apás, and dru ner. 26 And de woñman so anúder man runij: and de woñman cold untu de porter, and sed, Behóld [anúder] man runij alón. 27 And de ein sed, He also briget tjdijz. And de woñman sed, Me tigeet de runij ov de formost iz lje de runij ov Ahimaz de sun ov Zadoc. And de ein sed, He [iz] a gad man, and cumeit wið gad tjdijz.

28 And Ahimaz cold, and sed untu de ein, Ol iz wel. And he fel dsn tu de ert upón hiz fas befór de ein, and sed, Blesd [be] de Lørd di God, hwiç hat deliverd up de men dat lifted up dar hand agénst mi lerd 29 de ein. And de ein sed, i Iz de yuñ man Absalum saf. And Ahimaz qnsrd, Hwen Joab sent de einz servant, and [me] di servant, i so a grat tñmult, but i nu not 30 hwot [it woz]. And de ein sed [untu him], Turn asjd, [and] stand her. And 31 he turnd asjd, and stud stil. And, behóld,

8 ða fólöij Adonija helpt [him]. But Zadoc ðe prest, and Benaja ðe sun ov Jehöada, and Natan ðe profet, and Ximij, and Rej, and ðe mji men hwig [belöjgd] tu David,
9 wer not wið Adonija. And Adonija slui jep and ocs'n and fat cat'l bj ðe stön ov Zohelet, hwig [iz] bj En-rogel, and cold ol hiz bredren ðe cijz sunz, and ol ðe men
10 ov Juda ðe cijz servants: but Natan ðe

11 Hwarfór Natan spac untu Batseba ðe muðer ov Solomun, saij, i Hast ðs not herd ðat Adonija ðe sun ov Hagit ðut

15 And Batseba went in untu ðe cij intu ðe çamber: and ðe cij woz veri öld; and

 22 And, lo, hwil se yet toet wid de cij,

 25 and he sal sit upón mj tron. For he iz gon dsn dis da, and hat slan oes'n and fat eut'l and sep in abúndans, and hat cold ol de cijz sunz, and de captenz ov de host, and Abjater de prest; and, behóld, da et and drije befór him, and sa, God sav cij
 26 Adonija. But me, [ev'n] me dj servant, and Zadoc de prest, and Benaja de sun ov Jehuada, and dj servant Solomun, hat he

 28 †En cij David qnsred and sed, Col me Batseba. And se cam intuu de cijz prezns,

 31 ev'n so wil i sertenli duu dis da. †En Batseba bsd wid [her] fas tuu de crt, and did reverens tuu de cij, and sed, Let mj lord cij David liv for ever.
 32 And cij David sed, Col me Zadoc de prest, and Natan de profet, and Benaja de sun ov Jehuada. And da cam befór de
 33 cij. De cij also sed untu dem, Tac wid u de servants ov yr lord, and eoz Solomun mj sun tuu rjd upón mjn on mvl, and briij him dsn tuu Gihon: and let Zadoc de prest and Natan de profet anónt him dar cij over 'Israel: and blo ye wid de trumpet,
 34 and sa, God sav cij Solomun. †En ye sal cum up qfter him, dat he ma cum and sit upón mj tron; for he sal be cij in mj sted; and i hav apónted him tuu be ruler over

 36 sa so [tú]. Az de LORD hat ben wid mj lord de cij, ev'n so be he wid Solomun, and mac hiz tron grater dan de tron ov mj lord cij David.
 37 So Zadoc de prest, and Natan de profet, and Benaja de sun ov Jehuada, and de Ceretjts, and de Peletjts, went dsn, and eozd Solomun tuu rjd upón cij Davidz mvl,
 38 and brot him tuu Gihon. And Zadoc de prest tae an horn ov ol st ov de tábernae'l, and anónted Solomun. And da blu de trumpet; and ol de pep'l sed, God sav cij
 39 Solomun. And ol de pep'l cam up qfter

1 him, and de pep'l pipt wid pips, and rejóst wid grat jr, so dat de crt rent wid de ssnd ov dem.

41 And Adonija and el de gests dat [wer] wid him herd [it] az da had mad an end ov etij. And hwen Joab herd de ssnd ov de trumpet, he sed, †Hwarfor [iz dis] noz

 44 David hat mad Solomun cij. And de cij hat sent wid him Zadoc de prest, and Natan de profet, and Benaja de sun ov Jehuada, and de Ceretjts, and de Peletjts, and da hav eozd him tuu rjd upón de cijz

 47 ov de cijdum. And moreover de cijz servants cam tuu bles sr lord cij David, saij, God mac de nam ov Solomun beter dan dj nam, and mac hiz tron grater dan dj tron.
 48 And de cij bsd himsélf upón de bed. And also dus set de cij, Blesd [be] de LORD God ov 'Israel, hwiig hat giv'n [wun] tuu sit on mj tron dis da, mjn iz ev'n seij [it].

49 And el de gests dat [wer] wid Adonija wer afrál, and roz up, and went everi
 50 man hiz wa. And Adonija ferd becóz ov Solomun, and aróz, and went, and eot
 51 hold on de hornz ov de olter. And it woz told Solomun, saij, Behóld, Adonija feret cij Solomun: for, lo, he hat eot hold on de hornz ov de olter, saij, Let cij Solomun swar untu me tudá dat he wil not sla hiz

 53 wicednes sal be fsnd in him, he sal dj. So cij Solomun sent, and da brot him dsn from de olter. And he cam and bsd himsélf tuu cij Solomun: and Solomun sed untu him, Go tuu djn hss.

2 NS de daz ov David druu nj dat he fud dj; and he qarjd Solomun hiz sun, saij, †A go de wa ov ol de crt: be ds stron dar-

2 Jeter, hum he slu, and sed de blud ov wer

6 suz dat [wer] on hiz fet. Du darfor
acerdijñ tu dñ wizdum, and let not hiz hor
7 hed go dsn tu de grav in pes. But so
cjudnes untu de sunz ov Barzilai de Gil-
iadit, and let dem be ov doz dat et at dñ

8 becoz ov Absalum dñ bruder. And, behöld,
[ds hast] wid dé Ñimij de sun ov Gera,
a Benjamit ov Bahúrim, hwig eurst me

saiñ, F wil not put dé tu det wid de sord.
9 Ns darfor hold him not gittles: for ds

10 So David slept wid hiz fqderz, and woz

sev'n yerz rand he in Hebron, and terti
and tre yerz rand he in Jeruzalem.
12 AEN SAT SOLOMUN upón de tron ov
David hiz fqder; and hiz eijndum woz
13 estáblift gratli. And Adonija de sun ov
Hagit cam tu Batseba de muder ov Sol-
omun. And se sed, & Cumeest ds pesabli.
14 And he sed, Pesabli. He sed moreover, F
hav sunhwot tu sa untu dé. And se sed,
15 Sa on. And he sed, Ds noest dat de eijndum

16 it woz hiz from de LÖRD. And ns i qse
wun petifun ov dé, denj me not. And se
sed untu him, Sa on. And he sed, Spee,
i pra dé, untu Solomun de eij, (for he wil
not sa dé na,) dat he giv me 'Abisag de
18 Eumamit tu wij. And Batseba sed, Wel;
i wil spee for dé untu de eij.
19 Batseba darfor went untu eij Sol-

And de eij roz up tu me her, and bsd

20 muder; and se sat on hiz rijt hand. ðen
se sed, F deziñ wun smol petifun ov dé;
[i pra dé,] sa me not na. And de eij sed
untu her, Ase on, mñ muder: for i wil
21 not sa dé na. And se sed, Let 'Abisag de
Eumamit be giv'n tu Adonija dñ bruder
22 tu wij. And eij Solomun qnsed and sed
untu hiz muder, And i hwj dust ds qse
'Abisag de Eumamit for Adonija: qse for
him de eijndum ölso; for he [iz] mñ elder

23 prest, and for Joab de sun ov Zeruja. ðen
eij Solomun swar bj de LÖRD, saiñ, God
duu so tu me, and mor ölso, if Adonija
hav not spo'e'n dis wurd agénst hiz on
24 lij. Ns darfor, [az] de LÖRD livet, hwig
hat estáblift me, and set me on de tron ov
David mñ fqder, and hu hat mad me an

25 det dis da. And eij Solomun sent bj de

2 hand ov Benaja de sun ov Jehoadá; and
he fel upón him dat he djd.

26 And untu Abjater de prest sed de eij,
Get dé tu Anaot, untu dñ on feldz;
for ds [qrt] wurd ov det: but i wil not
at dis tñ put dé tu det, becoz ds barest
de qre ov de LÖRD Goñ befór David mñ
fqder, and becoz ds hast ben afflieted in
27 ol hwarin mñ fqder woz afflieted. So Sol-
omun trust st Abjater from beij prest
untu de LÖRD; dat he mjt falfil de wurd
ov de LÖRD, hwig he spae consérñij de hss
ov ðij in Sijlo.

28 ðen tñdijz cam tu Joab: for Joab had
turnd qfter Adonija, do he turnd not qfter
Absalum. And Joab fled untu de tábernae'l
ov de LÖRD, and eet hold on de hernz
29 ov de elter. And it woz told eij Solomun
dat Joab woz fled untu de tábernae'l ov
de LÖRD; and, behöld, [he iz] bj de elter.
ðen Solomun sent Benaja de sun ov Jeho-

30 ada, saiñ, Go, fel upón him. And Benaja cam
tu de tábernae'l ov de LÖRD, and sed un-

sed, Na; but i wil dñ her. And Benaja
brot de eij wurd agén, saiñ, ðus sed Joab,

31 and dus he qnsed me. And de eij sed
untu him, Du az he hat sel, and fel upón
him, and beri him; dat ds maest tac awá
de inösent blud, hwig Joab sed, from me,

32 and from de hss ov mñ fqder. And de
LÖRD fal retürn hiz blud upón hiz on hed,
hu fel upón tu men mor rijtus and beter
ðan he, and slu dem wid de sord, mñ fqder
David not noij [daróf, tu wit,] Abner de

and Anasa de sun ov Jeter, capten ov de

33 host ov Juda. ðar blud fal darfor retürn
upón de hed ov Joab, and upón de hed ov
hiz sed for ever: but upón David, and upón
hiz sed, and upón hiz hss, and upón hiz
tron, fal dar be pes for ever from de LÖRD.

34 So Benaja de sun ov Jehoadá went up,
and fel upón him, and slu him: and he
woz berid in hiz on hss in de wilderness.

35 And de eij put Benaja de sun ov Jehoadá
in hiz rum över de host: and Zadoc de
prest did de eij put in de rum ov Abjater.

36 And de eij sent and cold for Ñimij, and
sed untu him, Bild dé an hss in Jeruz-

Ñimij sed untu de eij, ðe saiñ [iz] gud:

39 And it cam tu pqs at de end ov tre yerz,
dat tu ov de servants ov Ñimij ran awá

And ða told Ñimij, saiñ, Behöld, dñ ser-
40 vants [be] in Gat. And Ñimij aröz, and
sad'ld hiz qs, and went tu Gat tu Aef tu
sec hiz servants: and Ñimij went, and brot

41 hiz servants from Gat. And it woz told
Solomun dat Ñimij had gon from Jeruz-

42 alem tu Gat, and woz cum agén. And de

2 cij sent and cold for Siniij, and sed untu him, & Did i not mac dé tu swar bij de LORD, and protésted untu dé, saij, No for a ser-

 45 nes upón dñ on hed; and cij Solomun [sal be] blesed, and de tron ov David sal be
 46 establiht befór de LORD for ever. So de cij comqnded Benaja de sun ov Jehoadá; hwiq went st, and fcl upón him, dat he djd. And de eindum woz establiht in de hand ov Solomun.

3 AND Solomun mad afiniti wid Faro cij ov Ejipt, and tae Faroz deder, and brot her intui de siti ov David, untíl he had mad an end ov bildij hiz on hss, and de hss ov de LORD, and de wol ov Jeruzalem rsnd

 4 sens in hī plasez.

4 And de cij went tu Gibiun tuu sacrificjz dar; for dát [woz] de grat hī plas: a tsz-

 5 dát olter. In Gibiun dñ servant David mī fader grat mersi, acorðij az he woet befór

10 And de speq plezd de LORD, dat Solomun
 11 had qset dis tñ. And God sed untu him, Becóz ds hast qset dis tñ, and hast not

 if ds wilt woe in mī waz, tuu cep mī statqts

16 Den cam dar tuu wimen, [dat wer] hqr-

 17 And de wun wuman sed, O mī lord, i and

 19 And dis wumanz gjld djd in de njt; becóz
 20 se overlád it. And se aróz at midnjt, and

 24 And de cij sed, Brij me a sord. And da

 27 horsmen. And doz ofiserz providet vit'l for cij Solomun, and for el dat cam untu cij Solomunz tab'l, everi man in hiz munt:
 28 da lact nutij. Barli elso and stro for de horsez and drúmederiz brèt da untu de plas hwar [de ofiserz] wer, everi man acerdij tu hiz çarj.
 29 And God gav Solomun wizdum and underſtándij ecesidij muç, and lqjnes ov hart, ev'n az de sand dat [iz] on de se for.
 30 And Solomunz wizdum eeseld de wizdum ov el de gildren ov de est cuntri, and el de
 31 wizdum ov Egipt. For he woz wijer dan el men; dan Eſan de Ezrajt, and Heman, and Calcol, and Dqrdá, de sunz ov Mahol: and hiz fam woz in el nafunz rñsd abêt.
 32 And he spac tre tszend proverbz: and hiz
 33 soqz wer a tszend and fjv. And he spac ov trez, from de seder tre dat [iz] in Lebanun ev'n untu de hisup dat spriget st ov de wol: he spac elso ov bests, and ov fsl, and
 34 ov crepij tijz, and ov fiſez. And dar cam ov el pep'l tu her de wizdum ov Solomun,

from el cijz ov de ert, hwiç had herd ov hiz wizdum.

5 AND Hiram cij ov Tjr sent hiz servants untu Solomun; fer he had herd dat da had anonted him cij in de rum ov hiz fqder: for Hiram woz ever a luvor ov David. And Solomun sent tu Hiram, saij,
 3. As noest hs dat David mj fqder cud not bild an hss untu de nam ov de LÖRD hiz God fer de worz hwiç wer abêt him on everi ſid, until de LÖRD put dem under de
 4 solz ov hiz fet. But ns de LÖRD mj God hat giv'n me rest on everi ſid, [so dat dar
 5 iz] neder ádverseri ner ev'l ocurent. And, behöld, i purpus tu bild an hss untu de nam ov de LÖRD mj God, az de LÖRD spac untu David mj fqder, saij, *Åi sun, hum i wil set upón dj tron in dj rum, he ſal bild an hss untu mj nam. Ns darfor comând ds dat da hy me seder trez st ov Lebanun; and mj servants ſal be wid dj servants: and untu dé wil i giv hjr for dj servants acerdij tu el dat ds ſalt apént; for ds noest dat [dar iz] not amúy us eni dat can ſeil tu hy timber lje untu de Sjdonianz.*
 7 And it cam tu pqs, hwen Hiram herd de wurdz ov Solomun, dat he rejóst gratli, and sed, Blesd [be] de LÖRD dis da, hwiç hat giv'n untu David a wjz sun över dis grat
 8 pep'l. And Hiram sent tu Solomun, saij, *Åi hav considerd de tijz hwiç ds sestent tu me for: [and] i wil dua el dj dezjr conscrnij timber ov seder, and conscrnij timber ov*
 9 *fer. Mj servants ſal brij [dem] dsn from Lebanun untu de se: and i wil convá dem bj se in flots untu de plas dat ds ſalt apént me, and wil eoç dem tu be diſçqrd dar, and ds ſalt resév [dem]: and ds ſalt acómplij mj dezjr, in givij fud for mj hsshold.*
 10 So Hiram gav Solomun seder trez and
 11 fer trez [acerdij tu] el hiz dezjr. And Solomun gav Hiram twenti tszend mezur ov hwet [for] fud tu hiz hsshold, and twenti mezur ov pur el: dus gav Solomun
 12 tu Hiram yer bj yer. And de LÖRD gav Solomun wizdum, az he promist him: and dar woz pes between Hiram and Solomun; and da tu mad a leg tugéder.
 13 And cij Solomun razd a levi st ov el 'Izrael; and de levi woz terti tszend men.
 14 And he sent dem tu Lebanun, ten tszend a munt bj eoçsez: a munt da wer in Lebanun, [and] tú munts at hom: and Adonj-
 15 ram [woz] över de levi. And Solomun had treſcor and ten tszend dat bar burd'nz, and forſcor tszend hqerz in de mntenz;
 16 beſid de çef ov Solomunz ofiserz hwiç [wer] över de wure, tre tszend and tre hundred, hwiç ruld över de pep'l dat rot in de wure.
 17 And de cij comqnded, and da brèt grat stonz, cestli stonz, [and] hyd stonz, tu la
 18 de fñsdafun ov de hss. And Solomunz bilderz and Hiramz bilderz did hy [dem], and de ston-sewarerz: so da preparð timber and stonz tu bild de hss.
 6 And it cam tu pqs in de for hundred and atiet yer qfter de gildren ov 'Izrael

6 wer cum st ov de land ov Egipt, in de fort yer ov Solomunz ran over 'Izrael, in de munt Zif, hwiç [iz] de secund munt, dat he begán tui bild de hss ov de LORD.

2 And de hss hwiç ein Solomun bilt for de LORD, de lejt daróf [woz] trescor cubits, and de bredt daróf twenti [cubits], and de 3 hjt daróf terti cubits. And de porg befór de temp'l ov de hss, twenti cubits [woz] de lejt daróf, acordij tui de bredt ov de hss; [and] ten cubits [woz] de bredt daróf befór 4 de hss. And for de hss he mad windoz ov 5 narø ljt. And agénst de wol ov de hss he bilt gamberz rñsd abst, [agénst] de wol ov de hss rñsd abst, [bot] ov de temp'l and ov de oracl: and he mad gamberz 6 rñsd abst: de nedermost gamber [woz] fiv cubits brod, and de mid'l [woz] sies cubits brod, and de terd [woz] sev'n cubits brod: for widst [in de wol] ov de hss he mad narod rests rñsd abst, dat [de bemz] sud 7 not be fqs'nd in de wol ov de hss. And de hss, hwen it woz in bildij, woz bilt ov ston mad redi befór it woz bret dider: so dat dar woz neder humer nor aes [nor] eni tui ov jurn herd in de hss, hwil it woz in 8 bildij. [de dor for de mid'l gamber [woz] in de rjt sid ov de hss: and da went up wid windij starz intui de mid'l [gamber], 9 and st ov de mid'l intui de terd. So he bilt de hss, and finift it; and cuverd de 10 hss wid bemz and bordz ov seder. And [den] he bilt gamberz agénst ol de hss, fiv cubits hj; and da rested on de hss wid timber ov seder.

11 And de wurd ov de LORD cam tui Solomun, sain, [Concernij] dis hss hwiç ds qrt in bildij, if ds wilt woe in mi statuts, and esecut mi jujments, and cep ol mi comndments tui woe in dem; den wil i perferm mi wurd wid dé, hwiç i spae untui David di 12 fqder: and i wil dwel amáñ de gildren ov 'Izrael, and wil not forsae mi pep'l 'Izrael.

14 So Solomun bilt de hss, and finift it. 15 And he bilt de wol ov de hss widin wid bordz ov seder, bot de flor ov de hss, and de wol ov de selij: [and] he cuverd [dem] on de insjd wid wud, and cuverd de flor 16 ov de hss wid plazes ov fer. And he bilt twenti cubits on de sjdz ov de hss, bot de flor and de wol wid bordz ov seder: he ev'n bilt [dem] for it widin, [ev'n] for de 17 oracl, [ev'n] for de most holi [plas]. And de hss, dát [iz], de temp'l befór it, woz 18 ferti cubits [høj]. And de seder ov de hss widin [woz] eqrvd wid nops and op'n flserz: ol [woz] seder; dar woz no ston 19 sen. And de oracl he prepar'd in de hss widin, tui set dar de gre ov de cuvenant ov 20 de LORD. And de oracl in de forpart [woz] twenti cubits in lejt, and twenti cubits in bredt, and twenti cubits in de hjt daróf: and he overlád it wid pur gold; and [so] cuverd de olter [hwiç woz ov] 21 seder. So Solomun overlád de hss widin wid pur gold: and he mad a partijun bi de ganz ov gold befór de oracl; and he 22 overlád it wid gold. And de hol hss he

6 overlád wid gold, untíl he had finift ol de hss: also de hol olter dat [woz] bi de oracl he overlád wid gold.

23 And widin de oracl he mad tui gerubim 24 [ov] oliv tre, [eg] ten cubits hj. And fiv cubits [woz] de wun wij ov de gerub, and fiv cubits de uder wij ov de gerub: from de utermost part ov de wun wij untui de utermost part ov de uder [wer] ten cubits. 25 And de uder gerub [woz] ten cubits: bot de gerubim [wer] ov wun mezur and wun 26 siz. [de hjt ov de wun gerub [woz] ten cubits, and so [woz it] ov de uder gerub. 27 And he set de gerubim widin de iner hss: and da streç fort de wijz ov de gerubim, so dat de wij ov de wun tugt de [wun] wol, and de wij ov de uder gerub tugt de uder wol; and dar wijz tugt wun anúder 28 in de midst ov de hss. And he overlád de gerubim wid gold.

29 And he eqrvd ol de wol ov de hss rñsd abst wid eqrvd figqz ov gerubim and pqm 30 trez and op'n flserz, widin and widst. And de flor ov de hss he overlád wid gold, widin and widst.

31 And for de enterij ov de oracl he mad dorz [ov] oliv tre: de lintel [and] sid posts 32 [wer] a fift part [ov de wol]. de tui dorz also [wer ov] oliv tre; and he eqrvd upón dem eqrvijz ov gerubim and pqm trez and op'n flserz, and overlád [dem] wid gold, and spred gold upón de gerubim, and upón 33 de pqm trez. So also mad he for de dor ov de temp'l posts [ov] oliv tre, a fort part 34 [ov de wol]. And de tui dorz [wer ov] fer tre: de tui lezv ov de wun dor [wer] foldij, and de tui lezv ov de uder dor [wer] foldij. 35 And he eqrvd [darón] gerubim and pqm trez and op'n flserz: and cuverd [dem] wid 36 gold fited upón de eqrvd wure. And he bilt de iner cort wid tre roz ov hyd ston, and a ro ov seder bemz.

37 In de fort yer woz de fsndaun ov de hss 38 ov de LORD lad, in de munt Zif: and in de elévnt yer, in de munt Bul, hwiç [iz] de att munt, woz de hss finift truést ol de partis daróf, and acordij tui ol de fajuñ ov it. So woz he sev'n yerz in bildij it.

7 But Solomun woz bildij hiz on hss tertén yerz, and he finift ol hiz hss.

2 He bilt also de hss ov de forest ov Lebanon; de lejt daróf [woz] an hundred cubits, and de bredt daróf fifti cubits, and de hjt daróf terti cubits, upón for roz ov seder 3 pilersz, wid seder bemz upón de pilersz. And [it woz] cuverd wid seder abáv upón de bemz, dat [la] on forti-fiv pilersz, fitten [in] 4 a ro. And [dar wer] windoz [in] tre roz, and ljt [woz] agénst ljt [in] tre rages. 5 And ol de dorz and posts [wer] sewar, wid de windoz: and ljt [woz] agénst ljt 6 [in] tre rages. And he mad a porg ov pilersz; de lejt daróf [woz] fifti cubits, and de bredt daróf terti cubits: and de porg [woz] befór dem: and de [uder] pilersz and 7 de tie beam [wer] befór dem. Den he mad a porg for de tron hwar he mjt juj, [ev'n] de porg ov jujment: and [it woz] cuverd

7 wid seder from wun sijd ov de flør tuu de uder. (s) And hiz hss hwar he dwelt [had] anüder-cort widin de porg, [hwig] woz ov de lje wure.

Solomun mad also an hss fer Faröz deter, hum he had tac'n [tui wif], lje untu dis porg.

9 Ol dez [wer ov] cestli stonz, acording tuu de mezurz ov hüd stonz, sed wid sez, widin and widst, ev'n from de fsndajun untu de copin, and [so] on de stsid tord de grat cort. And de fsndajun [woz ov] cestli stonz, ev'n grat stonz, stonz ov ten eubits, and stonz ov at eubits. And abuv [wer] cestli stonz, qfter de mezurz ov hüd stonz, and sederz. And de grat cort rsnd abst [woz] wid tre roz ov hüd stonz, and a ro ov seder bemz, bot fer de iner cort ov de hss ov de LÖRD, and fer de porg ov de hss.

13 And ein Solomun sent and fezt Hiram st 14 ov Tjr. He [woz] a widöz sun ov de trij ov Naftali, and hiz fader [woz] a man ov Tjr, a wurcer in brqs: and he woz fild wid wizdum, and understanding, and eunij tuu wure el wures in brqs.

And he cam tuu ein Solomun, and rot el 15 hiz wure. Fer he eqst tü pilerz ov brqs, ov aten eubits hj apes: and a ljin ov twelv 16 eubits did cumpas eder ov dem abst. And he mad tü gapiterz [ov] molt'n brqs, tuu set upön de tops ov de pilerz: de hjt ov de wun gapiter [woz] fiv eubits, and de hjt ov 17 de uder gapiter [woz] fiv eubits: [and] nets ov geecer wure, and redz ov gan wure, for de gapiterz hwig [wer] upön de top ov de pilerz; sev'n fer de wun gapiter, and sev'n 18 fer de uder gapiter. And he mad de pilerz, and tü roz rsnd abst upön de wun netwure, tuu cuver de gapiterz dat [wer] upön de top, wid pumgranets: and so did he 19 fer de uder gapiter. And de gapiterz dat [wer] upön de top ov de pilerz [wer] ov 20 lili wure in de porg, for eubits. And de gapiterz upön de tü pilerz [had] pumgranets] also abuv, over agünst de beli hwig [woz] bj de netwure: and de pumgranets [wer] tü hundred in roz rsnd 21 abst upön de uder gapiter. And he set up de pilerz in de porg ov de temp'l: and he set up de rjt piler, and celd de nam darof Jacin: and he set up de left piler, and celd 22 de nam darof Boaz. And upön de top ov de pilerz [woz] lili wure: so woz de wure ov de pilerz finift.

23 And he mad a molt'n se, ten eubits from de wun brim tuu de uder: [it woz] rsnd ol abst, and hiz hjt [woz] fiv eubits: and a ljin ov tertii eubits did cumpas it rsnd abst. 24 And under de brim ov it rsnd abst [dar wer] nops cumpasin it, ten in a eubit, cumpasin de se rsnd abst: de nops [wer] eqst 25 in tü roz, hwen it woz eqst. It stad upön twelv oes'n, tre laciñ tord de nort, and tre laciñ tord de west, and tre laciñ tord de est, and tre laciñ tord de est: and de se [woz set] abuv upön dem, and el dar hinder 26 pqrts [wer] inwerd. And it [woz] an hand bredt tic, and de brim darof woz ret lje de 29*

7 brim ov a cup, wid flserz ov liliz: it contánd tü tszend bqdz.

27 And he mad ten basez ov brqs; for eubits [woz] de lejt ov wun bas, and for eubits de bredt darof, and tre eubits de hjt ov it. 28 And de wure ov de basez [woz] on dis [maner]: da had borderz, and de borderz 29 [wer] betwén de lejez: and on de borderz dat [wer] betwén de lejez [wer] ljunz, oes'n, and gerubim: and upön de lejez [dar woz] a bas abuv: and benet de ljunz and oes'n [wer] serten adifunz mad ov tin wure. 30 And everi bas had for braz'n hwelz, and plats ov brqs: and de for cornerz darof had underseterz: under de laver [wer] underseterz molt'n, at de sijd ov everi adifun. 31 And de mst ov it widin de gapiter and abuv [woz] a eubit: but de mst darof [woz] rsnd [qfter] de wure ov de bas, a eubit and an hqf: and also upön de mst ov it [wer] gravijz wid dar borderz, for- 32 sewar, not rsnd. And under de borderz [wer] for hwelz; and de aes'l'trez ov de hwelz [wer] jond] tuu de bas: and de hjt ov 33 a hwel [woz] a eubit and hqf a eubit. And de wure ov de hwelz [woz] lje de wure ov a garut hwel: dar aes'l'trez, and dar navz, and dar feloz, and dar spoes, [wer] ol 34 molt'n. And [dar wer] for underseterz tuu de for cornerz ov wun bas: [and] de underseterz [wer] ov de veri bas itself. 35 And in de top ov de bas [woz dar] a rsnd cumpas ov hqf a eubit hj: and on de top ov de bas de lejez darof and de borderz 36 darof [wer] ov de sam. For on de plats ov de lejez darof, and on de borderz darof, he gravid gerubim, ljunz, and pqm trez, acording tuu de proporjun ov everi wun, and adifunz 37 rsnd abst. After dis [maner] he mad de ten basez: ol ov dem had wun eqstij, wun 38 mezur, [and] wun siz. Den mad he ten laverz ov brqs: wun laver contánd ferti bqdz: [and] everi laver woz for eubits: [and] upön everi wun ov de ten basez wun 39 laver. And he put fiv basez on de rjt sijd ov de hss, and fiv on de left sijd ov de hss: and he set de se on de rjt sijd ov de hss estwerd over agünst de sst.

40 And Hiram mad de laverz, and de fuvelz, and de bas'nz. So Hiram mad an end ov duwijn el de wure dat he mad ein Solomun 41 fer de hss ov de LÖRD: de tü pilerz, and de [tü] bolz ov de gapiterz dat [wer] on de top ov de tü pilerz; and de tü netwures, tuu cuver de tü bolz ov de gapiterz 42 hwig [wer] upön de top ov de pilerz; and for hundred pumgranets fer de tü netwures, [ev'n] tü roz ov pumgranets fer wun netwure, tuu cuver de tü bolz ov de 43 gapiterz dat [wer] upön de pilerz; and de 44 ten basez, and ten laverz on de basez; and wun se, and twelv oes'u under de se; and 45 de pots, and de fuvelz, and de bas'nz: and el dez veselz, hwig Hiram mad tuu ein Solomun fer de hss ov de LÖRD, [wer ov] brit 46 brqs. In de plan ov Jordan did de ein eqst dem, in de cla grsnd betwén Sueot and 47 Zartau. And Solomun left el de veselz

7 [unwád], becóz da wer eesedij meni: neder woz de wat ov de brqs fínd st.

48 And Solomun mad ol de veselz dat [per-
tánd] untu de hss ov de LORD: de olter ov
gold, and de tab'l ov gold, hwarupón dr sò-
bred [woz], and de cand'lstics ov pur gold, fiv
on de rjt [síd], and fiv on de left, befór de
orac'l, wid de flserz, and de lamps, and de
50 toyz [ov] gold, and de bolz, and de smuferz,
and de bas'nz, and de spunz, and de senserz
[ov] pur gold; and de hünjez [ov] gold,
[bot] for de dorz ov de iner hss, de most

51 So woz ended ol de wure dat ein Solomun

dedicated; [ev'n] de silver, and de gold,
and de veselz, did he put amún de trezurz
ov de hss ov de LORD.

8 DEN Solomun asémb'ld de elderz ov

5 de Levits briç up. And ein Solomun, and

7 de qerubim. For de qerubim spred fòrt
[dar] tú winz over de plas ov de qre, and
de qerubim cuverd de qre and de stavz daróf

8 abúv. And da dru st de stavz, dat de endz

10 And it cam tu pqs, hwen de prests wer

11 hss ov de LORD, so dat de prests eud not
stand tu minister becóz ov de elsd: for de
glori ov de LORD had fild de hss ov de LORD.

12 Den spae Solomun, de LORD sed dat he

16 fulfild [it], saiy, Sins de da dat i brot fort

8 mj pep'l 'Israel st ov Ejipt, i goz no siti

dat mj nam mjt be darin; but i goz David
17 tu be over mj pep'l 'Israel. And it woz in
de hqrt ov David mj fqder tu bild an hss
for de nam ov de LORD God ov 'Israel.

18 And de LORD sed untu David mj fqder,
Ilwarás it woz in dñn hqrt tu bild an hss

22 And Solomun stud befór de olter ov de
LORD in de preçens ov ol de congregafun

23 And he sed, LORD God ov 'Israel, [dar

tu giv him acórdij tu hiz rjtyuses.

33 Hwen dj pep'l 'Israel be smit'n dsn befór

54 And it woz [so], dat hwen Solomun had mad an end ov praig ol dis prar and suplicafun untu de LORD, he aróz from befór de olter ov de LORD, from neliq on hiz nez wid hiz handz spred up tu hev'n.

55 And he stud, and blest ol de congregafun

62 And de cin, and ol 'Izrael wið him, oferd

oferd untu de LORD, tñ and twenti tszend oes'n, and an hundred and twenti tszend

66 And at dát tijn Solomun held a fest, and ol 'Izrael wid him, a grat congregafun,

from de enterinq in ov Hamat untu de river ov Egipt, befór de LORD sr God,

67 sev'n daz and sev'n daz, [ev'n] fortén daz.

68 .On de att da he sent de pep'l awá: and da blest de cin, and went untu dar tents

69 jofal and glad ov hqrt fer ol de gadnes dat de LORD had dun fer David hiz ser-

vant, and fer 'Izrael hiz pep'l.

9 AND it cam tu pqs, hwen Solomun had finist de bildiq ov de hss ov de LORD, and

de cinz hss, and ol Solomunz dezjr hwiç he 2 woz plezd tu du, dat de LORD apérd tu

9 Solomun de secund tijn, az he had apêrd untu him at Gibian.

3 And de LORD sed untu him, † hav herd dî prar and dî supplicafun, dat ds hast mad befôr me: i hav halod dis hss, hwiç ds hast bilt, tu put mî nam dar for ever; and min iz and min hqrt fal be dar per-
4 pêtuali. And if ds wilt woe befôr me, az David dî fqder woet, in integriti ov hqrt, and in ûprîtnes, tu du acording tu ol dat i hav comanded dê, [and] wilt cep mî statuts and mî jujments: den i wil estâblîf de tron ov dî eijdmun upôn 'Izrael for ever, az i promist tu David dî fqder, saig, dar fal not fal dê a man upôn de tron ov
6 'Izrael. [But] if ye fal at ol turn from fôloig me, ye ov up gildren, and wil not cep mî comjndments [and] mî statuts hwiç i hav set befôr u, but go and serv uder godz,
7 and wurfip dem: den wil i cut of 'Izrael st ov de land hwiç i hav giv'n dem; and dis hss, hwiç i hav halod for mî nam, wil i eqst st ov mî sît; and 'Izrael fal be a proverb and a biyurd amûig ol pep'l:
8 and at dis hss, [hwiç] iz hî, everi wun dat pqset bi it fal be astônîst, and fal his; and da fal sa, † Hwiç hat de LORD dun dus
9 untu dis land, and tu dis hss: and da fal quser, Becôz da forsûc de LORD dar God, hu brot fort dar fqderz st ov de land ov
10 'Ejypt, and hav tac'n hold upôn uder godz, and hav wurfipt dem, and servd dem: darfor hat de LORD brot upôn dem ol dis ev'l.

10 And it cam tu pqz at de end ov twenti yers, hwen Solomun had bilt de tû hszez,
11 de hss ov de LORD, and de eijz hss. ([n's] Hîram de eij ov Tîr had furnîst Solomun wid seder trez and fer trez, and wid gold, acording tu ol hiz dezîr,) dat den eij Solomun gav Hîram twenti sitiz in de land
12 ov Galile. And Hîram cam st from Tîr tu se sitiz hwiç Solomun had giv'n him;
13 and da plezd him not. And he sed, † Hwot sitiz [qr] dez hwiç ds hast giv'n me, mî bruder. And he eold dem de land ov Cabul
14 untu dis da. And Hîram sent tu de eij siesseor talents ov gold.

15 And dis [iz] de rez'n ov de levi hwiç eij Solomun razd; for tu bild de hss ov de LORD, and hiz on hss, and Milo, and de wol ov Jeruzalem, and Hazor, and Megido, and Gezer. [For] Faro eij ov 'Ejypt had gon up, and tac'n Gezer, and burnt it wid fîr, and slan de Cînaamîts dat dwelt in de sitî, and giv'n it [for] a prezent untu
17 hiz doter, Solomunz wîf. And Solomun bilt Gezer, and Beî-horon de neder, and Baalat, and Tadmor in de wilderness, in de
19 land, and ol de sitiz ov stor dat Solomun had, and sitiz for hiz gariats, and sitiz for hiz horsmen, and dat hwiç Solomun dezîrd tu bild in Jeruzalem, and in Lebanon,
20 and in ol de land ov hiz dominyun. [And] ol de pep'l [dat wer] left ov de Amorîts, Hitîts, Perîzîts, Hîvîts, and Jebuzîts, hwiç
21 [wer] not ov de gildren ov 'Izrael, dar gildren dat wer left qfter dem in de land, humn

9 de gildren ov 'Izrael also wer not ab'l ulerli tu destrô, upôn doz did Solomun levi a
22 tribut ov bond servis untu dis da. But ov de gildren ov 'Izrael did Solomun mac no bondmen: but da [wer] men ov wor, and hiz servants, and hiz prinsez, and hiz cap-
23 tenz, and rulerz ov hiz gariats, and hiz horsmen. † Iz [wer] de gef ov de ofiserz dat [wer] over Solomunz wure, fîv hundred
and fifti, hwiç bar rul over de pep'l dat rot in de wure.

24 But Farozer deter cam up st ov de siti ov David untu her hss hwiç [Solomun] had bilt for her: den did he bild Milo.

25 And tre tînz in a yer did Solomun ofer burnt oferînz and pes oferînz upôn de olter hwiç he bilt untu de LORD, and he burnt insens upôn de olter dat [woz] befôr de LORD. So he finîst de hss.

26 And eij Solomun mad a navi ov sips in Ezion-geber, hwiç [iz] besîd Elot, on de for
27 ov de Red Se, in de land ov Edum. And Hîram sent in de navi hiz servants, sipmen dat had nolej ov de se, wid de servants ov
28 Solomun. And da cam tu Ofer, and fect from dens gold, for hundred and twenti talents, and brot [it] tu eij Solomun.

10 AND hwen de ewen ov Seba herd ov de fam ov Solomun consérnîg de nam ov de LORD, se cam tu pruv him wid hqrd
2 ewestyunz. And se cam tu Jeruzalem wid a veri grat tran, wid camelz dat bar spîsez, and veri mug gold, and presus stonz: and hwen se woz eum tu Solomun, se comûnd wid him ov ol dat woz in her
3 hqrt. And Solomun told her el her ewest-
yunnz: dar woz not [eni] tîj hid from de
4 eij, hwiç he told her not. And hwen de ewen ov Seba had sen el Solomunz wiz-
5 duun, and de hss dat he had bilt, and de met ov hiz tab'l, and de sitîg ov hiz ser-
vants, and de atêndens ov hiz minîsterz, and dar apêrel, and hiz eup-barerz, and hiz asênt bi hwiç he went up untu de hss ov
6 de LORD; dar woz no moor spirit in her.
7 And se sed tu de eij, It woz a tru repôrt dat i herd in min on land ov dî acts and
7 ov dî wîzdm. † Isbeit i belêvd not de wurdz, untî i cam, and min iz had sen
[it]: and, behôld, de hqf woz not told me: dî wîzdm and prosperiti ecesdet de fam
8 hwiç i herd. Hapi [qr] dî men, hapi [qr] dez dî servants, hwiç stand contînuâli befôr
9 dê, [and] dat her dî wîzdm. Blessed be de LORD dî God, hwiç delîjt in dê, tu set
dê on de tron ov 'Izrael: becôz de LORD luvd 'Izrael for ever, darfor mad he dê eij,
10 tu du jujment and justis. And se gav de eij an hundred and twenti talents ov gold,
and ov spîsez veri grat stor, and presus stonz: dar cam no moor sug abûndans ov
spîsez az dez hwiç de ewen ov Seba gav tu eij Solomun.

11 And de navi also ov Hîram, dat brot gold from Ofer, brot in from Ofer grat plenti ov almug trez, and presus stonz.

12 And de eij mad ol de almug trez pilierz for de hss ov de LORD, and for de eijz hss,

10 hqrsps also and solteriz for sijerz : dar cam no suq almgug trez, nor wer sen untu dis 13 da. And cij Solomun gav untu de ewen ov Zeba el her dezjr, hwotsoéver je qset, besjd [dát] hwiq Solomun gav her ov hiz roal bsnti. So je turnd and went tu her on cuntri, je and her servants.

14 Ns de wat ov gold dat cam tu Solomun in wun yer woz sies hundred trescor and 15 sies talents ov gold, besjd [dát] he had ov de mercantmen, and ov de trafic ov de spjs mercants, and ov ol de cijz ov Arabia, and ov de guvernerz ov de cuntri.

16 And cij Solomun mad tú hundred tqrgets [ov] bet'n gold: sies hundred [jeelz] 17 ov gold went tu wun tqrget. And [he mad] tre hundred feldz [ov] bet'n gold; tre psnd ov gold went tu wun feld: and de cij put dem in de hss ov de forest ov Lebanon.

18 Morover de cij mad a grat tron ov jvuri, 19 and overlád it wid de best gold. De tron had sies steps, and de top ov de tron [woz] rsnd behind: and [dar wer] staz on eder sjd on de plas ov de set, and tú ljunz stad 20 besjd de staz. And twelv ljunz stad dar on de wun sjd and on de uder upón de sies steps: dar woz not de lje mad in eni 21 cijdum. And ol cij Solomunz dringcij veselz [wer ov] gold, and ol de veselz ov de hss ov de forest ov Lebanon [wer ov] pur gold; nun [wer ov] silver: it woz nutig acsnted 22 ov in de daz ov Solomun. Fer de cij had at se a navi ov Tqršij wid de navi ov Hiram: wuns in tre yerz cam de navi ov Tqršij, brinig gold, and silver, jvuri, and aps, and pceocs.

23 So cij Solomun ceseded ol de cijz ov de 24 ert fer ricez and for wizdum. And ol de ert set tu Solomun tu her hiz wizdum, hwiq 25 God had put in hiz hqrt. And da brot everi man hiz prezent, veselz ov silver, and veselz ov gold, and garmments, and qrmur, and spisez, horsez, and mjlz, a rat yer bj yer.

26 And Solomun gaderd tugéder caruuts and hersmen: and he had a tszend and for hundred caruuts, and twelv tszend hersmen, hum he bestód in de sitiz fer caruuts, and wid de cij at Jeruzalem.

27 And de cij mad silver [tu be] in Jeruzalem az stonz, and sederz mad he [tu be] az de sicamor trez dat [qr] in de val, fer 28 abundans. And Solomun had hersez brot st ov Ejipt, and linen yqrn : de cijz mercants 29 resévd de linen yqrn at a pris. And a caruut cam up and went st ov Ejipt fer sies hundred [jeelz] ov silver, and an hers for an hundred and fifti: and so for ol de cijz ov de Hitjts, and for de cijz ov Siria, did da brig [dem] st bj dar menz.

11 BUT cij Solomun luvd meni stranj 1 wimen, tugéder wid de deter ov Faro, wimen ov de Moabjts, Amunjts, Edumjts, 2 Zidonianz, [and] Hitjts; ov de nasunz [consérnij] hwiq de Lord sed untu de gildren ov 'Izrael, Ye sal not go in tu dem, neder sal da eum in untu q: [for] furli da wil turn awá ur hqrt qfter dar godz :

11 Solomun clav untu dez in luv. (3) And he had sev'n hundred wjvz, prinsescz, and tre hundred cogeubjnz : and hiz wjvz turnd 4 awá hiz hqrt. Fer it cam tu pqs, hwen Solomun woz old, [dat] hiz wjvz turnd awá hiz hqrt qfter uder godz : and hiz hqrt woz not perfect wid de Lord hiz God, 5 az [woz] de hqrt ov David hiz fqder. For Solomun went qfter Aftoret de godes ov de Zjdonianz, and qfter Milcom de abomin- 6 afun ov de Amunjts. And Solomun did ev'l in de sjt ov de Lord, and went not fulli qfter de Lord, az [did] David hiz 7 fqder. Den did Solomun bild an hj plas fer Cemoš, de abominafun ov Moob, in de hil dat [iz] befór Jeruzalem, and for Mo- lee, de abominafun ov de gildren ov Amun. 8 And liewjz did he fer el hiz stranj wjvz, hwiq burnt insens and sacrificz untu dar godz.

9 And de Lord woz agpri wid Solomun, becóz hiz hqrt woz turnd from de Lord God ov 'Izrael, hwiq had opérd untu him 10 twjs, and had comqnded him consérnij dis tij, dat he sud not go qfter uder godz: but he cept not dát hwiq de Lord com- 11 qnded. Hwarfor de Lord sed untu Solomun, Ferazmúg az dis iz dun ov dé, and ds hast not cept mj euvenant and mj statuts, hwiq i hav comqnded dé, i wil furli rend de cijdum from dé, and wil giv 12 it tu dj servant. Notwidstándij in dj daz i wil not duu it for David dj fqderz sac: [but] i wil rend it st ov de hand ov dj sun. 13 Hsbeit i wil not rend awá ol de cijdum; [but] wil giv wun trib tu dj sun for David mj servants sac, and for Jeruzalemz sac hwiq i hav goz'n.

14 And de Lord sterd up an ádverseri un- 15 tutu Solomun, Hadad de Edumjt: he [woz] 15 ov de cijz sed in Edum. Fer it cam tu pqs, hwen David woz in Edum, and Joab de capten ov de host woz gon up tu beri de slan, qfter he had smit'n everi mal in 16 Edum; (fer sies munts did Joab remán dar wid ol 'Izrael, untill he had cut of everi 17 mal in Edum:) dat Hadad fled, he and ser- ten Edumjts ov hiz fqderz servants wid him, tu go intu Ejipt; Hadad [beij] yet 18 a lit'l gild. And da aróz st ov Midian, and cam tu Paran: and da tue men wid dem st ov Paran, and da cam tu Ejipt, untu Faro cij ov Ejipt: hwiq gav him an hss, and aponted him vit'lz, and gav him land. 19 And Hadad fsnd grat favur in de sjt ov Faro, so dat he gav him tu wjf de sister ov hiz on wjf, de sister ov Tapenez de ewen. 20 And de sister ov Tapenez bar him Genúbat hiz sun, hum Tapenez wend in Faroz hss: and Genúbat woz in Faroz hsshhold amún de sunz ov Faro.

21 And hwen Hadad herd in Ejipt dat Da- vid slept wid hiz fqderz, and dat Joab de capten ov de host woz ded, Hadad sed tu Faro, Let me depqrt, dat i ma go tu mjn 22 on cuntri. Den Faro sed untu him, But i hwot hast ds laet wid me, dat, behóld, ds secest tu go tu dñ on cuntri. And he

11 qnserd, Nulig: hsbeit let me go in eni wjz.

23 And God sterd him up [anúder] ádverseri, Rezon de sun ov Eljadá, hwiç fled from
24 hiz lord Hadadezer ein ov Zoba: and he gaderd men untu him, and breám capten over a band, hwen David slui dem [ov Zoba]: and ða went tu Damáscus, and
25 dwelt darín, and rand in Damáscus. And he woz an ádverseri tu 'Israel ol de daz ov Solomun, besíd ðe misçef ðat Hadad [did]: and he abhórd 'Israel, and rand over Siria.

26 And Jeroboam de sun ov Nebat, an Efratít ov Zerodo, Solomunz servant, huiz muderz nam [woz] Zeruia, a wido wumán, ev'n he
27 lifted up [hiz] hand agénst de ein. And ðis [woz] de coz ðat he lifted up [hiz] hand agénst de ein: Solomun bilt Milo, [and] repárd de breçez ov de siti ov David hiz
28 fqder. And ðe man Jeroboam [woz] a mjtí man ov valur: and Solomun seiñ ðe yuñ man ðat he woz industrius, he maad him ruler over ol de çarj ov de hss ov Jozeñ.

29 And it cam tu pqz at dát tñ hwen Jeroboam went st ov Jeruzalem, ðat ðe profet Ahija de Sijonjt fsnd him in de wa; and he had elad himsélf wid a nu çarment; and ða
30 túa [wer] alón in de feld: and Ahija cot de nu çarment ðat [woz] on him, and rent
31 it [in] twely pesez: and he sed tu Jeroboam, Tac ðe ten pesez: for ðus set ðe Lórd, de God ov 'Israel, Behóld, i wil rend de eiñdum st ov de hand ov Solomun,
32 and wil giv ten trijb tu ðe: (but he ðal hav wun trijb for mñ servant Davidz sac, and for Jeruzalemz sac, ðe siti hwiç i hav
33 goz'n st ov ol de trijb ov 'Israel:) becóz ðat ða hav forsac'n me, and hav wurfsipt Aftoret ðe godes ov de Zijdonianz, Cemof ðe god ov de Moabjts, and Mileom ðe god ov de çildren ov Amun, and hav not weet in mñ waz, tu du [dát hwiç iz] rjt in mñ jz, and [tu eep] mñ statuts and mñ juj-

34 ments, az [ðid] David hiz fqder. Hsbeit i wil not tac ðe hol eiñdum st ov hiz hand: but i wil mae him prins ol de daz ov hiz ljt for David mñ servants sac, hum i goz, becóz he cept mñ comqndments and mñ
35 statuts: but i wil tac ðe eiñdum st ov hiz sunz hand, and wil giv it untu ðe, [ev'n]
36 ten trijbz. And untu hiz sun wil i giv wun trijb, ðat David mñ servant ma hav a ljt olwa befór me in Jeruzalem, ðe siti hwiç
37 i hav goz'n me tu put mñ nam dar. And i wil tac ðe, and ðs falt ran acorðj tu ol ðat ði sol deziñet, and falt be ein over 'Israel.
38 And it ðal be, if ðs wilt hqre'n untu ol ðat i comqnd ðe, and wilt woe in mñ waz, and du [dát iz] rjt in mñ sjt, tu eep mñ statuts and mñ comqndments, az David mñ servant did; ðat i wil be wid ðe, and bilt ðe a fur hss, az i bilt for David, and
39 wil giv 'Israel untu ðe. And i wil for ðis ofset ðe sed ov David, but not for ever.
40 Solomun sot darfor tu cil Jeroboam. And Jeroboam aróz, and fled intu Ejipt, untu Sijac ein ov Ejipt, and woz in Ejipt untíl ðe det ov Solomun.

11 41 And de rest ov ðe acts ov Solomun, and ol ðat he did, and hiz wízdum, i [qr] ða not rit'n in de buce ov ðe acts ov Solomun.
42 And de tñ ðat Solomun rand in Jeruz-
43 alem over ol 'Israel [woz] forti yez. And Solomun slept wid hiz fqderz, and woz berid in de siti ov David hiz fqder: and Rehoboam hiz sun rand in hiz sted.

12 AND REHOBAM went tu Secem: for ol 'Israel wer cum tu Secem tu mae him ein.

2 And it cam tu pqz, hwen Jeroboam ðe sun ov Nebat, hu woz yet in Ejipt, herd [ov it], (for he woz fled from de prezens ov ein Solomun, and Jeroboam dwelt in Ejipt;) 3 .ðat ða sent and cold him. And Jeroboam and ol ðe coggregafun ov 'Israel cam, and 4 spae untu Rehoboam, saig, .ðj fqder maad sr yoc grevus: ns darfor mae ðs de grevus servis ov ðj fqder, and hiz hevi yoc hwiç he put upón us, ljtér, and we wil serv ðe.
5 And he sed untu dem, Depárt yet [for] tre daz, ðen cum agén tu me. And ðe pep'l departed.

6 And ein Rehoboam consúted wíð ðe old men, ðat stud befór Solomun hiz fqder hwil he yet livd, and sed, i Hs du y advjz 7 ðat i ma qnsr ðis pep'l. And ða spae untu him, saig, If ðs wilt be a servant untu ðis pep'l ðis da, and wilt serv ðem, and qnsr dem, and spee guad wurdz tu dem, ðen ða wil be ðj servants for ever.

8 But he forsúde esnsel ov ðe old men, hwiç ða had giv'n him, and consúted wíð ðe yuñ men ðat wer gron up wíð him, 9 [and] hwiç stud befór him: and he sed untu dem, i Hwot esnsel giv ye ðat we ma qnsr ðis pep'l, hu hav spo'e'n tu me, saig, Mac ðe yoc hwiç ðj fqder did put upón 10 us ljtér. And ðe yuñ men ðat wer gron up wíð him spae untu him, saig, ðus falt ðs spee untu ðis pep'l ðat spae untu ðe, saig, .ðj fqder maad sr yoc hevi, but mae ðs [it] ljtér untu us; ðus falt ðs sa untu dem, Mj lit'l [finger] ðal be ticer 11 ðan mñ fqderz lenz. And ns hwarás mñ fqder did lad u wíð a hevi yoc, i wil ad tu yr yoc: mñ fqder hat çastjz u wíð hwips, but i wil çastjz u wíð scoriunz.

12 So Jeroboam and ol ðe pep'l cam tu Rehoboam ðe terd da, az ðe ein had aponted, saig, Cum tu me agén ðe terd 13 da. And de ein qnserd ðe pep'l rufli, and forsúde ðe old menz esnsel ðat ða gav 14 him; and spae tu dem after ðe esnsel ov ðe yuñ men, saig, Mj fqder maad yr yoc hevi, and i wil ad tu yr yoc: mñ fqder [olso] çastjz u wíð hwips, but i wil çastjz u wíð scoriunz.

15 Hwarfor ðe ein hqre'nd not untu ðe pep'l; for ðe coz woz from ðe Lórd, ðat he mjt perfm hiz saig, hwiç ðe Lórd spae bi Ahija ðe Sijonjt untu Jeroboam 16 ðe sun ov Nebat. So hwen ol 'Israel so ðat ðe ein hqre'nd not untu dem, ðe pep'l qnsrd ðe ein, saig, i Hwot perfun hav we in David: neder [hav we] inheritans in de sun ov Jese: tu yr tents, o

12 'Israel: n̄ se tui d̄in on h̄ss, David. So 'Israel departed untui dar tents, (17) But [az f̄er] de gildren ov 'Israel h̄wig dwelt in de sitiz ov J̄yda, Rehoboam rand over dem.

18 'Aen ein Rehoboam sent Adoram, hui [woz] over de tribut; and el 'Israel stōnd him wið stonz, dat he d̄jd. Darfor ein Rehoboam mad sped tui get him up tui hiz 19 çariut, tui fle tui Jeruzalem. So 'Israel rebēld agēst de h̄ss ov David untui d̄is da. 20 And it cam tui pqs, hwen el 'Israel herd dat Jeroboam woz cum agēn, dat da sent and cōld him untui de congregasun, and mad him ein over el 'Israel: dar woz nun dat folod de h̄ss ov David, but de trijb ov J̄yda onli.

21 And hwen Rehoboam woz cum tui Jeruzalem, he asēmbld el de h̄ss ov J̄yda, wið de trijb ov Benjamin, an hundred and forseor t̄szend goz'n men, h̄wig wer woriurz, tui f̄jt agēst de h̄ss ov 'Israel, tui br̄ij de eiȳdum agēn tui Rehoboam de sun ov 22 Solomon. But de wurd ov God cam untui 23 Zemaja de man ov God, saij, 'Spec untui Rehoboam, de sun ov Solomon, ein ov J̄yda, and untui el de h̄ss ov J̄yda and Benjamin, and tui de remnant ov de pep'l, 24 saij, 'Aus set de LōRD, Ye sal not go up, nor f̄jt agēst ur brōdren de gildren ov 'Israel: retūrn everi man tui hiz h̄ss; f̄er d̄is t̄ij iz from me. 'Da h̄qre'nd darfor tui de wurd ov de LōRD, and retūrnd tui dep̄rt, acōrd̄ij tui de wurd ov de LōRD.

25 'Aen Jeroboam bilt Beem in ms̄nt 'Efraim, and dwelt dar̄in; and went st from dens, 26 and bilt Pen̄el. And Jeroboam sed in hiz h̄art, N̄s sal de eiȳdum retūrn tui de h̄ss ov David: if d̄is pep'l go up tui dui sacr̄ifz in de h̄ss ov de LōRD at Jeruzalem, den sal de h̄qrt ov d̄is pep'l turn agēn untui dar lord, [ev'n] untui Rehoboam ein ov J̄yda, and da sal cil me, and 28 go agēn tui Rehoboam ein ov J̄yda. Hwar-upon de ein tuc c̄nsel, and mad tui c̄qvz [ov] gold, and sed untui dem, It iz tui muç f̄er ū tui go up tui Jeruzalem: behōld d̄j godz, o 'Israel, h̄wig br̄et d̄e up st ov de 29 land ov Eȳpt. And he set de wun in Betel, 30 and de uder put he in Dan. And d̄is t̄ij becām a sin: f̄er de pep'l went [tui wurf̄ip] 31 bef̄or de wun, [ev'n] untui Dan. And he mad an h̄ss ov h̄j plasez, and mad prests ov de lōest ov de pep'l, h̄wig wer not ov de 32 sunz ov Lev̄j. And Jeroboam erd̄and a fest in de att munt, on de fiftent da ov de munt, l̄je untui de fest dat [iz] in J̄yda, and he oferd upon de olter. So did he in Betel, sacr̄ifz̄ij untui de c̄qvz dat he had mad: and he plast in Betel de prests ov de 33 h̄j plasez h̄wig he had mad. So he oferd upon de olter h̄wig he had mad in Betel de fiftent da ov de att munt, [ev'n] in de munt h̄wig he had dev̄iz ov hiz on h̄art; and erd̄and a fest untui de gildren ov 'Israel: and he oferd upon de olter, and burnt insens.

13 And, behōld, dar cam a man ov God st ov J̄yda bi de wurd ov de LōRD untui

13 Betel: and Jeroboam stud bi de olter tui burn insens. (2) And he er̄jd agēst de olter in de wurd ov de LōRD, and sed, O olter, olter, dus set de LōRD; Behōld, a ḡild sal be born untui de h̄ss ov David, Jos̄ja bi nam; and upōn d̄e sal he of̄er de prests ov de h̄j plasez dat burn insens upōn d̄e, 3 and menz bonz sal be burnt upōn d̄e. And he gav a s̄in de sam da, saij, 'Dis [iz] de s̄in h̄wig de LōRD hat sp̄c'n; Behōld, de olter sal be rent, and de afez dat [qr] upōn it sal be pord st.

4 And it cam tui pqs, hwen ein Jeroboam herd de saij ov de man ov God, h̄wig had er̄jd agēst de olter in Betel, dat he put fort h̄iz hand from de olter, saij, La hold on him. And hiz hand, h̄wig he put fort agēst him, d̄rij up, so dat he cud not pul 5 it in agēn tui him. De olter also woz rent, and de afez pord st from de olter, acōrd̄ij tui de s̄in h̄wig de man ov God had giv'n 6 bi de wurd ov de LōRD. And de ein çnsel and sed untui de man ov God, Intr̄et n̄s de fas ov de LōRD d̄j God, and pra f̄er me, dat m̄j hand ma he restōrd me agēn. And de man ov God bes̄et de LōRD, and de einz hand woz restōrd him agēn, and becām az 7 [it woz] bef̄or. And de ein sed untui de man ov God, Cum hom wið me, and refr̄éj 8 d̄jself, and i wil giv d̄e a rewōrd. And de man ov God sed untui de ein, If d̄s wilt giv me h̄qf d̄in h̄ss, i wil not go in wið d̄e, neder wil i et bred nor dr̄ije weter in d̄is 9 plas: f̄er so woz it çr̄jd me bi de wurd ov de LōRD, saij, Et no bred, nor dr̄ije weter, nor turn agēn bi de sam wa dat d̄s camest. 10 So he went anūder wa, and retūrnd not bi de wa dat he cam tui Betel.

11 N̄s dar dwelt an old profet in Betel; and hiz sunz cam and told him el de wures dat de man ov God had dun d̄āt da in Betel: de wurdz h̄wig he had sp̄c'n untui de ein, dem da told also tui dar f̄qder. 12 And dar f̄qder sed untui dem, 'Hwot wa went he. F̄er hiz sunz had sen hwot wa de man ov God went, h̄wig cam from J̄yda. 13 And he sed untui hiz sunz, Sad'l me de qs. So da sad'l̄d him de qs: and he rod dar̄on, 14 and went qfter de man ov God, and f̄s̄nd him sit̄ij under an oē: and he sed untui him, 'I [Art] d̄s de man ov God dat camest 15 from J̄yda. And he sed, 'I [am]. 'Aen he sed untui him, Cum hom wið me, and et 16 bred. And he sed, 'I ma not retūrn wið d̄e, nor go in wið d̄e: neder wil i et bred nor 17 dr̄ije weter wið d̄e in d̄is plas: f̄er it woz sed tui me bi de wurd ov de LōRD, 'Is falt et no bred nor dr̄ije weter dar, nor turn 18 agēn tui go bi de wa dat d̄s camest. He sed untui him, 'I [am] a profet also az d̄s [qr̄t]: and an anjel sp̄ae untui me bi de wurd ov de LōRD, saij, Br̄ij him bac wið d̄e intui d̄in h̄ss, dat he ma et bred and 19 dr̄ije weter. [But] he l̄jd untui him. So he went bac wið him, and did et bred in hiz h̄ss, and dr̄aje weter.

20 And it cam tui pqs, az da sat at de tab'l, dat de wurd ov de LōRD cam untui

13 de profet dat brot him bac: (21) and he crijd untu de man ov God dat cam from Jyda, saij, Ihus set de LORD, Forazmúg az ds hast disobád de mst ov de LORD, and hast not cept de comandment hwiç de LORD di

22 God comanded dé, but camest bac, and hast et'n bred and drupe woter in de plas, ov de hwiç [de LORD] did sa tuí dé, Et no bred, and dringe no woter; di cqracs fal not cum untu de sepulcer ov di faderz.

23 And it cam tuí pqs, qfter he had et'n bred, and qfter he had drupe, dat he sad'l'd for him de qs, [tuí wit,] for de profet hum

24 he had brot bac. And hwen he woz gen, a ljun met him bi de wa, and slui him: and hiz cqracs woz eqst in de wa, and de qs stud bi it, de ljun also stud bi de cqracs.

25 And, behóld, men pást bi, and se de cqracs eqst in de wa, and de ljun standij bi de cqracs: and da cam and told [it] in de

26 siti hwar de old profet dwelt. And hwen de profet dat brot him bac from de wa herd [daróf], he sed, It [iz] de man ov

God, hu woz disobedient untu de wurd ov de LORD: darfor de LORD hat delíverd him untu de ljun, hwiç hat torn him, and slan him, acordiij tuí de wurd ov de LORD,

27 hwiç he spae untu him. And he spae tuí hiz sunz, saij, Sad'l me de qs. And da

28 sad'l'd [him]. And he went and fsnd hiz cqracs eqst in de wa, and de qs and de ljun standij bi de cqracs: de ljun had not et'n

29 de cqracs, nor torn de qs. And de profet tue up de cqracs ov de man ov God, and lad it upón de qs, and bret it bac: and de

old profet cam tuí de siti, tuí morn and tuí beri him. And he lad hiz cqracs in hiz on grav; and da mornid over him, [saij],

31 Alqs, mī Bruder! And it cam tuí pqs, qfter he had berid him, dat he spae tuí hiz sunz, saij, Hwen i ana ded, den beri me in de sepulcer hwarin de man ov God

[iz] berid; la mī bonz hesjd hiz bonz for de saij hwiç he crijd bi de wurd ov de LORD agénst de olter in Betel, and agénst

32 el de bzcz ov de hī plasez hwiç [qr] in de sitiz ov Samaria, fal jurli cum tuí pqs.

33 After dis tij Jeroboam retúrnd not from hiz ev'l wa, but mad agén ov de loest ov de pep'l prests ov de hī plasez: huusoéver wád, he cónsecrated him, and he becám [wun]

34 ov de prests ov de hī plasez. And dis tij becám sin untu de hss ov Jeroboam, ev'n tuí cut [it] of, and tuí destró [it] from of de fas ov de ert.

14 At dát tij Abijja de sun ov Jeroboam fel sie. (2) And Jeroboam sed tuí hiz wif, Ariz, i pra dé, and disiz dijsé, dat ds be not non tuí be de wif ov Jeroboam;

17 And Jeroboamz wif aróz, and departed, and cam tuí Terza: [and] hwen se cam

hwiç he spae bi de hand ov hiz servant Abijja de profet.

19 And de rest ov de acts ov Jeroboam, hs he word, and hs he rand, behóld, da [qr] rit'n in de buac ov de cronic'iz ov de eijz

20 ov 'Izrael. And de daz hwiç Jeroboam rand [wer] tú and twenti yertz: and he slept wid hiz faderz, and Nadab hiz sun

rand in hiz sted.

21 And Rehoboam de sun ov Solomun rand in Jyda. Rehoboam [voz] ferti and wun yertz old hwen he begán tuí ran, and he

rand sev'nten yertz in Jeruzalem, de siti

14 hwiġ de LORD did ġuż st ov el de trijz ov 'Israel, tu put hiz nam dar. And hiz muderz nam [woz] Naama an 'Amonjtes. And Juda did ev'l in de sjt ov de LORD, and da provóet him tu jelusi wid dar sinz hwiġ da had comited, abúv el dat 22 [it] bġ de brac Cidron. But de hġ plasez wer not remúv'd: neverdelés Asaz hqrt 14 woz perfect wid de LORD el hiz daz. And he bret in de tiġz hwiġ hiz fqder had 15 dedicated, and de tiġz hwiġ himsélf had dedicated, intú de hss ov de LORD, silver, and gold, and veselz.

16 And dar woz wer betwén Asa and Báaſa 17 ciġ ov 'Israel el dar daz. And Báaſa ciġ ov 'Israel went up agénst Juda, and bilt Rama, dat he mġt not sufer eni tu go st er cum in tu Asa ciġ ov Juda. 18 Den Asa tuc el de silver and de gold [dat wer] left in de trezurz ov de hss ov de LORD, and de trezurz ov de ciġz hss, and deliverd dem intú de hand ov hiz servants: and ciġ Asa sent dem tu Ben-hadad, de sun ov Tabrimon, de sun ov Hezion, ciġ ov Siria, dat dwelt at Damascus, sainj, 19 [dar iz] a leg betwén me and de, [and] betwén mġ fqder and dġ fqder: behóld, ġ hav sent untú de a prezent ov silver and gold; cum and brac dġ leg wid Báaſa ciġ ov 'Israel, dat he ma depárt from me.

20 So Ben-hadad hqre'nd untú ciġ Asa, and sent de captenz ov de hosts hwiġ he had agénst de sitiz ov 'Israel, and smot tjon, and Dan, and Abel-bet-maaca, and 21 el Cinerot, wid el de land ov Naftalġ. And it cam tu pqs, hwen Báaſa herd [daróf], dat he left of bildiġ ov Rama, and dwelt in Terza.

22 Den ciġ Asa mad a proclamaſun truúst el Juda; nun [woz] egzémted: and da tuc awá de stonz ov Rama, and de timber daróf, hwarwít Báaſa had bilt; and ciġ Asa bilt wid dem Geba ov Benjamin, and Mizpa.

23 De rest ov el de acts ov Asa, and el hiz mġt, and el dat he did, and de sitiz hwiġ he bilt, 2 [qr] da not rit'n in de buc ov de cronic'lz ov de ciġz ov Juda. Neverdelés in de tġm ov hiz óld aj he woz dizézd in hiz 24 fet. And Asa slept wid hiz fqderz, and woz berid wid hiz fqderz in de siti ov David himsélf: and Jehosafat hiz sun rand in hiz sted.

25 AND Nadab de sun ov Jeroboam begán tu ran over 'Israel in de second yer ov Asa ciġ ov Juda, and rand over 'Israel túu 26 yerz. And he did ev'l in de sjt ov de LORD, and weet in de wa ov hiz fqder, and in hiz sin hwarwít he mad 'Israel tu sin.

27 And Báaſa de sun ov Ahija, ov de hss ov Izacer, conspird agénst him; and Báaſa smot him at Gibeton, hwiġ [belónd] tu de Filistinz; fer Nadab and el 'Israel lad sej 28 tu Gibeton. Ev'n in de terd yer ov Asa ciġ ov Juda did Báaſa sla him, and rand 29 in hiz sted. And it cam tu pqs, hwen he rand, [dat] he smot el de hss ov Jeroboam; he left not tu Jeroboam eni dat bredd, until he had destréd him, acórding untú de saij ov de LORD. hwiġ he spae bġ hiz ser-

30 vant Ahija de Sġlonit: becóz ov de sinz ov

15 Jeroboam hwiġ he sind, and hwiġ he mad 'Israel sin, bi hiz provoeafun hwarwit he provoeet de LORD God ov 'Israel tu agger. Ns de rest ov de aets ov Nadab, and ol dat he did, & [qr] da not rit'n in de buac ov de cronie'ls ov de eijz ov 'Israel.

32 And dar woz wor betwén Asa and Báaſa eij ov 'Israel ol dar daz.

33 IN de terd yer ov Asa eij ov Jyda begún Báaſa de sun ov Ahija tu ran over ol 'Israel in Terza, twenti and for yerz.

34 And he did ev'l in de sijt ov de LORD, and woet in de wa ov Jeroboam, and in hiz sin hwarwit he mad 'Israel tu sin.

16 Æen de wurd ov de LORD eam tu Jehu de sun ov Hananij agénst Báaſa, saij, Forazmúg az i egzolted dé st ov de dust, and mad dé prins over mj pep'l 'Israel; and ds hast woet in de wa ov Jeroboam, and hast mad mj pep'l 'Israel tu sin, tu provoe me tu agger wid dar sinz; behóld, i wil tac awá de posteriti ov Báaſa, and de posteriti ov hiz hss; and wil mac di hss lje de hss ov Jeroboam de sun ov Nebat.

4 Hm dat dijet ov Báaſa in de siti fal de dogz et; and hún dat dijet ov hiz in de feldz fal de fslz ov de ar et.

5 Ns de rest ov de aets ov Báaſa, and hwot he did, and hiz mjt, & [qr] da not rit'n in de buac ov de cronie'ls ov de eijz ov 'Israel.

6 So Báaſa slept wid hiz faderz, and woz berid in Terza: and Ela hiz sun rand in hiz sted.

7 And also bi de hand ov de profet Jehu de sun ov Hananij eam de wurd ov de LORD agénst Báaſa, and agénst hiz hss, ev'n for ol de ev'l dat he did in de sijt ov de LORD, in provoeijm him tu agger wid de wure ov hiz handz, in beij lje de hss ov Jeroboam; and becoz he eild him.

8 IN de twenti and siest yer ov Asa eij ov Jyda begún Ela de sun ov Báaſa tu ran over 'Israel in Terza tú yerz. And hiz servant Zimri, capten ov hf [hiz] gariuts, conspijd agénst him, az he woz in Terza, dripcij himsélſ druge in de hss ov Arza stuerd ov [hiz] hss in Terza. And Zimri went in and smot him, and eild him, in de twenti and sev'n yer ov Asa eij ov Jyda, and rand in hiz sted. And it eam tu pqs, hwen he begún tu ran, az sun az he sat on hiz tron, [dat] he slu ol de hss ov Báaſa: he left him not wun dat piset agénst a wol, neder

12 ov hiz einzfoes, nor ov hiz frendz. Æus did Zimri destró ol de hss ov Báaſa, acording tu de wurd ov de LORD, hwiġ he spac agénst Báaſa bi Jehu de profet, for ol de sinz ov Báaſa, and de sin ov Ela hiz sun, bi hwiġ da sind, and bi hwiġ da mad 'Israel tu sin, in provoeijm de LORD God

14 ov 'Israel tu agger wid dar vanitz. Ns de rest ov de aets ov Ela, and ol dat he did, & [qr] da not rit'n in de buac ov de cronie'ls ov de eijz ov 'Israel.

15 IN de twenti and sev'n yer ov Asa eij ov Jyda did Zimri ran sev'n daz in Terza. And de pep'l [wer] encámpt agénst Gib-
16 elon, hwiġ [belónd] tu de Filistinz. And

16 de pep'l [dat wer] encámpt herd sa, Zimri hat conspijd, and hat also slan de eij; hwarfor ol 'Israel mad Omri, de capten ov de host, eij over 'Israel dat da in de camp. And Omri went up from Gibeton, and ol 'Israel wid him, and da beséjd Terza. And it eam tu pqs, hwen Zimri so dat de siti woz tac'n, dat he went intui de pules ov de eijz hss, and burnt de eijz hss over him wid fir, and dijd, for hiz sinz hwiġ he sind in dwij ev'l in de sijt ov de LORD, in woecij in de wa ov Jeroboam, and in hiz sin hwiġ he did, tu mac 'Israel tu sin. Ns de rest ov de aets ov Zimri, and hiz trez'n dat he rot, & [qr] da not rit'n in de buac ov de cronie'ls ov de eijz ov 'Israel.

21 Æen wer de pep'l ov 'Israel dividjed intui tú parts: hfq ov de pep'l folod Tibni de sun ov Gjnát, tu mac him eij; and hfq 22 folod Omri. But de pep'l dat folod Omri preváld agénst de pep'l dat folod Tibni de sun ov Gjnát: so Tibni dijd, and Omri rand.

23 IN de terti and ferst yer ov Asa eij ov Jyda begún Omri tu ran over 'Israel, twelv yerz: sics yerz rand he in Terza.

24 And he bot de hül Samaria ov Xemer fer tíu talents ov silver, and bilt on de hül, and celd de nam ov de siti hwiġ he bilt, qfter de nam ov Xemer, oner ov de hül, Samaria.

25 But Omri rot ev'l in de jz ov de LORD, and did wurs ðan ol dat [wer] befór him.

26 For he woet in ol de wa ov Jeroboam de sun ov Nebat, and in hiz sin hwarwit he mad 'Israel tu sin, tu provoe de LORD God ov 'Israel tu agger wid dar vanitz.

27 Ns de rest ov de aets ov Omri hwiġ he did, and hiz mjt dat he fod, & [qr] da not rit'n in de buac ov de cronie'ls ov de eijz ov 'Israel. So Omri slept wid hiz faderz, and woz berid in Samaria: and Ahab hiz sun rand in hiz sted.

29 AND in de terti and att yer ov Asa eij ov Jyda begún Ahab de sun ov Omri tu ran over 'Israel: and Ahab de sun ov Omri rand over 'Israel in Samaria twenti and tú yerz. And Ahab de sun ov Omri did ev'l in de sijt ov de LORD abúv ol dat [wer] befór him. And it eam tu pqs, az if it had ben a ljt tñ fer him tu woe in de sinz ov Jeroboam de sun ov Nebat, dat he tue tu wif Jezebel de deter ov Ethaal eij ov de Zidonianz, and went and servd Baal, and wurſipt him. And he rerd up an olter for Baal in de hss ov Baal, hwiġ he had bilt in Samaria. And Ahab mad a grov; and Ahab did mor tu provoe de LORD God ov 'Israel tu agger ðan ol de eijz ov 'Israel dat wer befór him.

34 In hiz daz did Hiel de Beteljt bild Jerico: he lad de fndafun ðaróf in Abram hiz ferstborn, and set up de gats ðaróf in hiz yuggest [sun] Segub, acording tu de wurd ov de LORD, hwiġ he spac bi Josfa de sun ov Nun.

17 AND Elja de Tishjt, [hwi woz] ov de inhabitants ov Giliad, sed untu Ahab,

17 [Az] de LORD God ov 'Izrael livet, befór hum i stand, dar sal not be du nor ran dez yerz, but acerdin tu mi wurd.

2 And de wurd ov de LORD cam untu him, 3 saig, 'Get dé hens, and turn dé estwerd, and híd dísself bi de brue Cerit, dat [iz] 4 befór Jordan. And it sal be, [dat] ds salt dripe ov de brue; and i hav comanded de 5 rav'nz tu fed dé dar. So he went and did acerdin untu de wurd ov de LORD: for he went and dwelt bi de brue Cerit, dat [iz] 6 befór Jordan. And de rav'nz brot him bred and fles in de mornin, and bred and fles in de evnin; and he drage ov de brue. 7 And it cam tu pqs qfter a hwil, dat de brue drijd up, becóz dar had ben no ran in de land.

8 And de wurd ov de LORD cam untu him, 9 saig, 'Ariz, get dé tu Zarefat, hwiq [be- lóget] tu Zidun, and dwel dar: behóld, i hav comanded a wide wuman dar tu sustán 10 dé. So he aróz and went tu Zarefat. And hwen he cam tu de gat ov de siti, behóld, de wide wuman [woz] dar gaderin ov stics: and he cold tu her, and sed, 'Fec me, i pra dé, a lit'l woter in a vesel, dat i 11 ma dripe. And az se woz goin tu fec [it], he cold tu her, and sed, 'Briq me, i pra dé, 12 a mersel ov bred in dju hand. And se sed, [Az] de LORD dj God livet, i hav not a eac, but an handul ov mel in a barel, and a lit'l ol in a crus: and, behóld, i [am] 13 gaderin tu stics, dat i ma go in and dres it for me and mi sun, dat we ma it, and 14 dj. And Eljja sed untu her, 'Fer not; go [and] du az ds hast sed: but mac me daróf a lit'l eac ferst, and briq [it] untu me, and qfter mac for dé and for dj sun. 15 For dus set de LORD God ov 'Izrael, de barel ov mel sal not wast, neder sal de crus ov ol fal, untíl de da [dat] de LORD sendet 16 ran upón de ert. And se went and did acerdin tu de saig ov Eljja: and se, and 17 he, and her hss, did et [meni] daz. [And] de barel ov mel wasted not, neder did de crus ov ol fal, acerdin tu de wurd ov de LORD, hwiq he spae bi Eljja.

17 And it cam tu pqs qfter dez tinz, [dat] de sun ov de wuman, de mistres ov de hss, fel sie; and hiz sienes woz so sor, dat dar 18 woz no bret left in him. And se sed untu Eljja, 'Hwot hav i tu du wið dé, o ds man ov God; i qrt ds eum untu me tu col mi sin tu remémbrans, and tu sla mi 19 sun. And he sed untu her, 'Giv me dj sun. And he tue him st ov her buzum, and carid him up intu a lef, hwar he abód, and lad 20 him upón hiz on bed. And he erjd untu de LORD, and sed, O LORD mi God, i hast ds elso brot ev'l upón de wide wið hum 21 i sujurn, bi slain her sun. And he strect himself upón de gild tre timz, and erjd untu de LORD, and sed, O LORD mi God, i pra dé, let dis gildz sol eum intu him 22 agén. And de LORD herd de vos ov Eljja; and de sol ov de gild cam intu him agén, 23 and he revjvd. And Eljja tue de gild, and brot him dsn st ov de gambel intu de hss,

17 and deliverd him untu hiz muder: and Eljja sed, 'Se, dj sun livet. (24) And de wuman sed tu Eljja, 'Ns bi dis i no dat ds [qrt] a man ov God, [and] dat de wurd ov de LORD in dj mst iz trut.

18 AND it cam tu pqs [qfter] meni daz, dat de wurd ov de LORD cam tu Eljja in de terd yer, saig, 'Go, so dísself untu Ahab; and i wil send ran upón de ert. 2 And Eljja went tu so himself untu Ahab. And [dar woz] a sor famin in Samaria. 3 And Ahab cold Obadja, hwiq [woz] de guverner ov [hiz] hss. (Ns Obadja ferd 4 de LORD gratli: for it woz [so], hwen Jezebel eut of de profets ov de LORD, dat Obadja tue an hundred profets, and hid dem bi fifti in a cav, and fed dem wid bred 5 and woter.) And Ahab sed untu Obadja, 'Go intu de land, untu el'sentenz ov woter, and untu ol braes: peradvéntur we ma 6 find grqs tu sav de hersez and mulz aliv, 7 dat we luz not ol de bests. So da dividde de land betwén dem tu pqs trus't it: Ahab went wun wa bi himself, and Obadja went anóder wa bi himself.

7 And az Obadja woz in de wa, behóld, Eljja met him: and he nq him, and fel on hiz fas, and sed, '¿[Art] ds dát mi lord 8 Eljja. And he qnsed him, '¿[an]: go, 9 tel dj lord, Behóld, Eljja [iz her]. And he sed, 'Hwot hav i sind, dat ds wudst deliver dj servant intu de hand ov Ahab, 10 tu sla me. [Az] de LORD dj God livet, dar iz no nafun er eindum, hwider mi lord hat not sent tu see dé: and hwen da sed, [He iz] not [dar]; he tue an ot ov de eig- 11 dum and nafun, dat da fsnd dé not. And ns ds saest, 'Go, tel mi lord, Behóld, Eljja 12 [iz her]. And it sal eum tu pqs, [az sun az] i am gon from dé, dat de Spirit ov de LORD sal cari dé hwider i no not; and [so] hwen i cum and tel Ahab, and he camot 13 find dé, he sal sla me: but i dj servant fer 14 de LORD from mi qt. '¿Woz it not told mi lord hwot i did hwen Jezebel slui de profets ov de LORD, hv i hid an hundred 15 men ov de LORDZ profets bi fifti in a cav, 16 and fed dem wid bred and woter. And ns ds saest, 'Go, tel dj lord, Behóld, Eljja [iz 17 her]: and he sal sla me. And Eljja sed, [Az] de LORD ov hosts livet, befór hum i stand, i wil fuulí so miself untu him tuidá. 18 So Obadja went tu met Ahab, and told 19 him: and Ahab went tu met Eljja. And it cam tu pqs, hwen Ahab se Eljja, dat Ahab sed untu him, '¿[Art] ds hé dat 20 trubel'd 'Izrael. And he qnsed, 'F hav not trub'ld 'Izrael; but ds, and dj faderz hss, in dat ye hav fersac'n de comándments ov 21 de LORD, and ds hast folod Badim. Ns darfor send, [and] gader tu me ol 'Izrael untu msnt Cqrnel, and de profets ov Baul for hundred and fifti, and de profets ov de grovz for hundred, hwiq et at 22 Jezebelz tab'l. So Ahab sent untu ol de gildren ov 'Izrael, and gaderd de profets tugéder untu msnt Cqrnel.

18 ²¹ And Eljja cam untu ol de pep'l, and sed, ²² $\text{\textcircled{H}}$ s loy holt ye betwén tú opinyunz; if de LÖRD [be] God, folo him: but if Baal, [den] folo him. And de pep'l ²³ qnserd him not a wurd. ²⁴ $\text{\textcircled{H}}$ en sed Eljja untu de pep'l, ²⁵ $\text{\textcircled{H}}$ [ev'n] i onli, remán a profet ov de LÖRD; but Baalz profets [qr] for hundred and fifti men. And ol de pep'l qnserd and sed, It iz wel spoc'n. ²⁷ And Eljja sed untu de profets ov Baal, Guz $\text{\textcircled{H}}$ wun buluc for $\text{\textcircled{H}}$ selvz, and dres [it] ferst; for ye [qr] meni; and eol on de nam ov $\text{\textcircled{H}}$ r godz, but put no fir [under]. ²⁸ And da tue de buluc hwig woz giv'n dem, and da drest [it], and cold on de nam ov Baal from mornin ev'n until num, sain, O Baal, her us. But [dar woz] no vos, nor eni dat qnserd. And da lept upón de ²⁹ olter hwig woz mad. And it cam tu pqs at num, dat Eljja moct dem, and sed, Cri alöd: for he [iz] a god; eder he iz tecin, or he iz pursing, or he iz in a jurni, [qr] peradvéntur he slepet, and must be awáct. ³⁰ And da crij alöd, and cut demselvz qfter dar maner wid njvz and knssets, til de blud ³¹ guft st upón dem. And ol de pep'l cam ner untu him. And he repárd de olter ov de LÖRD [dat woz] broc'n dsn. And Eljja tue twelv stonz, acording tu de number ov de trijbz ov de sunz ov Jacob, untu hum de wurd ov de LÖRD cam, sain, 'Izrael sal be ³³ $\text{\textcircled{H}}$ nam: and wid de stonz he bilt an olter in de nam ov de LÖRD: and he mad a treng abót de olter, az grat az wud contán tú mezurz ov sed. And he put de wud in order, and cut de buluc in psez, and lad [him] on de wud, and sed, Fil for barelz wid woter, and por [it] on de burnt sacrificiz, ³⁴ and on de wud. And he sed, Du [it] de secund tjn. And da did [it] de secund tjn. And he sed, Du [it] de terd tjn. And da ³⁵ did [it] de terd tjn. And de woter run rsnd abót de olter; and he fild de treng; also wid woter. And it cam tu pqs at [de tjn ov] de oferin ov de [evnig] sacrificiz, dat Eljja de profet cam ner, and sed, LÖRD God ov Abraham, Izac, and ov 'Izrael, let it be non dis da dut $\text{\textcircled{H}}$ s [qr] God in 'Izrael, and [dat] i [am] $\text{\textcircled{H}}$ servant, and [dat] i ³⁶ hav dun ol dez tjnz at di wurd. Her me, o LÖRD, her me, dat dis pep'l ma no dat $\text{\textcircled{H}}$ s [qr] de LÖRD God, and [dat] $\text{\textcircled{H}}$ s hast ³⁷ turnd dar hqrt bac agén. $\text{\textcircled{H}}$ en de fj ov de

And Eljja sed untu dem, Tac de profets ov Baal; let not wun ov dem escáp. And da tue dem: and Eljja brot dem dsn tu de bruc Cijon, and shu dem dar. ⁴⁰ And Eljja sed untu Ahab, Get dé up, et and dringe; for [dar iz] a ssnd ov abún- ⁴¹ dans ov ran. So Ahab went up tu et and tu dringe. And Eljja went up tu de top ov Carmel; and he eqst himself dsn upón de ⁴² ert, and put hiz fas betwén hiz nez, and sed tu hiz servant, Gó up ns, luc tord de se. And he went up, and luct, and sed, [dar iz] nutin. And he sed, Gó agén ⁴³ sev'n tjnz. And it cam tu pqs at de sev'n tjn, dat he sed, Behóld, dar arizet a lit'l elsd st ov de sr, $\text{\textcircled{H}}$ e a manz hand. And he sed, Gó up, sa untu Ahab, Prepár [di gariut], and get dé dsn, dat de ran stop ⁴⁴ dé not. And it cam tu pqs in de men hwi, dat de hev'n woz blac wid elsdz and wind, and dar woz a grat ran. And Ahab roð, ⁴⁵ and went tu Jezriel. And de hand ov de LÖRD woz on Eljja; and he gert up hiz lonz, and ran belór Ahab tu de entrans ov Jezriel. ⁴⁶ And Ahab told Jezebel ol dat Eljja had dun, and widól $\text{\textcircled{H}}$ s he had slan ol de ⁴⁷ profets wid de sord. $\text{\textcircled{H}}$ en Jezebel sent a mesenjer untu Eljja, sain, So let de godz du [tu me], and mor also, if i mac not $\text{\textcircled{H}}$ lif az de lif ov wun ov dem bi tumóro abót ⁴⁸ dis tjn. And hwen he so [dat], he aróz, and went for hiz lif, and cam tu Beerseba, hwig [belóget] tu Jyda, and left hiz servant dar. ⁴⁹ But he himself went a daz jurni intu de wildernes, and cam and sat dsn under a juniper tre: and he reewésted fer himself dat he mjt di; and sed, It iz enáf; ns, o LÖRD, ⁵⁰ tac awá mj lif; for i [am] not beter dan mj fqderz. And az he la and slept under a juniper tre, behóld, den an anjel tuçt him, and sed untu him, Ariz [and] et. ⁵¹ And he luct, and, behóld, [dar woz] a cac bac'n on de colz, and a crus ov woter at hiz hed. And he did et and dringe, and lad ⁵² him dsn agén. And de anjel ov de LÖRD cam agén de secund tjn, and tuçt him, and sed, Ariz [and] et; becóz de jurni [iz] tú ⁵³ grat for dé. And he aróz, and did et and dringe, and went in de strejt ov dát met forti daz and forti njts untu Horeb de msnt ov God. ⁵⁴ And he cam fider untu a cav, and lojd dar; and, behóld, de wurd ov de LÖRD [cam] tu him, and he sed untu him, $\text{\textcircled{H}}$ Hwot ⁵⁵ duest $\text{\textcircled{H}}$ s her, Eljja. And he sed, F hav ben veri jelus for de LÖRD God ov hosts: for de gildren ov 'Izrael hav fersac'n $\text{\textcircled{H}}$ cuvenant, tron dsn $\text{\textcircled{H}}$ n olterz, and slan $\text{\textcircled{H}}$ profets wid de sord; and i. [ev'n] i onli, am left; and da sec mj lif, tu tac it awá.

19 (11) And he sed, Go fort, and stand upón de msnt befór de LÖRD. And, behóld, de LÖRD pøst bj, and a grat and stroy wind rent de msntenz, and brae in pessez de rocs befór de LÖRD; [but] de LÖRD [woz] not in de wind: and qfter de wind an ertewac; [but] de LÖRD [woz] not in de ertewac: and qfter de ertewac a fjr; [but] de LÖRD [woz] not in de fjr: and qfter de fjr a stíl smel vø. And it vøz [so], hwen Eljja herd [it], dat he rapt hiz fas in hiz mant'l, and went st, and stud in de enterij in ov de cav. And, behóld, [dar cam] a vø untu him, and sed, ¿ Hwot duest ðs her Eljja. And he sed, I hav ben veri jehus fër de LÖRD God ov hosts: becz de gildren ov 'Izrael hav fersac'n ðj cuvenant, tron dsn ðjn elterz, and slan ðj profets wid de sord; and i, [ev'n] i onli, am left; and da sec mj lif, tu tac it awá. And de LÖRD sed untu him, Go, retúrn on ðj wa tu de wildernes ov Damásus: and hwen ðs cumešt, anónt Házael [tu be] cij ov Siria: and Jehu de sun ov Nimfi falt ðs anónt [tu be] cij over 'Izrael: and Eljja de sun ov Zafat ov Abel-mehola falt ðs anónt [tu be] profet in ðj rum. And it fal cum tu pqs, [dat] him dat escapet de sord ov Házael fal Jehu sla: and him dat escapet from de sord ov Jehu fal Eljja sla. Yet i hav left [me] sev'n tšzend in 'Izrael, ol de nez hwig hav not bsd untu Baal, and everi mst hwig hat not eist him.

19 So he departed ðens, and fsnd Eljja de sun ov Zafat, hu [woz] plsij [wid] twelv yoc [ov oes'n] befór him, and he wid de twelf: and Eljja pøst bj him, and eqst hiz mant'l upón him. And he left de oes'n, and ran qfter Eljja, and sed, Let me, i pra dé, eis mj fqder and mj muðer, and [ðen] i wil folo dé. And he sed untu him, Go bac agén: fër ¿ hwot hav i dun tu dé.

21 And he retúrnd bac from him, and tuc a yoc ov oes'n, and slui ðem, and bold ðar flej wid de instruments ov de oes'n, and gav untu de pep'l, and ða did et. ðen he aróz, and went qfter Eljja, and ministerd untu him.

20 AND Ben-hadad de cij ov Siria gaðerd ol hiz host tugéder: and [dar wer] terci and tú cijz wid him, and hersez, and çariuts: and he went up and beséjd Samaria, and word agénst it. And he sent mesenjerz tu Ahab cij ov 'Izrael intu de siti, and sed untu him, ¿us set Ben-hadad; ¿i silver and ðj gold [iz] mjn; ¿i wijz elso and ðj gildren, [ev'n] de gadliest, [qr] mja. And de cij ov 'Izrael qnserd and sed, Mj lerd, o cij, acordiñ tu ðj saij, i [am] ðjn, and ol ðat i hav.

5 And de mesenjerz cam agén, and sed, ¿us speet Ben-hadad, saij, Oldó i hav sent untu ðe, saij, ¿s falt deliver me ðj silver, and ðj gold, and ðj wijz, and ðj gildren; ¿ yet i wil send mj servants untu ðe tumóro abšt ðj tim, and ða fal serç ðjn hss, and de hszez ov ðj servants; and it fal be,

20 [dat] hwotsóever iz plezant in ðjn jz, ða fal put [it] in ðar hand, and tac [it] awá. ðen de cij ov 'Izrael cold ol de elderz ov de land, and sed, Mqre, i pra u, and se hs ðis [man] seet misgef: fër he sent untu me fër mj wijz, and fër mj gildren, and fër mj silver, and fër mj gold; and i denjd him not. And ol de elderz and ol de pep'l sed untu him, Hqre'n not [untu him], ner consént. Hwarfor he sed untu de mesenjerz ov Ben-hadad, Tel mj lerd de cij, Ol ðat ðs didst send for tu ðj servant at de ferst i wil du: but ðis tij i ma not du. And de mesenjerz departed, and bret him word agén.

10 And Ben-hadad sent untu him, and sed, De godz du so untu me, and mor elso, if ðe dust ov Samaria fal sufiz fër handfulz fër ol de pep'l ðat folo me. And de cij ov 'Izrael qnserd and sed, Tel [him], Let not him dat gerdet on [hiz harnes] bost him-selj az hē ðat putet it of. And it cam tu pqs, hwen [Ben-hadad] herd ðis mesej, az he [woz] dringeij, he and de cijz in de pavilyunz, ðat he sed untu hiz servants, Set [jrsclvz in ará]. And ða set [ðemsclvz in ará] agénst de siti.

13 And, behóld, ðar cam a profet untu Ahab cij ov 'Izrael, saij, ¿us set de LÖRD, ¿ Hast ðs en ol ðis grat multitud: behóld, i wil deliver it intu ðjn hand ðis da; and ðs falt no ðat i [am] de LÖRD. And Ahab sed ¿ Bj hum. And he sed, ¿us set de LÖRD, [Ev'n] bj de yug men ov de prinsez ov de provinsez. ðen he sed, ¿ Hú fal order de bat'l. And he qnserd, ¿s.

15 ðen he numberd de yug men ov de prinsez ov de provinsez, and ða wer tú hundred and terci tú: and qfter ðem he numberd ol de pep'l, [ev'n] ol de gildren ov 'Izrael, [beij] sev'n tšzend. And ða went st at nun. But Ben-hadad [woz] dringeij himsclf druge in de pavilyunz, he and de cijz, de terci and tú cijz ðat helpt him. And de yug men ov de prinsez ov de provinsez went st ferst; and Ben-hadad sent st, and ða told him, saij, ¿ar qr men cum st ov Samaria. And he sed, Hweder ða be cum st fër pes, tac ðem aljv; or hweder ða be cum st fër wor, tac ðem aljv.

19 So ðez yug men ov de prinsez ov de provinsez cam st ov de siti, and de qrmi hwig folod ðem. And ða slui everi wun hiz man: and de Sirianz fled; and 'Izrael pursjd ðem: and Ben-hadad de cij ov Siria escápt on an hors wid de horsmen.

21 And de cij ov 'Izrael went st, and smot de hersez and çariuts, and slui de Sirianz wid a grat sløter. And de profet cam tu de cij ov 'Izrael, and sed untu him, Go, streng'n ðjsclf, and mqre, and se hwot ðs duest: fër at de retúrn ov de yer de cij ov Siria wil cum up agénst ðe.

23 And de servants ov de cij ov Siria sed untu him, ¿ar godz [qr] godz ov de hilz; ðarfor ða wer stronger ðan we: but let us fjt agénst ðem in de plan, and furli we fal be stronger ðan ða. And du ðis tij,

20 Tac de eigz awá, everi man st ov hiz plas, and put captenz in dar rumnz: and number dé an qmí, hie de qmí dat ds hast lost, hors for hors, and gariut for gariut; and we wil fít agénst dem in de plan, [and] furli we sal be strøyger dan da. And he hqre'nd untu dar vos, and did so.

26 And it eam tui pqs at de retúrñ ov de yer, dat Ben-hadad numberd de Sirianz, and went up tui Afec tui fít agenst 'Izrael.

27 And de gildren ov 'Izrael wer numberd, and wer ol prezent, and went agénst dem: and de gildren ov 'Izrael pigt befór dem hie tui lit'l flocs ov eidx; but de Sirianz fild de

28 cuntri. And dar eam a man ov God, and spae untu de eigz ov 'Izrael, and sed, Æus set de LORD, Becóz de Sirianz hav sed, Æe LORD [iz] God ov de hülz, but he [iz] not God ov de valiz, darfor wil i deliver ol dis grat multitu intui dñ hand, and ye sal

29 no dat i [am] de LORD. And da pigt wun over agénst de uder sev'n daz. And [so] it woz, dat in de sev'nt da de bat'l woz jond: and de gildren ov 'Izrael slui ov de Sirianz an hundred tæzend fuitmen in wun da. But de rest fled tui Afec, untu de siti; and [dar] a wol fel upón twenti and sev'n tæzend ov de men [dat wer] left. And Ben-hadad fled, and eam intui de siti, intui an iner gambler.

31 And hiz servants sed untu him, Behóld ns, we hav herd dat de eigz ov de hss ov 'Izrael [qr] mersifal eigz: let us, i pra dé, put succelot on sr lonz, and rops upón sr hedz, and go st tui de eigz ov 'Izrael: per-

32 advéntyr he wil sav di lif. So da gert succelot on dar lonz, and [put] rops on dar hedz, and eam tui de eigz ov 'Izrael, and sed, Æi servant Ben-hadad set, f pra dé, let me liv. And he sed, f [iz] he yet aliv; he

33 [iz] mj bruder. Ns de men did dilijentli obzérv hweder [eni tinj wud eum] from him, and did hastili eug [it]; and da sed, Æi bruder Ben-hadad. Æen he sed, Go ye, bring him. Æen Ben-hadad eam fort tui him; and he eozd him tui eum up intui

34 de gariut. And [Ben-hadad] sed untu him, Æe sitiz, hwiq mj fqder tue from di fqder, i wil restór; and ds salt nae strets for dé in Damáscus, az mj fqder mad in Samaria. Æen [sed Ahab], i wil send dé awá wid dis covenant. So he mad a curenant wid him, and sent him awá.

35 And a serten man ov de sunz ov de profets sed untu hiz nabur in de wurd ov de LORD, Smít me, i pra dé. And de man

36 refúzd tui smít him. Æen sed he untu him, Becóz ds hast not obád de vos ov de LORD, behóld, az sum az ds qrt depórted from me, a hñ sal sla dé. And az sum az he woz depórted from him, a hñ fsnd him,

37 and slui him. Æen he fsnd omáder man, and sed, Smít me, i pra dé. And de man smot him, so dat in smítij he wounded

38 [him]. So de profet depórted, and wated for de eigz bi de wa, and disgrjzd himself wid afcz upón hiz fas. And az de eigz pqt bi,

20 he crijd untu de eigz: and he sed, Æi servant went st intui de midst ov de bat'l; and, behóld, a man turnd asjd, and bret a man untu me, and sed, Cep dis man: if bi eni menz he be misij, den sal di lif be for hiz lif, or els ds salt pa a talent ov

40 silver. And az di servant woz bizi her and dar, he woz gon. And de eigz ov 'Izrael sed untu him, So [sal] di jujment [be];

41 dijsélf hast desidjed [it]. And he hastjed, and tue de afcz awá from hiz fas; and de eigz ov 'Izrael dizérnd him dat he [woz] ov

42 de profets. And he sed untu him, Æus set de LORD, Becóz ds hast let go st ov [di] hand a man huum i apónted tui uter destræfsum, darfor di lif sal go for hiz lif, and

43 di pep'l for hiz pep'l. And de eigz ov 'Izrael went tui hiz hss hevi and displézd, and eam tui Samaria.

21 AND it eam tui pqs qfter dez tinj, [dat] Nabot de Jézrieljt had a vinyerd, hwiq [woz] in Jezriel, hard bi de pales ov

2 Ahab eigz ov Samaria. And Ahab spae untu Nabot, saij, Giv me di vinyerd, dat i ma hav it for a gærd'n ov herbz, becóz it [iz] ner untu mj hss; and i wil giv dé for it a beter vinyerd dan it; [or], if it sem gud tui dé, i wil giv dé de wurt ov it in 3 muni. And Nabot sed tui Ahab, Æe LORD forbíd it me, dat i jud giv de inheritans ov mj fqderz untu dé.

4 And Ahab eam intui hiz hss hevi and displézd becóz ov de wurd hwiq Nabot de Jézrieljt had spoc'n tui him: for he had sed, f wil not giv dé de inheritans ov mj fqderz. And he lad him dñ upón hiz bed; and turnd awá hiz fas, and wud et no bred.

5 But Jezebel hiz wif eam tui him, and sed untu him, f Hwiq iz di spirit so sad, dat ds 6 etest no bred. And he sed untu her, Becóz i spae untu Nabot de Jézrieljt, and sed untu him, Giv me di vinyerd for muni; or els, if it plez dé, i wil giv dé [anúder] vinyerd for it: and he qnsder, f wil not

8 So se rot leterz in Ahab nam, and seld. [dem] wid hiz sel, and sent de leterz untu de eldorz and tui de nob'lz dat [wer] in hiz siti,

And [den] cari him st, and ston him, dat he ma di.

11 And de men ov hiz siti, [ev'n] de eldorz and de nob'lz hui wer de inhabitants in hiz siti, did az Jezebel had sent untu dem, [and] az it [woz] rit'n in de leterz hwiq se

12 had sent untu dem. fæa proclám a fæst, and set Nabot on hi amún de pep'l. And dar eam in tui men, gildren ov Belial, and sat befór him: and de men ov Belial witenest agénst him, [ev'n] agénst Nabot, in

22 **darfor**, behöld, de LORD hat put a lijn spirit in de mst ov el dez dj profets, and de LORD hat spo'e'n ev'l consérnj dé.

24 But Zedeeca de sun ov Cenaana, went ner, and smot Mjcaya on de gec, and sed, **¿** Hwig wa went de Spirit ov de LORD from me tuu spee untuu dé. And Mjcaya sed, Behöld, ds falt se in dát da, hwen ds falt go intuu an mer gambet tuu hjd djsélf.

26 And de cij ov 'Israel sed, Tae Mjcaya, and cari him bae untuu Amon de guverner

27 ov de siti, and tuu Joaf de cijz sun; and sa, **¿**us set de cij, Put dis [felo] in de priz'n, and fed him wið bred ov afflicun, and wid woter ov afflicun, until j eum in

28 pes. And Mjcaya sed, If ds retúrn at el in pes, de LORD hat not spo'e'n bj me. And he sed, Hqre'n, o pep'l, everi wun ov u.

29 So de cij ov 'Israel and Jehosafat de cij

30 ov Juda went up tuu Ramot-giliad. And de cij ov 'Israel sed untuu Jehosafat, **¿** wil disgiz misélf, and enter intuu de bat'l; but put ds on dj robz. And de cij ov 'Israel disgizd himsélf, and went intuu de bat'l.

31 But de cij ov Siria comqnded hiz terti and tú captenz dat had rul over hiz gariuts, saig, **Fjt** neder wið smol ner grat,

32 sav onli wið de cij ov 'Israel. And it cam tuu pqs, hwen de captenz ov de gariuts so

34 agénst him: and Jehosafat erjd st. And it cam tuu pqs, hwen de captenz ov de gariuts persévd dat it [woz] not de cij ov 'Israel, dat da turnd bae from pursújg

35 him. And a [serten] man dru a bo at a ventur, and smot de cij ov 'Israel betwén de jents ov de hqnes; hwarfor he sed untuu de driyer ov hiz gariut, Turn dñ hand, and cari me st ov de host; for j am

37 gariut. And dar went a proclamafun trušt de host abót de goig dsn ov de sun, saig, Everi man tuu hiz siti, and everi man tuu

38 hiz on euntri. So de cij djd, and woz brot tuu Samaria; and da berid de cij in

39 Samaria. And [wun] wofst de gariut in de

22 pul ov Samaria; and de dogz liet up hiz blud; and da wofst hiz qmur; acerdij untuu de wurd ov de LORD hwig he spac.

39 Ns de rest ov de acts ov Ahab, and el dat he did, and de jvuri hxs hwig he mad, and el de sitiz dat he bilt, **¿** [qr] da not rit'n in de buc ov de eronic'lz ov de cijz ov

40 'Israel. So Ahab slept wið hiz fqderz; and Ahazja hiz sun rand in hiz sted.

41 And Jehosafat de sun ov Asa begán tuu ran over Juda in de fort yer ov Ahab cij

42 ov 'Israel. Jehosafat [woz] terti and fiv yerz old hwen he begán tuu ran; and he rand twenti and fiv yerz in Jeruzalem. And hiz muderz nam [woz] Azúba de

44 insens yet in de hj plasez. And Jehosafat mad pes wið de cij ov 'Israel.

45 Ns de rest ov de acts ov Jehosafat, and hiz mjt dat he fod, and hs he werd, **¿** [qr] da not rit'n in de buc ov de eronic'lz ov de

46 cijz ov Juda. And de remnant ov de sodomjts, hwig remánd in de daz ov hiz

47 fqder Asa, he tuc st ov de land. [dar woz] den no cij in Edum; a depu'ti [woz] cij.

48 Jehosafat mad sips ov Tqrifj tuu go tuu Ofer for gold: but da went not; for de

49 sips wer broe'n at Ezion-geber. Ten sed Ahazja de sun ov Ahab untuu Jehosafat, Let mj servants go wið dj servants in

50 de sips. But Jehosafat wúid not. And Jehosafat slept wið hiz fqderz, and woz berid wið hiz fqderz in de siti ov David hiz fqder: and Jehoram hiz sun rand in hiz sted.

51 **AHAZJA** de sun ov Ahab begán tuu ran over 'Israel in Samaria de sev'tent yer ov Jehosafat cij ov Juda, and rand

52 tú yerz over 'Israel. And he did ev'l in de sjt ov de LORD, and weet in de wa ov hiz fqder, and in de wa ov hiz muder, and in de wa ov Jeroboam de sun ov Nebat,

53 huu mad 'Israel tuu sin: for he servd Baal, and wurfjpt him, and provóet tuu anger de LORD God ov 'Israel, acording tuu el dat hiz fqder had dun.

Æ SECUND BUC OV ÆE CIWZ,

COMUNLI COLD,

ÆE FORT BUC OV ÆE CIWZ.

1 **ÆEN** Moab rebæld agénst 'Izrael after ðe ðet ov Ahab. (2) And Ahabz fel ðsn tru a latis in hiz uper gambet ðat [woz] in Samaria, and woz sic: and he sent mesenjerz, and sed untu ðem, Gō, incwjr ov Baal-zebub ðe god ov Eeron 3 hweder i fal recúver ov ðis dizéz. But ðe anjel ov ðe LÖRD sed tu Elja ðe Tisbit, Ariz, gō up tu met ðe mesenjerz ov ðe cij ov Samaria, and sa untu ðem, § [Iz it] not becöz [ðar iz] not a God in 'Izrael, [ðat] ye gō tu incwjr ov Baal-zebub ðe god ov 4 Eeron. Ns ðarför ðus set ðe LÖRD, ðs falt not cum ðsn from ðát bed on hwig ðs qrt gen up, but falt furli ðj. And Elja departed. 5 And hwen ðe mesenjerz turnd bac untu him, he sed untu ðem, § Hwq qr ye ns 6 turnd bac. And ða sed untu him, ðar cam a man up tu met us, and sed untu us, Gō, turn agén untu ðe cij ðat sent u, and sa untu him, ðus set ðe LÖRD, § [Iz it] not becöz [ðar iz] not a God in 'Izrael, [ðat] ðs sendest tu incwjr ov Baal-zebub ðe god ov Eeron; ðarför ðs falt not cum ðsn from ðát bed on hwig ðs qrt gen up, 7 but falt furli ðj. And he sed untu ðem, § Hwot mauer ov man [woz hē] hwig cam 8 up tu met u, and told u ðez wurdz. And ða qnsrd him, [He woz] an hari man, and gert wið a gerðl ov leðer abst hiz lönz. And he sed, It [iz] Elja ðe Tisbit. 9 ðen ðe cij sent untu him a capten ov fifti wið hiz fifti. And he went up tu him: and, behöld, he sat on ðe top ov an hil. And he spac untu him, ðs man ov 10 God, ðe cij hat sed, Cum ðsn. And Elja qnsrd and sed tu ðe capten ov fifti, If i [be] a man ov God, ðen let fir cum ðsn from hev'n and consqm ðe and ðj fifti. And ðar cam ðsn fir from hev'n, and con- 11 sqmd him and hiz fifti. Agén also he sent untu him anúder capten ov fifti wið hiz fifti. And he qnsrd and sed untu him, O man ov God, ðus hat ðe cij sed, Cum 12 ðsn cwieli. And Elja qnsrd and sed untu ðem, If i [be] a man ov God, let fir cum ðsn from hev'n, and consqm ðe and ðj fifti. And ðe fir ov God cam ðsn from hev'n, and consqm him and hiz fifti. 13 And he sent agén a capten ov ðe terð fifti wið hiz fifti. And ðe terð capten ov fifti went up, and cam and fel on hiz nez beför Elja, and besót him, and sed untu him, O man ov God, i pra ðé, let mī lif, and ðe lif ov ðez fifti ðj servants, be prefus in ðj 14 sjt. Behöld, ðar cam fir ðsn from hev'n.

1 and burnt up ðe tú captenz ov ðe former fiftiz wið ðar fiftiz: ðarför let mī lif ns 15 be prefus in ðj sjt. And ðe anjel ov ðe LÖRD sed untu Elja, Gō ðsn wið him: be not afrád ov him. And he aröz, and 16 went ðsn wið him untu ðe cij. And he sed untu him, ðus set ðe LÖRD, Förazmúc az ðs hast sent mesenjerz tu incwjr ov Baal-zebub ðe god ov Eeron, § [iz it] not becöz [ðar iz] nō God in 'Izrael tu incwjr ov hiz wurd; ðarför ðs falt not cum ðsn of ðát bed on hwig ðs qrt gen up, but falt furli ðj. 17 So he ðid acörðing tu ðe wurd ov ðe LÖRD hwig Elja had spoen. And Jeho- ram rand in hiz sted in ðe secund yer ov Jehoram ðe sun ov Jehosafat cij ov Jüda; 18 becöz he had nō sun. Ns ðe rest ov ðe acts ov Ahabz hwig he ðid, § [qr] ða not rit'n in ðe buac ov ðe cronie'lz ov ðe cijnz ov 'Izrael. 2 **AND** it cam tu pqs, hwen ðe LÖRD wud tac up Elja intu hev'n bi a hwerl- wind, ðat Elja went wið Elja from Gilgal. 2 And Elja sed untu Elja, Tari her, i pra ðé; fer ðe LÖRD hat sent me tu Betel. And Elja sed [untu him, Az] ðe LÖRD livet, and [az] ðj sol livet, i wil not lev ðé. 3 So ða went ðsn tu Betel. And ðe sunz ov ðe profets ðat [wer] at Betel cam fort tu Elja, and sed untu him, § Nöest ðs ðat ðe LÖRD wil tac awá ðj mqster from ðj hed tudá. And he sed, Ya, i nō [it]; 4 hold ye qr pes. And Elja sed untu him, Elja, tari her, i pra ðé; fer ðe LÖRD hat sent me tu Jerico. And he sed, [Az] ðe LÖRD livet, and [az] ðj sol livet, i wil not 5 lev ðé. So ða cam tu Jerico. And ðe sunz ov ðe profets ðat [wer] at Jerico cam tu Elja, and sed untu him, § Nöest ðs ðat ðe LÖRD wil tac awá ðj mqster from ðj hed tudá. And he qnsrd, Ya, i nō 6 [it]; hold ye qr pes. And Elja sed untu him, Tari, i pra ðé, her; fer ðe LÖRD hat sent me tu Jordan. And he sed, [Az] ðe LÖRD livet, and [az] ðj sol livet, i wil not 7 lev ðé. And ða tú went on. And fifti men ov ðe sunz ov ðe profets went, and stad tu vq aför of: and ða tú stad bi 8 Jordan. And Elja tac hiz mantl, and rapt [it] tugóder, and smot ðe woterz, and ða wer ðivided hider and ðider, so ðat ða tú went over on ðj grsnd. 9 And it cam tu pqs, hwen ða wer gon over, ðat Elja sed untu Elja, Asc hwot i fal ðu fer ðé, beför i be tac'n awá from ðé. And Elja sed, I pra ðé, let a dub'l

2 porfun ov di spirit be upón me. (10) And he sed, ðs hust qset a hqrd tij: [never-dé's], if ðs se me [hwen i am] tac'n from dé, it fal be so untui dé; but if not, it fal not be [so].

11 And it cam tu pqs, az da stil went on, and toet, dat, behóld, [dar apérd] a gariut ov fjr, and horsez ov fjr, and parted dem bot asúnder; and Eljja went up bi a hwér-
12 wind intua hev'n. And Eljja so [it], and he erjd, Mj fqder, mj fqder, de gariut ov 'Izrael, and de hersmen daróf. And he so him no mor; and he tue hold ov hiz on elodz
13 and rent dem in tú pesez. He tue up also de mant'l ov Eljja dat fel from him, and went bac, and stad bi de baje ov Jórdan;
14 and he tue de mant'l ov Eljja dat fel from him, and smot de weterz, and sed, ð Hwar [iz] de LÖRD God ov Eljja; and hwen he also had smit'n de weterz, da parted hider and dider: and Eljja went över.

15 And hwen de suuz ov de profets hwig [wer] tu vñ at Jerico so him, da sed, ðe spirit ov Eljja dat rest on Eljja. And ða cam tu met him, and bsd demselvz tu de
16 grsñd befór him. And da sed untui him, Behóld ns, ðar be wid di servants fifti stroy men; let dem go, we pra dé, and see di mqster: lest peradvéntur de Spirit ov de LÖRD hat tac'n him up, and eqst him upón sun msnten, or intui sun vali. And
17 he sed, Ye fal not send. And hwen da urjd him til he woz afámd, he sed, Send. ða sent darfor fifti men; and da sot tre
18 daz, but fsñd him not. And hwen ða cam agén tu him, (for he tarid at Jerico,) he sed untui dem, ð Did i not sa untui u, Gó not.

19 And de men ov de siti sed untui Eljja, Behóld, i pra dé, de sitqasun ov dis siti [iz] plezant, az mj lord set: but de weter
20 [iz] not, and de grsñd baren. And he sed, Briy me a mj cruus, and put solt darín.
21 And da brot [it] tu him. And he went fort untui de sprij ov de weterz, and eqst de solt in ðar, and sed, ðus set de LÖRD. ð hav held dez weterz; ðar fal not be from
22 dens emi mor det or baren [land]. So de weterz wer held untui ðis da, acórdij tu de saij ov Eljja hwig he spae.

23 And he went up from dens untui Betel: and az he woz goij up bi de wa, ðar cam fort lit'l gildren st ov de siti, and moct him, and sed untui him, Gó up, ðs bold
24 hed; go up, ðs bold hed. And he turnd bac, and huet on dem, and curst dem in de nann ov de LÖRD. And ðar cam fort tú fe barz st ov de wud, and tar forti and tú
25 gildren ov dem. And he went from dens tu msnt Carmel, and from dens he retúrñd tu Samaria.

3 NS JEHORAM de sun ov Ahab begán tu ran över 'Izrael in Samaria de atent yer ov Jehosafat eij ov Jüda, and rand
2 twely yrrz. And he rot ev'l in de sijt ov de LÖRD; but not lje hiz fqder, and lje hiz mader: for he put awá de imej ov Baal
3 ðat hiz fqder had mad. Neverdelés he

3 cleyd untui ðe sinz ov Jeroboam de sun ov Nebat, hwig mad 'Izrael tu sin; he de-parted not darfóm.

4 And Mefa eij ov Moab woz a sep-mqster, and renderd untui ðe eij ov 'Izrael an hundred tszend lamz, and an hundred
5 tszend ramz, wid de wul. But it cam tu pqs, hwen Ahab woz ded, dat ðe eij ov Moab rebéld agénst de eij ov 'Izrael.

6 And eij Jehoram went st ov Samaria
7 de sam tij, and numberd ol 'Izrael. And he went and sent tu Jehosafat de eij ov Jüda, saij, ðe eij ov Moab hat rebéld agénst me: ð wilt ðs go wid me agénst Moab tu bat'l. And he sed, ð wil go up: i [am] az ðs [art], mj pep'l az di pep'l,
8 [and] mj horsez az di horsez. And he sed, ð Hwig wa fal we go up. And he qnserd,
9 ðe wa trua de wildernes ov Edum. So ðe eij ov 'Izrael went, and ðe eij ov Jüda, and ðe eij ov Edum: and da fect a cumpas ov sev'n daz jurni: and ðar woz no weter for de host, and for de cat'l dat folod dem.

10 And ðe eij ov 'Izrael sed, Alqs! ðat ðe LÖRD hat celd dez tre eijz tugéder, tu deliver dem intui de hand ov Moab! But
11 Jehosafat sed, ð [Iz ðar] not her a profet ov de LÖRD, dat we ma mewjr ov de LÖRD bi him. And wun ov de eij ov 'Izraelz servants qnserd and sed, Her [iz] Eljja de sun ov Zafat, hwig pord weter on de handz
12 ov Eljja. And Jehosafat sed, ðe wurd ov de LÖRD iz wid him. So ðe eij ov 'Izrael and Jehosafat and ðe eij ov Edum went
13 dsñ tu him. And Eljja sed untui de eij ov 'Izrael, ð Hwot hav i tu du wid dé: get dé tu de profets ov di fqder, and tu de profets ov di muder. And de eij ov 'Izrael sed untui him, Na: for de LÖRD hat celd dez tre eijz tugéder, tu deliver dem intui
14 de hand ov Moab. And Eljja sed, [Az] de LÖRD ov hosts livet, befór hum i stand, surli, wer it not dat i regárd de prezens ov Jehosafat de eij ov Jüda, i wud not
15 lue tord dé, nor se dé. But ns briy me a minstrel. And it cam tu pqs, hwen de minstrel plad, dat ðe hand ov de LÖRD cam
16 upón him. And he sed, ðus set de LÖRD,
17 Mac ðis vali ful ov digez. For ðus set de LÖRD, Ye fal not se wind, neder fal ye se ran; yet dát vali fal be fild wid weter, dat ye ma dring, bot ye, and ur cat'l, and ur bests.
18 And dis iz [but] a lit tij in de sijt ov de LÖRD: he wil deliver de Moabits also intui
19 ur hand. And ye fal smjt everi fenst siti, and everi gos siti, and fal fel everi gud tre, and stop ol welz ov weter, and mqr everi gud pes ov land wid stonz.

20 And it cam tu pqs in de mornij, hwen de met oferij woz oferd, dat, behóld, ðar cam weter bi de wa ov Edum, and de cuntri
21 woz fild wid weter. And hwen ol de Moabits herd dat de eijz wer cun up tu fjt agénst dem, da gaderd ol dat wer ab'l tu put on qrmur, and upwerd, and stad
22 in de border. And da roz up erli in de mornij, and de sun jon upón de weter,

3 and de Moabjts se de weter on de uder
sjd [az] red az blud: (23) and da sed,
dis [iz] blud: de cijz qr furli slan, and
da hav smit'n wun anider: ns darfor,
24 Moab, tu de spol. And hwen da cam tu
de camp ov 'Israel, de 'Israeljts roz up
and smot de Moabjts, so dat da fled befór
dem: but da went ferwerd smitij de
25 Moabjts, ev'n in [dar] cuntri. And da bet

cqst everi man hiz ston, and fild it; and
da stopt el de welz ov weter, and feld el
de gud trez: onli in Cer-haraset left da

dat dru sordz, tu brac tru [ev'n] untu
27 de cij ov Edum: but da cud not. Den

and retúrd tu [dar on] land.

4 Nð dar crjd a serten wuman ov de

and de creditor iz cum tu tae untu him
2 mī tú sunz tu be bondmen. And Elifa

5 So se went from him, and fut de dor upón

he sed untu her, [ðar iz] not a vesel mor.
7 And de el stad. Den se cam and told de

8 And it fel on a da, dat Elifa pqst tu

And hwen he had celd her, se stud befór

¿Hwot den [iz] tu be dun fer her. And
Gehazj qnsrd, Verili se hat no gild, and

And hwen he had celd her, se stud in de

And se sed, Na, mī lerd, [ds] man ov God,

18 And hwen de gild woz gron, it fel on a

he sat on her nez til num, and [den] djd.
21 And se went up, and lad him on de bed

se sad'ld an qs, and sed tu her servant,
Drij, and go ferwerd; slae not [ðj] ridij
25 fer me, cesept i bid dé. So se went and

And it cam tu pqz, hwen de man ov God

And de man ov God sed, Let her alón;

31 And he aróz and folod her. And Gehazj

38 AND Elifa cam agén tuu Gilgal: and [dar woz] a dert in de land; and de sunz ov de profets [wer] sitij befór him: and he sed untuu hiz servant, Set on de grat pot, and sed potej for de sunz ov de profets.
39 And wun went st intuu de feld tuu gader herbz, and fsnd a wjld vjn, and gaderd daróf wjld gordz hiz lap ful, and cam and fred [dem] intuu de pot ov potej: for da nu [dem] not. So da pord st for de men tuu et. And it cam tuu pqs, az da wer etij ov de potej, dat da erjd st, and sed, O [ds] man ov God, [dar iz] det in de
41 pot. And da eud not et [daróf]. But he sed, Den brij mel. And he eqst [it] intuu de pot; and he sed, P'or st for de pep'l, dat da ma et. And dar woz nò hqum in de pot.

42 And dar cam a man from Baal-Jálifa, and brot de man ov God bred ov de ferst-fruits, twenti lozv ov bqrlj, and ful erz ov eorn in de huse daróf. And he sed,
43 Giv untuu de pep'l, dat da ma et. And hiz servitur sed, Hwot, f sud j set dis befór an hundred men. He sed agén, Giv de pep'l, dat da ma et: for dus set de LÖRD, da fal
44 et, and fal lev [daróf]. So he set [it] befór dem, and da did et, and left [daróf], acerdij tuu de wurd ov de LÖRD.

5 NÖ Naaman, capten ov de host ov de cij ov Siria, woz a grat man wid hiz mqster, and ónurab'l, becóz bj him de LÖRD had giv'n deliverans untuu Siria: he woz also a miji man in valur, [but he woz] a
2 leper. And de Sirianz had gen st bj eumpaniz, and had brot awá captiv st ov de land ov 'Izrael a lit'l mad; and se wated
3 on Naamanz wjf. And se sed untuu her mistres, Wjld God mj lord [wer] wid de profet dat [iz] in Samaria! for he wud
4 recúver him ov hiz leprusi. And [wun] went in, and told hiz lord, saij, f us and dus sed de mad dat [iz] ov de land ov
5 'Izrael. And de cij ov Siria sed, Gó tuu, gó, and j wil send a leter untuu de cij ov 'Izrael. And he departed, and tue wid him ten talents ov silver, and sics tszend [psez] ov gold, and ten ganjez ov rament.
6 And he brot de leter tuu de cij ov 'Izrael saij, Ns hwen dis leter iz cum untuu dé, behóld, j hav [darwif] sent Naaman mj servant tuu dé, dat ds maest recúver him
7 ov hiz leprusi. And it cam tuu pqs, hwen de cij ov 'Izrael had red de leter, dat he rent hiz cloz, and sed, f [Am] j God, tuu cil and tuu mac aljv, dat dis man dut send untuu me tuu recúver a man ov hiz leprusi:

5 hwarfor consider, j pra q, and se hs he seet a eworel agénst me.

8 And it woz [so], hwen Elifa de man ov God had herd dat de cij ov 'Izrael had rent hiz cloz, dat he sent tuu de cij, saij, f Ilwarfor hast ds rent dj cloz; let him cum ns tuu me, and he fal nò dat dar iz
9 a profet in 'Izrael. So Naaman cam wid hiz horsez and wid hiz gariut, and stad at de dor
10 ov de hss ov Elifa. And Elifa sent a mesenjer untuu him, saij, Gó and wof in Jordan sev'n tijnz, and dj flef fal cum agén tuu dé,
11 and ds salt be elen. But Naaman woz rot, and went awá, and sed, Behóld, j tet, He wil suarli cum st tuu me, and stand, and col on de nam ov de LÖRD hiz God, and strje hiz hand over de plas, and re-
12 cúver de leper. f [Ar] not Abana and Farpar, riverz ov Damáscus, beter dan el de woterz ov 'Izrael; f ma j not wof in dém, and be elen. So he turnd and went
13 awá in a raj. And hiz servants cam ner, and spac untuu him, and sed, Mj fqder, [it] de profet had bid dé [du sum] grat tij, f wudst ds not hav dun [it]; f hs muc rqrder den, hwen he set tuu dé, Wof, and be
14 elen. Den went he dsu, and dipt himsélf sev'n tijnz in Jordan, acerdij tuu de saij ov de man ov God: and hiz flef cam agén lj untuu de flef ov a lit'l gild, and he woz elen.

15 And he retúrnd tuu de man ov God, he and el hiz cumpani, and cam, and stad befór him: and he sed, Behóld, ns j nò dat [dar iz] nò God in el de ert, but in 'Izrael: ns darfor, j pra dé, tac a blesij ov dj ser-
16 vant. But he sed, [Az] de LÖRD livet, befór hum j stand, j wil resév nun. And he urjd him tuu tac [it]; but he refúzd.
17 And Naaman sed, f Sal dar not den, j pra dé, be giv'n tuu dj servant tú mulz burd'n ov ert, for dj servant wil hensfort ofer neader burnt oferij nor sacrificj untuu nder
18 godz, but untuu de LÖRD. In dis tij de LÖRD pqr'd'n dj servant, [dat] hwen mj mqster goet intuu de hss ov Rimón tuu wurfip dar, and he lenet on mj hand, and j bs misélf in de hss ov Rimón: hwen j bs dsu misélf in de hss ov Rimón, de LÖRD
19 pqr'd'n dj servant in dis tij. And he sed untuu him, Gó in pes. So he departed from him a lit'l wa.

20 But Gehazi, de servant ov Elifa de man ov God, sed, Behóld, mj mqster hat spard Naaman dis Sirian, in not resevj at hiz handz dat hwig he brot: but, [az] de LÖRD livet, j wil run after him, and tac sumhwot
21 ov him. So Gehazi folod after Naaman. And hwen Naaman so [him] runij after him, he ljted dsu from de gariut tuu met
22 him, and sed, f [Iz] ol wel. And he sed, Ol [iz] wel. Mj mqster hat sent me, saij, Behóld, ev'n ns dar be cum tuu me from msnt 'Efraim tú yuy men ov de sunz ov de profets: giv dem, j pra dé, a talent ov
23 silver, and tú ganjez ov qarmnts. And Naaman sed, Be contént, tac tú talents. And he urjd him, and bsd tuu talents ov

5 silver in tú bagz, wið tú çanzej ov gqrments, and lad [dem] upón tú ov hiz servants; and da bar [dem] befór him.

24 And hwen he cam tu de tser, he tue [dem] from dar hand, and bestód [dem] in de hss: and he let de men go, and da

25 departed. But he went in, and stod befór hiz mqster. And Elíja sed untu him, *¶* Hwens [cumest d's], Gehazi. And he

26 sed, *¶* Ij servant went nò hwider. And he sed untu him, *¶* Went not mjin hqrt [wið d'è], hwen de man turnd agén from hiz çariut tu met d'è. *¶* [Iz it] a tijn tu resév muni, and tu resév gqrments, and oliv-yqrðz, and vinyerdz, and sep, and oes'n, and men-servants, and mad-servants. *¶* De leprusi darfor ov Naaman jal elev untu d'è, and untu d'ij sed fòr ever. And he went st from hiz prezens a leper [az hwjt] az sno.

6 AND de sunz ov de profets sed untu Elíja, Behóld nx, de plas hwar he dwel

2 wið d'è iz tú strat fer us. Let us go, we pra d'è, untu Jòrdan, and tac dens everi man a bem, and let us mac a plas dar, hwar we ma dwel. And he qnserd, Go ye.

3 And wun sed, Be contént, i pra d'è, and go wið d'ij servants. And he qnserd, *¶* I wil go. *¶* So he went wið dem. And hwen da

4 cam tu Jòrdan, da cut dsn wad. But az wun woz felig a bem, de acs hed fel intui de woter: and he crjd, and sed, Alqs,

6 mqster! fòr it woz borod. And de man ov God sed, *¶* Hwar fel it. And he fòd him de plas. And he cut dsn a stic, and eqst [it] in d'ider; and de jurn did swim.

7 *¶* Darfor sed he, Tac [it] up tu d'è. And he put st hiz hand, and tue it.

8 *¶* DEN de cij ov Siria werd agénst 'Izrael, and tue cnsel wið hiz servants, saijn, In

9 suç and suç a plas [jal be] m'j camp. And de man ov God sent untu de cij ov 'Izrael, saijn, Bewár dat d's pqç not suç a plas; fòr

10 d'ider de Sirianz qr cum dsn. And de cij ov 'Izrael sent tu de plas hwiç de man ov God told him and wernid him ov, and savd himsèlf dar, not wuns ner twijs.

11 *¶* Darfor de hqrt ov de cij ov Siria woz sòr trub'ld fòr dis tijn; and he cold hiz servants, and sed untu dem, *¶* Wil ye not so me hwiç ov us [iz] fòr de cij ov 'Izrael.

12 And wun ov hiz servants sed, Nun, m'j lèrd, o cij: but Elíja, de profet dat [iz] in 'Izrael, telet de cij ov 'Izrael de wurldz dat

13 d's specest in d'ij bed-çamber. And he sed, Go and spi hwar he [iz], dat i ma send and fecg him. And it woz told him, saijn, Behóld, [he iz] in Dotan.

14 *¶* Darfor sent he d'ider hersez, and çariuts, and a grat host: and da cam b'j n'jt, and

15 cumpast de siti abst. And hwen de servant ov de man ov God woz riz'n erli, and gon fort, behóld, an host cumpast de siti, bot wið hersez and çariuts. And hiz servant sed untu him, Alqs, m'j mqster! *¶* I hs

16 jal we duu. And he qnserd, Fer not: fòr dá dat [be] wið us [qr] mòr dan dá dat

17 [be] wið dem. And Elíja prad, and sed,

6 LÈRD, i pra d'è, op'n hiz iz, dat he ma se. And de LÈRD op'nd de iz ov de yuy man; and he so: and, behóld, de mnten [woz] ful ov hersez and çariuts ov fir rsnd

18 abst Elíja. And hwen da cam dsn tu him, Elíja prad untu de LÈRD, and sed, Smjt d's pep'l, i pra d'è, wið blindnes. And he smot dem wið blindnes acording tu de

19 wurd ov Elíja. And Elíja sed untu dem, *¶* Dis [iz] not de wa, neder [iz] dis de siti: folo me, and i wil briç q tu de man hum

20 ye sec. But he led dem tu Samaria. And it cam tu pqç, hwen da wer cum intu Samaria, dat Elíja sed, LÈRD, op'n de iz ov dez [men], dat da ma se. And de LÈRD op'nd dar iz, and da so; and, behóld, [da wer] in de midst ov Samaria.

21 And de cij ov 'Izrael sed untu Elíja, hwen he so dem, M'j fqder, *¶* Jal i smjt

22 [dem]; *¶* Jal i smjt [dem]. And he qnserd, *¶* *¶* Jal i smjt [dem]: *¶* I wudst d's smjt doz hum d's hast tac'n captiv wið d'ij sord and wið d'ij bo: set bred and woter befór dem, dat da ma et and drige, and go tu

23 dar mqster. And he preparð grat provizion fer dem: and hwen da had et'n and druge, he sent dem awá, and da went tu dar mqster. So de bandz ov Siria cam nò mòr intu de land ov 'Izrael.

24 AND it cam tu pqç qfter d'is, dat Benhadad cij ov Siria gaderd el hiz host, and

25 went up, and beséjd Samaria. And dar woz a grat famin in Samaria: and, behóld, da beséjd it, until an qsez hed woz [sold] fòr forseor [pesez] ov silver, and de fòrt pprt ov a cab ov duvz dug fòr f'ij [pesez] ov silver.

26 And az de cij ov 'Izrael woz pqçin b'j upón de wel, dar crjd a wuman untu him,

27 saijn, Help, m'j lèrd, o cij. And he sed, If de LÈRD duu not help d'è, *¶* hwens jal i help d'è; *¶* st ov de bqrnflor, er st ov de

28 wjnpres. And de cij sed untu her, *¶* Hwot alet d'è. And se qnserd, Dis wuman sed untu me, Giv d'ij sun, dat we ma et him

29 tudá, and we wil et m'j sun tumóro. So we bold m'j sun, and did et him: and i sed untu her on de neest da, Giv d'ij sun, dat we ma et him: and se hat bil her sun.

30 And it cam tu pqç, hwen de cij herd de wurdz ov de wuman, dat he rent hiz cloðz; and he pqst b'j upón de wel, and de pep'l luet, and, behóld, [he had] saeclet widin

31 upón hiz flef. *¶* Den he sed, God duu so and mòr elso tu me, if de hed ov Elíja de sun ov Safat jal stand on him d'is da.

32 But Elíja sat in hiz hss, and de elderz sat wið him; and [de cij] sent a man from befór him: but ar de mesenjer cam tu him, he sed tu de elderz, *¶* Se ye hs d'is sun ov a murderer hat sent tu tac awá mjin hed: lue, hwen de mesenjer cumet, fut de dor, and hold him fqt at de dor: *¶* [iz] not de ssnd ov hiz mqsterz fet behjnd

33 him. And hwil he yet toet wið dem, behóld, de mesenjer cam dsn untu him, and he sed, Behóld, d'is ev'l [iz] ov de LÈRD; *¶* hwot fud i wat fòr de LÈRD eni longer.

7 (1) Den Elifa sed, Her ye de wurd ov de LORD; ðus set de LORD, Tumóro abót dis tīm [ful] a mezur ov fīn flsr [be sold] for a fecel, and tū mezurz ov bqrli for a
 2 fecel, in de gat ov Samaria. Den a lord on hūz hand de cīj lent qnsrd de man ov God, and sed, Behóld, [if] de LORD wud mac windoz in hev'n, & mīt dis tīj be. And he sed, Behóld, ðs falt se [if] wid dīn
 3 jz, but falt not et daróf.
 4 And dar wer for leprus men at de enterīg in ov de gat: and da sed wun tū anúder,
 5 & Hwī sit we her untīl we dī. If we sa, We wil enter intū de sītī, den de famīn [iz] in de sītī, and we ful dī dar: and if we sit stīl her, we dī olso. Ns darfor cum, and let ns fol untū de host ov de
 6 Sirianz: if da sav us alīv, we fal liv; and if da cīl us, we fal but dī. And da roz up in de twīljt, tū go intū de camp ov de
 7 Sirianz: and hwen da wer cum tū de uter-most pprt ov de camp ov Siria, behóld, [dar woz] no man dar. For de LORD had
 8 mad de host ov de Sirianz tū her a nōz ov gariuts, and a nōz ov horsez, [ev'n] de nōz ov a grat host: and da sed wun tū anúder,
 9 Lō, de cīj ov 'Izrael hat hīrd agēst us de cījz ov de Hītīs, and de cījz ov de Ejīp-
 10 fanz, tū cum upōn us. Hwarfor da arōz and fled in de twīljt, and left dar tents, and dar horsez, and dar qsez, ev'n de camp
 11 az it [woz], and fled for dar līf.
 12 And hwen dez leperz cam tū de uter-most pprt ov de camp, da went intū wun tent, and did et and drīge, and earīd ðens silver, and gold, and rament, and went
 13 and hid [it]; and cam agen, and enterīd intū anúder tent, and earīd ðens [olso],
 14 and went and hid [it]. Den da sed wun tū anúder, We dū not wel: ðis da [iz] a da ov gad tīdīnz, and we hold sr pes: if we tari tīl de mornīg līt, sum misgef wil
 15 cum upōn us: ns darfor cum, dat we ma go and tel de cījz hsshōld.
 16 So da cam and cold untū de porter ov de sītī: and da told dem, saīg, We cam tū de camp ov de Sirianz, and, behóld, [dar woz] no man dar, neder vos ov man, but
 17 horsez tīd, and qsez tīd, and de teuts az da [wer]. And he cold de portez; and da told [it] tū de cījz hss wīdīn.
 18 And de cīj arōz in de nīt, and sed untū hiz servants, I wil ns fō ū hwot de Sirianz
 19 hav dūn tū us. ða no dat we [be] hun- gri: darfor qr da gon st ov de camp tū hīd ðensclvz in de feld, saīg, Hwen da cum
 20 st ov de sītī, we fal eaē ðem alīv, and get intū de sītī. And wun ov hiz servants qnsrd and sed, Let [sum] tac, i pra dé, fīv ov de horsez dat remān, hwīq qr left in
 21 de sītī, (behóld, da [qr] az ol de multītūd ov 'Izrael dat qr left in it: behóld, [i sa,] da [qr] ev'n az ol de multītūd ov de 'Iz-
 22 raelīts dat qr consūmd:) and let us send and se. ða tac darfor tū gariut horsez; and de cīj sent qfter de host ov de Sirianz,
 23 saīg, Go and se. And da went qfter ðem untū Jordan: and, lō, el de wa [woz] ful

7 ov garments and voselz, hwīq de Sirianz had eaēst awā in dar hast. And de me- enjerz retúrnd, and told de cīj.
 16 And de pep'l went st, and speld de tents ov de Sirianz. So a mezur ov fīn flsr woz [sold] for a fecel, and tū mezurz ov bqrli for a fecel, acerdīg tū de wurd ov de
 17 LORD. And de cīj aponted de lord on hūz hand he lent tū hav de qqrj ov de gat: and de pep'l trod upōn him in de gat, and he dīd, az de man ov God had sed, hū
 18 spae hwen de cīj cam dsn tū him. And it cam tū pqs az de man ov God had spoe'n tū de cīj, saīg, Tū mezurz ov bqrli
 19 fer a fecel, and a mezur ov fīn flsr fer a fecel, fal be tumóro abót dis tīm in de gat ov Samaria: and de lord qnsrd de man ov
 20 God, and sed, Ns, behóld, [if] de LORD jud mac windoz in hev'n, & mīt suq a tīj be. And he sed, Behóld, ðs falt se it wīd
 21 dīn jz: but falt not et daróf. And so it fel st untū him: fer de pep'l trod upōn him in de gat, and he dīd.
 8 DEN spae Elifa untū de wuman, hūz sun he had restórd tū līf, saīg, Arīz, and go ðs and dīn hsshōld, and sujurn hwar- soever ðs camst sujurn: fer de LORD hat
 2 cold fer a famīn; and it fal olso cum upōn de land sev'n yez. And de wuman arōz,
 3 and did qfter ðe saīg ov de man ov God: and se went wīd her hsshōld, and sujurnīd in de land ov de Filistīnz sev'n yez.
 4 And it cam tū pqs at de sev'n yez end, dat de wuman retúrnd st ov de land ov de Filistīnz: and se went fort tū erj untū
 5 de cīj fer her hss and fer her land. And de cīj toet wīd Gehazj de servant ov de man ov God, saīg, Tel me, i pra dé, el de
 6 grat tīnz dat Elifa hat dūn. And it cam tū pqs, az he woz telīd de cīj hs he had restórd a ded bodi tū līf, dat, behóld, de
 7 wuman, hūz sun he had restórd tū līf, erj tū de cīj fer her hss and fer her land. And Gehazj sed, Mī lord, o cīj, ðis [iz] de
 8 wuman, and ðis [iz] her sun, hūm Elifa restórd tū līf. And hwen de cīj qset de wuman, se told him. So de cīj aponted
 9 untū her a serten ofiser, saīg, Restór el dat [woz] herz, and el ðe frūts ov de feld sīns de da dat se left de land, ev'n
 10 untīl ns.
 11 AND Elifa cam tū Damáscus; and Ben-hadad de cīj ov Siria woz sic; and it woz told him, saīg, ðe man ov God iz cum
 12 hīder. And de cīj sed untū Házael, Tac a prezent in dīn hand, and go, met de man ov God, and īncwīr ov de LORD bī him,
 13 saīg, & Xal i recūver ov ðis dīzēz. So Házael went tū met him, and tac a prez- ent wīd him, ev'n ov everī gad tīj ov
 14 Damáscus, forti camelz burd'n, and cam and stād befór him, and sed, ðī sun Ben-hadad cīj ov Siria hat sent me tū dé, saīg,
 15 & Xal i recūver ov ðis dīzēz. And Elifa sed untū him, Gō, sa untū him, ðs maest sertenlī recūver: hsbet de LORD hat sōd
 16 me dat he fal furīd dī. And he set'ld hiz esntenans stedfastlī, untīl he woz afāmd:

8 and de man ov God wept. (12) And Házael sed, *ǵ* Hwǵ wepet mǵ lord. And he qnserd, Becóz i no de ev'l dat ds wilt du untu de gildren ov 'Israel: dar stron holdz wilt ds set on fir, and dar yun men wilt ds sla wid de sord, and wilt daf dar gildren, and rip up dar wimen wid gild. And Házael sed, But hwot, *ǵ* [iz] dǵ servant a dog, dat he fud du dis grat tin. And Elíja qnserd, De Lörd hat fod me dat ds [falt be] ein

14 over Siria. So he departed from Elíja, and cam tuu hiz mǵster; huu sed tuu him, *ǵ* Hwot sed Elíja tuu dē. And he qnserd, He told me [dat] ds judst furli receiver.

15 And it cam tuu pqs on de moro, dat he tue a tie clot, and dipt [it] in weter, and spred [it] on hiz fas, so dat he did: and Házael rand in hiz sted.

16 AND in de fift yer ov Joram de sun ov Ahab ein ov 'Israel, Jehosafat [bein] den ein ov Jyda, Jehoram de sun ov Jehosafat

17 ein ov Jyda begán tuu ran. Terti and tuu yerz old woz he hwen he begán tuu ran; and he rand at yerz in Jeruzalem. And he woet in de wa ov de einz ov 'Israel, az did de hss ov Ahab: for de doter ov Ahab woz hiz wif: and he did ev'l in de sijt ov

19 de Lörd. Yet de Lörd wud not destró Jyda for David hiz servants sac, az he promist him tuu giv him olwa a ljt, [and] tuu hiz gildren.

20 In hiz daz Edum revólted from under the hand ov Jyda, and mad a ein over dem-

21 selvz. So Joram went over tuu Zaer, and el de qariuts wid him: and he roz bǵ njt, and smot de Edumjts hwǵ cumpast him abst, and de captenz ov de qariuts: and

22 de pep'l fled intuu dar tents. Yet Edum revólted from under de hand ov Jyda untu dis da. Den Libna revólted at de sam tǵn.

23 And de rest ov de acts ov Joram, and el dat he did, *ǵ* [qr] da not rit'n in de buc

24 ov de cronic'lz ov de einz ov Jyda. And Joram slept wid hiz fqderz, and woz herid wid hiz fqderz in de siti ov David: and Ahazja hiz sun rand in hiz sted.

25 IN DE TWELFȝ yer ov Joram de sun ov Ahab ein ov 'Israel did Ahazja de sun ov Jehoram ein ov Jyda begín tuu ran.

26 Tuu and twenti yerz old [woz] Ahazja hwen he begán tuu ran; and he rand wun yer in Jeruzalem. And hiz muderz nam [woz] Atalja, de doter ov Omri ein ov

27 'Israel. And he weet in de wa ov de hss ov Ahab, and did ev'l in de sijt ov de Lörd, az [did] de hss ov Ahab: for he [woz] de

28 sun-in-le ov de hss ov Ahab. And he went wid Joram de sun ov Ahab tuu de wor agénst Házael ein ov Siria in Ramot-giliad; and de Sirianz wuunded Joram.

29 And ein Joram went bae tuu be held in Jezriel ov de wuundz hwǵ de Sirianz had giv'n him at Rama, hwen he fot agénst Házael ein ov Siria. And Ahazja de sun ov Jehoram ein ov Jyda went dsu tuu se Joram de sun ov Ahab in Jezriel, becóz he woz sic.

9 AND Elíja de profet celd wun ov de gildren ov de profets, and sed untu him, Gerd up dǵ lonz, and tac dis boes ov ol in

2 dǵn hand, and go tuu Ramot-giliad; and hwen ds cunest dider, hac st dar Jehu de sun ov Jehosafat de sun ov Nimfi, and go in, and mac him arz up from amúg hiz bredren, and cari him tuu an iner gamber;

3 den tac de boes ov ol, and por [it] on hiz hed, and sa, *ǵ*us set de Lörd, *ǵ* hav anou- ted dē ein over 'Israel. Den op'n de dor,

4 and fle, and tari not. So de yun man, [ev'n] de yun man de profet, went tuu Ramot-giliad.

5 And hwen he cam, behóld, de captenz ov de host [wer] sitin; and he sed, *ǵ* hav an erand tuu dē, o capten. And Jehu sed, *ǵ* Untu hwǵ ov ol us. And he sed, Tuu dē,

6 o capten. And he aróz, and went intuu de hss; and he pord de ol on hiz hed, and sed untu him, *ǵ*us set de Lörd God ov 'Israel, i hav anouted dē ein over de pep'l

7 ov de Lörd, [ev'n] over 'Israel. And ds falt smjt de hss ov Ahab dǵ mǵster, dat i ma avénj de blud ov mǵ servants de profets, and de blind ov ol de servants ov de Lörd,

8 at de hand ov Jezebel. For de hol hss ov Ahab sal peris: and i wil eut of from Ahab him dat piset agénst de wel, and

9 him dat iz fut up and lett in 'Israel: and i wil mac de hss ov Ahab ljc de hss ov Jerobaam de sun ov Nebat, and ljc de hss

10 ov Báafa de sun ov Ahija: and de dogz sal et Jezebel in de perjun ov Jezriel, and [dar sal be] nun tuu beri [her]. And he op'nd de dor, and fled.

11 Den Jehu cam fort tuu de servants ov hiz lord: and [wun] sed untu him, *ǵ* [Lz] ol wel; *ǵ* hwarior cam dis mad [felo] tuu dē. And he sed untu dem, Ye no de man, and

12 hiz comúnicafun. And da sed, [It iz] fols; tel us ns. And he sed, *ǵ*us and *ǵ*us spae he tuu me, sain, *ǵ*us set de Lörd, *ǵ* hav

17 And Amazja ðe sun ov Joaf cij ov Jyda livd qfter ðe det ov Jehoaf sun ov Jeho-

18 haz cij ov 'Israel fifteen yerz. And ðe rest ov ðe acts ov Amazja, ? [qr] ða not rit'n

21 AND OL DE pep'l ov Jyda tue Azaria,

23 IN DE FIFTEN'I yer ov Amazja de
sun ov Joaf cij ov Jyda Jeroboam de sun

24 And he did [dát hwig woz] ev'l in de sít

25 mad 'Israel tu sin. He restórd de cost

de se ov de plan, acordij tu de wurd ov
de LORD God ov 'Israel, hwig he spac bi
de hand ov hiz servant Jona, de sun ov

26 Amítai, de profet, hwig [woz] ov Gat-
hefer. For de LORD so de aliefun ov

27 helper for 'Israel. And de LORD sed not
dat he wud blot st de nain ov 'Israel from
under hev'n: but he savd dem bi de hand
ov Jeroboam de sun ov Joaf.

28 Ns de rest ov de acts ov Jeroboam, and
ol dat he did, and hiz mjt, hs he word,
and hs he recíverd Damáscus, and Ha-
mat, [hwig belónd] tu Jyda, for 'Israel,
s [qr] da not rit'n in de bué ov de cronic'iz

29 ov de cijz ov 'Israel. And Jeroboam slept

rael; and Zacaria hiz sun rand in hiz sted.

15 IN DE TWENTI and sev'n't yer ov
Jeroboam cij ov 'Israel begán Azaria

2 sun ov Amazja cij ov Jyda tu ran. Sies-
ten yez old woz he hwen he begán tu

Jeruzalem. And hiz muderz nam [woz]

3 Jecolija ov Jeruzalem. And he did [dát

4 tu ol dat hiz fqder Amazja had dun; sav
dat de hj plasez wer not remávd: de pep'l
sacrifzd and burnt insens stíl on de hj

5 And de LORD smot de cij, so dat he
woz a leper untu de da ov hiz del, and
dwelt in a severl hss. And Jotam de

6 And de rest ov de acts ov Azaria, and
ol dat he did, s [qr] da not rit'n in de bué

7 ov de cronic'iz ov de cijz ov Jyda. So
Azaria slept wid hiz fqderz; and da berid

and Jotam hiz sun rand in hiz sted.

8 IN DE TERTI and att yer ov Azaria
cij ov Jyda did Zacaria de sun ov Jero-

9 munts. And he did [dát hwig woz] ev'l
in de sít ov de LORD, az hiz fqderz had
dun: he departed not from de sinz ov
Jeroboam de sun ov Nebat, hu mad 'Is-

15 rael tu sin. (10) And Salum de sun ov
Jabef conspírd agénst him, and smót
him befór de pep'l, and slui him, and rand

11 And de rest ov de acts ov Zacaria, be-
hóld, da [qr] rit'n in de bué ov de cronic'iz
12 ov de cijz ov 'Israel. Dis [woz] de wurd
ov de LORD hwig he spac untu Jehu,
sain, Hí sunz sal sit on de tron ov 'Israel
untu de fórt [jenerafun]. And so it cam
tu pqs.

13 SALUM de sun ov Jabef begán tu ran
in de nín and tertiet yer ov Uzja cij ov
Jyda: and he rand a ful munt in Samaria.

14 For Menahem de sun ov Gadj went up
from Terza, and cam tu Samaria, and
smót Salum de sun ov Jabef in Samaria,
and slui him, and rand in hiz sted.

15 And de rest ov de acts ov Salum, and
hiz conspiresi hwig he mad, behóld, da [qr]

16 ov 'Israel. Hén Menahem smót Tísa,
and ol dat [wer] darin, and de costs daróf

darfór he smót [it; and] ol de wimen
darín dat wer wid gíld he rípt up.

17 IN DE NÍN and tertiet yer ov Azaria
cij ov Jyda begán Menahem de sun ov
Gadj tu ran óver 'Israel, [and rand] ten

18 yez in Samaria. And he did [dát hwig
woz] ev'l in de sít ov de LORD: he de-
parted not ol hiz daz from de sinz ov
Jeroboam de sun ov Nebat, hu mad 'Is-

19 rael tu sin. [And] Pul de cij ov Asiria

20 dum in hiz hand. And Menahem egzátet
de muni ov 'Israel, [ev'n] ov ol de mjt

men ov welt, ov eg man fifti feeelz ov

cij ov Asiria turnd bac, and stad not dar

21 And de rest ov de acts ov Menahem, and
ol dat he did, s [qr] da not rit'n in de bué

22 ov de cronic'iz ov de cijz ov 'Israel. And
Menahem slept wid hiz fqderz; and Peca-
hja hiz sun rand in hiz sted,

23 IN DE FIFTIE'I yer ov Azaria cij ov
Jyda Pecalija de sun ov Menahem begán
tu ran óver 'Israel in Samaria, [and rand]

24 tú yez. And he did [dát hwig woz] ev'l
in de sít ov de LORD: he departed not
from de sinz ov Jeroboam de sun ov Nebat,

25 hu mad 'Israel tu sin. But Peca de sun
ov Remalja, a capten ov hiz, conspírd
agénst him, and smót him in Samaria,
in de pales ov de cijz hss, wid Argob
and Arja, and wid him fifti men ov de
Gítiadjts: and he cild him, and rand in
hiz rum.

26 And de rest ov de acts ov Pecalija, and
ol dat he did, behóld, da [qr] rit'n in de
bué ov de cronic'iz ov de cijz ov 'Israel.

27 IN DE TW and fiftiet yer ov Azaria
cij ov Jyda Peca de sun ov Remalja begán
tu ran óver 'Israel in Samaria, [and rand]

28 twenti yez. And he did [dát hwig woz]

15 ev'l in de sijt ov de LÖRD: he departed not from de sinz ov Jeroboam de sun ov Nebat, hui mad 'Izrael tuu sin. In de daz ov Peca cij ov 'Izrael eam Tiglat-pileser cij ov Asiria, and tue fjon, and Abel-bet-maaca, and Janoa, and Cedef, and Hazer, and Giliad, and Galile, el de land ov Naftali, and carid dem captiv tuu Asiria. And Hofea de sun ov Ela mad a conspiresi agénst Peca de sun ov Remalja, and smot him, and slu him, and rand in hiz sted, in de twentiet yer ov Jotam de sun ov Uzja.

31 And de rest ov de acts ov Peca, and el dat he did, behóld, da [qr] rit'n in de bac ov de cronic'lz ov de cijz ov 'Izrael.

32 IN DE SECUND yer ov Peca de sun ov Remalja cij ov 'Izrael begán Jotam de sun ov Uzja cij ov Jyda tuu ran. Fij and twenti yerz old woz he hwen he begán tuu ran, and he rand siesten yerz in Jeruzalem. And hiz muderz nam [woz] Jerusja, 31 de dotor ov Zadoc. And he did [dat hwig woz] rijt in de sijt ov de LÖRD: he did acording tuu el dat hiz fader Uzja had dun. 35 Hsbeit de hij plasez yer not remúv'd: de pep'l sacrificz and burnt insens stil in de hij plasez. He bilt de hijer gat ov de hss ov de LÖRD.

36 Ns de rest ov de acts ov Jotam, and el dat he did, s [qr] da not rit'n in de bac ov de cronic'lz ov de cijz ov Jyda. In doz daz de LÖRD begán tuu send agénst Jyda Rezin de cij ov Siria, and Peca de sun ov Remalja. And Jotam slept wid hiz faderz, and woz berid wid hiz faderz in de siti ov David hiz fader: and Ahaz hiz sun rand in hiz sted.

16 IN DE SEV'NTENTI yer ov Peca de sun ov Remalja, Ahaz de sun ov Jotam cij ov Jyda begán tuu ran. Twenti yerz old [woz] Ahaz hwen he begán tuu ran, and rand siesten yerz in Jeruzalem, and did not [dat hwig woz] rijt in de sijt ov de LÖRD hiz God, he David hiz fader.

3 But he weet in de wa ov de cijz ov 'Izrael, ya, and mad hiz sun tuu pqs tru de fjr, acording tuu de abominafunz ov de hed'n, hui de LÖRD eqst st from befór de gildren ov 'Izrael. And he sacrificz and burnt insens in de hij plasez, and on de hiltz, and under everi gren tre.

5 Aen Rezin cij ov Siria and Peca sun ov Remalja cij ov 'Izrael eam up tuu Jeruzalem tuu wer: and da beséjd Ahaz, but ead not overefun [him]. At dat tim Rezin cij ov Siria recúverd Elat tuu Siria, and drav de Jyz from Elat: and de Sirianz eam 7 tuu Elat, and dwelt dar untu tis da. So Ahaz sent mesenjerz tuu Tiglat-pileser cij ov Asiria, saij, f [am] di servant and di sun: eum up, and sav me st ov de hand ov de cij ov Siria, and st ov de hand ov de cij ov 'Izrael, hwig rjz up agénst me. 8 And Ahaz tue de silver and gold dat woz fsnd in de hss ov de LÖRD, and in de trezurz ov de cijz hss, and sent [it for] 9 a prezent tuu de cij ov Asiria. And de cij

16 ov Asiria hqr'nd untu him; for de cij ov Asiria went up agénst Damáscus, and tue it, and carid [de pep'l ov] it captiv tuu Cer, and slu Rezin.

10 And cij Ahaz went tuu Damáscus tuu met Tiglat-pileser cij ov Asiria, and so an elter dat [woz] at Damáscus: and cij Ahaz sent tuu Uija de prest de fasun ov de elter, and de patern ov it, acording tuu el 11 de wúremanfip daróf. And Uija de prest bilt an elter acording tuu ol dat cij Ahaz had sent from Damáscus: so Uija de prest mad [it] agénst cij Ahaz eam from 12 Damáscus. And hwen de cij woz eum from Damáscus, de cij so de elter: and de cij aprógt tuu de elter, and oferd darón.

13 And he burnt hiz burnt oferij and hiz met oferij, and pord hiz drije oferij, and sprige'ld de blud ov hiz pes oferijz, upón 14 de elter. And he bret also de braz'n elter, hwig [woz] befór de LÖRD, from de fofrunt ov de hss, from betwén de elter and de hss ov de LÖRD, and put it on de nort

15 sijd ov de elter. And cij Ahaz comqnded Uija de prest, saij, Upón de grat elter burn de mornig burnt oferij, and de evnij met oferij, and de cijz burnt sacrificz, and hiz met oferij, wid de burnt oferij ov ol de pep'l ov de land, and dar met oferij, and dar drije oferijz; and sprige' upón it ol de blud ov de burnt oferij, and ol de blud ov de sacrificz: and de braz'n elter sal be

16 for me tuu incwjr [bi]. Aus did Uija de prest, acording tuu ol dat cij Ahaz com- 17 qnded. And cij Ahaz eut of de berderz ov de basez, and remúv'd de laver from of dem; and tue dsn de se from of de braz'n oes'n dat [wer] under it, and put it upón a 18 pavement ov stonz. And de cuvert for de sabat dat da had bilt in de hss, and de cijz entri widst, turnd he from de hss ov de LÖRD for de cij ov Asiria.

19 Ns de rest ov de acts ov Ahaz hwig he did, s [qr] da not rit'n in de bac ov de 20 cronic'lz ov de cijz ov Jyda. And Ahaz slept wid hiz faderz, and woz berid wid hiz faderz in de siti ov David: and Hezeceja hiz sun rand in hiz sted.

17 IN DE TWELFTI yer ov Ahaz cij ov Jyda begán Hofea de sun ov Ela tuu 2 ran in Samaria over 'Izrael nijn yerz. And he did [dat hwig woz] ev'l in de sijt ov de LÖRD, but not az de cijz ov 'Izrael dat 3 wer befór him. Agénst him cam up Salmaneser cij ov Asiria; and Hofea becám hiz servant, and gav him prezents.

4 And de cij ov Asiria fsnd conspiresi in Hofea: for he had sent mesenjerz tuu So cij ov Ejipt, and bret no prezent tuu de cij ov Asiria, az [he had dun] yer bi yer: darfor de cij ov Asiria fut him up, and bsnd 5 him in priz'n. Aen de cij ov Asiria cam up truust el de land, and went up tuu 6 Samaria, and beséjd it tre yerz. In de nijn yer ov Hofea de cij ov Asiria tue Samaria, and carid 'Izrael awá intu Asiria, and plast dem in Hala and in Haber [bi] de river ov Gözan, and in de sitiz ov de Medz.

17 7 For [so] it woz, dat de gildren ov 'Izrael had sind agénst de LÖRD dar God, hwig had brot dem up st ov de land ov 'Ejpt, from under de hand ov Faro cij ov 'Ejpt, and had ferd uder godz, and woet in de statuts ov de he'd'n, hum de LÖRD eqst st from befór de gildren ov 'Izrael, and ov de cijz ov 'Izrael, hwig da had mad.

9 And de gildren ov 'Izrael did secretli [doz] tinz dat [wer] not rit agénst de LÖRD dar God, and da bilt dem hij plasez in ol dar sitiz, from de tser ov de woemen tuu de fenst siti. And da set dem up imejz and grovz in everi hij hil, and under everi gren tre: and dar da burnt insens in ol de hij plasez, az [did] de he'd'n hum de LÖRD carid awá befór dem; and rot wiced tinz

12 tuu provóe de LÖRD tuu anger: for da servd idulz, hwaróf de LÖRD had sed untu dem, Ye sal not dui dis tip.

13 Yet de LÖRD testifd agénst 'Izrael, and agénst Jyda, bi ol de profets, [and bi] ol de seerz, saig, Turn ye from yr ev'l waz, and cep mij comqndments [and] mij statuts, acordij tuu ol de lo hwig i comqnded yr fqderz, and hwig i sent tuu u bi mij servants de profets. Notwistándin da wúd not her, but hqr'nd dar nees, lje tuu de nee ov dar fqderz, dat did not belév in de

15 LÖRD dar God. And da rejécted hiz statuts, and hiz covenant dat he mad wid dar fqderz, and hiz téstimuniz hwig he testifd agénst dem; and da solod vaniti, and becáu van, and went qfter de he'd'n dat [wer] rsnd abót dem, [consérnin] hum de LÖRD had carjd dem, dat da súd not dui lje dem. And da left ol de comqndments ov de LÖRD dar God, and mad dem molt'n imejz, [ev'n] tú eqvz, and mad a grov, and wurfip ol de host ov he'n, and

17 servd Baul. And da cozd dar sunz and dar doterz tuu pqs tru de fir, and yzd divinasun and enqntments, and sold demsélvz tuu duu ev'l in de sít ov de LÖRD, tuu provóe him tuu anger. Darfor de LÖRD woz veri angri wid 'Izrael, and remúvd dem st ov hiz sít: dar woz nun left but de

19 triph ov Jyda onli. Olso Jyda cept not de comqndments ov de LÖRD dar God, but woet in de statuts ov 'Izrael hwig da mad.

20 And de LÖRD rejécted ol de sed ov 'Izrael, and afflicted dem, and deliverd dem intui de hand ov spolerz, untíl he had eqst dem st ov hiz sít. For he rent 'Izrael from de hys ov David; and da mad Jeroboam de sun ov Nebat cij: and Jeroboam drav 'Izrael from fóloij de LÖRD, and mad

22 dem sin a grat sin. For de gildren ov 'Izrael woet in ol de sinz ov Jeroboam hwig he

23 did; da departed not from dem; untíl de LÖRD remúvd 'Izrael st ov hiz sít, az he had sed bi ol hiz servants de profets. So woz 'Izrael carid awá st ov dar on land tuu Asiria untu dis da.

24 And de cij ov Asiria brot [men] from Babilun, and from Cufa, and from Ava, and from Hamat, and from Sefarvaim, and plast [dem] in de sitiz ov Samaria instéd

17 ov de gildren ov 'Izrael: and da pozést Samaria, and dwelt in de sitiz daróf.

25 And [so] it woz at de begínij ov dar dwelij dar, [dat] da ferd not de LÖRD: darfor de LÖRD sent húnz amún dem, hwig

26 shu [sum] ov dem. Hwarfor da spae tuu de cij ov Asiria, saig, De nasunz hwig ds hast remúvd, and plast in de sitiz ov Samaria, no not de maner ov de God ov de land: darfor he hot sent húnz amún dem, and, behóld, da sla dem, becéz da no

27 not de maner ov de God ov de land. Den de cij ov Asiria comqnded, saig, Cari díder wun ov de prests hum ye brot from dens; and let dem go and dwel dar, and let him teg dem de maner ov de God ov de land.

28 Den wun ov de prests hum da had carid awá from Samaria cam and dwelt in Betel, and tot dem hys da súd fer de LÖRD.

29 Hsbeit everi nafun mad godz ov dar on, and put [dem] in de hszez ov de hij plasez hwig de Samaritanz had mad, everi nafun

30 in dar sitiz hwarin da dwelt. And de men ov Babilun mad Sucot-benot, and de men ov Cut mad Nergal, and de men ov Hamat mad Afima, and de Avjts mad Nibhaz and Tqrtae, and de Sefarvjts burnt dar gildren in fir tuu Adramelec and Anamelec,

32 de godz ov Sefarvaim. So da ferd de LÖRD, and mad untu demsélvz ov de loest ov dem prests ov de hij plasez, hwig sacrificz for dem in de hszez ov de hij plasez.

33 Da ferd de LÖRD, and servd dar on godz, qfter de maner ov de nasunz hum da carid awá from dens.

34 Untu dis da da duu qfter de former manerz: da fer not de LÖRD, neder duu da qfter dar statuts, or qfter dar órdinansez, or qfter de lo and comqndment hwig de LÖRD comqnded de gildren ov Ja-

35 cub, hum he namd 'Izrael; wid hum de LÖRD had mad a covenant, and carjd dem, saig, Ye sal not fer uder godz, nor bs yr-sélvz tuu dem, nor serv dem, nor sacrificz

36 tuu dem: but de LÖRD, hu brot uq up st ov de land ov 'Ejpt wid grat pser and a streot st qrm, him sal ye fer, and him sal ye wurfip, and tuu him sal ye duu sacrificz.

37 And de statuts, and de órdinansez, and de lo, and de comqndment, hwig he rot for u, ye sal obzérv tuu duu for evermór; and ye

38 sal not fer uder godz. And de covenant dat i hav mad wid u ye sal not forgét;

39 neder sal ye fer uder godz. But de LÖRD yr God ye sal fer; and he sal deliver u st

40 ov de hand ov ol yr enemiz. Hsbeit da did not hqr'n, but da did qfter dar former maner.

41 So dez nasunz ferd de LÖRD, and servd dar grav'n imejz, bot dar gildren, and dar gildrenz gildren: az did dar fqderz, so duu da untu dis da.

18 N8 it cam tuu pqs in de terd yer ov Hseca sun ov Ela cij ov 'Izrael, [dat] Hezeia de sun ov Ahaz cij ov Jyda

2 begán tuu ran. Twenti and fiv yerz old woz he hwen he begán tuu ran; and he rand twenti and nijn yerz in Jeruzaalem.

18 Hiz muderz nam also [woz] Abj de
deter ov Zacarja. (3) And he did [dát
hwig woz] rjt in de sjt ov de LÖRD, acordin
4 tu el dat David hiz fader did. He re-
müv'd de hj plasez, and brac de incejz,
and cut dñn de grövz, and brac in pesez
de brazn serpent dat Moez had mad:
for untu doz daz de gildren ov 'Izrael did
burn insens tu it: and he cold it Nehúf-
5 tan. He trusted in de LÖRD God ov
'Izrael; so dat qfter him woz nun lje him
amún el de einz ov Jyda, ner [en] dat
6 wer befór him. Før he clav tu de LÖRD,
[and] departed not from fóloin him, but
cept hiz comqndments, hwig de LÖRD com-
qnded Moez.

7 And de LÖRD woz wid him: [and] he
prosperd hwidersoéver he went fòrt: and
he rebeld agénst de einz ov Asiria, and servd
8 him not. He smot de Filistinz, [ev'n]
untu Gaza, and de borderz daróf, from de
tzer ov de wogmen tu de fenst siti.

9 AND it cam tu pqs in de fòrt yer ov einz
Hezecja, hwig [woz] de sev'nt yer ov Hofea
sun ov Ela einz ov 'Izrael, [dat] Xalmaneser
einz ov Asiria cam up agénst Samaria, and
10 besj'd it. And at de end ov tre yerz da
tue it: [ev'n] in de siest yer ov Hezecja,
dát [iz] de njnt yer ov Hofea einz ov 'Iz-
11 rael, Samaria woz tac'n. And de einz ov
Asiria did eari awá 'Izrael untu Asiria,
and put dem in Hala and in Haber [bj]
de river ov Gozan, and in de sitiz ov de
12 Medz: becóz da obád not de vos ov de
LÖRD dar God, but transgrést hiz cuven-

LÖRD comqnded, and wud not her [dem],
ner duu [dem].

13 N'S in de fòrtent yer ov einz Hezecja did
Senacerib einz ov Asiria cum up agénst el
14 de fenst sitiz ov Jyda, and tue dem. And
Hezecja einz ov Jyda sent tu de einz ov
Asiria tu Lacif, saij, I hav ofénded; re-
türn from me: dát hwig ds putest on me
wil j bar. And de einz ov Asiria aponted
untu Hezecja einz ov Jyda tre hundred
talents ov silver and terti talents ov gold.

15 And Hezecja gav [him] el de silver dat
woz fñnd in de hss ov de LÖRD, and in de
16 trezurz ov de einz hss. At dát tjm did
Hezecja cut of [de gold from] de dörz ov
de temp'l ov de LÖRD, and [from] de pilcrz
hwig Hezecja einz ov Jyda had överlád, and
gav it tu de einz ov Asiria.

17 And de einz ov Asiria sent Tqrtan and
Rabsaris and Rabfaca from Lacif tu

18 And hwen da had cold tu de einz, dar cam

19 And Rabfaca sed untu dem, Spec ye ns

12 [wer] at ðar comqndment. (33) Ov Zebulun, sug az went fort tui bat'l, eespért in wor, wið el instruments ov wer, fifti tšzend, hwiç euað cep rage: [ða wer] 34 not ov dub'l hqrt. And ov Naftali a tšzend captenz, and wið dem wið feld and 35 sper tertí and sev'n tšzend. And ov ðe Danjts eespért in wor twenti and at tšzend 36 and sics hundred. And ov Afer, sug az went fort tui bat'l, eespért in wor, forti 37 tšzend. And on ðe uðer sijð ov Jorðan, ov ðe Rubenjts, and ðe Gadjts, and ov ðe hqf trijv ov Manása, wið el maner ov instruments ov wer for ðe bat'l, an hundred and twenti tšzend. El ðez men ov 38 wer, ðat euað cep rage, cam wið a perfect hqrt tui Hebron, tui mac David eiç over el 'Israel: and el ðe rest elso ov 'Israel [wer] ov wun hqrt tui mac David eiç. 39 And ðar ða wer wið David tre daz, etiç and drinçeiç: fer ðar bredren had prepárd 40 for dem. Morover ðá ðat wer nj dem, [ev'n] untui Izacer and Zebulun and Naftali, bret bred on qsez, and on camelz, and on mülz, and on oes'n, [and] met, mel, caes ov figz, and bungez ov raz'nz, and wjn, and ol, and oes'n, and sep abundantli: for [ðar woz] jør in 'Israel.

13 AND David consülted wið ðe captenz ov tšzendz and hundredz, [and] 2 wið everi leder. And David sed untui el ðe congregaſun ov 'Israel, If [it sem] guað untui q, and [ðat it be] ov ðe LÖRD sr God, let us send abróð untui sr bredren everi hwar, [ðat qr] left in el ðe land ov 'Israel, and wið dem [elso] tui ðe prests and Levjts [hwiç qr] in ðar sitiz [and] suburbz, ðat ða ma gader ðemselvz untui 3 us: and let us briç agén ðe qre ov sr God tui us: fer we incwrd not at it in ðe daz 4 ov Sel. And el ðe congregaſun sed ðat ða wad ðu so: for ðe tñj woz rjt in ðe iz ov el ðe pep'l.

5 So David gaderd el 'Israel tugéðer, from Ejhor ov Ejpt ev'n untui ðe enteriç ov Hemat, tui briç ðe qre ov God from Cerjat-jearim. And David went up, and el 'Israel, tui Baala, [ðát iz,] tui Cerjat-jearim, hwiç [belónd] tui Jyða, tui briç up ðens ðe qre ov God ðe LÖRD, ðat dwelet [betwén] ðe 7 gerubim, huiz nam iz eold [on it]. And ða carid ðe qre ov God in a nq eart st ov ðe hss ov Abinabab: and Uza and Ahjv 8 drav ðe eqrt. And David and ol 'Israel plad befor God wið el [ðar] mjt, and wið sijin, and wið hqrs, and wið solteriz, and wið timbrelz, and wið simbalz, and wið 9 trumpets. And hwen ða cam untui ðe tresjnfloz ov Cjdon, Uza put fort hiz hand tui hold ðe qre; for ðe oes'n stumb'ld. 10 And ðe ançer ov ðe LÖRD woz ciuð'ld agénst Uza, and he smot him, becöz he put hiz hand tui ðe qre: and ðar he dið 11 befor God. And David woz displéð, becöz ðe LÖRD had mad a breg upón Uza: hwarfor ðát plas iz eold Perez-uzat tui 12 ðis ða. And David woz afrád ov God ðát ða, saiç, i Hs fal i briç ðe qre ov God

13 [hom] tui me. (13) So David brot not ðe qre [hom] tui himsélft tui ðe siti ov David, but carid it asjð intui ðe hss ov Obed-edum ðe Gijtj.

14 And ðe qre ov God remánd wið ðe famili ov Obed-edum in hiz hss tre munts. And ðe LÖRD blest ðe hss ov Obed-edum, and el ðat he had.

14 Ns Hjram eiç ov Tjr sent mesenjerz tui David, and timber ov sederz, wið mas'nz and carpenterz, tui bild him an 2 hss. And David persévd ðat ðe LÖRD had confermð him eiç over 'Israel, for hiz eiçdum woz lifted up on hj, becöz ov hiz pep'l 'Israel.

3 And David tuc mör wjvz at Jeruzalem: and David begát mör sunz and dæterz. 4 Ns ðez [qr] ðe namz ov [hiz] gildren hwiç he had in Jeruzalem: Samya, and Xobab, 5 Natan, and Solomun, and Ibhqr, and 6 Elifja, and Elpalet, and Noga, and Nefeg, 7 and Jafja, and Elifama, and Becljada, and Elifalet.

8 AND hwen ðe Filistinz herd ðat David woz anonted eiç over el 'Israel, el ðe Filistinz went up tui sec David. And David herd [ov it], and went st agénst 9 dem. And ðe Filistinz cam and spred ðemselvz in ðe vali ov Refaim. And David incwrd ov God, saiç, i Sal i go up agénst ðe Filistinz, and i wilt ðs deliver dem intui mjn hand. And ðe LÖRD sed untui him, Go up; for i wil deliver dem intui ðjn 11 hand. So ða cam up tui Baal-perazim; and David smot dem ðar. Hen David sed, God hat bröc'n in upón mjn enemiz bi mjn hand lje ðe braciç fort ov weterz: ðarfor ða eold ðe nam ov ðát plas Baal-perazim. And hwen ða had left ðar godz ðar, David gav a comqndment, and ða wer burnt wið fjr.

13 And ðe Filistinz yet agén spred ðemselvz 14 abróð in ðe vali. Harfor David incwrd agén ov God; and God sed untui him, Go not up after dem; turn awá from dem, and cum upón dem over agénst ðe mulberi 15 trez. And it fal be, hwen ðs falt her a ssnd ov goin in ðe tops ov ðe mulberi trez, [ðat] ðen ðs falt go st tui bat'l: for God iz gon fort befor ðe tui snjt ðe host ov ðe 16 Filistinz. David ðarfor dið az God comqnded him: and ða smot ðe host ov ðe 17 Filistinz from Gibiun ev'n tui Gazer. And ðe fam ov David went st intui el landz: and ðe LÖRD brot ðe fer ov him upón el nafunz.

15 AND [David] mad him hszez in ðe siti ov David, and prepárd a plas fer ðe 2 qre ov God, and piçt for it a tent. Hen David sed, Nun et tui cari ðe qre ov God but ðe Levjts: for dem hat ðe LÖRD goz'n tui cari ðe qre ov God, and tui minister untui him for ever.

3 And David gaderd el 'Israel tugéðer tui Jeruzalem, tui briç up ðe qre ov ðe LÖRD untui hiz plas, hwiç he had prepárd for it. 4 And David asémb'ld ðe gildren ov Arun, 5 and ðe Levjts: ov ðe sunz ov Cohat; Uriel

15 de gef, and hiz bredren an hundred and twenti: (n) ov de sunz ov Merari; Asaja de gef, and hiz bredren tu hundred 7 and twenti: ov de sunz ov Gersom; Joel de gef, and hiz bredren an hundred and 8 terti: ov de sunz ov Elizafan; Semaja de 9 gef, and hiz bredren tu hundred: ov de sunz ov Hebron; Eliel de gef, and hiz 10 bredren forseer: ov de sunz ov Uzziel; Aminadab de gef, and hiz bredren an hundred and twelv.

11 And David cold for Zadoc and Abjater de prests, and for de Levjts, for Uriel, Asaja, and Joel, Semaja, and Eliel, and Aminadab, and sed untu dem, Ye [qr] de gef ov de felderz ov de Levjts: sagethijs urselvjz, [bot] ye and yr bredren, dat ye ma bring up de qre ov de LORD God ov 'Izrael untu 13 [de plas dat] i hav prepar'd for it. For becöz ye [did it] not at de ferst, de LORD sr God mad a breg upön us, for dat we set him not after de di order.

14 So de prests and de Levjts sagethijs demselvjz tu bring up de qre ov de LORD God 15 ov 'Izrael. And de gildren ov de Levjts bar de qre ov God upön dar felderz wid de stavz darön, az Mozez comquded acording tu de wurd ov de LORD.

16 And David spae tu de gef ov de Levjts tu apönt dar bredren [tu be] de singerz wid instruments ov muzje, selteriz and harps and simbalz, sndin, bi listin up de 17 vos wid jo. So de Levjts aponted Heman de sun ov Joel; and ov hiz bredren, Asaf de sun ov Berecia; and ov de sunz ov Merari dar bredren, Etan de sun ov Cijaja; and wid dem dar bredren ov de secund [degrē], Zecaria, Ben, and Jaaziel, and Semiramot, and Jehiel, and Unj, Eljab, and Benaja, and Maasija, and Matija, and Elifela, and Mienija, and 19 Obed-edum, and Jeiel, de porterz. So de singerz, Heman, Asaf, and Etan, [wer aponted] tu snd wid simbalz ov brqs; 20 and Zecaria, and Azjel, and Semiramot, and Jehiel, and Unj, and Eljab, and Maasija, and Benaja, wid selteriz on Alamot; 21 and Matija, and Elifela, and Mienija, and Obed-edum, and Jeiel, and Azazja, wid harps on de Seminit tu cescl.

22 And Cenanja, gef ov de Levjts, [woz] for sog: he instructed abt de sog, becöz he 23 [woz] seilful. And Berecia and Eleana [wer] dor-ceperz for de qre.

24 And Zebanja, and Jehosafat, and Netaniel, and Amasaj, and Zecaria, and Benaja, and Eliezer, de prests, did blo wid de trumpets beför de qre ov God: and Obed-edum and Jehija [wer] dor-ceperz for de qre.

25 So David and de elderz ov 'Izrael, and de captenz over tszendz, went tu bring up de qre ov de cuvenant ov de LORD st ov 26 de hrs ov Obed-edum wid jo. And it cam tu pqs, hwen God helpt de Levjts dat bar de qre ov de cuvenant ov de LORD, dat da 27 oferd sev'n bulnes and sev'n ramz. And David [woz] clodd wid a rob ov fin linen, and ol de Levjts dat bar de qre, and de

15 singerz, and Cenanja de mqster ov de sog wid de singerz: David elso [had] 28 upön him an efod ov linen. Dus ol 'Izrael brot up de qre ov de cuvenant ov de LORD wid fstin, and wid snd ov de cornet, and wid trumpets, and wid simbalz, macij a 29 noz wid selteriz and harps. And it cam tu pqs, [az] de qre ov de cuvenant ov de LORD cam tu de siti ov David, dat Mjcal de doter ov Sol laciñ st at a windo se ciz David dqnsin and plainj: and je despijz him in her hqrt.

16 So da brot de qre ov God, and set it in de midst ov de tent dat David had pigt for it: and da oferd burnt säcrifizez 2 and pes oferinjz beför God. And hwen David had mad an end ov oferinj de burnt oferinjz and de pes oferinjz, he blest 3 de pep'l in de nam ov de LORD. And he delt tu everi wun ov 'Izrael, bot man and wuman, tu everi wun a lof ov bred, and a gad pes ov flej, and a flagun [ov wjn].

4 And he aponted [serten] ov de Levjts tu minister beför de qre ov de LORD, and tu recörd, and tu taje and praz de LORD 5 God ov 'Izrael: Asaf de gef, and necst tu him Zecaria, Jeiel, and Semiramot, and Jehiel, and Matija, and Eljab, and Benaja, and Obed-edum: and Jeiel wid selteriz and wid harps; but Asaf mad a 6 snd wid simbalz; Benaja elso and Jahaziel de prests wid trumpets continuqli beför de qre ov de cuvenant ov God.

7 Den on dát da David deliverd ferst [dis sqm] tu taje de LORD intu de hand ov Asaf and hiz bredren.

8 Giv tapes untu de LORD, col upön hiz nam,

mac non hiz dedz amún de pep'l.
9 Sij untu him, sij sqmz untu him, toe ye ov ol hiz wundrus wures.
10 Glori ye in hiz holi nam:
let de hqrt ov dém rejós dat sec de LORD.

11 See de LORD and hiz strengt,
sec hiz fas continuqli.

12 Remémber hiz mqrvclous wures dat he hat dun,

hiz wunderz, and de jujments ov hiz mst;
13 o ye sed ov 'Izrael hiz servant,
ye gildren ov Jacob, hiz goz'n wunz.

14 He [iz] de LORD sr God;

15 Be ye mindful olwaz ov hiz cuvenant;

16 [ev'n ov de cuvenant] hwig he mad wid and ov hiz ot untu Izac; [Abraham,

17 and hat conférmd de sam tu Jacob for a lo, [and] tu 'Izrael [fer] an everlqstij cuvenant,

18 sainj, Untu dé wil i giv de land ov Cánaan, de lot ov yr inheritans;

19 hwen ye wer bot fu,
ev'n a fu, and stranjerz in it.

20 And [hwen] da went from nafun tu nafun, and from [wun] cizdun tu anúder pep'l;

21 he suferd no man tu du dem roy:

16 ya, he reprúvd einz fer dar sacs,

- 23 Sij untuu de LōRD, ol de ert;

he elso [iz] tuu be ferd abúv el godz,
26 fer el de godz ov de pep'l [qr] idulz:
but de LōRD mad de hev'nz.
27 Glōri and onur [qr] in hiz prezens;

28 Giv untuu de LōRD, ye eindredz ov de pep'l,
giv untuu de LōRD glōri and strejt.
29 Giv untuu de LōRD de glōri [du] untuu hiz

wurſip de LōRD in de bti ov holines.
30 Fer befór him, ol de ert:
de wurld elso ſal be stab'l, dat it be not

31 Let de hev'nz be glad, and let de ert rejós:
and let [men] sa amūj de nafunz, de LōRD

32 Let de se rōr, and de fulnes daróf:
let de feldz rejós, and el dat [iz] darin.
33 Hēn ſal de trez ov de wud sij st
at de prezens ov de LōRD, becóz he cumet
tuu juj de ert.
34 O giv tajes untuu de LōRD; fer [he iz] gud;
fer hiz mersi [endqret] fer ever.
35 And sa ye, Sav us, o God ov sr salvasun,
and gader us tugéder, and deliver us from
de hed'n,
dat we ma giv tajes tuu dĳ holi nam,
36 [and] glōri in dĳ praz. .Blescd [be] de
LōRD God ov 'Izrael fer ever and ever.

And el de pep'l sed, 'Amén, and prazd de

- 37 So he left dar befór de qre ov de cūvenant

17 Nſ it cam tuu pqs, az David sat in hiz

(22) For dj pep'l 'Izrael didst ds mae djn on pep'l for ever; and ds, LORD, beamest dar God. 23 Darfor ns, LORD, let de tij dat ds hast spoe'n consérnig dj servant and consérnig hiz hys be estáblift for ever, and du az ds 24 hast sed. Let it rv'n be estáblift, dat dj nam ma be magnifid for ever, sain, de LORD ov hosts [iz] de God ov 'Izrael, [ev'n] a God tu 'Izrael: and [let] de hys ov David dj servant [be] estáblift befór dé. 25 For ds, o mj God, hast told dj servant dat ds wilt bild him an hys: darfor dj servant hat fsnd [in hiz hart] tu pra befór dé. 26 And ns, LORD, ds qrt God, and hast 27 promist ds gadnes untu dj servant: ns darfor let it plez dé tu bles de hys ov dj servant, dat it ma be befór dé for ever: for ds blesest, o LORD, and [it sal be] blessed for ever.

18 NS qfter dis it cam tu pqs, dat David smot de Filistin, and subdjd dem, and tue Gat and her tznz st ov de hand ov de Filistin.

2 And he smot Moab; and de Moabjts becam Davidz servants, [and] brot gifts.

3 And David smot Hadarezer eij ov Zoba untu Hanat, az he went tu stablfi hiz

4 dominyun bj de river 'Efratez. And David tue from him a tszend gariuts, and sev'n tszend horsmen, and twenti tszend fatmen: David also hoet ol de garint [horsez], but rezérvd ov dem an hundred gariuts.

5 And hwen de Sirianz ov Damáscus cam tu help Hadarezer eij ov Zoba, David slui ov de Sirianz tú and twenti tszend

6 men. Den David put [garisunz] in Siria-damáscus; and de Sirianz becam Davidz servants, [and] brot gifts. Hus de LORD prezérvd David hwidersoéver he went.

7 And David tue de feldz ov gold dat wer on de servants ov Hadarezer, and brot 8 dem tu Jeruzalem. Ljewiz from Tibhat, and from Cnn, sitiz ov Hadarezer, brot David veri muq brqs, hwarwif Solomon mad de braz'n se, and de pilerz, and de veselz ov brqs.

9 NS hwen Toq eij ov Hamat herd hs David had smit'n ol de host ov Hadarezer 10 eij ov Zoba; he sent Hadoram hiz sun tu eij David, tu inewjr ov hiz welfar, and tu congratulat him, becóz he had fot agénst Hadarezer, and smit'n him; (for Hadarezer had wor wid Toq;) and [wid him] ol maner ov veselz ov gold and silver 11 and brqs. Dem also eij David dedicated untu de LORD, wid de silver and de gold dat he brot from ol [dez] nafunz; from Edum, and from Moab, and from de gildren ov Amun, and from de Filistin, and from Amalec.

12 Moreover Abisaj de sun ov Zeruja slui ov de Edumjts in de vali ov solt aten tszend. 13 And he put garisunz in Edum; and ol de Edumjts becam Davidz servants. Hus de LORD prezérvd David hwidersoéver he went.

18 14 SO David rand over ol 'Izrael, and éscéent judment and justis amún ol 15 hiz pep'l. And Joab de sun ov Zeruja [woz] over de host; and Jehosafat de sun 16 ov Ahijud, recorder. And Zadoc de sun ov Ahitub, and Abimelec de sun ov Abjater, [wer] de prests; and Savsa woz serjb; 17 and Benaja de sun ov Jehada [woz] over de Ceretjts and de Peletjts; and de sunz ov David [wer] gef abst de eij.

19 NS it cam tu pqs qfter dis, dat Nabaf de eij ov de gildren ov Amun 2 djd, and hiz sun rand in hiz sted. And David sed, F wil so ejndnes untu Hanun de sun ov Nabaf, becóz hiz fqder sod ejndnes tu me. And David sent mesenjerz tu cumfurt him consérnig hiz fqder. So de servants ov David cam intu de land ov de gildren ov Amun tu Hanun, tu cumfurt 3 him. But de prinsez ov de gildren ov Amun sed tu Hanun, ¿ Tjceest ds dat David dut onur dj fqder, dat he hat sent cumfurterz untu dé; ¿ qrt not hiz servants cum untu dé for tu seq, and tu overtró, and tu spi 4 st de land. Hwarfor Hanun tue Davidz servants, and javd dem, and cut of dar garments in de midst hqrd bj dar butues, 5 and sent dem awá. Den dar went [serten], and told David hs de men wer servd. And he sent tu met dem: for de men wer gratli afánd. And de eij sed, Tari at Jerico until yr berdz be grón, and [den] retúrn.

6 And hwen de gildren ov Amun so dat da had mad demselvz odius tu David, Hanun and de gildren ov Amun sent a tszend talents ov silver tu hjr dem gariuts and horsmen st ov Mesopotamia, and st ov 7 Siria-maaca, and st ov Zoba. So da hjrd terti and tú tszend gariuts, and de eij ov Maaca and hiz pep'l; hui cam and piqt befór Medeba. And de gildren ov Amun gaderd demselvz tugóder from dar sitiz, and cam tu bat'l.

8 And hwen David herd [ov it], he sent 9 Joab, and ol de host ov de mjtj men. And de gildren ov Amun cam st, and put de bat'l in ará befór de gat ov de siti: and de eijz dat wer cum [wer] bj demselvz in de 10 feld. NS hwen Joab so dat de bat'l woz set agénst him befór and behjnd, he qoz st ov ol de qes ov 'Izrael, and put [dem] 11 in ará agénst de Sirianz. And de rest ov de pep'l he deliverd untu de hand ov Abisaj hiz bruder, and da set [demselvz] 12 in ará agénst de gildren ov Amun. And he sed, If de Sirianz be tú strop for me, den ds salt help me: but if de gildren ov Amun be tú strop for dé, den i wil help dé. 13 Be ov gad eurej, and let us beháv xselvz valyanti for sr pep'l, and for de sitiz ov sr God: and let de LORD du [dat hwiq iz] gad in hiz sjt.

14 So Joab and de pep'l dat [wer] wid him dru nj befór de Sirianz untu de bat'l; and 15 da fled befór him. And hwen de gildren ov Amun so dat de Sirianz wer fled, da ljewiz fled befór Abisaj hiz bruder, and

19 enterd intuu de siti. Ten Joab cam tuu Jeruzalem.

16 And hwen de Sirianz so dat da wer put tuu de wurs befór 'Israel, da sent mesenjerz, and druu fort de Sirianz dat [wer] beyónd de river: and Sofae de capten ov de host

17 ov Hadarezer [went] befór dem. And it woz told David; and he gaderd ol 'Israel, and pqt over Jordan, and cam upón dem, and set [de bat'l] in ará agénst dem. So

18 hwen David had put de bat'l in ará agénst de Sirianz, da fot wid him. But de Sirianz fled befór 'Israel; and David slui ov de

Sirianz sev'n tszend [men hwiq fot in] gariuts, and ferti tszend futmen, and eild

19 Sofae de capten ov de host. And hwen de servants ov Hadarezer so dat da wer put tuu de wurs befór 'Israel, da mad pes wid David, and becam hiz servants: neder wud de Sirianz help de gildren ov Amun eni mor.

20 AND it cam tuu pqs, dat qfter de yer woz cespjrd, at de tijn dat cinz go st [tuu bat'l] Joab led fort de pser ov de qmí, and wasted de cuntri ov de gildren ov Amun, and cam and besjrd Raba. But David tarid at Jeruzalem. And Joab

2 smot Raba, and destróid it. And David tue de crsn ov dar cinj from of hiz hod, and fsnd it tuu wa a talent ov gold, and [dar wer] prefus stonz in it; and it woz set upón Davidz hed: and he brot also cespjrd mng

3 spol st ov de siti. And he brot st de pep'l dat [wer] in it, and eut [dem] wid soz, and wid haroz ov jurn, and wid acez. Ev'n so delt David wid ol de sitiz ov de gildren ov Amun. And David and ol de pep'l retúrnd tuu Jeruzalem.

4 AND it cam tuu pqs qfter dis, dat dar aróz wer at Gezer wid de Filistinz; at hwiq tijn Sibecaj de Hufatij slu Sipaj, [dat woz] ov de gildren ov de jiant: and da wer subdjd.

5 And dar woz wor agén wid de Filistinz; and Elhanan de sun ov Jaer slu Lqmí de bruder ov Goljat de Giti, huiz sper stqf [woz] lje a weverz bem.

6 And yet agén dar woz wer at Gat, hwar woz a man ov [grat] statup, huiz fingerz and toz [wer] for and twenti, sics [on eq hand], and sics [on eq fut]: and he also

7 woz de sun ov de jiant. But hwen he defjd 'Israel, Jonatan de sun ov Simia Davidz

8 bruder slu him. Dez wer born untu de jiant in Gat; and da fel bj de hand ov David, and bj de hand ov hiz servants.

21 AND Satan stud up agénst 'Israel, and provóet David tuu number 'Israel.

2 And David sed tuu Joab and tuu de rulerz ov de pep'l, Go, number 'Israel from Beerseba ev'n tuu Dan; and brinj de number ov dem tuu me, dat i ma no [it].

3 And Joab qnsrd, de LóRD mac hiz pep'l an hundred tijnz so meni mor az da [be]: but, mj lord de cinj, i [qr] da not ol mj lerdz servants; i hwi den dut mj lord recwjr dis tijn; i hwi wil he be

4 a cez ov trespas tuu 'Israel. Neverdelés de cinz wurd preváld agénst Joab. Hwar-

21 for Joab departed, and went truést ol 'Israel, and cam tuu Jeruzalem. (5) And

Joab gav de sun ov de number ov de pep'l untu David. And ol [dá ov] 'Israel wer a tszend tszend and an hundred tszend men dat druu sord: and Jyda [woz] for hundred trescor and ten tszend

6 men dat druu sord. But Levj and Benjamin exnted he not amáj dem: for de cinz wurd woz abóminab'l tuu Joab.

7 And God woz displézd wid dis tijn; dar-

8 s for he smot 'Israel. And David sed untu God, I hav sind gratli, becóz i hav dun dis tijn: but ns, i beség dé, du awá de inewiti ov dj servant; for i hav dun

9 veri fuilifli. And de LóRD spac untu

10 Gad, Davidz seer, saij, .Go, and tel David, saij, Ius set de LóRD, I ofer dé

tre [tijnz]: quiz dé wun ov dem, dat i

11 ma du [it] untu dé. So Gad cam tuu David, and sed untu him, Ius set de

12 LóRD, Guiz dé .eder tre yerz famin; or tre munts tuu be destróid befór dj soz,

hwi dat de sord ov djn enemiz over-

tacet [dé]: or els tre daz de sord ov de

LóRD, ev'n de pestilens, in de land, and de anjel ov de LóRD destroy truést ol de

costs ov 'Israel. Ns darfor advjz djsélf

hwt wurd i fal brinj agén tuu him dat

13 sent me. And David sed untu Gad, I am in a grat strat: let me fel ns intuu

de hand ov de LóRD; for veri grat [qr]

hiz mersiz: but let me not fel intuu de

14 So de LóRD sent pestilens upón 'Israel: and dar fel ov 'Israel sev'nti tszend men.

15 And God sent an anjel untu Jeruzalem tuu destró it; and az he woz destroyj,

de LóRD beheld, and he repented him ov

de ev'l, and sed tuu de anjel dat destróid.

It iz enáf, sta ns djn hand. And de anjel

ov de LóRD stad bj de trefinjlor ov Or-

16 nan de Jebuzit. And David lifted up hiz

17 jz, and se de anjel ov de LóRD stand be-

twén de ert and de hev'n, havi a dron

sord in hiz hand streqt st over Jeruzalem.

Den David and de elderz [ov 'Israel, hu

wer] clodd in saclof, fel upón dar fasez.

17 And David sed untu God, i [Iz it] not

i [dat] comended de pep'l tuu be numberd;

ev'n i it iz dat hav sind and dun ev'l

mj God, be on me, and on mj fqderz hss;

but not on dj pep'l, dat da sud be plagd.

18 Den de anjel ov de LóRD comended Gad

tuu sa tuu David, dat David sud go up,

and set up an elter untu de LóRD in

19 de trefinjlor ov Ornan de Jebuzit. And

David went up at de saij ov Gad, hwiq he

20 spac in de nam ov de LóRD. And Ornan

turnd bac, and se de anjel; and hiz for

sunz wid him hid demsélvz. Ns Ornan

21 woz trefinj hwt. And az David cam tuu

Ornan, Ornan laet and se David, and

went st ov de trefinjlor, and bsd himsélf

tuu David wid [hiz] fas tuu de grsrd.

22 Den David sed tuu Ornan, Grqnt me de

21 plas ov [dis] trefin'flor, dat i ma bild an olter darin untu de LÖRD: ds falt gront it me for de ful prjs: dat de plag ma be stad from de pep'l. And Ornan sed untu David. Tac [it] tui dē, and let mij lōrd de eig duu [dāt hwig iz] gwid in hiz iz: lō, i giv [dē] de oes'n [olso] for burnt oferinz, and de trefin' instrumments for wud, and de hwet for de met oferiz; 24 i giv it ol. And eig David sed tui Ornan, Na; but i wil verili bj it for de ful prjs: for i wil not tae [dāt] hwig [iz] dñn for de LÖRD, nor ofer burnt oferinz widšt 25 cost. So David gav tui Ornan for de plas 26 sies hundred fecelz ov gold bj wat. And David bilt dar an olter untu de LÖRD, and oferd burnt oferinz and pes oferinz, and cold upōn de LÖRD; and he qnsred him from hev'n bj fjr upōn de olter ov 27 burnt oferiz. And de LÖRD comqnded de anjel; and he put up hiz sord agēn intu de fet darōf.

28 At dāt tñn hwen David so dat de LÖRD had qnsred him in de trefin'flor ov Ornan 29 de Jebuzit, den he sacerifzd dar. For de tábernacl' ov de LÖRD, hwig Mōzez mad in de wildernes, and de olter ov de burnt oferin, [wer] at dāt sez'n in de bj plas 30 at Gibiun. But David ead not go befōr it tui inewr ov God: for he woz afrád becoz ov de sord ov de anjel ov de LÖRD.

22 (1) Den David sed, dis [iz] de hss ov de LÖRD God, and dis [iz] de olter ov de burnt oferiz for 'Izrael.

2 AND David comqnded tui gader tugeđer de stranjerz dat [wer] in de land ov 'Izrael; and he set mas'nz tui hñ rot 3 stonz tui bild de hss ov God. And David preparád jurn in abúndans for de nalz for de dōrz ov de gats, and for de jomijnz; and 4 brqs in abúndans widšt wat; also seder trez in abúndans: for de Zidonianz and dá ov Tjr brot muq seder wid tui David. 5 And David sed, Solomun mij sun [iz] yun and tender, and de hss [dat iz] tui be bilt for de LÖRD [must be] eesedin magnifical, ov fam and ov glori trüst ol euntreiz: i wil [darfor] nx mae preperafun for it. So David preparád abundantli befōr hiz det.

6 Den he cold for Solomun hiz sun, and qurjd him tui bild an hss for de LÖRD 7 God ov 'Izrael. And David sed tui Solomun, Mij sun, az for me, it woz in mij mind tui bild an hss untu de nam ov de LÖRD 8 mij God: but de wurd ov de LÖRD eam tui me, saip, ds hast sed blud abundantli, and hast mad grat werz: ds falt not bild an hss untu mij nam, becoz ds hast sed 9 muq blud upōn de erf in mij sijt. Behöld, a sun ful be born tui dē, hui ful be a man ov rest; and i wil giv him rest from ol hiz enemiz rynd abšt: for hiz nam ful be Solomun, and i wil giv pes and ewjetnes untu 'Izrael in hiz daz. He ful bild an 10 hss for mij nam; and he ful be mij sun, and i [wil be] hiz fader; and i wil establij de fron ov hiz eigdum over 'Izrael for

22 ever. (11) Ns, mij sun, de LÖRD be wid dē; and prosper ds, and bild de hss ov de LÖRD dij God, az he hat sed ov dē. 12 Onli de LÖRD giv dē wizdum and understādin, and giv dē qarj eonsérnin 'Izrael, dat ds maest erp de lo ov de LÖRD dij 13 God. Den falt ds prosper, if ds tacest hed tui fulfil de statutz and jujments hwig de LÖRD qarjd Mōzez wid eonsérnin 'Izrael: be stroy, and ov gud eurej; dred not, nor be disinád.

14 Ns, behöld, in mij trub'l i hav preparád for de hss ov de LÖRD an hundred tszend talents ov gold, and a tszend tszend talents ov silver; and ov brqs and jurn widšt wat; for it iz in abúndans: timber also and ston hav i preparád; and ds 15 maest ad darfū. Mōrever [dar qv] wuremen wid dē in abúndans, hqerz and wurecz ov ston and timber, and ol maner ov 16 eunij men for everi maner ov wure. Ov de gold, de silver, and de brqs, and de jurn, [dar iz] no number. Ariz [darfor], and be duinj, and de LÖRD be wid dē.

17 David also comqnded ol de prinsez ov 'Izrael tui help Solomun hiz sun, [saip], 18 s [iz] not de LÖRD qv God wid q; and s hat he [not] giv'n q rest on everi sijd; for he hat giv'n de inhabitants ov de land intu mñn hand; and de land iz subdjd 19 befōr de LÖRD, and befōr hiz pep'l. Ns set qv hart and qv sol tui see de LÖRD qv God; ariz darfor, and bild ye de sāpetqeri ov de LÖRD God, tui brij de qrc ov de ewenant ov de LÖRD, and de holi veselz ov God, intu de hss dat iz tui be bilt tui de nam ov de LÖRD.

23 SO hwen David woz öld and ful ov daz, he mad Solomun hiz sun eig över 'Izrael.

2 And he gaderd tugeđer ol de prinsez ov 'Izrael, wid de prests and de Levjts. 3 Ns de Levjts wer numberd from de aj ov terti yerz and upwerd; and dar number bj dar polz, man bj man, woz terti and 4 at tszend. Ov hwig, twenti and for tszend [wer] tui set forwerd de wure ov de hss ov de LÖRD; and sies tszend [wer] 5 ofiserz and jujez: mōrever for tszend [wer] porterz; and for tszend prazd de LÖRD wid de instrumments hwig i mad, [sed David], tui praz [darwit].

in de wildernes, and ol de stor sitiz, hwig
5 he bilt in Hamat. Also he bilt Bet-horon
de uper, and Bet-horon de neder, fenst
6 sitiz, wid wolz, gats, and bqrrz; and Ba-
alat, and ol de stor sitiz dat Solomun
had, and ol de gariut sitiz, and de sitiz
ov de horsmen, and ol dat Solomun dezdrd
tu bild in Jeruzalem, and in Lebanon,
and traušt ol de land ov hiz dōminyun.

7 [Az fōr] ol de pep'l [dat wer] left ov
de Hitjts, and de Amorjts, and de Perizjts,
and de Hvjts, and de Jebuzjts, hwig [wer]
8 not ov 'Izrael, [but] ov dar gildren, hu
wer left qfter dem in de land, hum de
gildren ov 'Izrael consūmd not, dēn did
Solomun mae tu pa tribut untū dis da.
9 But ov de gildren ov 'Izrael did Solomun
mae no servants for hiz wure; but da
[wer] men ov wor, and gēf ov hiz captenz,
and captenz ov hiz gariuts and horsmen.

10 And dez [wer] de gēf ov eij Solomunz
ofiserz, [ev'n] tū hundred and fifti, dat
bar rul over de pep'l.

11 And Solomun brot up de dōter ov Faro
st ov de siti ov David untu de hss dat
he had bilt for her: for he sed, Mj wif
sal not dwel in de hss ov David eij ov
'Izrael, becōz [de plasez bqrr] holi, hwar-
untū de qre ov de LORD hat eum.

12 Then Solomun oferd burnt oferingz untu
de LORD on de olter ov de LORD, hwig
13 he had bilt befōr de porg, ev'n qfter a
serten rat everi da, ofering acording tu de
comandment ov Mozez, on de sabats, and
on de mī mumz, and on de solem fests,
tre tīnz in de yer, [ev'n] in de fest ov
ulēvnd bred, and in de fest ov wees, and

14 in de fest ov tābernac'lz. And he apōn-
ted, acording tu de order ov David hiz
fader, de corsez ov de prests tu dar servis,
and de Levjts tu dar gērjez, tu praz and
minister befōr de prests, az de dūti ov
everi da recwird: de portez also bi dar
corsez at everi gat: for so had David de
15 man ov God comānded. And da departed
not from de comāndment ov de eij untu
de prests and Levjts consērnij eni mater,

8 or consērnij de trezurz. (16) Ns el de wure
ov Solomun woz, preparēd untu de da ov
de fndafun ov de hss ov de LORD, and
until it woz finift. [So] de hss ov de
LORD woz perfected.

17 Then went Solomun tu Ezion-geber, and
tu Elot, at de se sjd in de land ov Edum.

18 And Hiram sent him bi de handz ov hiz
servants sips, and servants dat had nolej
ov de se; and da went wid de servants
ov Solomun tu Ofer, and tue dens for
hundred and fifti talents ov gold, and bret
[dem] tu eij Solomun.

9 AND hwen de ewen ov Saba herd ov
de fam ov Solomun, se cam tu pruuv
Solomun wid hqrd ewestyunz at Jeruz-
alem, wid a veri grat eumpani, and camelz
dat bar spisez, and gold in abūdans, and
presus stonz; and hwen se woz cum tu
Solomun, se comūnd wid him ov el dat
2 woz in her hqrt. And Solomun told her
ol her ewestyunz: and dar woz nutif hid
from Solomun hwig he told her not.

3 And hwen de ewen ov Saba had sen de
wizdum ov Solomun, and de hss dat he
4 had bilt, and de met ov hiz tab'l, and de
sitip ov hiz servants, and de atēdens ov
hiz ministerz, and dar apārel; hiz eub-
barerz also, and dar apārel; and hiz asēnt
bi hwig he went up intu de hss ov de
LORD; dar woz no mor spirit in her.

5 And se sed tu de eij, [It woz] a tru re-
pōrt hwig i herd in mīn on land ov dīn
6 aets, and ov dī wizdum: hsbeit i belēvd
not dar wurdz, until i cam, and mīn iz
had sen [it]: and, behōld, de wun hqf ov
de gratness ov dī wizdum woz not told
me: [fōr] ds cesedest de fam dat i herd.

7 Hapi [qr] dī men, and hapi [qr] dez dī
servants, hwig stand continuāli befōr dē,
8 and her dī wizdum. Blesed be de LORD
dī God, hwig delēd in dē tu set dē on
hiz trōn, [tu be] eij fōr de LORD dī God:
becōz dī God luvd 'Izrael, tu estāblī dem
for ever, darfor mad he dē eij over dem,
9 tu dū jūment and justis. And se gav
de eij an hundred and twenti talents ov
gold, and ov spisez grat abūdans, and
presus stonz: neder woz dar eni sug spis az
de ewen ov Saba gav eij Solomun.

10 And de servants also ov Hiram, and
de servants ov Solomun, hwig bret gold
from Ofer, brot algum trez and presus

11 stonz. And de eij mad [ov] de algum
trez terezez tu de hss ov de LORD, and
tu de eijz pales, and hqrrs and solteriz
fōr sigerz: and dar wer nun sug sen befōr

12 in de land ov Jyda. And eij Solomun
gav tu de ewen ov Saba ol her dezjr,
hwotsoēver se qset, besjd [dat] hwig se
had bret untu de eij. So se turnd, and
went awā tu her on land, se and her
servants.

13 Ns de wat ov gold dat cam tu Solo-
mun in wun yer woz sies hundred and
14 trescor and sies talents ov gold; besjd
[dat] hwig capmen and mercants brot.
And ol de eijz ov Arabia and guvernerz

9 ov de cuntri brot gold and silver tu Solomun.

13 And ein Solomun mad tui hundred tqrgets [ov] bet'n gold: sies hundred [secelz]

16 ov bet'n gold went tu wun tqrget. And tre hundred feldz [mad he ov] bet'n gold: tre hundred [secelz] ov gold went tu wun feld. And de ein put dem in de hss ov de forest ov Lebanon.

17 Morover de ein mad a grat tron ov

18 ivuri, and overlád it wid pur gold. And [dar wer] sies steps tu de tron, wid a fatstul ov gold, [hwig wer] fqs'nd tu de tron, and staz on eg sjd ov de sitij

19 plas, and tui ljunz standij bi de staz: and twel ljunz stud dar on de wun sjd and on de uder upón de sies steps. Dar woz

20 not de lje mad in eni einjum. And ol de dringij veselz ov ein Solomun [wer ov] gold, and ol de veselz ov de hss ov de forest ov Lebanon [wer ov] pur gold: nun [wer ov] silver; it woz [not] enitij

21 aentnd ov in de daz ov Solomun. For de einz sips went tu Tqrtsij wid de servants ov Hyram: everi tre yerz wuns cam de sips ov Tqrtsij bringij gold, and silver, ivuri, and aps, and peoces.

22 And ein Solomun pqt ol de einz ov de

23 ert in riccz and wizdum. And ol de einz ov de ert sot de prezens ov Solomun, tu her hiz wizdum, dat God had put in hiz

24 hqrt. And da brot everi man hiz prezent, veselz ov silver, and veselz ov gold, and rament, hqnes, and spisez, horsez, and mjlz, a rat yer bi yer.

25 And Solomun had for tszend stolz for horsez and gariuts, and twel tszend horsmen; hum he bestód in de gariut sitiz, and wid de ein at Jeruzalem.

26 And he rand over ol de einz from de river ev'n untui de land ov de Filistinz,

27 and tu de border ov Ejipt. And de ein mad silver in Jeruzalem az stonz, and seder trez mad he az de sicamor trez dat

28 [qr] in de lo plazn in abúndans. And da brot untui Solomun horsez st ov Ejipt, and st ov ol landz.

29 Ns de rest ov de acts ov Solomun, ferst and lqst, s [qr] da not rit'n in de bué ov Naban de profet, and in de profesij ov Abija de Sijlonjt, and in de vizunz ov Ido de seer agénst Jeroboam de sun ov

30 Nebat. And Solomun rand in Jeruzalem

31 over ol 'Izrael forti yerz. And Solomun slept wid hiz fqderz, and he woz berid in de siti ov David hiz fqder: and Rehoboam hiz sun rand in hiz sted.

10 AND Rehoboam went tu Seem: for tu Seem wer ol 'Izrael cum tu mac him ein.

2 And it cam tu pqs, hwen Jeroboam de sun ov Nebat, hui [woz] in Ejipt, hwider he had fled from de prezens ov Solomun de ein, herd [it], dat Jeroboam retúrn

3 st ov Ejipt. And da sent and cold him. So Jeroboam and ol 'Izrael cam and spae

4 tu Rehoboam, saij, 'Mj fqder mad sr yoe grevus: ns darfor ez ds sunhwot de

10 grevus servitúd ov dj fqder, and hiz hevi yoe dat he put upón us, and we

5 wil serv dé. And he sed untui dem, Cum agén untui me qfter tre daz. And de pep'l departed.

6 And ein Rehoboam tue cnsel wid de old men dat had stad befór Solomun hiz fqder hwil he yet livd, saij, s Hwot cnsel giv ye [me] tui retúrn qnsér tui dis pep'l.

7 And da spae untui him, saij, If ds be ejnd tui dis pep'l, and plez dem, and spee gud wurdz tu dem, da wil be dj servants

8 for ever. But he forsúe de cnsel hwig de old men gav him, and tue cnsel wid de yun men dat wer brót up wid him, dat

9 stad befór him. And he sed untui dem, s Hwot advjs giv ye dat we ma retúrn qnsér tui dis pep'l, hwig hav spœ'n tu me, saij, Ez sunhwot de yoe dat dj fqder

10 did put upón us. And de yun men dat wer brót up wid him spae untui him, saij, Tus salt ds qnsér de pep'l dat spae untui dé, saij, 'Mj fqder mad sr yoe hevi, but mac ds [it] sunhwot liter for us; dus salt ds s tu untui dem, Mj lit'l [finger] sal be

11 tier dat mi fqderz lenz. For hwarás mi fqder put a hevi yoe upón u, i wil put mor tu u yoe: mi fqder gastjz u wid hwips, but i [wil gastjz u] wid scoriunz.

12 So Jeroboam and ol de pep'l cam tu Rehoboam on de ferd da, az de ein bad, saij, Cum agén tu me on de ferd da.

13 And de ein qnsér dem rufli; and ein Rehoboam forsúe de cnsel ov de old men,

14 and qnsér dem qfter de advjs ov de yun men, saij, Mj fqder mad ur yoe hevi, but i wil ad dartú: mi fqder gastjz u wid hwips, but i [wil gastjz u] wid scoriunz.

15 So de ein hqre'nd not untui de pep'l: for de eoz woz ov God, dat de Lord mjt perform hiz wurd, hwig he spae bi de band ov Ahija de Sijlonjt tu Jeroboam de sun

16 ov Nebat. And hwen ol 'Izrael [so] dat de ein wud not hqre'n untui dem, de pep'l qnsér de ein, saij, s Hwot porfun hav we in David; and [we hav] nun inheritans in de sun ov Jese: everi man tu ur tents,

17 o 'Izrael: [and] ns, David, se tu djn on hss. So ol 'Izrael went tu dar tents.

18 But [az for] de gildren ov 'Izrael dat dwelt in de sitiz ov Juda, Rehoboam rand over dem.

19 And ein Rehoboam sent Hadoram dat [woz] over de tribut; and de gildren ov 'Izrael stónd him wid stonz, dat he djd. But ein Rehoboam mad sped tu get him up tu [hiz] gariut, tu fle tu Jeruzalem.

20 And 'Izrael rebéld agénst de hss ov David untui dis da.

11 And hwen Rehoboam woz cum tu Jeruzalem, he gaderd ov de hss ov Juda and Benjamin an hundred and forseer tszend goz'n [men] hwig wer woriurz, tu fjt agénst 'Izrael, dat he mjt

2 brij de einjum agén tu Rehoboam. But de wurd ov de Lord cam tu Seemaja de

3 man ov God, saij, Spee untui Rehoboam de sun ov Solomun, ein ov Juda, and tu

11 ol 'Izrael in Jyda and Benjamin, sayn, (4) Jus set de LORD, Ye sal not go up, nor sit agénst yr bredren: retúrn everi nien tuu hiz liss: for dis tip iz dun ov me. And da obád de wurdz ov de LORD, and retúrn'd from goin agénst Jeroboam.

5 AND Rehoboam dwelt in Jeruzalem, and bilt sitiz for deféns in Jyda. He bilt 7 ev'n Békkehem, and 'Etam, and Tecoa, and 8 Betzur, and Zoco, and Adálam, and Gat, 9 and Márefa, and Zif, and Adoraim, and 10 Lacif, and Azeca, and Zora, and Ajalon, and Hebron, hwiq [qr] in Jyda and in 11 Benjamin fenst sitiz. And he fortifid de stroy holdz, and put captenz in dem, and 12 stor ov vit'l, and ov ol and wjn. And in everi several siti [he put] feldz and sperz, and mad dem esedij stroy, havin Jyda 13 and Benjamin on hiz sjd. And de prests and de Levits dat [wer] in ol 'Izrael re- 14 zortid tuu him st ov ol dar costs. For de Levits left dar suburbz and dar pozejun, and cam tuu Jyda and Jeruzalem: for Jeroboam and hiz sunz had eqst dem of from esecutij de prests ofis untu de 15 LORD: and he ordánd him prests for de bj plasez, and for de dev'z, and for de 16 eqvz hwiq he had mad. And qfter dem st ov ol de trijz ov 'Izrael suq az set dar hqrts tuu see de LORD God ov 'Izrael cam tuu Jeruzalem, tuu sacrificz untu de 17 LORD God ov dar fqderz. So da strejt'nd de cindum ov Jyda, and mad Rehoboam de sun ov Solomon stroy, tre yez: for tre yez da voot in de wa ov David and Solomon.

18 And Rehoboam tue him Mahalat de doter ov Jerimot de sun ov David tuu wj, [and] Abihail de doter ov Eljab de sun ov 19 Jese; hwiq bar him gildren; Jeuf, and 20 Namarja, and Zahom. And qfter ber he tue Maaca de doter ov Absalum; hwiq bar him Abija, and 'Atai, and Ziza, and 21 Zelomit. And Rehoboam luvd Maaca de doter ov Absalum abúv ol hiz wjyz and hiz copenbjnz: (for he tue aten wjyz, and trescor copenbjnz; and begát twenti and 22 at sunz, and trescor doterz.) And Rehoboam mad Abija de sun ov Maaca de qef, [tuu he] ruler amúv hiz bredren; for [he 23 fot] tuu mac hin cij. And he delt wjzli, and dispérs ov ol hiz gildren trau't ol de cuntriz ov Jyda and Benjamin, untu everi fenst siti: and he gav dem vit'l in abúndans. And he dezjrd meni wjyz.

12 AND it cam tuu pqs, hwen Rehoboam had estáblifst de cindum, and had strejt'nd himsélf, he fersáe de lo ov de LORD, and ol 'Izrael wid him.

2 And it cam tuu pqs, [dat] in de fift yer ov cij Rehoboam Zifac cij ov 'Ejpt cam up agénst Jeruzalem, becóz da had 3 transgrést agénst de LORD, wid twelv hundred gariats, and trescor tszend horsmen: and de pep'l [wer] widst number dat cam wid him st ov 'Ejpt; de Lyhimz, de Suciinz, and de 'Etiopianz. 4 And he tue de fenst sitiz hwiq [pertánd]

12 tuu Jyda, and cam tuu Jeruzalem. (5) Hen cam Zemaia de profet tuu Rehoboam, and [tuu] de prinsez ov Jyda, dat wer gad-erd tugéder tuu Jeruzalem becóz ov Zifac, and sed untu dem, Jus set de LORD, Ye hav forsac'n me, and darfor hav i also 6 left u in de hand ov Zifac. Hwarupón de prinsez ov 'Izrael and de cij umb'ld demsélvz; and da sed, Ae LORD [iz] rit- 7 yus. And hwen de LORD se dát da umb'ld demsélvz, de wurd ov de LORD cam tuu Zemaia, sayn, Ha hav umb'ld demsélvz; [darfor] i wil not destró dem, but i wil grqnt dem sum deliverons; and mi rot 8 sal not be pord st upón Jeruzalem bj de hand ov Zifac. Neverdél's da sal be hiz servants; dat da ma no mi servis, and de 9 servis ov de cindumz ov de cuntriz. So Zifac cij ov 'Ejpt cam up agénst Jeruzalem, and tue awá de trezurz ov de hss ov de LORD, and de trezurz ov de cijz hss; he tue ol: he carid awá also de feldz ov 10 gold hwiq Solomon had mad. Instéd ov hwiq cij Rehoboam mad feldz ov brqs, and comited [dem] tuu de handz ov de qef ov de gqrd, dat cept de entrans ov de cijz 11 hss. And hwen de cij enterd intui de hss ov de LORD, de gqrd cam and fecst dem, and brot dem agén intui de gqrd 12 gambér. And hwen he umb'ld himsélf, de ret ov de LORD turnd from him, dat he wud not destró [him] oltuqéder: and also in Jyda tipz went wel.

13 So cij Rehoboam strejt'nd himsélf in Jeruzalem, and rand: for Rehoboam [woz] wim and ferti yez old hwen he begán tuu ran, and he rand sev'nten yez in Jeruzalem, de siti hwiq de LORD had goz'n st ov ol de trijz ov 'Izrael, tuu put hiz nam dar. And hiz muderz nam [woz] 14 Naama an 'Amonjtes. And he did ev'l, becóz he prepárd not hiz hqrt tuu see de LORD. 15 Ns de acts ov Rehoboam, ferst and lqst, '[qr]' da not rit'n in de buc ov Zemaia de profet, and ov Ido de seer consérnj jeníalojiz. And [dar wer] worz betwén 16 Rehoboam and Jeroboam contínuali. And Rehoboam slept wid hiz fqderz, and woz berid in de siti ov David: and Abija hiz sun rand in hiz sted.

13 Ns IN Ae atent yer ov cij Jeroboam begán Abija tuu ran over Jyda. 2 He rand tre yez in Jeruzalem. Hiz muderz nam also [woz] Mjcaia de doter ov Uriel ov Gibia.

And dar woz wer betwén Abija and 3 Jeroboam. And Abija set de bat'l in ará wid an qrmí ov valyant men ov wer, [ev'n] for hundred tszend goz'n men: Jeroboam also set de bat'l in ará agénst him wid at hundred tszend goz'n men, [bein] mjtí men ov valur.

4 And Abija stud up upón msnt Zemaraim, hwiq [iz] in msnt 'Efraim, and sed, 5 Her me, ds Jeroboam, and ol 'Izrael: 'et ye not tuu no dat de LORD God ov 'Izrael gav de cindum over 'Izrael tuu David fer ever, [ev'n] tuu him qnd tuu hiz sunz bj

13 a covenant ov selt. (6) Yet Jeroboam ðe sun ov Nebat, ðe servant ov Solomun ðe sun ov David, iz riz'n up, and hat rebeld agénst hiz lerd. And ðar qr gadered untu him van men, ðe gildren ov Belial, and hav strept'nd ðemsélvz agénst Rehoboam ðe sun ov Solomun, hwen Rehoboam woz yug and tenderherted, and eud not widstánd ðem. And ns ye tije tu widstánd ðe eijum ov ðe LÖRD in ðe hand ov ðe sun ov David; and ye [be] a grat multityd, and [ðar qr] wid u gold'n eqvz, hwig Jeroboam mad u for godz. ² Hav ye not eqst st ðe prests ov ðe LÖRD, ðe sunz ov Arun, and ðe Levjts, and hav mad u prests qfter ðe maner ov ðe nafunz ov [uder] landz; so ðat husoöver cumet tu consecrat himsélft wid a yug buluc and sev'n ramz, [ðe sam] ma be a prest ov **10** [ðém ðat qr] no godz. But az for us, ðe LÖRD [iz] sr God, and we hav not forsac'n him; and ðe prests, hwig minister untu ðe LÖRD, [qr] ðe sunz ov Arun, and **11** ðe Levjts [wat] upón [ðar] biznes; and ða burn untu ðe LÖRD everi mornij and everi evnij burnt sacrificiez and swet incens: ðe sjobred also [set ða in order] upón ðe pur tabl; and ðe cand'lstie ov gold wid ðe lamps daróf, tu burn everi evnij: for we cep ðe qqrj ov ðe LÖRD **12** sr God; but ye hav forsac'n him. And, behóld, God himsélft [iz] wid us for [sr] capten, and hiz prests wid sýndij trumpets tu erj alqrm agénst u. O gildren ov 'Israel, fjt ye not agénst ðe LÖRD God ov yr fqderz; for ye sal not prosper.

13 But Jeroboam cezd an ambusment tu cum abót behjnd ðem: so ða wer befór Jyda, and ðe ambusment [woz] behjnd **14** ðem. And hwen Jyda luet bac, behóld, ðe batl [woz] befór and behjnd: and ða erj untu ðe LÖRD, and ðe prests sýnded **15** wid ðe trumpets. ðen ðe men ov Jyda gav a fst: and az ðe men ov Jyda fsted, it cam tu pqs, ðat God smot Jeroboam and ol 'Israel befór Abija and Jyda. **16** And ðe gildren ov 'Israel fled befór Jyda: and God deliverd hem intu ðar hand. **17** And Abija and hiz pep'l slu ðem wid a grat sloter: so ðar fel dsn slan ov 'Israel fiv hundred tszend gozn men. **18** ðus ðe gildren ov 'Israel wer brot under at ðát tijn, and ðe gildren ov Jyda preváld, becöz ða reljð upón ðe LÖRD God **19** ov ðar fqderz. And Abija pursqd qfter Jeroboam, and tue sitiz from him, Betel wid ðe tsnz daróf, and Jefana wid ðe tsnz daróf, and 'Efraim wid ðe tsnz daróf. **20** Næder did Jeroboam reciver strept agén in ðe daz ov Abija: and ðe LÖRD strue him, and he djd.

21 But Abija waest mji, and marid forten wjvz, and begát twenti and tú sunz, and siesten dotez.

22 And ðe rest ov ðe acts ov Abija, and hiz waz, and hiz saipz, [qr] rit'n in ðe **14** stori ov ðe profet Ido. (1) So Abija slept wid hiz fqderz, and ða berid

14 him in ðe siti ov David: and Asa hiz sun rand in hiz sted. In hiz daz ðe land woz ewjet ten yez.

2 AND ASA did [dát hwig woz] gad and rjt in ðe iz ov ðe LÖRD hiz God: **3** for he tue awá ðe olterz ov ðe stranj [godz], and ðe bj plasez, and brac dsn **4** ðe imejcz, and eut dsn ðe grovz: and comqnded Jyda tu sec ðe LÖRD God ov ðar fqderz, and tu dui ðe lo and ðe com- **5** quiment. Olsø he tue awá st ov ol ðe sitiz ov Jyda ðe bj plasez and ðe imejcz: and ðe eijum woz ewjet befór him.

6 And he bilt fenst sitiz in Jyda: for ðe land had rest, and he had no wor in ðoz yez; becöz ðe LÖRD had giv'n him rest. **7** ðarfor he sed untu Jyda, Let us bild ðez sitiz, and mae abót [ðem] welz, and tserz, gats, and bqrz, [hwij] ðe land [iz] yet befór ns; becöz we hav set ðe LÖRD sr God, we hav set [him], and he hat giv'n us rest on everi sjd. So ða bilt and **8** prosperd. And Asa had an qrmi [ov men] ðat bar tqgetz and sperz, st ov Jyda tre hundred tszend; and st ov Benjamin, ðat bar feldz and dru bcz, tú hundred and forseor tszend: ol ðez [wer] mji men ov vulur.

9 And ðar cam st agénst ðem Zera ðe Etiopian wid an host ov a tszend tszend, and tre hundred qariuts; and cam untu **10** Márefa. ðen Asa went st agénst him, and ða set ðe batl in ará in ðe vali ov **11** Zefata at Márefa. And Asa erjd untu ðe LÖRD hiz God, and sed, LÖRD, [it iz] nutij wid ðé tu help, hweder wid meni, or wid ðém ðat hav no pser: help us, o LÖRD sr God; for we rest on ðé, and in ðj nam we go agénst ðis multityd. O LÖRD, ðs [qr] sr God; let not man pre- **12** váld agénst ðé. So ðe LÖRD smot ðe Etiopianz befór Asa, and befór Jyda; **13** and ðe Etiopianz fled. And Asa and ðe pep'l ðat [wer] wid him pursqd ðem untu Gerq; and ðe Etiopianz wer overtrón, ðat ða eud not reciver ðemsélvz; for ða wer destróð befór ðe LÖRD, and befór hiz host; and ða carid awá veri muç spoil. **14** And ða smot ol ðe sitiz rsnd abót Gerq; for ðe fer ov ðe LÖRD cam upón ðem: and ða spoild ol ðe sitiz; for ðar woz cesedij **15** muç spoil in ðem. ða smot also ðe tents ov catl, and carid awá sep and camelz in abúndans, and retúrnd tu Jernuzalem.

15 AND ðe Spirit ov God cam upón Azarija ðe sun ov Oded: (2) and he went st tu met Asa, and sed untu him, Her ye me, Asa, and ol Jyda and Benjamin; ðe LÖRD [iz] wid u, hwij ye be wid him; and if ye see him, he wil be fsnd ov u; but if ye forsác him, he wil forsác u. **3** .Ns for a loy sez'n 'Israel [hat ben] widst ðe tru God, and widst a tegij prest, and **4** widst lo. But hwen ða in ðar trub'l did turn untu ðe LÖRD God ov 'Israel, and **5** sot him, he woz fsnd ov ðem. And in ðoz tijnz [ðar woz] no pes tu him ðat went st, ner tu him ðat cam in, but grat

15 veesafunz [wer] upón ol de inhabitants ov de cuntriz. (6) And nafun woz destréd ov nafun, and siti ov siti: for God **7** did vees dem wid ol adversiti. Be ye strong darfor, and let not yr handz be wee: for yr wure ful be rewarded.

8 And hwen Asa herd dez wurdz, and de profes ov Oded de profet, he tue euecj, and put awá de abóminabl' idulz st ov ol de land ov Juda and Benjamin, and st ov de sitiz hwig he had taen from msnt 'Efrain, and renú'd de olter ov de LORD, **9** dat [woz] befór de porc ov de LORD. And he gaderd ol Juda and Benjamin, and de stranjerz wid dem st ov 'Efrain and Manása, and st ov Simiun: for da sel tu him st ov 'Israel in abúndans, hwen da so dat **10** de LORD hiz God [woz] wid him. So da gaderd demselvz tuggéler at Jeruzalem in de terd munt, in de fiftent yer ov de **11** ran ov Asa. And da oferd intui de LORD de sam tpm, ov de spól [hwig] da had brot, sev'n hundred oes'n and sev'n lszend sep. **12** And da enterd intui a covenant tu sec de LORD God ov dar fqdertz wid ol dar hqrt **13** and wid ol dar sol; dat husóever wud not sec de LORD God ov 'Israel fad be put tu det, hweder smol or grat, hweder man or **14** wuman. And da swar intui de LORD wid a lsd vos, and wid fstip, and wid trumps, and wid cornets. And ol Juda rejóst at de ot: for da had sworn wid ol dar hqrt, and sot him wid dar hol dezjr; and he woz frnd ov dem: and de LORD gav dem rest r'nd abót.

16 And also [conser'nij] Maaca de muder ov Asa de cjp, he remúv'd her from [brinj] ewen, becóz se had mad an idul in a grov: and Asa cut dsn her idul, and stamp't [it], **17** and burnt [it] at de brac Cidron. But de hj plasez wer not taen awá st ov 'Israel: nevertelés de hqrt ov Asa woz perfect ol **15** hiz daz. And he brot intui de lss ov God de hujz dat hiz fqder had dédicatéd, and dat he himselv had dédicatéd, silver, and **19** gold, and vesclz. And dar woz no [mór] wor intui de fjv and tertiet yer ov de ran ov Asa.

16 IN de sies and tertiet yer ov de ran ov Asa, Báafu cjp ov 'Israel cam up agénst Juda, and bilt Rama, tu de intént dat he mjt let nun go st or cum in tu Asa cjp ov Juda.

2 Hén Asa brot st silver and gold st ov de trezurz ov de lss ov de LORD and ov de cjpz lss, and sent tu Ben-hadad cjp ov Siria, dat dwelt at Damásus, saij, **3** [dar iz] a leg betwén me and dé, az [dar woz] betwén mj fqder and dj fqder: behóld, i hav sent dé silver and gold; go brac dj leg wid Báafu cjp ov 'Israel, dat **4** he ma depórt from me. And Ben-hadad hpre'nd untui cjp Asa, and sent de euptenz ov hiz armiz agénst de sitiz ov 'Israel; and da smot Jjon, and Dan, and Abel-maim, and ol de stor sitiz ov Naftalj.

5 And it cam tu pqs, hwen Báafu herd [it], dat he left of bildij ov Rama, and let

16 hiz wure ses. (6) Hén Asa de cjp tue ol Juda; and da curid awá de stonz ov Rama, and de timber daróf, hwarwit Báafu woz bildij; and he bilt darwit Geba and Mizpa.

7 And at dát tpm Hananij de seer cam tu Asa cjp ov Juda, and sed untui him, Becóz ds hast reljd on de cjp ov Siria, and not reljd on de LORD dj God, darfor iz de host ov de cjp ov Siria escápt st ov **8** djn hand. ¶ Wer not de Etiopionz and de Lqbinz a huj host, wid veri meni gariuts and horsmen; yet, becóz ds didst relj on de LORD, he delivér'd dem intui djn hand.

9 For de jz ov de LORD run tu and fró truást de hol er't, tu so himselv strop in de behálf ov [dém] huuz hqrt [iz] perfect tord him. Herin ds hast dun fuulfi: darfor from hénstórt ds salt hav wórz.

10 Hén Asa woz rot wid de secr, and put him in a priz'n hss; for [he woz] in a raj wid him becóz ov dis [lij]. And Asa oprést [sum] ov de pep'l de sam tpm.

11 And, behóld, de acts ov Asa, ferst and lqst, lo, da [qr] rit'n in de buc ov de cjp ov Juda and 'Israel.

12 And Asa in de tertí and njnt yer ov hiz ran woz dizézd in hiz fet, untíl hiz dizéz [woz] cesedij [grat]: yet in hiz dizéz he sot not tu de LORD, but tu de fizifanz.

13 And Asa slept wid hiz fqderz, and djd in **14** de wun and fortiet yer ov hiz ran. And da berid him in hiz on sepulcerz, hwig he had mad for himselv in de siti ov David, and lad him in de bed hwig woz fild wid swet odurz and díverz cindz [ov spjsez] prépar'd bj de apóteceriz qrt: and da mad a veri grat burnij for him.

17 AND JEHOSAFAT hiz sun rand in hiz sted, and strenghtn'd himselv agénst

2 'Israel. And he plast forsez in ol de fenst sitiz ov Juda, and set gariunz in de land ov Juda, and in de sitiz ov 'Efrain, hwig

3 Asa hiz fqder had taen. And de LORD woz wid Jehosafat, becóz he woct in de ferst waz ov hiz fqder David, and sot not

4 untui Baalim; but sot tu de [LORD] God ov hiz fqder, and woct in hiz comqndments, and not after de dwijz ov 'Israel.

5 Darfor de LORD stablist de cigdum in hiz hand; and ol Juda brot tu Jehosafat prezents; and he had ricez and onur in **6** abúndans. And hiz hqrt woz lifted up in de waz ov de LORD: moreover he tue awá de hj plasez and grovz st ov Juda.

7 Also in de terd yer ov hiz ran he sent tu hiz prinsez, [ev'n] tu Ben-hail, and tu Obadija, and tu Zeecarija, and tu Netaniel, and tu Mjcaja, tu teg in de sitiz ov Juda.

8 And wid dem [he sent] Levjts, [ev'n] Zemaja, and Netanja, and Zebadija, and Asahel, and Zemiramot, and Jehonatan, and Adonijja, and Tobija, and Tob-adonijja, Levjts; and wid dem Elifama and Jehoram, prests. And da tot in Juda, and [had] de buc ov de lo ov de LORD wid dem, and went abót truást ol de sitiz ov Juda, and tot de pep'l.

17 (10) And de fer ov de LORD fel upón ol de einzunz ov de landz dat [wer] rsnd abót Jyda, so dat da mad no wor agénst Jehosafat. Olso [sun] ov de Filistinz brot Jehosafat prezents, and tribut silver; and de Arabianz brot him flocs, sev'n tszend and sev'n hundred ramz, and sev'n tszend and sev'n hundred he gots. 12 And Jehosafat waest grat cesedigli; and he bilt in Jyda eqs'lz, and sitiz ov stor. 13 And he had muq biznes in de sitiz ov Jyda: and de men ov wor, mji men ov valur, [wer] in Jeruzalem.

14 And dez [qr] de numberz ov dem acordinq tu de hss ov dar fiderz: Ov Jyda, de captenz ov tszendz; Adna de gef, and wid him mji men ov valur tre hundred tszend. 15 And neest tu him [woz] Jehohanan de capten, and wid him tú hundred and 16 forseor tszend. And neest him [woz] Amasja de sun ov Zierj, hui wiliqlj oferd himsélf untu de LORD; and wid him tú hundred tszend mji men ov valur. And ov Benjamin; Eljada a mji man ov valur, and wid him qmnd men wid bo and feld 17 tú hundred tszend. And neest him [woz] Jehozabad, and wid him an hundred and forseor tszend redi prepárd for de wor. 18 Dez wated on de ein, besjd [doz] humn de cjp put in de fenst sitiz truést ol Jyda.

18 Ns Jehosafat had rizeg and onur in abúndans and jond afimiti wid Ahab.

2 And after [serten] yez he went dsu tu Ahab tu Samaria. And Ahab eild sep and oes'n for him in abúndans, and for de pep'l dat [he had] wid him, and perswaded him tu go up [wid him] tu Ramot-giliad. And Ahab cjp ov 'Israel sed untu Jehosafat cjp ov Jyda, 'Wilt ds go wid me tu Ramot-giliad. And he qnsred him, 'F [am] az ds [qr], and mji pep'l az dj pep'l; and [we wil be] wid dé in de wor.

4 And Jehosafat sed untu de cjp ov 'Israel, Inewj, i pra dé, at de wurd ov de LORD tudá. Darfor de cjp ov 'Israel gadard tugóder ov profets for hundred men, and sed untu dem, 'Sad we go tu Ramot-giliad tu bat'l, or sal i forbár. And da sed, Go up; for God wil deliver [it] intui de einz hand.

6 But Jehosafat sed, 'Iz dar not her a profet ov de LORD besjd, dat we mjt inewj ov him. And de cjp ov 'Israel sed untu Jehosafat, [dar iz] yet wun man, bj hum we ma inewj ov de LORD: but i hat him; for he never profesjd gud untui me, but olwaz ev'l: de sam [iz] Mjeyaya de sun ov Imla. And Jehosafat sed, Let not de cjp sa so.

8 And de cjp ov 'Israel celd for wun [ov hiz] ofiserz, and sed, Feg ewieli Mjeyaya de sun ov Imla. And de cjp ov 'Israel and Jehosafat cjp ov Juda sat eder ov dem on hiz tron, cloád in [dar] robz, and da sat in a vod plas at de enterig in ov de gat ov Samaria; and ol de profets profesjd befór dem. And Zedeja de sun ov Cenaana hud mad him hornz ov jurn, and sed, 'Aus

18 set de LORD, Wid dez ds falt puf Siria untíl da be consqmd. (11) And ol de profets profesjd so, saip, Go up tu Ramot-giliad, and prosper; for de LORD sal deliver [it] intui de hand ov de ein.

12 And de mesenjer dat went tu eol Mjeyaya spae tu him, saip, Behóld, de wurdz ov de profets [declár] gad tu de ein wid wun asént; let dj wurd darfor, i pra dé, be lje 13 wun ov darz, and spee ds gud. And Mjeyaya sed, [Az] de LORD livef, ev'n hwot mji God set, dát wil i spee.

14 And hwen he woz cum tu de ein, de ein sed untu him, Mjeyaya, 'I sal we go tu Ramot-giliad tu bat'l, or sal i forbár. And he sed, Go ye up, and prosper, and da 15 sal be deliverd intui ur hand. And de ein sed tu him, 'Ils meni tijnz sal i ajqr dé dat ds sa nutij but de truit tu me in de 16 nam ov de LORD. Den he sed, 'I did se ol 'Israel scatard upón de msntenz, az sep dat hav no seperd: and de LORD sed, 'Dez hav no mqster; let dem retúrn [darfor]

17 everi man tu hiz hss in pes. And de ein ov 'Israel sed tu Jehosafat, 'Did i not tel dé [dat] he wud not profesj gad untui me, 18 bat ev'l. Agén he sed, Darfor her de wurd ov de LORD; 'I so de LORD sitij upón hiz tron, and ol de host ov hev'n standij on 19 hiz rjt hand, and [on] hiz left. And de LORD sed, 'Iltú sal entjs Ahab cjp ov 'Israel, dat he ma go up and fel at Ramot-giliad. And wun spae saip after dis maner,

20 and anáder saip after dát namer. Den dar cam st a spirit, and stud befór de LORD, and sed, 'I wil entjs him. And de 21 LORD sed untu him, 'I hwarwit. And he sed, 'I wil go st, and be a ljj spirit in de mst ov ol hiz profets. And [de LORD] sed, 'Is falt entjs [him], and ds falt olso 22 prevál: go st, and du [ev'n] so. Ns darfor, behóld, de LORD hat put a ljj spirit in de mst ov dez dj profets, and de LORD hat spoen ev'l agénst dé.

23 Den Zedeja de sun ov Cenaana cam ner, and smot Mjeyaya upón de gec, and sed, 'I hwiq wa went de Spirit ov de LORD from 24 me tu spee untui dé. And Mjeyaya sed, Behóld, ds falt se on dát da hwen ds falt go intui an inec gambler tu hjd djsélt.

25 Den de cjp ov 'Israel sed, Tac ye Mjeyaya, and cari him bac tu Amon de guverner ov 26 de siti, and tu Joaf de einz sun; and sa, 'Aus set de ein, put dis [felo] in de priz'n, and fed him wid bred ov afficun and wid woter ov afficun, untíl i retám in pes. 27 And Mjeyaya sed, If ds sertenli retúrn in pes, [den] hat not de LORD spoen bj me. And he sed, Hqre'n, ol ye pep'l.

28 So de cjp ov 'Israel and Jehosafat de ein 29 ov Jyda went up tu Ramot-giliad. And de ein ov 'Israel sed untu Jehosafat, 'I wil disgj misélf, and wil go tu de bat'l; but put ds on dj robz. So de ein ov 'Israel disgjd himsélf; and da went tu de bat'l.

30 Ns de cjp ov Siria had comqnded de captenz ov de qarints dat [wer] wid him, saip, Fit ye not wid smol or grat, sav onli wid

18 de ciy ov 'Izrael. (31) And it cam tu pqs, hwen de captenz ov de gariuts so Jehosafat, dat da sed, It [iz] de ciy ov 'Izrael. Harfor da cumpast abšt him tu sīt: but Jehosafat crij st, and de LORD help't him; and God muv'd dem [tu dep'rt] from
32 him. For it cam tu pqs, dat, hwen de captenz ov de gariuts persēvd dat it woz not de ciy ov 'Izrael, da turn'd bac agēn
33 from pursūiq him. And a [serten] man dru a bo at a ventur, and smot de ciy ov 'Izrael betwēn de jonts ov de harnes: darfor he sed tu hiz gariut man, Turn dīn hand, dat ds maest euri ne st ov de host;
34 for i am wounded. And de bat'l inērēst dāt da: hsbrit de ciy ov 'Izrael stad [him-sēlf] up in [hiz] gariut agēnst de Sirianz until de ev'n: and abšt de tīm ov de sun goiq dsn he dīd.

19 And Jehosafat de ciy ov Jyda retūrnd tu hiz hss in pes tu Jeruzalem. (2) And Jehu de sun ov Hanani de seer went st tu met him, and sed tu ciy Jehosafat, & Eudst ds help de ungōdli, and luv dēm dat hat de LORD: darfor [iz] rōt upōn dē from
3 befōr de LORD. Neverdelēs dar qr gud liyz fynd in dē, in dat ds hust tae'n awā de grovz st ov de land, and hast prepārd dīn hqrt tu sec God.

4 And Jehosafat dwelt at Jeruzalem: and he went st agēn tru de pep'l from Beerseba tu mnt 'Efrain, and brot dem bac untu de LORD God ov dar faderz.
5 And he set jujez in de land trušt ol de fenst sitiz ov Jyda, siti bī siti, and sed tu de jujez, Tae hed hwot ye du: for ye juj not for man, but for de LORD, hu [iz] wid
7 q in de jujment. Hwarfor nē let de fer ov de LORD be upōn q; tae hed and du [it]: for [dar iz] no inewiti wid de LORD sr God, nor respēct ov persunz, nor taciō ov
8 gifts. Moreover in Jeruzalem did Jehosafat set ov de Levjts, and [ov] de prests, and ov de grē ov de faderz ov 'Izrael, for de jujment ov de LORD, and for cōn-troversiz, hwen da retūrnd tu Jeruzalem.
9 And he qarjd dem saip, Dus sal ye du in de fer ov de LORD, fātfuli, and wid a per-
10 feet hqrt. And hwot eoz soēver sal cum tu q ov qe bredren dat dwel in dar sitiz, betwēn blud and blud, betwēn lo and com-qndment, statuts and jujments, ye sal ev'n worn dem dat da trespas not agēnst de LORD, and [so] rōt cum upōn q, and upōn qe bredren: dis du, and ye sal not trespas.
11 And, behōld, Amarija de grē prest [iz] over q in ol materz ov de LORD; and Zebadija de sun ov 'Ismael, de ruler ov de hss ov Jyda, for ol de ciyz materz: also de Levjts [sal be] ofiserz befōr q. Del eurajushi, and de LORD wil be wid de gud.

20 IT cam tu pqs qfter dis also, [dat] de gildren ov Moab, and de gildren ov Amun, and wid dem [ader] besjd de Am-
2 unjts, cam agēnst Jehosafat tu bat'l. Ten dar cum sun dat told Jehosafat, saip, Dar cumet a grat multituđ agēnst dē from be-yōnd de se on dis sjd Siria; and, behōld, da

(3) And Jehosafat ferd, and set himsēlf tu sec de LORD, and proclānd a fqt trušt
4 ol Jyda. And Jyda gaderd demsēlvz tu-gēder, tu qse [help] ov de LORD: ev'n st ov ol de sitiz ov Jyda da cam tu sec de LORD.

5 And Jehosafat stad in de congregafun ov Jyda and Jeruzalem, in de hss ov de
6 LORD, befōr de nq cort, and sed, O LORD God ov sr faderz, & [qrt] not ds God in hev'n, and & rulest [not] ds over ol de ciy-dumz ov de hed'n, and & in dīn hand [iz] dar not] pser and mjt, so dat nun iz ab'l

8 And da dwelt darin, and hav bilt dē a
9 sānetqeri darin for dī nam, saip, If, [hwen] ev'l cumet upōn us, [az] de sord, jujment, or pestilens, or famin, we stand befōr dis hss, and in dī prezens, (for dī nam [iz] in dis hss,) and cri untu dē in sr afflicsun,
10 den ds wilt her and help. And nē, behōld, de gildren ov Amun and Moab and mēnt Seer, hum ds wudst not let 'Izrael invād, hwen da cam st ov de land ov Ejipt, but da turn'd from dem, and destrōd dem not;
11 behōld, [i sa, hē] da rewōrd us, tu cum tu eqst us st ov dī pozesun, hwig ds hast
12 giv'n us tu inhērit. O sr God, & wilt ds not juj dem; for we hav no mjt agēnst dis grat cumpani dat cumet agēnst us; neder nō we hwot tu du: but sr iz [qr] upōn dē.
13 And ol Jyda stad befōr de LORD, wid dar lit'l wunz, dar wjvz, and dar gildren.
14 Ten upōn Jahaziel de sun ov Zecharja, de sun ov Benaja, de sun ov Jeiel, de sun ov Matanja, a Levjt ov de sunz ov Asaf, cam de Spirit ov de LORD in de midst ov de
15 congregafun; and he sed, Hqre'n ye, ol Jyda, and ye inhabitants ov Jeruzalem, and ds ciy Jehosafat, Dus set de LORD untu q, Be not afrād nor dismād bj rez'n ov dis grat multituđ; for de bat'l [iz] not
16 qrz, but Godz. Tumōro go ye dsn agēnst dem: behōld, da cum up bī de elif ov Ziz; and ye sal fynd dem at de end ov de brue,
17 befōr de wilderness ov Jeruel. Ye sal not [ned] tu sīt in dis [bat'l]: set ursēlvz, stand ye [stil], and se de salvafun ov de LORD wid q, o Jyda and Jeruzalem: fer not, nor be dismād; tumōro go st agēnst
18 dem: for de LORD [wil be] wid q. And Jehosafat bsd hiz hed wid [hiz] fas tu de grsūd and ol Jyda and de inhabitants ov Jeruzalem fel befōr de LORD, wurfijiq de
19 LORD. And de Levjts, ov de gildren ov de Cohatjts, and ov de gildren ov de Corhjtts, stad up tu praz de LORD God ov 'Izrael wid a lsd vōs on hī.

20 And da roz erli in de morniq, and went fort intu de wilderness ov Tecoa: and az da went fort, Jehosafat stad and sed, Her me, o Jyda, and ye inhabitants ov Jeruzalem; belēv in de LORD qe God, so sal ye be estāblit; belēv hiz profets, so sal ye

20 prosper. (21) And hwen he had consúlted wið de pep'l, he aponted siherz untu de LÖRD, and dat jud praz de hufi ov holines, az da went st befor de armi, and tuu sa, Praz de LÖRD; fer hiz mersi [endüret] fer ever.

22 And hwen da begán tuu siu and tuu praz, de LÖRD set ambujments agénst de gildren ov Amun, Moab, and msnt Seer, hwiç wer cum agénst Jyda; and da wer smit'n.

23 Fer de gildren ov Amun and Moab stud up agénst de inhabitants ov Msnt Seer, uterli tuu sla and destró [dem]: and hwen da had mad an end ov de inhabitants ov Seer, everi wun helpt tuu destró anóder.

24 And hwen Jyda cam tord de woç tser in de wildernes, da haet untu de multituð, and, behóld, da [wer] ded bodiz fol'n tuu

25 de ert, and nun escapt. And hwen Jehosafat and hiz pep'l cam tuu tac awá de spol ov dem, da fsnd amún dem in abúndans bot ricez wið de ded bodiz, and presus juclz, hwiç da stript ef fer demselvz, mor dan da eud cari awá; and da wer lre daz in gaderin ov de spol, it woz so mug.

26 And on de fort da da asémb'ld demselvz in de vali ov Beraca: fer dar da blest de LÖRD: darfor de nam ov de sam plaz woz celd, de vali ov Beraca, untu dis da.

27 Den da retúrnd, everi man ov Jyda and Jeruzalem, and Jehosafat in de forfrunt ov dem, tuu go agén tuu Jeruzalem wið jö; fer de LÖRD had mad dem tuu rejós

28 över dar enemiz. And da cam tuu Jeruzalem wið selteriz and heqps and trum-

29 pets untu de hss ov de LÖRD. And de fer ov God woz on el de eiñdunz ov [doz] cuntriz, hwen da had herd dat de LÖRD

30 fet agénst de enemiz ov 'Israel. So de relm ov Jehosafat woz ewjet: fer hiz God gay him rest rsnd abót.

31 AND Jehosafat rand över Jyda: [he woz] ferti and fiv yerz öld hwen he begán tuu ran, and he rand twenti and fiv yerz in Jeruzalem. And hiz muðerz nam [woz]

32 Aziða de deter ov Silhi. And he weet in de wa ov Asa hiz fqder, and departed not from it, dwijn [dat hwiç woz] rijt in de sijt

33 ov de LÖRD. Hsbeit de hi plasez wer not tac'n awá: fer az yet de pep'l had not preparð dar hqrts untu de God ov dar fqderz.

34 Ns de rest ov de acts ov Jehosafat, ferst and lqst, behóld, da [qr] rit'n in de bue ov Jehu de sun ov Hanani, huu [iz] men-

35 fund in de bue ov de eiñz ov 'Israel.

36 And after dis did Jehosafat eiñ ov Jyda jon himsél wið Abazja eiñ ov 'Israel, huu

37 did veri wicedli: and he jonð himsél wið him tuu mac sips tuu go tuu Tarsif: and da mad

38 de sips in Ezion-gaber. Den Elizez de sun ov Dodava ov Máresa profesid agénst Jehosafat, saij, Becöz dis haet jonð djsélf

39 wið Abazja, de LÖRD hat broe'n dñ wures. And de sips wer broe'n, dat da wer not ab'l tuu go tuu Tarsif.

21 Ns Jehosafat slept wið hiz fqderz, and woz berid wið hiz fqderz in de siti ov David.

21 AND JEHORAM hiz sun rand in hiz sted. (2) And he had bredren de sunz ov Jehosafat, Azarja, and Jehjel, and Zecaria,

and Azarja, and Mjcael, and Zefatja: ol dez [wer] de sunz ov Jehosafat eiñ ov

3 'Israel. And dar fqder gav dem grat gifts ov silver, and ov gold, and ov presus

4 tiñz, wið fenst sitiz in Jyda: but de eiñdum gav he tuu Jehoram; becöz he [woz]

5 de ferstborn. Ns hwen Jehoram woz riz'n up tuu de eiñdum ov hiz fqder, he strengt'nd

6 himsél, and slui el hiz bredren wið de sord, and [dijverz] also ov de prinsez ov 'Israel.

7 Jehoram [woz] ferti and tuu yerz öld hwen he begán tuu ran, and he rand at yerz

8 in Jeruzalem. And he weet in de wa ov de eiñz ov 'Israel, he az did de hss ov Ahab: fer he had de deter ov Ahab tuu

9 wijf: and he ret [dat hwiç woz] ev'l in de jz ov de LÖRD. Hsbeit de LÖRD wud not

10 destró de hss ov David, becöz ov de curenant dat he mad wið David, and az he promist tuu giv a ljt tuu him and tuu hiz sunz

11 fer ever.

12 In hiz daz de Edumits revólted from under de dominyun ov Jyda, and mad

13 demselvz a eiñ. Den Jehoram went fort wið hiz prinsez, and el hiz çariuts wið

14 him: and he roz up bj njt, and smot de Edumits hwiç cumpast him in, and de cap-

15 tenz ov de çariuts. So de Edumits revólted from under de hand ov Jyda untu dis da.

16 De sam tñ [also] did Libna revólt from under hiz hand; becöz he had fersac'n de

17 LÖRD God ov hiz fqderz.

18 Moreover he mad bj plasez in de msntenz ov Jyda, and eozd de inhabitants ov Jeru-

19 zalem tuu comit fornicañun, and compéld Jyda [dartañ]. And dar cam a rijth tuu

20 him from Elija de profet, saij, Dus st de LÖRD God ov David dñ fqder, Becöz ds

21 hast not weet in de waz ov Jehosafat dñ fqder, ner in de waz ov Asa eiñ ov Jyda,

22 but hast weet in de wa ov de eiñz ov 'Israel, and hast mad Jyda and de inhab-

23 itants ov Jeruzalem tuu go a horij, he tuu de hordumz ov de hss ov Ahab, and also

24 hast slan dñ bredren ov dñ fqderz hss, [hwiç wer] beter dan djsélf: behóld, wið

25 a grat plag wil de LÖRD smit dñ pep'l, and dñ gildren, and dñ wijz, and el dñ gudz:

26 and ds [falt hav] grat sienes bj dizez ov dñ bsclz, untíl dñ bsclz fel st bj rez'n ov

27 de sienes da bj da.

28 Moreover de LÖRD sterd up agénst Jehoram de spirit ov de Filistinz, and ov de

29 Arabian, dat [wer] ner de Etiopianz: and da cam up intuu Jyda, and brae intuu

30 it, and carid awá el de substans dat woz fsnd in de eiñz hss, and hiz sunz also, and

31 hiz wijz: so dat dar woz never a sun left him, sav Jehoahaz, de yungest ov hiz sunz.

32 And after el dis de LÖRD smot him in hiz bsclz wið an ineqrab'l dizez. And it cam

33 tuu pqs, dat in proses ov tñ, after de end ov tuu yerz, hiz bsclz fel st bj rez'n ov hiz

34 sienes: so he dñd ov sor dizezez. And hiz pep'l mad no burnij fer him, he de burnij

21 ov hiz faderz. (26) Terti and tú yerz old woz he hwen he begán tu ran, and he rand in Jeruzalem at yerz, and departed widst beij dezjrd. Hsbeit da berid him in de siti ov David, but not in de sepulcerz ov de eijz.

22 AND DE INHABITANTS ov Jeruzalem mad Ahazja hiz yuggest sun eij in hiz sted; for de band ov men dat cam wid de Arabianx tu de camp had slan ol de eldest. So Ahazja de sun ov Jehoram eij ov Juda rand. Forti and tú yerz old [woz] Ahazja hwen he begán tu ran, and he rand wim yer in Jeruzalem. Hiz muderz nam [woz] Atalja de doter ov 2 Omri. He also woet in de waz ov de hss ov Ahab: for hiz muder woz hiz enseler 3 tu du wicedli. Hwarfor he did ev'l in de sijt ov de LORD lje de hss ov Ahab: for da wer hiz enselerz qfter de det ov hiz fader 4 tu hiz destruefun. He woet also qfter dar ensel, and went wid Jehoram de sun ov Ahab eij ov 'Israel tu wor agéust Háazal eij ov Siria at Ramot-giliad: and 5 de Sirianz smot Joram. And he retúrnd tu be held in Jezriel becóz ov de wumdz hwiç wer giv'n him at Rama, hwen he fot wid Háazal eij ov Siria.

And Azarja de sun ov Jehoram eij ov Juda went dsn tu se Jehoram de sun ov 6 Ahab at Jezriel, becóz he woz sic. And de destruefun ov Ahazja woz ov God bj eumij tu Joram: for hwen he woz eum, he went st wid Jehoram agéust Jehu de sun ov Nimfi, hum de LORD had anónted 7 tu euf de hss ov Ahab. And it cam tu pqs, dat, hwen Jehu woz ecescutij jument upón de hss ov Ahab, and fínd de prinsez ov Juda, and de sunz ov de bredren ov Ahazja, dat ministrd tu Ahazja, he 8 slu dem. And he sot Ahazja: and da eot him, (for he woz hid in Samaria,) and brot him tu Jehu: and hwen da had slan him, da berid him: Becóz, sed da, he [iz] de sun ov Jehosafat, hu sot de LORD wid ol hiz hqrt.

SO de hss ov Ahazja had no pter tu eep 9 stíl de cindum. But hwen Atalja de muder ov Ahazja so dat her sun woz ded, se aróz and destród ol de sed roal ov de hss ov 10 Juda. But Jehosafat, de doter ov de eij, tue Joaf de sun ov Ahazja, and stol him from amúy de eijz sunz dat wer slan, and put him and hiz nurs in a bed-gamber. So Jehosafat, de doter ov eij Jehoram, de wif ov Jehoadá de prest, (for fe woz de sister ov Ahazja,) hid him from Atalja, 11 so dat fe slu him not. And he woz wid dem hid in de hss ov God sies yerz: and Atalja rand over de land.

23 AND in de sevnt yer Jehoadá strej'nd himsél, and tue de captenz ov hundredz, Azarja de sun ov Jeroham, and Imnael de sun ov Jerohanan, and Azaria de sun ov Obed, and Masija de sun ov Adaja, and Elisafat de sun ov Zierj, 2 intui cuvenant wid him. And da went abst in Juda, and gadrd de Levits st ov

23 ol de sitz ov Juda, and de gef ov de faderz ov 'Israel, and da cam tu Jeruzalem.

3 And ol de congregafun mad a cuvenant wid de eij in de hss ov God. And he sed untui dem, Behóld, de eijz sun fal ran, az de LORD hat sed ov de sunz ov David. 4 His [iz] de tij dat ye fal du; A terd part ov y enterij on de sabat, ov de prests and ov de Levits, [fal be] porterz ov de dorz; 5 and a terd part [fal be] at de eijz hss; and a terd part at de gat ov de fíndafun: and ol de pep'l [fal be] in de corts ov de 6 hss ov de LORD. But let nun eum intui de hss ov de LORD, sav de prests, and dá dat minister ov de Levits; da fal go in, for da [qr] holi: but ol de pep'l fal eep de 7 wog ov de LORD. And de Levits fal eumpas de eij rsnd abst, everi man wid hiz wep'nz in hiz hand; and husóver [els] cumet intui de hss, he fal be pat tu det: but be ye wid de eij hwen he cumet in, and hwen he goet st.

8 So de Levits and ol Juda did acerdij tu ol tijz dat Jehoadá de prest had cempnded, and tue everi man hiz men dat wer tu eum in on de sabat, wid dem dat wer tu go [st] on de sabat: for Jehoadá de 9 prest dismiss not de corsez. Moreover Jehoadá de prest deliverd tu de captenz ov hundredz sperz, and buclerz, and feldz, dat [had ben] eij Davidz, hwiç [wer] in 10 de hss ov God. And he set ol de pep'l, everi man havij hiz wep'n in hiz hand, from de rjt sjd ov de temp'l tu de left sjd ov de temp'l, alón bj de olter and de temp'l, 11 bj de eij rsnd abst. Hén da brot st de eijz sun, and put upón him de ersn, and [gav him] de téstimuni, and mad him eij. And Jehoadá and hiz sunz anónted him, and sed, God sav de eij.

12 Ns hwen Atalja herd de noz ov de pep'l runij and prazij de eij, fe cam tu de pep'l intui he hss ov de LORD: and fe haet, and, behóld, de eij stúd at hiz piler at de enterij in, and de prinsez and de trumpets bj de eij: and ol de pep'l ov de land rejóst, and sended wid trumpets, also de sijerz wid instruments ov muzie, and sug az tot tu sij praz. Hén Atalja rent her clodz, 14 and sed, Trezn! Trezn! Hén Jehoadá de prest brot st de captenz ov hundredz dat wer set over de host, and sed untui dem, Hav her fort ov de ranjez: and husó fóloet her, let him be slan wid de sord. For de prest sed, Sla her not in de 15 hss ov de LORD. So da lad handz on her; and hwen fe woz eum tu de enterij ov de hors gat bj de eijz hss, da slu her dar.

16 And Jehoadá mad a cuvenant betwén him, and betwén ol de pep'l, and betwén de 17 eij, dat da fud be de LORDz pep'l. Hén ol de pep'l went tu de hss ov Baal, and brac it dsn, and brac hiz olterz and hiz imejz in preseç, and slu Matan de prest 18 ov Baal befór de olterz. Also Jehoadá apónted de ofiseç ov de hss ov de LORD bj de hand ov de prests de Levits, hum David had distributed in de hss ov de LORD, tu

23 ofer ðe burnt oferinz ov ðe LōRD, az [it iz] rit'n in ðe lo ov Mozez, wid rejosij and wid sijij, [az it woz ordānd] 19 bī David. And he set ðe porterz at ðe gats ov ðe hss ov ðe LōRD, ðat nun [hwig woz] unclēn in eni tijj jud enter in. And he tuc ðe captenz ov hundredz, and ðe nob'lz, and ðe guvernerz ov ðe pep'l, and ol ðe pep'l ov ðe land, and brot ðsn ðe cijj from ðe hss ov ðe LōRD: and ða cam tru ðe hī gat intū ðe cijj hss, and set ðe cijj 21 upōn ðe tron ov ðe cindūn. And ol ðe pep'l ov ðe land rejos't: and ðe siti woz ewjet, qfter ðat ða had slan Atalja wid ðe sord.

24 JOAZ [woz] sev'n yerz old hwen he begān tui ran, and he rand forti yerz in Jeruzalem. Hiz muderz nam also [woz] 2 Zibia ov Bserfeba. And Joaz did [ðāt hwig woz] rit in ðe sijt ov ðe LōRD ol ðe 3 daz ov Jehōada ðe prest. And Jehōada tuc for him tū wijz; and he begāt sunz and deters.

4 And it cam pqs qfter ðis, [ðat] Joaz woz mīnded tui repār ðe hss ov ðe LōRD. And he gaderd tūgōder ðe prests and ðe Levjts, and sed tui ðem, Go st untū ðe sitiz ov Juda, and gader ov el 'Israel muni tui repār ðe hss ov yr God from yer tui yer, and se ðat ye has'n ðe mater. Hsbeit ðe Levjts has'nd [it] not.

6 And ðe cijj cold for Jehōada ðe gēf, and sed untū him, 'Hwī hast ðs not reewjrd ov ðe Levjts tui brij in st ov Jyda and st ov Jeruzalem ðe colecfun, [acordij tui ðe comqndment] ov Mozez ðe servant ov ðe LōRD, and ov ðe congregafun ov 'Israel, 7 fer ðe tábernacl ov witnes. For ðe sunz ov Atalja, ðāt wiced wuman, had broc'n up ðe hss ov God; and also el ðe dēdicated tijz ov ðe hss ov ðe LōRD did ða bestō upōn Baalim.

8 And at ðe cijj comqndment ða mad a gēst, and set it widst at ðe gat ov ðe hss 9 ov ðe LōRD. And ða mad a proclamafun tui Jyda and Jeruzalem, tui brij in tui ðe LōRD ðe colecfun [ðat] Mozez ðe servant ov God [lad] upōn 'Israel in ðe 10 wildernes. And ol ðe prinsez and ol ðe pep'l rejos't, and brot in, and cqst intū 11 ðe gēst, untīl ða had mad an end. Ns it cam tui pqs, ðat at hwot tijj ðe gēst woz brot untū ðe cijj ofis bī ðe hand ov ðe Levjts, and hwen ða so ðat [ðar woz] muc muni, ðe cijj scrij and ðe hī prests ofiser cam and emtid ðe gēst, and tuc it, and carid it tui hiz plas agēn. Æus ða did ða bī ða, and gaderd muni in abūdans.

12 And ðe cijj and Jehōada gav it tui suz az did ðe wure ov ðe servis ov ðe hss ov ðe LōRD, and hīrd mas'nz and carpenterz tui repār ðe hss ov ðe LōRD, and also suz az rēt jurn and brqs tui mend ðe hss ov ðe 13 LōRD. So ðe wurcmen rēt, and ðe wure woz perfect bī ðem, and ða set ðe hss ov 14 God in hiz stat, and strejt'nd it. And hwen ða had finišt [it], ða brot ðe rest ov ðe muni betōr ðe cijj and Jehōada, hwarōf

24 wer mad veselz for ðe hss ov ðe LōRD, [ev'n] veselz tui minister, and tui ofer [widōl], and spunz, and veselz ov gold and silver. And ða oferd burnt oferinz in ðe hss ov ðe LōRD continuali ol ðe daz ov Jehōada.

15 But Jehōada waest old, and woz ful ov daz hwen he dīd; an hundred and terti 16 yerz old [woz he] hwen he dīd. And ða berid him in ðe siti ov David amūy ðe cijj, becōz he had dun gud in 'Israel, bot tord God, and tord hiz hss.

17 Ns qfter ðe ðet ov Jehōada cam ðe prinsez ov Jyda, and mad obasans tui ðe 18 cijj. Æen ðe cijj hqr'nd untū ðem. And ða left ðe hss ov ðe LōRD God ov ðar fqderz, and servd grovz and jdulz: and rēt cam upōn Jyda and Jeruzalem for ðis 19 ðar trespas. Yet he sent profets tui ðem, tui brij ðem agēn untū ðe LōRD; and ða testīfj agēnst ðem: but ða wud not giv

20 er. And ðe Spirit ov God cam upōn Zecaria ðe sun ov Jehōada ðe prest, hwig stud abūv ðe pep'l, and sed untū ðem, Æus set God, 'Hwī transgrōs ye ðe comqndments ov ðe LōRD, ðat ye canot prosper; becōz ye hav forsac'n ðe LōRD, he haf also for-

21 sac'n y. And ða conspīrd agēnst him, and stond him wid stonz at ðe comqndment ov ðe cijj in ðe cort ov ðe hss ov ðe LōRD. 22 Æus Joaz ðe cijj remēberd not ðe cīndnes hwig Jehōada hiz fqder had dun tui him, but slui hiz sun. And hwen he dīd, he sed, ðe LōRD luc upōn [it], and reewjrd [it].

23 And it cam tui pqs at ðe end ov ðe yer, [ðat] ðe host ov Siria cam up agēnst him: and ða cam tui Jyda and Jeruzalem, and destrōd ol ðe prinsez ov ðe pep'l from amūy ðe pep'l, and sent ol ðe spol ov ðem

24 untū ðe cijj ov Damascus. For ðe qmī ov ðe Sirianz cam wid a smol cumpāni ov men, and ðe LōRD deliverd a veri grat host intū ðar hand, becōz ða had forsac'n ðe LōRD God ov ðar fqderz. So ða ésc-ecuted jūjment agēnst Joaz.

25 And hwen ða wer departed from him, (fer ða left him in grat dizezez,) hiz on servants conspīrd agēnst him fer ðe blud ov ðe sunz ov Jehōada ðe prest, and slui him on hiz bed, and he dīd: and ða berid him in ðe siti ov David, but ða berid him 26 not in ðe sepulcerz ov ðe cijj. And ðez qr ðā ðat conspīrd agēnst him; Zabad ðe sun ov Simiat, an 'Amonijtes, and Jehozabā ðe sun ov Simrit, a Mōabijtes. Ns [consērij] hiz sunz, and ðe grates ov ðe burd'nz [lad] upōn him, and ðe reparij ov ðe hss ov God, behōld, ða [qr] rit'n in ðe stori ov ðe buc ov ðe cijj. And Amazja hiz sun rand in hiz sted.

25 AMAZJA [woz] twenti and fiv yerz old [hwen] he begān tui ran, and he rand twenti and nīn yerz in Jeruzalem. And hiz muderz nam [woz] Jehōadān ov 2 Jeruzalem. And he did [ðāt hwig woz] rit in ðe sijt ov ðe LōRD, but not wid a 3 perfect hqrt. Ns it cam tui pqs, hwen ðe cīndum woz estāblift tui him, ðat he slui

25 hiz servants dat had cild de ein hiz fader. (1) But he slu not dar gildren, but [did] az [it iz] rit'n in de lo in de buac ov Mozez, hwar de LORD comanded, saig, de faderz sal not di for de gildren, neder sal de gildren di fer de faderz, but everi man sal di for hiz on sin.

5 Moreover Amazja gaderd Juda tuigeder, and mad dem captenz over tszendz, and captenz over hundredz, acordin tu de hszez ov [dar] faderz, trušt ol Juda and Benjamin; and he numberd dem from twenti yezr old and abáv, and fnd dem tre hundred tszend qos [men, ab'l] tu go fort tu wor, dat ead hand'l sper and feld.

6 He hird also an hundred tszend miiti men ov valur st ov 'Israel for an hundred talents ov silver.

7 But dar cam a man ov God tu him, saig, O ein, let not de qrmí ov 'Israel go wið dé; for de LORD [iz] not wið 'Israel, [tu wit, wið] ol de gildren ov 'Efrain.

8 But if ds will go, du [it], be strog fer de bat'l: God sal mac dé fol befór de enemi: for God hat pser tuu help, and tuu eqst

9 dsn. And Amazja sed tu de man ov God, But ¿hwot sal we du fer de hundred talents hwiç i hav giv'n tu de qrmí ov 'Israel. And de man ov God qnsred, de LORD iz ab'l tuu giv dé muç mor dan dis.

10 Den Amazja séperated dem, [tu wit,] de qrmí dat woz cum tu him st ov 'Efrain, tu go hom agén: hwarfor dar anger woz gratli eind'ld agénst Juda, and da retúrnd

11 hom in grat anger. And Amazja strejt'nd himsél, and led fort hiz pep'l, and went tu de vali ov solt, and smot ov de gildren ov

12 Seer ten tszend. And [uder] ten tszend [left] alij did de gildren ov Juda cari awá captiv, and brot dem untu de top ov de roe, and eqst dem dsn from de top ov de

13 roe, dat da ol wer broc'n in pesez. But de soljerz ov de qrmí hwiç Amazja sent bac, dat da sud not go wið him tu bat'l, fel upón de sitiz ov Juda, from Samaria ev'n untu Bet-horon, and smot tre tszend ov dem, and tue muç spol.

14 Ns it cam tu pqs, qfter dat Amazja woz cum from de sloter ov de Edumjts, dat he brot de godz ov de gildren ov Seer, and set dem up [tu he] hiz godz, and bsd dsn himsél befór dem, and burnt insens untu

15 dem. Hwarfor de anger ov de LORD woz eind'ld agénst Amazja, and he sent untu him a profet, hwiç sed untu him, ¿Hwiç hast ds sot qfter de godz ov de pep'l, hwiç ead not deliver dar on pep'l st ov din hand. And it cam tu pqs, az he toet wið him, dat [de ein] sed untu him, ¿Art ds mad ov de einz ensel; forbár; ¿hwiç sudst ds be smit'n. Den de profet forbár, and sed, I no dat God hul detérmind tu destró dé, becóz ds hast dun dis, and hast not hare'nd untu mij ensel.

17 Den Amazja ein ov Juda tue advjs, and sent tu Joaf, de sun ov Jehoahaz, de sun ov Jehu, ein ov 'Israel, saig, Cum, let us

18 se wun anúder in de fas. And Joaf ein ov

25 'Israel sent tu Amazja ein ov Juda, saig, de tis'l dat [woz] in Lebanun sent tu de seder dat [woz] in Lebanun, saig, Giv di doter tu mij sun tu wijf: and dar

19 pqt bi a wið best dat [woz] in Lebanun, and trod dsn de tis'l. Ds saest, Lo, ds hast smit'n de Edumjts; and din hart listet dé up tuu best: abjd ns at hom; ¿hwiç sudst ds med'l tu [din] hurt, dat ds sudst

20 fol, [ev'n] ds, and Juda wið dé. But Amazja wud not her; fer it [cam] ov God, dat he mjt deliver dem intu de hand [ov dar enemiz], becóz da sot qfter de godz ov

21 Edum. So Joaf de ein ov 'Israel went up: and da so wun anúder in de fas, [bot] he and Amazja ein ov Juda, at Bet-femej,

22 hwiç [beloçet] tuu Juda. And Juda woz put tu de wurs befór 'Israel, and da fled

23 everi man tuu hiz tent. And Joaf de ein ov 'Israel tue Amazja ein ov Juda, de sun ov Joaf, de sun ov Jehoahaz, at Bet-femej, and brot him tu Jeruzalem, and brac dsn de wol ov Jeruzalem from de gat ov

24 'Efrain tu de corner gat, for hundred eqbits. And [he tue] ol de gold and de silver, and ol de veselz dat wer fnd in de

hss ov God wið Obed-edum, and de trezurz ov de einz hss, de hostejez also, and retúrnd tu Samaria.

25 And Amazja de sun ov Joaf ein ov Juda livd qfter de det ov Joaf sun ov Jeho-

26 ahaz ein ov 'Israel fiften yezr. Ns de rest ov de acts ov Amazja, ferst and laqt, behóld, ¿[qr] da not rit'n in de buac ov de

27 einz ov Juda and 'Israel. Ns qfter de tñm dat Amazja did turn awá from fóloij de LORD da mad a conspiresi agénst him in

Jeruzalem; and he fled tu Lacif: but da sent tu Lacif qfter him, and slu him dar.

28 And da brot him upón hersez, and berid him wið hiz faderz in de siti ov Juda.

26 DEN ol de pep'l ov Juda tue Uzja, hu [woz] siesten yezr old, and mad

him ein in de rum ov hiz fader Amazja.

2 He bilt Eto, and restórd it tuu Juda, qfter dat de ein slept wið hiz faderz.

3 Siesten yezr old [woz] Uzja hwen he begón tuu ran, and he rand fifti and tú yezr in Jeruzalem. Hiz muderz nam

4 [woz] Jeolija ov Jeruzalem. And he did [dat hwiç woz] rit in de sijt ov de LORD, acordin tu el dat hiz fader Amazja did.

5 And he sot God in de daz ov Zecarja, hu had understánding in de vizunz ov God: and az loy az he sot de LORD, God mad him tuu prosper.

6 And he went fort and werd agénst de Filistin, and brac dsn de wol ov Gat, and de wol ov Jabna, and de wol ov Afdod, and bilt sitiz abst Afdod, and amún de

7 Filistinz. And God helpt him agénst de Filistinz, and agénst de Arabianz dat dwelt in Gur-baal, and de Melúminz. And de

Amunijts gav gifts tu Uzja: and hiz nam spred abrod [ev'n] tu de enterij in ov Egipt; for he strejt'nd [himsél] ceesedipli.

9 Moreover Uzja bilt tser in Jeruzalem at de corner gat, and at de vali gat, and at

26 de turnij [ov de wel], and fertifid dem. (10) Olso he bilt tserz in de dezert, and digd meni welz: for he had muq eat'l, bot in de lo euntri, and in de planz: huzbundmen [also], and vjn dreserz in de msntenz, and in Cqrmel: for he luvd huzbundri.

11 Moreover Uzja had an host ov fiftij men, dat went st tuu wor bi bandz, acordin tuu de number ov dar acsnt bi de hand ov Jejel de scrij and Maasija de ruder, under de hand ov Hananja, [wun] ov de cinz
12 captenz. De hol number ov de gef ov de faderz ov de miji men ov valur [wer] tuu
13 tszend and sies hundred. And under dar hand [woz] an qmri, tre hundred tszend and sev'n tszend and fiv hundred, dat mad wor wid miji pser, tuu help de cin agens
14 de enem. And Uzja prepard for dem truist ol de host feldz and sperz, and helmets, and haberjunz, and boz, and slinz
15 [tuu eqst] stonz. And he mad in Jeruzalem enjinz, invnted bi cunij men, tuu be on de tserz and upon de bualweres, tuu jut oroz and grat stonz widel. And hiz nam spred fqr abrod; and he woz mqr velusli helpt, til he woz stroy.

16 But hwen he woz stroy, hiz hqrt woz lifted up tuu [hiz] destruefun: for he transgrest agens de LORD hiz God, and went intuu de temp'l ov de LORD tuu burn insens
17 upon de elter ov insens. And Azarja de prest went in after him, and wid him forscor prests ov de LORD, [dat wer] valyant
18 men: and da widstid Uzja de cin, and sed untuu him, [It apertanet] not untuu de, Uzja, tuu burn insens untuu de LORD, but tuu de prests de sunz ov Arun, dat qr consecrated tuu burn insens: go st ov de sanatqeri; for ds hast trespass; neder [jul it be] for dñn onur from de LORD God.

19 Den Uzja woz ret, and [had] a senser in hiz hand tuu burn insens: and hwil he woz ret wid de prests, de leprusi ev'n roz up in hiz fored befór de prests in de hss ov de
20 LORD, from besid de insens elter. And Azarja de gef prest, and ol de prests, luert upon him, and, behold, he [woz] leprus in hiz fored, and da trust him st from dens; ya, himself hasted also tuu go st, becóz de
21 LORD had smit'n him. And Uzja de cin woz a leper untu de da ov hiz det, and dwelt in a several hss, [bein] a leper; for he woz cut of from de hss ov de LORD: and Jotam hiz sun [woz] over de cinz hss, jujin de pep'l ov de land.

22 Ns de rest ov de acts ov Uzja, ferst and lqst, did Azaa de profet, de sun ov Amoz,
23 rijt. So Uzja slept wid hiz faderz, and da berid him wid hiz faderz in de feld ov de berial hwiq [belönd] tuu de cinz; fer da sed, He [iz] a leper: and Jotam hiz sun rand in hiz sted.

27 JOTAM [woz] twenti and fiv yerz old hwen he began tuu ran, and he rand siesten yerz in Jeruzalem. Hiz muderz nam also [woz] Jéruša, de deter ov Zadoc.
2 And he did [dat hwiq woz] rijt in de sijt ov

27 de LORD, acordin tuu ol dat hiz fqder Uzja did: hsbet he enterd not intuu de temp'l ov de LORD. And de pep'l did
3 yet eoriptli. He bilt de hj gat ov de hss ov de LORD, and on de wel ov Ofel he bilt muq.

4 Moreover he bilt sitiz in de msntenz ov Jyda, and in de forests he bilt eqs'lz ond
5 tserz. He sot also wid de cin ov de Amunijts, and prevald agens dem. And de gildren ov Amun gav him de sam yer an hundred talents ov silver, and ten tszend mezurz ov hwet, and ten tszend ov bqrl. So muq did de gildren ov Amun pa untuu
6 him, bot de secund yer and de terd. So Jotam becam miji, becóz he prepard hiz waz befór de LORD hiz God.

7 Ns de rest ov de acts ov Jotam, and ol hiz werz, and hiz waz, lo, da [qr] rit'n in de
8 buac ov de cinz ov 'Israel and Jyda. He woz fiv and twenti yerz old hwen he began tuu ran, and rand siesten yerz in Jeruzalem. And Jotam slept wid hiz faderz, and da berid him in de siti ov David: and Ahaz hiz sun rand in hiz sted.

28 AHIAZ [woz] twenti yerz old hwen he began tuu ran, and he rand siesten yerz in Jeruzalem: but he did not [dat hwiq woz] rijt in de sijt ov de LORD, lie
2 David hiz fqder: for he woet in de waz ov de cinz ov 'Israel, and mad also molt'n
3 imejcz fer Baalim. Moreover he burnt insens in de vali ov de sun ov Hinom, and burnt hiz gildren in de fir, after de abominajunz ov de hed'n hum de LORD had
4 eqst st befór de gildren ov 'Israel. He sacrificd also and burnt insens in de hj plasez, and on de hiltz, and under everi gren tre.

5 Hwarfor de LORD hiz God deliverd him intuu de hand ov de cin ov Siria; and da smot him, and carid awá a grat multitud ov dem captivz, and brot [dem] tuu Damascus. And he woz also deliverd intuu de hand ov de cin ov 'Israel, hui smot him
6 wid a grat sloter. For Peca de sun ov Remalja, shu in Jyda an hundred and twenti tszend in wun da, [hwiq wer] ol valyant men; becóz da had forsac'n de
7 LORD God ov dar faderz. And Zierj, a miji man ov 'Efraim, shu Maasija de cinz sun, and Azricam de guverner ov de hss, and Eleana [dat woz] neest tuu de cin.
8 And de gildren ov 'Israel carid awá captiv ov dar bredren tuu hundred tszend, wimen, sunz, and deterz, and tue also awá muq spol from dem, and brot de spol tuu Samaria.

9 But a profet ov de LORD woz dar, huuz nam [woz] Oded: and he went st befór de host dat cam tuu Samaria, and sed untuu dem, Behold, becóz de LORD God ov qr faderz woz ret wid Jyda, he hat deliverd dem intuu qr hand, and ye hav slan dem
10 in a raj [dat] reget up untuu hev'n. And ns ye purpus tuu eep under de gildren ov Jyda and Jeruzalem for bondmen and bondwimen untuu q: [but qqr dar] not

28 wid ū, ev'n wid ū, sinz agénst de LÖRD
 ūr God. (11) Ns her me darfor, and
 deliver de captivz agén, hwig ye hav tac'n
 captiv ov ūr bredren: for de fers rot ov de
 12 LÖRD [iz] upón ū. Æen serten ov de hedz
 ov de gildren ov 'Ufrain, Azaria de sun ov
 Johanan, Berecia de sun ov Meilemot,
 and Jehizeja de sun ov Yalum, and Amasa
 de sun ov Hádlaï, stud up agénst dem dat
 13 cam from de wor, and sed untu dem, Ye
 sal not brin in de captivz hider: for hwarás
 we hav ofendéd agénst de LÖRD [olrédi],
 ye inténd tut ad [mor] tut sr sinz and tut
 sr trespas: for sr trespas iz grat, and [dar
 14 iz] fers rot agénst 'Izrael. So de grnd
 men lef de captivz and de spol befór de
 15 prinsez and ol de eongregafun. And de
 men hwig wer cesprést bi nam roz up, and
 tue de captivz, and wid de spol cloidd ol
 dat wer naced amún dem, and arád dem,
 and fod dem, and gav dem tut et and tut
 dripe, and anoned dem, and carid ol de
 febl' ov dem upón qsez, and brot dem tut
 Jerico, de siti ov pqm trez, tut dar bredren:
 den da retúrd tut Samaria.
 16 AT dát tîm did eig Ahaz send untu de
 17 einz ov Asiria tut help him. For agén de
 Edumjts had cum and smit'n Jyda, and
 18 carid awá captivz. Æe Filistinz elso had
 invaded de sitiz ov de lo cuntri, and ov de
 est ov Jyda, and had tac'n Bet-sefnes, and
 Ajalon, and Gederot, and Xoco wid de
 vilejez daróf, and Tinna wid de vilejez
 daróf, Gimzo elso and de vilejez daróf:
 19 and da dwelt dar. For de LÖRD brot Jyda
 lo becoz ov Ahaz eig ov 'Izrael; for he
 mad Jyda naced, and transgrést sor agénst
 20 de LÖRD. And Tilgat-pilneser eig ov Asiria
 cam untu him, and distrést him, but
 21 strep'nd him not. For Ahaz tue awá a
 porfem [st] ov de hss ov de LÖRD, and [st]
 ov de hss ov de eig, and ov de prinsez, and
 gav [it] untu de eig ov Asiria: but he
 22 helpt him not. And in de tîm ov hiz dis-
 trés did he trespas yet mor agénst de
 LÖRD: dis [iz dát] eig Ahaz.
 23 For he saerifizd untu de godz ov Da-
 máseus, hwig smot him: and he sed, Becóz
 de godz ov de einz ov Siria help dem,
 [darfor] wil i saerifiz tut dem, dat da ma
 help me. But da wer de ruin ov him, and
 24 ov ol 'Izrael. And Ahaz gaderd tugéder
 de veselz ov de hss ov God, and cut in
 pesez de veselz ov de hss ov God, and fut
 up de dorz ov de hss ov de LÖRD, and he
 mad him olterz in everi corner ov Jer-
 25 uzalem. And in everi severol siti ov Jyda
 he mad hj plasez tut burn insens untu
 uder godz, and provóet tut ayger de LÖRD
 God ov hiz fqderz.
 26 Ns de rest ov hiz acts and ov ol hiz waz,
 ferst and lqst, behóld, da [qr] rit'n in de
 27 bué ov de eigz ov Jyda and 'Izrael. And
 Ahaz slept wid hiz fqderz, and da berid
 him in de siti, [ev'n] in Jeruzalem: but
 da brot him not intu de sepulcerz ov de
 eigz ov 'Izrael: and Hezeja hiz sun raud
 in hiz sted.

29 HEZECHA begán tut ran [hwen he
 woz] fîv and twenti yerz old, and he
 rand nîn and twenti yerz in Jeruzalem.
 And hiz muderz nam [woz] Abija, de
 2 doter ov Zecaria. And he did [dát hwig
 woz] rit in de sijt ov de LÖRD, acórdij tut
 ol dat David hiz fqder had dun.
 3 He in de ferst yer ov hiz ran, in de ferst
 munt, op'nd de dorz ov de hss ov de LÖRD,
 4 and repárd dem. And he brot in de prests
 and de Levjts, and gaderd dem tugéder
 5 intu de est stret, and sed untu dem, Her
 me, ye Levjts, saetifij ns ūrsélvz, and
 saetifij de hss ov de LÖRD God ov ūr
 fqderz, and cari fort de filtnes st ov de
 6 holi [plas]. For sr fqderz hav trespas,
 and dun [dát hwig woz] ev'l in de jz ov de
 LÖRD sr God, and hav forsac'n him, and
 hav turnd awá dar fasez from de habitafun
 7 ov de LÖRD, and turnd [dar] bacs. Ælso
 da hav fut up de dorz ov de pore, and
 put st de lamps, and hav not burnt insens
 ner ofder burnt oferizj in de holi [plas]
 8 untu de God ov 'Izrael. Hwarfor de rot
 ov de LÖRD woz upón Jyda and Jeruzalem,
 and he hat deliverd dem tut trub'l, tut as-
 tonishment, and tut hisij, az ye se wid ūr
 9 jz. For, lo, sr fqderz hav fol'n bi de sord,
 and sr sunz and sr dotez and sr wjvz
 10 [qr] in captivity for dis. Ns [it iz] in mîn
 hart tut mac a cuvenant wid de LÖRD God
 ov 'Izrael, dat hiz fers rot ma turn awá
 11 from us. Mj sunz, be not ns neglijent:
 for de LÖRD hat goz'n ū tut stand befór
 him, tut serv him, and dat ye sud minister
 untu him, and burn insens.
 12 Æen de Levjts aróz, Mahat de sun ov
 Amasaj, and Joel de sun ov Azaria, ov de
 sunz ov de Cohatjts: and ov de sunz ov
 Merari, Cij de sun ov Abdi, and Azaria de
 sun ov Jehalelei: and ov de Gerfonjts;
 Joa de sun ov Zina, and Eden de sun ov
 13 Joa: and ov de sunz ov Elisafan; Simri,
 and Jeiel: and ov de sunz ov Asaf; Zec-
 14 aria, and Matanja: and ov de sunz ov
 Heman; Jehiel, and Simij: and ov de sunz
 15 ov Jedytun; Xemaia, and Uzziel. And da
 gaderd dar bredren, and saetifij demselvz,
 and cam, acórdij tut de comandment ov de
 eig, bi de wurdz ov de LÖRD, tut elenz de
 16 hss ov de LÖRD. And de prests went intu
 de iner part ov de hss ov de LÖRD, tut
 elenz [it], and brot st ol de unelennes dat
 da fsnd in de temp'l ov de LÖRD intu de
 cort ov de hss ov de LÖRD. And de Levjts
 tue [it], tut cari [it] st abrórd intu de brue
 17 Cidron. Ns da begán on de ferst [da]
 ov de ferst munt tut saetifij, and on de att
 da ov de munt cam da tue de pore ov de
 LÖRD: so da saetifij de hss ov de LÖRD
 in at daz; and in de siestent da ov de ferst
 munt da mad an end.
 18 Æen da went in tut Hezeja de eig, and
 sed, We hav elenzd ol de hss ov de LÖRD,
 and de olter ov burnt oferizj, wid ol de
 veselz daróf, and de Jobred tab'l, wid ol de
 19 veselz daróf. Moreover ol de veselz, hwig
 eig Ahaz in hiz ran did eqst awá in hiz

29 transgreſun, hav we prepar'd and ſaſe-
tiſjd, and, behóld, da [qr] befór de olter
ov de LóRD.

20 Den Hezeceja de eij roz erli, and gaderd
de rulerz ov de ſiti, and went up tu de

21 hss ov de LóRD. And da bret sev'n bul-
uces, and sev'n ramz, and sev'n lamz, and
sev'n he gots, fer a sin oferij for de eij-
dum, and fer de ſánetjeri, and fer Jüda.
And he comqnded de preſts de ſunz ov

22 LóRD. So da eild de bulucs, and de preſts
reſev'd de blud, and ſprinc'ld [it] on de
elter: ljewjz, hwen da had eild de ramz,
da ſprinc'ld de blud upon de olter: da eild
elso de lamz, and da ſprinc'ld de blud upón

23 de olter. And da bret fort de he gots [fer]
de sin oferij befór de eij and de cōgre-
gaſun; and da lad dar handz upón dem:

24 and de preſts eild dem, and da mad recon-
ſiliaſun wid dar blud upón de olter, tu
mac an atonment fer ol 'Izrael: fer de
eij comqnded [dat] de burnt oferij and de
sin oferij [jad be mad] fer ol 'Izrael.

25 And he ſet de Levjts in de hss ov de
LóRD wid ſimbalz, wid ſolteriz, and wid
harps, acordin tu de comqndment ov
David, and ov Gad de eijz ſeer, and

26 Natan de profet: for [so woz] de com-
qndment ov de LóRD bi hiz profets. And
de Levjts ſtud wid de instruments ov

27 David, and de preſts wid de trumpets.
And Hezeceja comqnded tu ofer de burnt
oferij upón de olter. And hwen de burnt
oferij begán, de ſoy ov de LóRD begán

28 [elso] wid de trumpets, and wid de
instruments [ordánd] bi David eij ov
'Izrael. And ol de congregaſun wurſipt,

and de ſingerz ſay, and de trumpeterz
synded: [and] ol [dis continqd] until de

29 burnt oferij woz finiſt. And hwen da
had mad an end ov oferij, de eij and ol
dat wer prezēt wid him bsd demselvz,

30 and wurſipt. Moreover Hezeceja de eij
and de prinsez comqnded de Levjts tu
ſig praz untu de LóRD wid de wurdz ov

David, and ov Aſaf de ſeer. And da ſay
prazez wid gladnes, and da bsd dar hedz
and wurſipt.

31 Den Hezeceja qnserd and ſed, Ns ye
hav cōſecrated yrſelvz untu de LóRD,
cum ner and brij ſácriſfiez and taje

oferijz intu de hss ov de LóRD. And
de cōgregaſun brot in ſácriſfiez and taje
oferijz; and az meni az wer ov a fre hqrt

32 burnt oferijz. And de number ov de burnt
oferijz, hwig de cōgregaſun brot, woz tre-
ſeor and ten bulucs, an hundred ramz,

[and] tú hundred lamz: ol dez [wer] for
33 a burnt oferij tu de LóRD. And de cō-
ſecrated tinz [wer] ſics hundred ocs'n and

34 tre tſzend jep. But de preſts wer tú fū,
so dat da eud not fla ol de burnt oferijz:
hwarfor dar bredren de Levjts did help

dem, til de wure woz ended, and until de
[uder] preſts had ſaſetijfd demselvz: for
de Levjts [wer] mor uprit in hqrt tu

35 ſaſetijfd demselvz dan de preſts. And also

29 de burnt oferijz [wer] in abúndans,
wid de fat ov de pes oferijz, and de
dringe oferijz fer [everi] burnt oferij. So
de ſervis ov de hss ov de LóRD woz ſet in
36 order. And Hezeceja rejóst, and ol de
pep'l, dat God had prepar'd de pep'l: for
de tin woz [dun] ſudenli.

30 AND Hezeceja ſent tu el 'Izrael and
Jüda, and rot leterz elso tu 'Efraim

and Manáſa, dat da jad cum tu de hss
ov de LóRD at Jeruzaſem, tu cep de pqs-
over untu de LóRD God ov 'Izrael. For

2 de eij had tac'n enſel, and hiz prinsez,
and ol de cōgregaſun in Jeruzaſem, tu

3 cep de pqs-over in de ſecond munt. For
da eud not cep it at dát tjm, becóz de
preſts had not ſaſetijfd demselvz ſuficientli,
neder had de pep'l gaderd demselvz tu-

4 géder tu Jeruzaſem. And de tin plezd
5 de eij and ol de cōgregaſun. So da
eſtabliſt a decré tu mac proclamaſun truſt

el 'Izrael, from Beerſeba ev'n tu Dan,
dat da jad cum tu cep de pqs-over untu
de LóRD God ov 'Izrael at Jeruzaſem:

for da had not dun [it] ov a loy [tjm in
ſug ſort] az it woz rit'n.

6 So de poſts went wid de leterz from de
eij and hiz prinsez truſt el 'Izrael and
Jüda, and acordin tu de comqndment ov

de eij, ſay, Ye gildren ov 'Izrael, turn
agén untu de LóRD God ov Abraham,
Izac, and 'Izrael, and he wil retárn tu

de remnant ov y, dat qr eſcápt st ov de
7 hand ov de eijz ov Aſiria. And be not ye
lje yr fqlerz, and lje yr bredren, hwig

treſpaſt agénst de LóRD God ov dar
fqlerz, [hu] darfor gav dem up tu deſo-
8 laſun, az ye ſe. Ns be ye not ſtinaet,
az yr fqlerz [wer, but] yeld yrſelvz untu

de LóRD, and enter intu hiz ſánetjeri,
hwig he hat ſaſetijfd fer ever: and ſerv de
LóRD yr God, dat de fersnes ov hiz rot

9 ma turn awá from y. For if ye turn agén
untu de LóRD, yr bredren and yr gildren
[jal find] compaſun befór dém dat led

dem captiv, so dat da jal cum agén intu
dis land: fer de LóRD yr God [iz] graſus
and meſſifal, and wil not turn awá [hiz]

fas from y, if ye retárn untu him.

10 So de poſts pqt from ſiti tu ſiti tru
de eumtri ov 'Efraim and Manáſa ev'n
untu Zebulun: but da laſt dem tu ſeern,

11 and moct dem. Neverdelés djerz ov Aſer
and Manáſa and ov Zebulun umb'ld dem-
12 selvz, and cam tu Jeruzaſem. Olso in

Jüda de hand ov God woz tu giv dem
wun hqrt tu du de comqndment ov de
eij and ov de prinsez, bi de wurd ov de

LóRD.

13 AND dar asémb'ld at Jeruzaſem muq
pep'l tu cep de feſt ov unlév'nd bred in

de ſecond munt, a veri grat cōgregaſun.

14 And da aróz and tae awá de elterz dat
[wer] in Jeruzaſem, and ol de elterz for
insens tue da awá, and eqst [dem] intu

15 de bruc Cidron. Den da eild de pqs-over
on de fortent [da] ov de ſecond munt:
and de preſts and de Levjts wer afámd,

30 and saŋetifjld demselvz, and brot in de burnt oferinjz intuu de hss ov de LORD.
 16 And da stua in dar plas qfter dar maner, acording tuu de lo ov Mozez de man ov God: de prests spring'e'ld de blud, [hwig da resévd] ov de hand ov de Levjts.

17 For [dar wer] meni in de congregafun dat wer not saŋetifjld: darfor de Levjts had de gqj ov de ciliŋ ov de pqs-overz for everi wun [dat woz] not clen, tuu
 18 saŋetifj [dem] untuu de LORD. For a multituŋ ov de pep'l, [ev'n] meni ov 'Efrain, and Manása, Izueer, and Zebulun, had not clenzd demselvz, yet did da et de pqs-overz uderwiz dan it woz rit'n. But Hezeceja pradwer for dem, sain, de gad LORD
 19 pqr'd'n everi wun [dat] preparét hiz hqrt tuu sse God, de LORD God ov hiz fqderz, do [he be] not [clenzd] acording tuu de
 20 purtificaŋ ov de saŋetifieri. And de LORD hqre'nd tuu Hezeceja, and held de pep'l.

21 And de gildren ov 'Israel dat wer prez-ent at Jeruzalem cept de fest ov unlév'nd bred sev'n daz wid grat gladnes: and de Levjts and de prests prazd de LORD da bi da, [sinj] wid lsd instruments untuu
 22 de LORD. And Hezeceja spac cūmfurtabli untuu ol de Levjts dat tot de gad nolej ov de LORD: and da did et trušt de fest sev'n daz, oferij pes oferinjz, and maen confesun tuu de LORD God ov dar fqderz.

23 And de hol asénbli tue cūsel tuu cep uder sev'n daz: and da cept [uder] sev'n
 24 daz wid gladnes. For Hezeceja ciŋ ov Jyda did giv tuu de congregafun a tszend balucs and sev'n tszend jep; and de prinsez gav tuu de congregafun a tszend balucs and ten tszend jep: and a grat
 25 number ov prests saŋetifjld demselvz. And ol de congregafun ov Jyda, wid de prests and de Levjts, and ol de congregafun dat cam st ov 'Israel, and de stranjerz dat cam st ov de lond ov 'Israel, and dat
 26 dwelt in Jyda, rejóst. So dar woz grat jō in Jeruzalem: for sins de tijn ov Solomon de sun ov David ciŋ ov 'Israel [dar
 27 woz] not de lje in Jeruzalem. Den de prests de Levjts aróz and blest de pep'l: and dar vos woz herd, and dar prar cam [up] tuu hiz holi dweliŋ plas, [ev'n] untuu hev'n.

31 Næ hwen ol dis woz finift, ol 'Israel dat wer prezent went st tuu de sitiz ov Jyda, and brae de injez in pesez, and eut dsn de grovz, and tru dsn de hi plasez and de olterz st ov ol Jyda and Benjamin, in 'Efrain also and Manása, untíl da had uterli destróid dem ol. Den ol de gildren ov 'Israel retúrnd, everi man tuu hiz pozefun, intuu dar on sitiz.

2 AND Hezeceja aponted de corsez ov de prests and de Levjts qfter dar corsez, everi man acording tuu hiz servis, de prests and Levjts for burnt oferinjz and for pes oferinjz, tuu minister, and tuu giv tages, and tuu praz in de gats ov de tents ov
 3 de LORD. [He aponted] also de ciŋz porfun ov hiz substans for de burnt oferinjz,

31 [tuu wit.] for de mornij and evnij burnt oferinjz, and de burnt oferinjz for de sabats, and for de nū munz, and for de set fests, az [it iz] rit'n in de lo ov de LORD.

4 Moreover he comqnded de pep'l dat dwelt in Jeruzalem tuu giv de porfun ov de prests and de Levjts, dat da mjt be
 5 eneurejd in de lo ov de LORD. And az sun az de comqndment cam abród, de gildren ov 'Israel brot in abúndans de ferstfruits ov eern, win, and ol, and huni, and ov ol de ineres ov de feld; and de
 6 And [consernj] de gildren ov 'Israel and Jyda, dat dwelt in de sitiz ov Jyda, da also brot in de tjd ov oes'n and sep, and de tjd ov holi tijn hwig wer cōsecrated untuu de LORD dar God, and lad [dem]
 7 bi heps. In de terd munt da begán tuu la de fndafun ov de heps, and finift [dem]
 8 in de sev'n munt. And hwen Hezeceja and de prinsez cam and so de heps, da
 9 blest de LORD, and hiz pep'l 'Israel. Den Hezeceja cwestyund wid de prests and de
 10 Levjts cōsernj de heps. And Azorja de gef prest ov de hss ov Zadoc qnserd him, and sed, Sins [de pep'l] begán tuu briŋ de oferinjz intuu de hss ov de LORD, we hav had enúf tuu et, and hav left plenti: for de LORD hat blest hiz pep'l; and dát hwig iz left [iz] dis grat stor.

11 Den Hezeceja comqnded tuu prepar gamberz in de hss ov de LORD; and da prepar
 12 [dem] and brot in de oferinjz and de tjdz and de dédicated [tijnz] fattuli: over hwig Cononja de Levjt [woz] ruler, and Ximij
 13 hiz bruder [woz] de neest. And Jehjel, and Azazja, and Nahat, and Asahel, and Jerimot, and Jozabad, and Eliel, and Izmaeja, and Mahat, and Benaia, [wer] overseerz under de hand ov Cononja and Ximij hiz bruder, at de comqndment ov Hezeceja de ciŋ, and Azarja de ruler ov
 14 de hss ov God. And Core de sun ov Imna de Levjt, de porter tord de est, [woz] over de frewil oferinjz ov God, tuu distribut de oblafunz ov de LORD, and de most holi

32 hiz gadnes, behôld, da [qr] rit'n in de vizun ov Fzaa de profet, de sun ov Amoz, [and] in de buac ov de einz ov Jyda and **33** 'Izrael. And Hezecea slept wid hiz faderz, and da berid him in de gefest ov de sepulcerz ov de sunz ov David: and ol Jyda and de inhabitants ov Jeruzalem did him onur at hiz det. And Manâsa hiz sun rand in hiz sted.

33 MANASA [woz] twelv yerz old hwen he begân tuu ran, and he rand fifti **2** and fiv yerz in Jeruzalem: but did [dât hwiq woz] ev'l in de sit ov de LORD, he untu de abominafunz ov de hed'n, hum de LORD had eqst st befôr de gildren ov **3** 'Izrael. For he bilt agên de hî plasez hwiq Hezecea hiz fader had broc'n dsn, and he rend up olterz for Baalim, and mad grovz, and wurft ol de host ov **4** hev'n, and servd dem. Also he bilt olterz in de hss ov de LORD, hwarôf de LORD had sed, In Jeruzalem ful mj nam be **5** for ever. And he bilt olterz for ol de host ov hev'n in de tû courts ov de hss ov **6** LORD. And he cozd hiz gildren tuu pqs tru de fir in de vali ov de sun ov Hinnom: also he obzêrved tjnz, and yzd enqntments, and yzd wicrqt, and delt wid a famlyer spirit, and wid wizerdz: he rot mug ev'l in de sit ov de LORD, tuu provôc **7** him tuu anger. And he set a eqrvd imej, de idul hwiq he had mad, in de hss ov God, ov hwiq God had sed tuu David and tuu Solomun hiz sun, In dis hss, and in Jeruzalem, hwiq i hav goz'n befôr ol de tribz ov 'Izrael, wil i put mj nam for **8** ever: neder wil i eni mor remûv de fut ov 'Izrael from st ov de land hwiq i hav apointed for yr faderz; so dat da wil tae hed tuu duu ol dat i hav conqnded dem, acording tuu de hol lo and de statutz and de ôrdinansez hî de hand ov Mozez. **9** So Manâsa mad Jyda and de inhabitants ov Jeruzalem tuu cr, [and] tuu duu wurs ðan de hed'n, hum de LORD had destrôl **10** befôr de gildren ov 'Izrael. And de LORD spae tuu Manâsa, and tuu hiz pep'l: but **11** da wud not hqre'n. Hwarfor de LORD brot upôn dem de captenz ov de host ov de einz ov Asiria, hwiq tue Manâsa amûq de tomz, and bnd him wid feterz, and **12** carid him tuu Babilun. And hwen he woz in afflicun, he besôt de LORD hiz God, and umb'ld himsêlf gratli befôr de God **13** ov hiz faderz, and prad untu him: and he woz intred ov him, and herd hiz supplicafun, and brot him agên tuu Jeruzalem intuu hiz ejjdun. ðen Manâsa ny dat de LORD he [woz] God. **14** Ns qfter dis he bilt a wol widst de siti ov David, on de west sid ov Gihon, in de vali, ev'n tuu de enterij in at de fîf gat, and cumpast abst Ofel, and razd it up a veri grat hijt, and put captenz **15** ov wor in ol de fenst sitiz ov Jyda. And he tue awâ de stranj godz, and de idul st ov de hss ov de LORD, and ol de olterz dat he had bilt in de mnt ov de hss

33 ov de LORD, and in Jeruzalem, and eqst [dem] st ov de siti. **(16)** And he repârd de olter ov de LORD, and sacrificzd darôn pes oferijz and taye oferijz, and comqnded Jyda tuu serv de LORD God ov 'Izrael. **17** Neverdelés de pep'l did sacrificz stil in de hî plasez, [yet] untu de LORD ðar God onli.

18 Ns de rest ov de acts ov Manâsa, and hiz prar untu hiz God, and de wurdz ov de seerz dat spae tuu him in de nam ov de LORD God ov 'Izrael, behôld, da [qr rit'n] in de buac ov de einz ov 'Izrael. Hiz prar **19** also, and [hs God] woz intred ov him, and ol hiz sinz, and hiz trespas, and de plasez hwarin he bilt hî plasez, and set up grovz and grav'n imejz, befôr he woz umb'ld: behôld, da [qr] rit'n amûq de saingz ov de seerz. So Manâsa slept wid hiz faderz, and da berid him in hiz on hss: and Amon hiz sun rand in hiz sted.

21 AMON [woz] tûu and twenti yerz old hwen he begân tuu ran, and rand tûu yerz **22** in Jeruzalem. But he did [dât hwiq woz] ev'l in de sit ov de LORD, az did Manâsa hiz fader: for Amon sacrificzd untu ol de eqrvd imejz hwiq Manâsa **23** hiz fader had mad, and servd dem; and umb'ld not himsêlf befôr de LORD, az Manâsa hiz fader had umb'ld himsêlf; **24** but Amon trespast mor and mor. And hiz servants conspird agênst him, and slui **25** him in hiz on hss. But ðe pep'l ov de land slui ol dem dat had conspird agênst einz Amon; and de pep'l ov de land mad Josia hiz sun einz in hiz sted.

34 JOSEA [woz] at yerz old hwen he begân tuu ran, and he rand in Jeruzalem wun and terti yerz. And he did [dât hwiq woz] rit in de sit ov de LORD, and weet in de waz ov David hiz fader, and declnd [neder] tuu de rit hand nor **3** tuu de left. For in de att yer ov hiz ran, hwiq he woz yet yun, he begân tuu see qfter de God ov David hiz fader: and in de twelft yer he begân tuu purj Jyda and Jeruzalem from de hî plasez, and de grovz, and de eqrvd imejz, and de **4** molt'n imejz. And da brac dsn de olterz ov Baalim in hiz prezens; and ðe imejz, dat [wer] on hî obûv dem, he cut dsn; and de grovz, and de eqrvd imejz, and de molt'n imejz, he brac in pesez, and mad dust [ov dem], and strôd [it] upôn de gravz ov dem dat had sacrificzd untu **5** dem. And he burnt de bonz ov de prests upôn ðar olterz, and clenzd Jyda and **6** Jeruzalem. And [so did he] in de sitiz ov Manâsa, and 'Efrain, and Simiun, ev'n untu Naftali, wid ðar matoes rsnd **7** abst. And hwen he had broc'n dsn de olterz and de grovz, and had bet'n de grav'n imejz intuu pxdre, and cut dsn ol de idulz truêst ol de land ov 'Izrael, he retûrd tuu Jeruzalem.

8 Ns in de atent yer ov hiz ran, hwen he had purjd de land, and de hss, he sent Xafan de sun ov Azalja, and Maasija de

34 guverner ov de siti, and Jōa de sun ov Jōahaz de recorder, tu repār de hss 9 ov de LōRD hiz God. And hwen da cam tu Hileja de hij prest, da deliverd de muni dat woz brot intui de hss ov God, hwiġ de Levjts dat cept de dorz had gaderd ov de hand ov Manāsa and 'Efrain, and ov ol de remnant ov 'Izrael, and ov ol Jyda and Benjamin; and da retūrnd tu 10 Jeruzalem. And Hileja qnsrd and sed tu Šafan de serjib, 'I hav fsnd de buac ov de lo in de hss ov de LōRD. And Hileja deliverd de buac tu Šafan. 16 And Šafan carid de buac tu de ein, and brot de ein wurd bac agēn, saij, Ol dat woz comited tu dij servants, da duu [it]. 17 And da hav gaderd tugēder de muni dat woz fsnd in de hss ov de LōRD, and hav deliverd it intui de hand ov de overseerz, 18 and tu de hand ov de wuremen. Hen Šafan de serjib told de ein, saij, Hileja de prest hat giv'n me a buac. And Šafan 19 red it befōr de ein. And it cam tu pqz, hwen de ein had herd de wurdz ov de 20 lo, dat he rent hiz cloz. And de ein comanded Hileja, and Ahicam de sun ov Šafan, and Abdon de sun ov Mjca, and Šafan de serjib, and Asaja a servant ov 21 de einz, saij, .Go, incwjr ov de LōRD fer me, and fer dēm dat qr left in 'Izrael and in Jyda, consērnij de wurdz ov de buac dat iz fsnd: fer grat [iz] de rot ov de LōRD dat iz pōrd st upōn us, becōz sr fqderz hav not cept de wurd ov de LōRD, tu du qfter ol dat iz rit'n in dis buac. 22 And Hileja, and [šā] dat de ein [had apōnted], went tu Hulda de profetes, de wijf ov Šalum de sun ov Tievat, de sun ov Hazra, ceper ov de wordrob; (ns se dwelt in Jeruzalem in de colc;) and da 23 spae tu her tu dat [efēct]. 2 AND it cam thu pqs in de munt Nisan, in de twentiet yer ov Artazércsez de ein, [dat] win [woz] befór him: and i tue up de win, and gav [it] untu de ein. Ns i had not ben [befortim] sad in hiz prez-

 3 Den i woz veri sor afrád, and sed untu de ein, Let de ein liv fer ever: ? Hwi sud not mi exntenans be sad, hwen de siti, de plas ov mi fqderz sepuleerz, [ljet] wast, and de gats daróf qr consúmd wid fir.
 4 Den de ein sed untu me, ? For hwot dust ds mae reewést. So i prad thu de God ov hev'n. And i sed untu de ein, If it plez de ein, and if di servant hav fsnd favur in di sít, dat ds wudst send me untu Jyda, untu de siti ov mi fqderz sepulcerz, 6 dat i ma bild it. And de ein sed untu me, (de ewen olso sitig bi him), ? For hs loy sal di jurni be; and ? hwen wilt ds retúrn. So it plez de ein thu send me; and i set 7 him a tjm. 21 So we laburd in de wure: and hqf ov

6 And i woz veri aggrj hwen i herd dar

14 Moreover from de tñ dat i woz apónted

19 Tñc upón me, mi God, for gud, [acordin]

6 NS it cam tuu pqs, hwen Sanbálat, and

5 ðen sent Sanbálat hiz servant untui me

10 Afterwerd i cam untu de hss ov Zemaja
de sum ov Delaja de sum ov Mehetabel, hui

14 Mj God, tinge ðs up'ón Tobja and San-bálat acórding tu ðez dar wures, and on ðe profetes Noadja, and ðe rest ov ðe profets, dat wud hav put me in fer.

17 Moreover in ðoz daz ðe nob'lz ov Jyda sent meni leterz untu Tobja, and [ðe

For [ðar wer] meni in Jyda sworn untu him, becóz he [woz] ðe sun-in-le ov Xecanja ðe sun ov Ara; and hiz sun Johanan had tæ'n ðe doter ov Mefúlau ðe sun ov Berecja. 19 Also ða reported hiz gad dedz befór me, and uterd mj wurdz tu him. [And] Tobja sent leterz tu put me in fer.

7 Ns it cam tu pqs, hwen ðe wol woz bilt, and i had set up ðe dörz, and ðe portez and 2 ðe sijnz and ðe Levjts wer aponted, dat i gav mj bruder Hanan, and Hananja ðe ruler ov ðe pales, çqj over Jeruzalem: for he [woz] a fattul man, and ferd God 3 abáv meni. 7 ðs [qr] ðe LÖRD ðe God, hu didst guz Abram, and brotest him fort st ov Ur ov ðe Caldéz, and gavest him ðe nain ov

9 And didst se ðe affiesum ov sr faderz in Ejipt, and herdest ðar erj bi ðe Red Se; and soedst sinz and wunderz upón Faro, and on ol hiz servants, and on ol ðe pep'l ov hiz land; for ðs mjest ðat ða deltt prsdlí agénst ðem. So didst ðs get ðé a nain, az

16 But ða and sr faderz deltt prsdlí, and hqrnd ðar nees, and hqrnd not tu ðj

 24 ðat ða sud go in tu pozés [it.] So ðe gildren went in and pozést ðe land, and ðs subjdjedst befór ðem ðe inhabitants ov ðe land, ðe Cánaanjts, and gavest ðem intuu ðar handz, wid ðar ejnz, and ðe pep'l ov ðe land, ðat ða mjt du wid ðem az ða wud.
 25 And ða tuc stron sitiz, and a fat land, and pozést hszez ful ov el gudz, welç digd, vinyerdz, and oliv-yardz, and fruat trez in abúndans: so ða did et, and wer fild, and becam fat, and deljted ðemsélvz in ðj grat gudnos.

But after ða had rest, ða did ev'l agén befór ðé: ðarfor lefest ðs ðem in ðe hand ov ðar enemiz, so ðat ða had ðe dominyun over ðem: yet hwen ða retúrnd, and erjd intuu ðé, ðs herdest [ðem] from hev'n: and meni tmz didst ðs deliver ðem acording tu ðj mersiz; and testifjedst agénst ðem, ðat ðs mjttest brjp ðem agén intuu ðj lo: yet ða deltt prsdlí, and hqrnd not unttu ðj comqndments, but sind agénst ðj jujments, (hwiç if a man du, he [al liv in ðem:;) and widdrú ðe folder, and hqrnd ðar nec, and

1 IN it cam tu pqs in de daz ov Ahaz- qerus, (dis [iz] Ahazqerus hwiq rand, from India ev'n untu Etiopia, [over] an hundred and sev'n and twenti provinsez:) **2** [dat] in doz daz, hwen de eij Ahazqerus sat on de tron ov hiz cindum, hwiq [woz] **3** in Sufan de pales, in de tērd yer ov hiz ran, he mad a fest untu ol hiz prinsez and hiz servants; de pser ov Perja and Media, de nob'lz and prinsez ov de prov- **4** insez, [beij] befór him: hwen he fod de riez ov hiz gloriuz cindum, and de onur ov hiz ceselent majesti, meni daz, [ev'n] an hundred and forscor daz.

7 And da gav [dem] drije in vesclz ov gold, (de vesclz beij divers wun from anúder,) and real wjn in abúndans, acor- **8** dij tu de stat ov de eij. And de dricij [woz] acording tu de lē; nun did compél: for so de eij had aponted tu ol de ofiserz ov hiz hss, dat da sud du acording tu **9** everi manz plezur. 13 Æen de cij sed tu de wij men, hwiġ nu de timz, (for so [woz] de cijz maner tord el dat nu le and jujment: and de neest untu him [woz] Ćarsena, Zetar, Admata, Tarfis, Merez, Mqrsena, [and] Memġcan, de sev'n prinsez ov Perġa and Media, hwiġ so de cijz fas, [and] hwiġ sat de ferst in de cindum;) 4 Hwot sal we du untu de ewen Vastj acoording tu lo, becóz se hat not perfermd de comqudment ov de cij Ahazqerus bi de gamberlenz.

16 And Memġcan qnsred befór de cij and de prinsez, Vastj de ewen hat not dun roġ tu de cij onli, but also tu el de prinsez, and tu el de pep'l dat [qr] in el de provinsez ov de cij Ahazqerus. For [dis] ced ov de ewen sal cum abrónd untu ol wimen, so dat da sal despiz dar huzbundz in dar iz, hwen it sal be reported, de cij Ahazqerus comquded Vastj de ewen tu be brot in befór him, but se cam not.

18 [Lewiz] sal de ladiz ov Perġa and Media sa is da untu ol de cijz prinsez, hwiġ havherd ov de ded ov de ewen. Dus [sal dar ariz] tu muġ contént and rot.

19 If itplez de cij, let dar go a roal comqudant from him, and let it be rit'n anúnde loz ov de Perġanz and de Medz, dat itbe not elterd, dat Vastj cum no mor kór cij Ahazqerus; and let de cij givher roal estat untu anúder dat iz betertan se. And hwen de cijz deeré hwiġ hefal mae sal be publifit truust ol hiz emp, (for it iz grat,) el de wijz sal giv tu qr huzbundz onur, bot tu grat and smol.

21 And de uij plezd de cij and de prinsez; and de c did acoording tu de wurd ov 22 Memġcan: for he sent leterz intu el de cijz provinz, intu everi provins acoording tu de rit'ij aróf, and tu everi pep'l qfter dar langwe; dat everi man sud bar ruul in hiz on hz and dat [it] sal be publifit acoording tu dlangwe; ov everi pep'l.

2 AFTER 6 tinz, hwen de rot ov cij Ahazqerus wz apézd, he remémberd Vastj, and bót se had dun, and hwot 2 woz deeréd agst her. Æen sed de cijz servants dat mистерd untu him, Let dar 3 be far yuġ verjz sot for de cij: and let de cij apónt 6erz in el de provinsez ov hiz cindum, 4 da ma gader tугéder ol de far yuġ verjz untu Suman de pales, tu de hss ov de wimen, untu de custodi ov Hege de cijz nuberlen, ceper ov de wimen; and let 6 tinz for purificafun 4 be giv'n [den]: q let de mad'n hwiġ plezde de cij be c'm instéd ov Vastj. And de tin plezd de c; and he did so.

5 [N8] in Suman de pales dar woz a serten Ju, huiz nam woz Mórdecaj, de sun ov Jaer, de sun 6 Simij, de sun ov Cij, a Benjamit; huiz d ben carid awá from Jeruzalem wid de 7 ptiviti hwiġ had ben carid awá wid Jecġa cij ov Jyda, hum Nebucadnézer de c ov Babilun had

8 So it cam tu pqz, hwen de cijz comqudment and hiz deeré woz herd, and hwen meni mad'nz wer gaderd tугéder untu Suman de pales, tu de custodi ov Hégaġ, dat Ester woz brot also untu de cijz hss, tu de custodi ov Hégaġ, ceper ov 9 de wimen. And de mad'n plezd him, and se obtánd cindnes ov him; and he spedli gav her her tinz for purificafun, wid suġ tinz az belónd tu her, and sev'n mad'nz, [hwiġ wer] met tu be giv'n her, st ov de cijz hss: and he preférde her and her madz untu de best [plas] ov de hss ov de 10 wimen. Ester had not fod her pep'l nor her cindred: for Mórdecaj had qqrjd her dat se sud not fo [it].

11 And Mórdecaj weet everi da befór de eort ov de wimenz hss, tu no hz Ester 12 did, and hwot jad becúm ov her. Ns hwen everi madz turn woz cum tu go in tu cij Ahazqerus, qfter dat se had ben twelv munts, acoording tu de maner ov de wimen, (for so wer de daz ov dar purificafunz acómplifit, [tu wit,] sics munts wid ol ov mer, and sics munts wid swet odurz, and wid [uder] tinz for de purifijj ov de 13 wimen:) den dus cam [everi] mad'n untu de cij; hwotsoéver se dezdjd woz giv'n her tu go wid her st ov de hss ov de wimen 14 untu de cijz hss. In de evnj se went, and on de moro se retúnd intu de secund hss ov de wimen, tu de custodi ov Saúsgaz, de cijz gamberlen, hwiġ cept de cogeuhiz: se cam in untu de cij no mor, eesépt de cij deljdet in her, and dat se wer cold bi nam.

15 Ns hwen de turn ov Ester, de deter ov Abihail de uġe'l ov Mórdecaj, hu had tac'n her for hiz deter, woz cum tu go in untu de cij, se reewjrd nutin but hwot Hégaġ de cijz gamberlen, de ceper ov de wimen, aponted. And Ester obtánd favur in de 16 sjt ov ol dém dat haet upón her. So Ester woz tac'n untu cij Ahazqerus intu hiz hss roal in de tent munt, hwiġ [iz] de munt Tebet, in de sev'nt yer ov hiz ran. 17 And de cij luvd Ester abúv ol de wimen, and se obtánd gras and favur in hiz sjt mor dan ol de verjinz; so dat he set de roal crsn upón her hed, and mad her ewen 18 instéd ov Vastj. Æen de cij mad a grat fest untu ol hiz prinsez and hiz servants, [ev'n] Esterz fest; and he mad a relés tu de provinsez, and gav gifts, acoording tu de stat ov de cij.

19 And hwen de verjinz wer gaderd tугéder de secund tim, den Mórdecaj sat in de cijz 20 gat. Ester had not [yet] fod her cindred nor her pep'l; az Mórdecaj had qqrjd her: for Ester did de comqudment ov Mórdecaj, lje az hwen se woz brot up wid him.

21 IN doz daz, hwiġ Mórdecaj sat in de

And de tiq woz non tu Mórdecaj, hu told [it] untu Ester de ewen; and Ester sertifid de ein [daróf] in Mórdecajz nam. And hwen inewizifun woz mad ov de mater, it woz isnd st; darfor da wer bot lund on a tre; and it woz rit'n in de buc ov de cronic'iz befór de einz.

3 AFTER dez tiqz did ein Ahazqerus promót Haman de sun ov Hamedata de Agagit, and advqnst him, and set hiz set abáv ol de prinse dat [wer] wid him. 2 And ol de einz servants, dat [wer] in de einz gat, bsd, and reverenst Haman: for de ein had so comqnded consérnig him. If it plez de ein, let it be rit'n dat da ma be destród: and i wil pa ten tszend talents ov silver tu de handz ov doz dat hav de qqrj ov de biznes, tu brig [it] intu 10 de einz trezuriz. And de einz tuc hiz rij from hiz hand, and gav it untu Haman de sun ov Hamedata de Agagit, de Jqz 11 enemi. And de ein sed untu Haman, 'De silver [iz] giv'n tu de, de pep'l olso, tu du wid dem az it smet gud tu dé.

7 5 Æn ðe ein Ahazyerus qnsred and sed untu Ester ðe ewen, 9 Hú iz hé, and 9 hwar iz hé, ðat durst prezým in hiz hqrt 6 tu du so. And Ester sed, ðe adverseri and enemi [iz] ðis wiced Haman.

Æn Haman woz afrád befór ðe ein and 7 ðe ewen. And ðe ein arizig from ðe bagewet ov wjn in hiz rot [went] intui ðe pales gqrd'n: and Haman stod up tu mac reewést for hiz líf tu Ester ðe ewen; for he so ðat ðar woz ev'l detérmind agénst him bi ðe ein.

8 Æn ðe ein retárnd st ov ðe pales gqrd'n intui ðe plas ov ðe bagewet ov wjn; and Haman woz fol'n upón ðe bed hwarón Ester [woz]. Æn sed ðe ein, 9 Wil he fors ðe ewen also befór me in ðe hss. Az ðe wurd went st ov ðe einz mst, ða cuverd
